SUBJECT: Prisoners of War - Giovanni di Guira
Pietro Rubinetti
Domenico Caputo

TO : RC, Region II

1. Reference your letters 29 March #/4/202, 12 April #/1/203, and 15 April #/4/348b, the position is as follows:

2. ACG Orders provide that "prisoners of war will be released most exceptionally on request and then only if their services are necessary for the furtherance of the war effort".

3. Accordingly, the applications for Rubinetti and Caputo cannot be entertained.

4. The provisions of ACG Daily Bulletin 13 Jan 1944, para 1, are cancelled.

5. With regard to di Guira, if you are of opinion that his case is covered by 2, above, and desire the application to be considered on those grounds, the procedure to be adopted is for you to convey the facts to the Agriculture Sub-Commission together with a certificate by you to the effect that the prisoner's release is necessary to the furtherance of the war effort. If the sub-Commission is satisfied, it is for them to make the request for release to the Deputy Chief Commissioner, who if himself satisfied, will take the necessary steps with a view to a formal application being made to the G.C. of the Army by which the prisoner is held.

6. One of the points in this case is as to whether the mill in question cannot be operated by another person.

7. The papers in each case are returned.

Encls, as in 7. above.
