ALLIED COMMISSION

LOCAL GOVERNMENT SUB COMMISSION

AC/9/4/16. Tel : 47807

SUBJECT : Transmission of Italian mail 8 February 1946

TO : The Presidency of the Council of Ministers.

1. Reference is made to letter No. 49958/11439/4/1.1.26 addressed to this Sub-Commission by the Presidency of the Council (Office of Research and Legislation) on 21 November. With this letter was enclosed a number of copies of the following circulars to Prefects :-

Reference	Date	Subject
48993/10007.6/1.1.26	October 10th	Rimedimento Enti Pubblici
49958/11439.4/1.1.26	" 24th	Revoca delle gestioni commissariali di imprese private
47523.1.1.26/11439/4	" 10th	Gestioni commissariali - Provvedimenti provvisori, etc.

The Presidency's letter above mentioned requested that the circulars be forwarded to the Prefects of the Provinces then under the jurisdiction of Allied Military Government.

2. As these circulars affect a wide variety of commercial and industrial enterprises it was necessary for this Sub-Commission to refer them to the opinion of the branches of the Allied Commission dealing with such matters before the circulars could be distributed. Owing to an unusual oversight, however, the circulars in question have not been returned to this office until now.

3. In view of the transfer to the Italian Government on 31st December of control over most of North Italy, this Sub-Commission can now forward these circulars to the Prefect of Udine Province only. This has been done. The remainder of the circulars are returned to the Presidency herewith.

4. I feel sure that the branch of the Allied Commission in which the oversight took place would wish me to express their extreme regret for the delay which has taken place.
