SUBJECT: Report on the Province of SASSARI (Sardinia).

TO: Lt. Colonel R.G.B. Spicer, Director,
Interior Sub-Commission.

FROM: Captain R.R. Temple, Executive Officer,
Interior Sub-Commission.

I GENERAL BACKGROUND.

(a) The Province of Cagliari is one of three provinces which comprise Sardinia, Region VI.

(b) The province has an area of 7,520 sq.km. or 2,900 sq.miles.

(c) According to the official 1936 census, the province had a population of 302,362. Its officially estimated (Italy Zone Handbook No.2) population in 1942 was 319,551. Unofficial sources place the 1944 figure at about 332,637. The density of population is 104 per square mile, much below the ratio of 360 per square mile for Italy as a whole.

(d) The principal industries in order of importance are agriculture, sheep raising, fishing, cork production, and some mining.

(e) There are 71 communes in Sassari province of which two have a population of over 15,000. Sassari commune is the largest (estimated population of 63,600 in 1944) and is the seat of the provincial capital.

(f) Transportation is the biggest problem. There is a large black market prevailing. Food is insufficient and the rationing system is said to be too complicated for the farmer. Much barter is going on, - cigarettes being the chief medium of exchange. Sufficient medical supplies are on hand to combat expected malaria cases. There is a shortage of soap. Civilian telegraph lines are good. The housing situation is good and refugees can be taken care of. The public safety situation is under good control.

II THE ROLE OF A.C.C. IN THE PROVINCE.

(a) The whole of Region VI is under Brigadier M. Carr (B).

(b) The Province of Sassari is under Major Dollar (B).

REMARKS

(b) & (c):

Vice-Prefect Dr. Lado Pietro left this office April 10, 1944. He is being retired on a pension having been in service since 1904. The Prefect ventured the opinion that the real reason for Lado's retirement is that he is related to a former high official in the Fascist Party. Dr. Pizzurra was Vice-Prefect Inspector of Cagliari before coming to Sassari where he will perform the duties of Vice-Prefect Vicar as well as those of Vice-Prefect Inspettore.

(e):

The three first secretaries (Sarulla, Ciagu and Magoni) are acting as councilors, also.

(h), (i):

Comm. Rag. Campus, Pietro (Grade VI) was formerly Regioniere Capo, but is now Inspector of Head Accountants.

(h):

The official rank of Dr. Mura is that of a Vice-Intendente, but he is acting as Intendente.
