SUBJECT: POW - CARRIERS

TO : Education Sub-Commission

1. Reference my letter of 29 January, 1944, will you kindly state the present position in this matter?
2. Since your original letter, the function of this Sub-Commission in regard to P. O. W. has been limited to applications for the release of Prisoners of War required for specific work connected with local government administration.
3. Kindly intimate, however, if this Sub-Commission can be of any further assistance in this case.

20 January 1944

SUBJECT: Release of POW (S/Ten. Gurrieri).

TO : Educational Adviser.

1. Reference your letter AMG 8601/3D of 2 January 1944, forwarded to this Sub-Commission for action. Your letter does not state whether Lt. Grasso is domiciled in Regions I, II, or III. This information is necessary, since this Sub-Commission can only handle cases in Regions I and II. In the case of the release for return of a prisoner to Region III, application will have to be made in Region III HQ.

2. A prisoner release information sheet is attached. Please supply this office with the requested information (or as much as is available).

2 January 1944

SUBJECT: Release of P.O.W.

TO: Administrative Director.

1. It is requested that application may be made for the release of the undermentioned Italian P.O.W.:

S/Tenente Giuseppe Gurrieri

N° 81-1-50257

P.O.W. Camp N° 127, Algeria.

2. This Officer is a nephew, and the only living relative, of Signora Grasso, widow of Professor V. Grasso, who was employed as a secretary by this office and has lately died.

3. Signora Grasso's affairs are greatly involved and she has requested the help of this office in securing the release of her nephew so that he may assist her.

4. In view of the hard work and valuable services performed by the late Professor Grasso for this Division and the Allied cause, it is urgently requested and most strongly recommended that steps be taken for the early release of this officer.
