CAS:

1. I mentioned the matter in fo p 12 to Lt. Col. Bonham-Carter. He agreed that it was inappropriate at this time for the Prefects to meet the officials of the Government. I indicated that I would mention the matter to BERRUTI and get his reaction anyway. Lt. Col. Bonham-Carter agreed.

2. When I discussed the matter with BERRUTI, Chief of Cabinet, Ministry of the Interior, and told him I thought the time was inappropriate, he said he did not think it was the proper time. He thought it might be advisable to wait until the composition of the Government was settled.

3. Since Capt. Cunningham is leaving in a few days for a local government survey of several provinces in Emilia Region, I have instructed the latter to bring to Col. Bowman's attention personally the fact that HQ is opposed to the proposition for the time being, and that this position is also taken by the Government. After the Governmental crises is settled, the matter will be taken up again.

4. Will you please bring the foregoing remarks to the attention of Capt. Kontant of Establishment Section.

TO : Colonel Norman E. Fiske

Headquarters Allied Commission

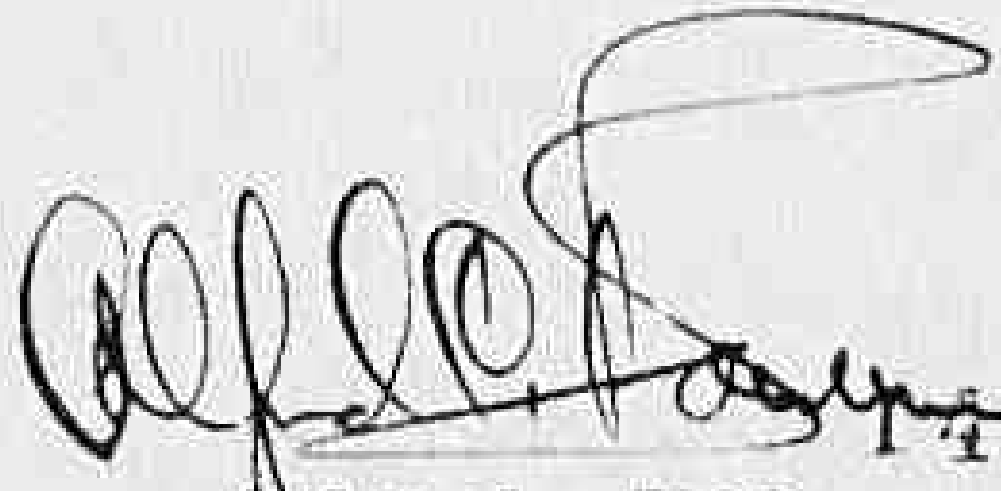

1. On an early visit to Bologna you suggested that, after all the prefects of Emilia had been appointed, it might be helpful to fly them to Rome in a party to meet members of the Italian Government. I concurred.

2. All prefects are now installed, and when I mentioned your idea to them at a meeting held at my headquarters recently, there was a general favorable response. Most of the prefects indicated that they would like to see the plan carried out within the next week or ten days.

3. I suggest that the invitations for such a meeting should come from the central government and the airplane be furnished by A.C.

4. I discussed this with Captain Montant by telephone a week ago. He said that he would take it up with you or with Lt. Col. Bonham-Carter, and that I should receive a direct reply from one of you.

5. Thus far I have heard nothing, and take this means to bring the matter to your official attention.

SUBJECT: Note of Interview - Ministry of the Interior

DATE : 6 June 1945 -

PRESENT: H. E. Adalberto BERGONI, Chief of Cabinet
 Cav. Andrea GASTA, Vice Chief of Cabinet
 H. E. Mario REGALI, Director General of Personnel
 Major Ralph R. Temple)
 Capt. R. I. Cunningham, Local Government S/O
 Sig. Arrigo NERI, interpreting

1. I took up with BERGONI the request of the Regional Commissioner, Emilia Region, to arrange a meeting between the newly appointed Prefects of Emilia Region and the appropriate officials of the Government. I indicated to BERGONI that he did not think the time appropriate. BERGONI agreed, stating that it was desirable to wait until the composition of the Government was settled. (I have instructed Capt. Cunningham to bring this to the attention of the Regional Commissioner, and the matter will be taken up again later.)
2. Bologna. A request came in over the telephone from Major Frossi that a Vice Prefect Vicario was required for Bologna Province. I took this matter up with BERGONI and REGALI at the Ministry, and REGALI stated that BERGONI would be the Government's nominee, as soon as there was a judgment concerning his opinion. This was expected to be done Saturday, 9 June. I told BERGONI that Capt. Cunningham was leaving Monday for Bologna and that I should like to have a nominee by then. He said he would telephone me on Sunday.
3. At the VP's request, I asked BERGONI whether there was any plan contemplated on the part of the Government to enact a Decree conferring powers on the CLN. BERGONI said that the present position was to regard the CLN as a consultative body but not give any legal powers as such. In other words, he said the position would be what it is today. He thought a better Decree might be enacted setting forth this attitude. I asked what effect he thought this might have on the local government bodies which have been established, namely, Clinte Comunali and Deputazioni Provinciali—whether the CLN would substitute these bodies. He said there would be no effect at all since the CLN was not a legal body and there was no intention to have them supplant legally established organs. (This matter was brought to the attention of the VP.)

1. The following information is passed to you in consequence of telephone call received 4 June (Colonel Bowman - Capt. Montant).
2. Colonel Bowman stated that it had been suggested that, after the Prefects in the various sections of his Region had been appointed, the Prefects be brought to Rome for the purpose of meeting the Government. Colonel Bowman had brought the matter up at a meeting of the Prefects, and they were all agreeable to the idea.
3. Would HQ A.C., be prepared to approve this plan, and, if approved, would HQ, A.C. inform the appropriate officials of the Italian Government, and arrange for a plane. Colonel Bowman would like 3-4 days notice before the trip, in order to inform those involved.
