Dear Temple, P 114.

Thank you for your letter of 4th November, in view of the weather conditions here during the last few days we were not surprised when Captain Williams was unable to get through. I quite understand that the difficulties which were set out in your letter make it impossible for you to spare Williams in the immediate future.

However, I still hope very much that we can have a visit from him very soon as there are one or two other points we should like to discuss with him in addition to the particular problems of the Provinces.

Yours ever, 794

LOCAL GOVERNMENT SUB COMMISSION

DEMI-OFFICIAL

4 November 1944.

Dear Col. Mayne

You will remember seeing Col. Spicer in this office about a fortnight ago, on Monday 23 October, and agreeing with him that Capt. Williams should come down to your HQ a week later to survey local government in Lucca, Pistoia and Pisa, with particular reference to the relations between the administration of the CLN and Lucca. Capt. Williams has been trying to get down to Florence all this week, but an unfortunate series of accidents has prevented him. We were unable to get transport until yesterday when Capt. Williams left--only to find roads and bridges washed out. At present there appears to be no way of getting through from Rome to Florence by road for the next day or two.

This puts me in rather an awkward position. Col. Spicer is away as you know and will not be back for two or three weeks. Capt. Lewis has to go into the hospital on 7 November and will not be back, we think, for rather over a fortnight. If I send Capt. Williams to you in a few days time when the roads may be open again, it will leave me to cope with all the technical work of the Sub Commission entirely single-handed.

I think, therefore, that I have no alternative but to postpone Capt. Williams' visit to you for a fortnight or three weeks, until Capt. Lewis is back. I am very sorry we have to do this, but I feel sure you will understand the position.

PERSONAL (For your guidance only)

Captain Lewis.

1. Your tour. Go first straight through to 5 Army HQ. Pinpoint of their HQ recently given in orders. Pisa.

2. Take up all facts with you re PISTOIA, LUCCA, APUANIA and LA SPEZIA.

3. As regards Prefects make it clear if they are called forward by 5, it must be clearly understood that these Italian Government nominations cannot be turned down by local SCAO because he or the Comitato "don't like their faces on arrival". Either they are called for, nominated by Italian Government and sent up by us to be installed or not called for at all and sent up at all. (This arises out of Lt.Col.Rolph's attitude at Florence that he could "send the man back if he or the Comitato didn't like him or his face!)

We cannot make the Minister of Interior look foolish let alone the nominated and selected Prefect, who may have been called out for example of from Trapani. I am certain Col. Mayne will see this point.

4. Our arrangement has been that our escorting officer and Prefect (and or others) report at Army AMG HQ. and then after interview goes forward with escorting officer to Provincial HQ required. It is my considered opinion that at Army AMG HQ his authority of appointment should be signed by AMG Commander or his Deputy. But this is of course 5 Army AMG decision. I would prefer the authority signed by them and vistoed by PC or SCAO.

5. Take all appointments and matters relevant for these provinces up with you (copies).

6. Leave Brig.Durlop out. (Cable him regret pressure of work makes suggested visit of Captain Lewis impossible). 7 & 2

7. On completion 5 Army AMG, please survey: [redacted], TERNI, RIETI and return.

8. Cable us anything urgent re AMG 5 Army from their HQ before leaving. Their HQ.

SUBJECT: - Tour of Abruzzi Marche Region

TO : - RC Abruzzi Marche Region

1. You will recollect that during 21-24 August Capt. Williams made a survey of local Government in the provinces of AQUILA - CHIETI in your Region. I am anxious to cover the rest of the Region and that before any considerable amount of territory in the Po valley is occupied.

2. I propose therefore to have him begin next week a survey of the Provinces of PESCARA, TERAMO, ASCOLI and MACERATA and also (with Army consent) ANCONA and PESARO. The opportunity could be taken to discuss and if possible to settle such question as to Italian Officials etc. as remain outstanding. In order to lessen the time that this survey would otherwise take, Capt. HAMMOND would accompany him.

3. Subject to transport being available, my two officers would leave here on Monday, 2 October for Provincial H/Q at Chieti, reporting themselves to your H/Q on their way.

SUBJECT: Local Government Survey

Dear Rhoda

One of my officers, Captain Vernon Lewis, is leaving on Wednesday next for a survey of Rieti, Terni, and Perugia in regard to Local Government Organisation and progress, that will take him approximately up to Monday, 25th September. Would you like him to come to meet you on the night of the 25th and give a lecture or lectures or an informal talk to your Officers? I am sure he will do it well. If you would let me know, I will instruct him to that effect.

I have been extremely sorry I have been absolutely unable to send you an officer for permanent duty from my very small staff. I am most anxious to be helpful and the above suggestion is made in that spirit.

1. I attach my notes of interview with the PC and Prefect of Viterbo arising out of my recent tour in this province. I have already reported separately upon my visit to Rieti Province and my inability to complete my work for the reason stated therein.

2. With regard to Viterbo, I received a cordial welcome from the PC, Lt Col de GARSTON. He was interested in this Sub-Commission's work in relation to his province and gave me every facility to enable me to obtain the required information. He readily consented to my interviewing the Prefect and after seeing him, I discussed the matter as arranged with the PC.

3. As indicated in the enclosure, the PC reported highly upon Prefect FORNI, and although I have not included it in my formal report, It may be of interest to you to know that in my view, FORNI was easily the best type of Prefect I have every met in my provincial tours. Not only did he know the subject, but appeared extremely efficient and my interview, which, with other Prefects would probably have taken two hours, was completed in approximately 3/4 hour. He was content to answer my questions clearly and tersely.

1. The position of personnel to build up the strength of the CC.AM is giving rise to some apprehension. In order to have sufficient numbers to deal with territories that will be liberated in the North of Italy every avenue to find trained personnel is being explored.

2. One contingent of 47 Officers and 1700 ORs from PW Camps in West Africa has already been earmarked to return to this country and is due to arrive mid-September.

3. It is believed that a further number could be so transhipped; it is therefore desired to send an officer from this HQ to investigate the possibility and make arrangements for a further number to come to Italy if possible. The officer selected is Colonel N.G.B. Dear Colonel Spicer

Colonel Mayne has asked me to acknowledge your D.O. letter of 13 July (ref. ACC/14/A/Int.): it took five days to reach here and he only just had time to glance at it before going off for a meeting today at HQ AAI.

He asked me to say that he will reply about Temple's visit as soon as possible, but that he feels he should refer the matter to the General before doing so.

Yours Sincerely

David R.B. Mynors Capt.

Captain D.R.B. Mynors.

P.S. Your ACC/4/1/47/Int. of 13 July about Grosseto Province also arrived to-day. As you will no doubt see from our later sitreps Grosseto is now getting on quite well and we are well satisfied with all the officials, with the slight reservation about the Prefect. He however is expected to settle down in due course.

SUBJECT : TOURS.

TO : Col E.B. Mayne, HQ. 5 Army Group.

My dear Mayne,

You very kindly asked me the other day to come up to your 5 Army Group Headquarters. It is impossible for me to come at present as we are just starting to link up again with the Italian Government, who have arrived, and many things are afoot. I am most anxious, however, for my Chief Executive Officer (0523284 Captain R. R. TEMPLE (A)) to go up :-

(1) to give you any help, information and assistance that may be possible;
(2) to be allowed by you to visit your most forward spearhead CAO.

This is most desirable; I have employed him entirely hitherto on Survey and Legal Research in the Back Areas, and he has missed the psychological effect of the conditions in the Army Group Areas. All my other Officers have had this and are now able to appreciate how very different your position is to that - say of Calabria. It will do him a world of good, and in his case, it will be more blessed for him to receive than to give.

I am anxious to get all my Team fully aware of the Forward Areas' position and conditions, and if you could help us in this respect, I should be most grateful. Would you send me a little official note back in answer to this letter to say that 5 Army Group AMG agree to Captain Temple coming up to you on tour? I could release him in about 4/5 days, and I should be most happy if you could do this for me. You were most generous the other day in your appreciation of what we had tried to do, and a word of appreciation to us Staff wallahs in the back , from you people in the front line, is of great encouragement to us, and my young officers were thrilled when I told them what you said.

My kind regards to the General,

Yours very sincerely,

COLONEL.

11/14 File (57)

27 June 1944

SUBJECT: Transport for journey to Frosinone Province

TO : Colonel R. G. B. Spicer, Director

FROM : Captain C. G. R. Williams, Assistant Executive Officer

1. On the morning of Saturday, 24 June, you ordered me to conduct Capitano POZZI (Comissario Prefettizzio for Frosinone devastated area) to Frosinone on the next day, Sunday, 25 June.

2. In the course of the same day, I spoke to Lt Col Robertson, HQ Commandant, ACC, Main, by telephone as to transport. He said he would send a command car and an Italian civilian driver to Salerno that afternoon, and I was to make arrangements directly with Captain Volstad as to when and where the car would be required the next morning.

3. After lunch, I enquired for Captain Volstad at his office, but he was not in. I left a message with the clerk at the Information Desk that a car would be coming over from Naples and that it was required to be at the Palazzo Edilizia at 0930 hours on the morning of 25 June.

4. On reflection, I thought it desirable to put my message into writing. I therefore wrote a note to Captain Volstad in my own handwriting to the following effect:

"In confirmation of the verbal message left at the Information Desk this morning, I have Colonel Spicer's orders to proceed to Piuggi, Frosinone, Province, with an Italian official tomorrow, Sunday, 25 June.

The HQ Commandant, Naples, is sending over a car and an Italian civilian driver this afternoon.

Would you please have car and driver report to me at the Edilizia billets (not the mess) at 0930 hours tomorrow, Sunday, 25 June?

Formal travel orders will reach you in the course of the afternoon".

5. I added something to this message about providing a trailer, but it was not in fact required.

6. I took this message down myself to the Information Desk and handed it to the same clerk as in 3 above, and asked him to give it to Captain Volstad.

7. I did not keep a copy of this message.

8. As I was leaving this HQ at 1745 hours the same day, I was informed by the same clerk as in 3 above that the car and driver had arrived but the trailer could not be provided. I told him that that was immaterial as the trailer would not after all be needed.

9. At 0915 hours on 25 June, Capitano Bozzi reported to me with his baggage at the Palazzo Edilizia, as arranged with him on the previous day. The car did not arrive. I made a search for it in the adjoining streets. I then telephoned the Motor Pool and was told no one there knew anything about it.

Declassified E.O. 12356 Section 3.3/NND No. 785021

"In confirmation of the verbal message left at the Information Desk this morning, I have Colonel Spicer's orders to proceed to Fiuggi, Frosinone, Province, with an Italian official tomorrow, Sunday, 25 June.

The HQ Commandant, Naples, is sending over a car and an Italian civilian driver this afternoon.

Would you please have car and driver report to me at the Edilizia billets (not the mess) at 0930 hours tomorrow, Sunday, 25 June?

Formal travel orders will reach you in the course of the afternoon".

5. I added something to this message about providing a trailer, but it was not in fact required.

6. I took this message down myself to the Information Desk and handed it to the same clerk as in 3 above, and asked him to give it to Captain Volstad.

7. I did not keep a copy of this message.

8. As I was leaving this HQ at 1745 hours the same day, I was informed by the same clerk as in 3 above that the car and driver had arrived but the trailer could not be provided. I told him that that was immaterial as the trailer would not after all be needed.

9. At 0915 hours on 25 June, Capitano Bozzi reported to me with his baggage at the Palazzo Milizia, as arranged with him on the previous day. The car did not arrive. I made a search for it in the adjoining streets. I then telephoned the Motor Pool and was told no one there knew anything about it.

10. I asked Capitano Bozzi to wait and proceeded to this HQ and made enquiries. I found the car and driver were in the Motor Pool. No one knew anything about my

journey and the driver had received no orders. I took the car and driver and picked up Capitano Bozzi and his baggage, and ther my rations, and started out.

11. This difficulty over the car occasioned a delay of over an hour in starting.

TO: Captain R. R. Temple

1. You are under instructions to proceed forward to 8th Army AMG area.

2. You should in the first instance contact Rear HQ, and thereafter, if possible, contact the Commander, Group Captain Benson, and/or his staff officer, Captain Malatesta.

3. I am anxious to ascertain what help the Commanding Officer, 8th Army Group AMG may or will require from us in regard to the supply of administrative officials.

4. I am informed by the Executive Commissioner that in the immediate future Rieti may be his major problem.

5. Will you please inform him or his representative that administrative officials are now in extremely short supply in Royal Italy and, in my judgment (which is my personal opinion only) it would be wiser and more politic if men on the spot from the inhabitants be found who are suitable to do the work, although they may not be career officials.

6. Nevertheless, I am out to do everything possible in order to help 8th Army AMG Commanding Officer.

7. You will therefore endeavour to discuss the question with him or his representative, and to bring back a schedule of such officials in their respective categories which the Commanding Officer may consider essential to the continuance of efficiency in local administration.

8. You should, in this connection, obtain approximate dates of "delivery", and explain to him that it is necessary to obtain the collaboration of the Italian Government in obtaining such officials and give them time to clear themselves of their present appointments and to make their arrangements for proceeding to these forward areas.

9. If such officials are required, the longer notice that I can get will be an advantage, but immediately I have such a list, I shall proceed with the preliminary stages of earmarking, warning them, etc., and if within regional areas, obtaining their clearance with the respective Regional Commissioner.

10. Ascertain exactly in advance to which point these officials, if called for, should be brought.

11. I shall probably endeavour to send them up as a team for disposal of them as the Commanding Officer may wish, but send them up together in charge of one of the officers of my staff.

12. Will you please tell Group Captain Benson or his representative that we have acted on these lines in regard to Region IV for Littoria, Frosinone, and Rome Province, but although I express the opinion as my personal one, I am not at all sure that this policy should be resorted to unless the position in that regard is extreme.

13. Please give my kindest regards personally to Group Captain Benson and to Captain Melatesta.

Pcc/16F/187

17 March 1944.

TO: Adjutant, Lt. T. C. Shanks

1. I propose, if possible, to leave this Headquarters on Tour with effect from Friday, 24 March, and want you to draft all letters, making all arrangements in regard to motor transport and travel orders, etc., on my behalf.

2. My Tour will be: (1) Naples, (2) Avellino, (3)Benevento, (4) Caserta. In regard to Caserta, ascertain if this is 5th Army Headquarters. Further, I should like to go forward to get an idea of the forward area near Casino. Then, retracing, to go to Campobasso, and as far north as Vasto and Pagliata.

3. Make appropriate application for me to be provided with necessary passes (there was something to this effect on a bulletin not long ago).

4. Lt Vernon Lewis will accompany me on the tour.

5. Please supply me with full documents as given to the students of the Course, including pro-formas of dismissal and appointment, and give me a considerable number of spares in the same folder, in case Provincial Commissioners ask for them.

6. See that both my driver and Lt. Lewis, and myself, are supplied with rations (and endeavour to see that arrangements are made with the rations officer that these are 5-in-1 rations).

7. The car, complete with driver, and rations should in the first place on the morning of 24 March, at 8,30 pick up Lt. Lewis at Villa _____, and then pick me up at the Vittoria Hotel, Cava.

8. Notify the V. P., to whom application should be directed for his agreement, of my proceeding on this tour. As soon as approval is received, notify Region 3, Region 5, and 5th and 8th Army Groups of this tour, and say to each Commanding officer that I hope to have the pleasure of calling on them personally immediately I arrive in their region boundaries.
