"Political" - anti-fascist in power.

Remarks - "This town is encircled with a Battalion of about 600 soldiers of the Numbro Division. They are stealing, holding up people and have the town terrorized. They are buying food and harvesting without stolen goods. They have the radio Com-munismo Profetico intrinsicated. When it was announced that the Italian Army was to be fed by the American Army, an order was issued that the Italian soldiers were not to buy food from the civilians. The Numbro sent a delegation to the Com-munismo Profetico to say that if he succeeded to prevent the people of the Commu-nismo from selling to them, they, the Numbro, would kill him.

The people of this Commu-nismo are in fear of their lives at the hands of the Numbro. The Com-munismo stated that at least 90% of the women of this Commu-nismo have been raped, including minor girls. One girl, aged 14, has contracted syphilis and many of the young girls have contracted other venereal diseases. The communal

officers have protested to the Military
but to no avail. Comm. Rep states
the officers of the Numbros are as
bad as their names.
