A seguito della mia visita di ieri, Le trasmetto l'elenco degli ex-internati di Padula, che desiderano rientrare nelle loro case di Campobasso. Dal secondo elenco esplicativo, Lei vedrà che si tratta per la maggior parte di professionisti e impiegati, che hanno tutti le mogli e i figli senza aiuto nella loro città.

Confido nel Suo cortese interessamento perché Lei possa farci avere al più presto il necessario permesso dalle Autorità Militari dell'VIII^a Armata.

Mi dispiace che ieri non ci si sia compresi. Ma questi ex internati sono giunti nei giorni che io ero a Potenza e in Sicilia, e la pratica per il loro rimpatrio era stata fatta, tramite il Tenente GROTTANELLI, presso altri uffici della Commissione, mentre io credevo che l'avesse trattata Lei.-

Notes on Interview between Lt Col Spicer and the Minister of Interior, Dr. Gallengo, and Apostolo. — 3 April 1944.

1. Signor Reale asked permission for the Campobasso people recently released from Padula to return to that town. Stated permission already given for Foggia cases to return home.

Lt Col Spicer stated that Campobasso was in 8th Army area and return was only possible with the permission of the Army Commandant.

Dr. Gallengo seemed to have the strong impression that because they were released, they were automatically entitled to return, and intimated this. He was told very clearly that he was wrong and was reminded that fighting was taking place not far from Campobasso and the war conditions prevailing in the vicinity.

Dr. Gallengo intimated that the persons in question had been released from Padula with "apologies for their arrest". Lt Col Spicer denied this and firmly stated that there were no apologies to give for arrests made by ~~operating~~ Naval troops. Col Spicer confirmed this by speaking to Col Young and notified the Minister accordingly.

The Minister stated that a list of the people affected had been submitted. The Interior Sub-Commission had not seen it.

In spite of above, Dr. Gallengo still seemed confused as to the Army position and continued to refer to the fact that these prisoners had been released and inferring that they were entitled to return.

Lt Col Spicer again explained the position in very definite terms and the necessity for the Army authorities to deal with their own area, which attitude would be strongly supported by ACC who would do nothing to interfere with the Army's discretion.

Lt Col Spicer requested the Minister to let him have a list of the persons to whom the request related, and promised to take all necessary steps to bring the matter before the proper authority.

2. Lt.Col.Spicer referred to the Italian nomination of Nichole, Guisseppe Vice Prefect of Bari to the position of Prefect of Cosenza in succession to Mancini and stated that his enquiries indicated that one Bellisario was V.P. of Bari. Reale confirmed that Nicholi was V.P.

3. Lt.Col.Spicer told the Minister of the difficulties which hadarisen following the Italian nomination of Leone as Prefect of Campobasso. Leone was thoroughly unsatisfactory and had let the Minister down.

Translation by jgt

It is brought to the Control Commission's attention that following his freedom on 15 January, Sig. Rovella, Questore of Campobasso, it would be well to review the position of the other functionaries (officials) of the Questore of Campobasso who were arrested together with Rovella by the Canadian Police on 21 October 1943.

As we have good reason to believe that those arrests were provoked by local elements of Campobasso of nasty (bad) precident, moral and political, we beg the Allied Control Commission to closely re-examin the reasons why all the functionaries (officials) of the Questura were arrested, in order to eventually free and return them to their own families, after an imprisonment of 5 months.

The functionaries alluded to are the following:

ROLLERI, Michele, Commissario
PELOSIO, Leopoldo, Commissario , supplementary
ARACE, Michele, Vice Commissario

Held at the Concentration Camp of Taranto up to 10/12/43:

DELL'ARIA, Salvatore, Commissario, supplementary
DELLA VOLPE, Antonio " "
SANZO Carmine Vice Commissario

Held at the Concentration Camp at Taranto up to 18/12/43.

In expectation of your answer, distinguished regards.

Si fà presente alla Commissione di Controllo che in seguito alla liberazione avvenuta il 19 Gennaio del Questore di Campobasso, Sig. ROVELLA, sarebbe bene rivedere la situazione degli altri funzionari della Questura di Campobasso, arrestati assieme al ROVELLA dalla Polizia Canadese il 21 Ottobre 1943.

Poiché abbiamo buone ragioni per ritenere che questi arresti furono provocati a Campobasso da elementi locali, di pessimi precedenti morali e politici, pregniamo la Commissione Alleata di Controllo di voler riesaminare attentamente le ragioni per cui tutti i funzionari di Questura furono arrestati, per poterli eventualmente liberare e renderli alle loro famiglie, dopo una prigionia che dura da 5 mesi.

I funzionari in parola sono i seguenti:

ROLLERI Michele, Commissario;
PELOSIO Leopoldo, Commissario aggiunto;
ARACE Michele, Vice Commissario.

Trattenuti al Campo di Concentramento di Taranto fin dal 10/12/43.-
