ASSIGNMENT OF OFFICERS, TRANSFERS, POSTINGS, ETC.
(JUN. 1944); OCT. 1944 – JULY 1946

TO: CA Sec.

1. From the latest roster of legal officers whose redeployment or release date renders them eligible for allocation to Liaison and AMG Teams, it is evident that this S/C will have no surplus officers.

2. This S/C has been called upon to furnish eleven officers for Venezia Giulia, and the suggestion made in Minute 13, para 3, appears to be a matter beyond our scope. Such a working arrangement should be made between the S/C and Region concerned.

3. It is suggested that there are many qualified legal officers assigned to other divisions who should be available in the near future. I will be happy to offer the benefit of my advice concerning any of them with whom I am familiar.

20 Dec 45. 1. Ref folio 101. Major Coulson G-1B states.
(a) That date 12th Dec. was probably too optimistic.
(b) That Venezia Region have said they want to retain Capt. Lingen but have been told that he must report to this S/C for an interview anyway.
(c) They will follow up if he doesn't arrive soon.

2. This Sub Commission has been informed that 13 legal officers (8 American, 5 British) are to be assigned to Venezia Giulia (see folio 73). 73

3. After the hand-over of Italian territory takes place, and even before, a large part of our work will be in connection with electoral matters in Venezia Giulia and will be largely legal and technical, such as the preparation of appropriate Allied Military Government orders for compilation of election registers. It would seem only just that one of the legal officers assigned to Venezia-Giulia work on those matters here at HQ. for Local Government Sub Commission.

4. In practice, because of our scarcity of officers, we would have to throw a good deal of that work on the legal staff of Venezia-Giulia. On the other hand, they would of necessity have to consult us at every turn. It would seem more sensible and practical to have the technician under our direction here at HQ. where he would receive the benefit of our experience and advise.

5. Your assistance in securing such a legal officer from Venezia-Giulia is accordingly earnestly solicited.

TO : Executive Commissioner
through Executive Officer (A) and
Executive Officer (B).

1. I hereby apply for release from assignment as duty Officer on the ground that as Director of the Local Government Sub Commission I feel that I should be exempt from any routine duty assignment which could possibly interfere with the carrying out of my responsibilities as Head of the Sub Commission. Up till now I have been exempt from these assignments solely on the basis of the position I hold and without regard to my rank. Because of the nature of my responsibilities, with the ever present possibility of my going out of town on certain days or being called into conferences after closing time, any duty assignment would not be regarded as a definite one. I therefore respectfully ask that my present exemption from duty tours be continued.

SUBJECT: Officer Personnel for Local Government S/C. 3 January 1946

TO : G-1 (B).

1. A WE/TO recently submitted to me provided for 2 American captains to replace 2 British officers-presently with my Sub Commission- upon their departure. I have been informed by Brig. Carr that that TO is not necessarily adhered to. Furthermore it seems unlikely that it can be fulfilled at the present time because of lack of American officers with the required technical background.

2. I have discussed the foregoing with Vice-President Civil Affairs Section and he has consented to my formally requesting the assignment of a British officer in lieu of an American one. The officer that I should like to have assigned is Capt. Joseph Vincent VELLA, 301892 General List, who is at present assigned to the Education Sub Commission. Capt. Vella's background and experience in Italy give him the necessary basis for working in my Sub Commission.

3. I have discussed the replacement of Capt. W.I.Cunningham-who is scheduled to be released on January 12- by Capt. Vella with the latter as well as the Director of the Education Sub Commission and the Vice-President Civil Affairs Section. All are in agreement with the assignment of Capt. Vella to my Sub Commission on termination of his activity with the Education Sub Commission.

4. It is accordingly requested that the assignment of Capt. Vella to Local Government S/C. be effected upon the termination of his work with the Education S/C, sometime during this month.

NOTES

1. This form of recommendation has been introduced to ensure equal fairness to all officers by producing the maximum of anonymity. It must be made out exactly as shown in the proforma and must NOT be altered in any way whatever.

2. Members of the War Office Selection Board will neither know the name or regiment of any candidate, nor the names of any of the commanders who have recommended him, the centre portion only of the recommendation form being before them. An officer will therefore be selected on his record of service combined with the recommendations of his commanders.

3. Selection will be effected by a system of marking in which the human element is reduced to the minimum. It is therefore essential, in fairness to the officer concerned, that details of recommendations are filled in fully and accurately. Particular care will be taken to ensure that the officer's name does NOT appear anywhere in the body of the report (Serials (b) to (m) inclusive).

4. In the case of officers employed on the staff of divisional or higher headquarters the initial recommendation will be made by the first grade staff officer under whom the officer is serving. The recommendation will be endorsed in paragraphs (i) and (m) by the appropriate superiors.

5. Names are NOT required to be forwarded in any order of priority.

6. It is important that the grading "Outstanding", "Highly Recommended" or "Recommended" is inserted by the higher Cond under (m) and by no one else.

2. It will be noted that the terms and conditions governing the grant of permanent Regular Army Commissions to Officers in Group 11 (i.e. those Officers who were ineligible on grounds of age under ACIs 1696/42 and 2441/42) are explained.

3. It is the Army Council's intention that only temporary Officers of a very high standard with a war record of proved merit and efficiency shall be chosen, in order that their inclusion in the regular army with seniority comparable to that of pre-war regular Officers of equivalent age may be justified.

4. In their instructions to Regular Commission Boards, the Army Council laid down certain principles for their guidance.

The principles are:-

(a) The school or family from which a candidate comes is of no importance, but, at the same time, family connections with HM Forces over long periods whether in commissioned or non-commissioned ranks should be given weight as tending to show that the candidate "has soldiering in his blood".

(b) Lack of private income will not be treated as an adverse factor. 1812 It is already abundantly clear that the general economic conditions of the future will be such as to make it well-nigh impossible for any Officer's Mess to set a standard of living beyond the reach of an Officer with no private means.

(c) Breadth of outlook and wide (and preferably unmilitary) interests in addition to devotion to the Service are of great importance.

(d) Candidates are required for all branches of the Service, each of which has its own special needs. The ideal to be aimed at is that every accepted candidate should have:-

My dear Ralph,

I am sure you must have wondered what the hell had happened to me. Garth will have told you about me being pulled off the train on my way back to Italy because I was Release Group 21 and was due to be released. I was sent home again on leave and about 10 days ago I got a telegram telling me to report to 240 Royal Artillery Training Regiment (A.A.) at above address. When I got here I found I was not being released but that other officers of Release Group 21 some of whom had never been overseas ! Today I got a circular letter from the War Office saying I will be retained till 1st February. I think I have had a pretty rotten deal and I would not have come on leave if I had known I would receive such treatment. To make matters worse the job I am doing here could be done by any Second Lieutenant and I expect I will lose my Captaincy soon.

If my services are still required in the Local Government Sub Commission I would be delighted to get out to Italy again for the remainder of my period in the Army. I suggest that if you want me you get the cables going and claim me back.

Needless to say I feel pretty sore about this treatment especially as the officer - a Lieutenant - whom I relieved has been released in Group 21. He had never been overseas, was not married and had no special reason for being released.

Please let me know what you do and also let me know how the firm is getting on, also what date has been fixed for the release of Group 21 officers in Italy.

Give my love to Garth and anyone else I knew. I suppose Phyllis has gone by now.

Yours

WIC

P.S. - Brian Aulton who used to be in Turin is here too and has the same raw deal as I have had. He got home from Italy two days before I did and was stepped on the way back too.

W.I.C.

I would have written to you sooner but I had nothing definite to report.

SEMI-OFFICIAL

Temple has shown me the letter you wrote to him on 19 November.

As you will see from the annexed copy signals, your recall to this HQ was initiated on 27 October and requested again on 10 November. Your presence here is requested most urgently. The Local Government Sub Commission is in very short strength. At the end of October it was reduced to two officers. With great difficulty a third officer has been obtained, but he has, of course, none of that specialized experience of the Italian political and local government law and administration such as the other two officers in the Sub Commission and yourself have and which only comes by experience.

The Local Government Sub Commission is particularly busy. The Italian Government have now published in detail their proposals for holding national and local elections and declared their intention to begin the elections at the end of this year. The subject is, therefore, of the highest political importance at the present time. As you know, there is only one other British officer besides yourself with any knowledge about Italian elections and he is already serving with the Local Government Sub Commission in this HQ.

I may add that in the absence of any information as to whether your return to this theatre has been ordered, all home leave for the officers of Local Government Sub Commission, both British and American, has had to be stopped.

I suggest you see your Commanding Officer at once and obtain his permission to go to town and see the War Office, Civil Affairs Branch (CA-9) Hotel Victoria, Northumberland Avenue. You should produce this letter and the enclosures to them and ask them to initiate your return to this HQ with all possible speed.

Your immediate return is operationally vital and you should request air transport of the highest possible priority.

1803

Yours very truly,

SUBJECT: Assignment of officers.

23 November 1945

TO : G-1 (A)
G-1 (B)

1. As is known, the actual officer strength of this Sub Commission is 3 as against a T/O/E of 6.

2. The recent assignment to this Sub Commission of Capt. J. R. Russell (B) has been of considerable assistance. He is included in the officer strength of 3 mentioned above. The assignment of a fourth officer is, however, increasingly urgent.

3. As an example, it is known that this Sub Commission has no field officers of its own and it therefore should keep at least one of its officers in rotation out advising and conferring with HCs and PCs. A number of problems have arisen recently which really require the attention of an officer on the spot, particularly preparation of electoral lists. Such matters have to be left in abeyance, however, as no officer can be spared from the small number available.

4. It is, therefore, requested that the assignment of another officer to the Sub Commission be treated as especially urgent--of the rank of Captain or below. Legal knowledge or experience in local government in Italy will, of course, be useful but are not in present circumstances essential. The 3 officers at present on the strength of the Sub Commission have legal qualifications and good use can be made of a competent officer who is not a lawyer.

14 NOV 1945

TO : Units this Regiment.

The following MTOUSA cable, FX 52457, dated 9 November 1945 is quoted for the information of all concerned.

"Clarification second sentence paragraph 2 Cured FX 50262 regarding Civil Affairs officers which reads 'date agreed on must be subsequent to date officer becomes eligible for relief from active duty' follows.

'Date officer becomes eligible for relief from active duty' is date critical score is equal to or below officers adjusted service rating score. One whose Mos is included on list of scarce categories officer specialists may be retained 6 months beyond date of his separation eligibility without his consent. Same officer may be continued on extended active duty beyond 6 months period referred to in preceding sentence with his consent by signing specified volunteer statement.

If an officer whose Mos is on list scarce categories of officer specialists consents to remain on active duty for a period which expires less than 6 months from date of his separation eligibility he may be retained without his consent for remaining portion of 6 months period but not longer."

Dear Major Temple

Ref. your AC/16/B/LG of 20 October.

I have spoken to Nevans but as his future bride is promised a berth in a home bound ship this month, and as he himself has 85 points, he has decided not to stay on.

Sorry there has been a little delay in replying, but Nevans went down to Florence to discuss the matter with her-who-must-be-obeyed.

Yrs sincerely

SUBJECT: Return of officer from U.K.

26 October 1945

TO : G-1 (B)

W.I. CUNNINGHAM Capt. - 207842 - R. A.

1. The above-mentioned officer left for England with LLAP Party No. 22. His return is several days overdue. His ASR Group being 21, it is possible he has been retained in the U. K.

2. The services of this officer are operationally vital. He is one of the only 2 British officers with a knowledge of Italian ~~xxx~~ local government electoral procedure. Important policy decisions will be required to be taken in the next month on these subjects, involving elaborate studies of technical documents put out by the Italian Government.

3. May a request please be made for his recall to this country for service with AC. The matter is very urgent.

DEMI-OFFICIAL

Dear Colonel

I have been authorized by Col. Weber, Chief Legal Adviser of the Allied Commission, to take up with you directly the following matter.

As you probably expect, we are all having our personnel problems. My own Sub Commission is particularly hard hit, because so many of the current problems are being handled by us--many of them affecting Venezia-Giulia. One of the matters that it is anticipated will engage our attention is that concerning election registers and elections in your Region. Preparation of necessary AMG orders dealing with those subjects, because of the scarcity of personnel here, will of necessity have to be handled by your legal staff.

It seems to be more logical to have one of your lawyers assigned to my Sub Commission for this and other relevant work affecting your Region, where he would be able to receive the benefit of our direction and vast experience in these fields rather than have him constantly consult us by remote control.

I understand that 11 legal officers are being assigned to your Region. With the assurance that electoral and other local governmental matters would not be handled by your legal staff but by us, I am asking whether you would release Lt. Scanlan, who from the point of view of ability would be a welcome addition to my staff. and release alone

I know that you feel the pinch, but on the other hand, the release of this officer will be compensated by the reduction in the work that would have to be handled by your staff. I would appreciate hearing from you as soon as possible as to your reaction to my request.

Sincerely yours

Col. Alfred Bowman

DEMI-OFFICIAL

20 October 1945

Dear Major McColm

Col. Weber, Chief Legal Adviser of the Allied Commission, has authorized me to communicate directly with you on the following matter.

He informs me that 1st Lt. Edward E. Nevans, Jr., one of your legal officers, has indicated that he does not wish to leave Italy until his bride has been safely put aboard a ship going to the U.S. I am looking for a lawyer to join my staff, which is presently being engaged in top level matters involving compilation of election registers, elections, the Constituent Assembly, the Consulta and Venezia-Giulia.

If Nevans is interested in committing himself to stay for several months, he can find an interesting job with me. Col. Weber has assured me that efforts to secure his promotion would be continued and certainly will not be affected by any transfer.

I would appreciate it if you would sound Nevans out and if he is interested ask him to come down to see me during the week of October 29.

Sincerely yours

L. Colt

SUBJECT : Assignment - Officers

TO : Director, Local Government Sub-Commission

1. Reference your AC/16/B/LG of 6 October 1945 and conversations Major Williams - Captain Bern.

2. This is to advise that this Sub-Commission has no legal officer personnel who will become surplus when the hand-over takes place.

3. Because of losses through release and redeployment, it is likely that this Sub-Commission will not have a sufficient number of officers remaining to fill its own requirements after the hand-over.

1. Reference this Sub Commission's letter AG/16/4/LG of 27 Sep 45. and to conversations Lt Col Hannaford - Major Williams, upon consideration it is felt that the suggested circular to Regional Commissioners asking PLOs to "volunteer" for the vacancy would hardly produce the desired results. The alternative of signaling requests for selected officers to come to Rome for interview is much preferred.

2. It is appreciated that you are short-handed. An officer need not however, be away from his post for more than 2 days. As this Sub Commission's need is great and this seems to be the only satisfactory method of finding the right officer, it is hoped you will see your way to adopt it.

3. The officers I would like to see are :

3. Immediate Requirements:- Some knowledge of (a) governmental administration OR (b) law would be an advantage but is not essential.

1 Permission has been received for the temporary retention of U.S. Officers who are key personnel and for whom a replacement is not available. This applies both to Headquarters and to the field.

2 The number to be retained is limited and officers will only be retained on the order of General Clarkey.

3 If the loss of any particular key personnel will prevent a Sub-Commission from exercising essential functions, the names of such officers may be submitted with a request that they be retained. All such applications must be accompanied by a short but sufficient description of the essential work and that no replacement is available, and the period of retention.

4 It must be understood that all such retentions will be for a relatively short time.

SUBJECT: Filling of vacancy in officer TO/WE. 27 September 1945

TO : Director, Legal Sub Commission.

1. It is considered necessary to fill one of the vacancies at present existing in the officer TO/WE of this Sub-Commission: and it is thought that a suitable officer might be found among those PWOs who may become surplus upon the transfer of the Northern Regions to Italian control.

2. The officer required should be of the rank of Captain or Lieutenant: and may be either American or British. If American, he should have a sufficiently low point score to make his discharge unlikely during the next 6 months: if British, his age-service release group should be later than group 25.

3. Please advise whether you will have any officers with these qualifications becoming surplus on the hand-over and, if so, forward their names.

SUBJECT : Disposal of Surplus British C.A.Officers

TO : Distribution: see below

1. Extracts from War Office (CA 9) letter 124/Gen/136 of 17 Aug 45, are sent to you herewith for information and as a guide to the action called for in the paras below.

2. The information given in the above War Office letter is likely to be the most specific available at present, and it is considered that all British Officers must bear this in mind and make decisions accordingly. Every effort will be made here to assist officers to obtain suitable postings.

3. At the moment only the following officers may be considered surplus to AMG/AC requirements:-

(a) Officers who are being released from the Army before 1 Dec 45 (A/S Group 1 - 21 inclusive) or who will proceed to UK on PYTHON before that date (4 years overseas service by the end of the year will be taken as qualifying for this).
(b) All other officers NOT included in AMG/AC Liaison Groups,etc.or NOT remaining at this HQ after the final handing over.

4. AFHQ will be asked to furnish special instructions in regard to postings for officers in category 3(a) above. As these officers are being repatriated continuously only a small number of postings will be involved.

5. For all other surplus officers the attached specimen Form Z has been prepared and Part A will be completed by each officer concerned. Regions etc. will complete Part B and return it to this HQ. These instructions also apply to all branches of this HQ. It is enticipated that Form Z will be submitted to the War Office and it forms the basis of each officer's application for Civil Affairs Employment. This HQ possesses the greater part of the required information but it is desirable that every officer knows that the correct and latest data in his case is put forward. Part A of the Form should therefore be completed throughout by the officer personally.

6. The final decision as to whether an officer is surplus must be made by this HQ. In a number of cases officers declared surplus by Regions etc.may in fact be assigned to this HQ or to some other Liaison Group. Similarly officers recommended for Liaison Groups may not be selected by this HQ.

7. Form Z should therefore be submitted in the first place for all officers in the Field (excepting those in the category described in para 3a). The forms will be checked by this HQ, and as soon as an officer is agreed to be surplus his Form will be passed to AFHQ in duplicate for transmission to the War Office.

8. In the interests of all concerned it is most important that all Forms Z are completed forthwith and despatched in triplicate to this HQ. Careful and accurate completion of the Form is strongly emphasised.

MEMORANDUM

17 August, 1945.

Reference your G-5:381.1-3 dated 6 August 45.

As you are aware, there is a desperate need for trained Civil Affairs Officers in the HMAs in Middle East and East Africa, and it is hoped to divert to these HMAs many of the officers whom you expect to make available. The balance, it is anticipated, can be absorbed without difficulty into 21 Army Group establishments.

It is not possible to give any firm indication as to how long any officer will be required for Civil Affairs as in Middle East and East Africa it is dependent on when peace talks concerning the Italian colonies are concluded for which no date can be hazarded, and in respect of Germany this is dependent on the conditions yet to be fixed regarding the Control Service. Any officer, however, in Military Government in Germany will have an opportunity of transferring to such a Service, provided of course he is considered suitable.

It would be appreciated therefore, if a list of all officers who will become redundant showing the date they will vacate their appointment could be furnished as early as possible. The names on the list should be numbered serially and should show the officer's

(1) Number
(2) Present rank
(3) Function
(4) Age service group
(5) Length of service towards PYTHON
(6) Whether desirous of deferring release
(7) Whether recommended for promotion
(8) Preference where would like to serve and your recommendation

There can, it is regretted, be no promises of promotion, but no officer would be nominated for an appointment in a lower grade than he is now holding unless his agreement were first obtained. This latter point is mentioned as there may be difficulty in placing officers of high rank.

SUBJECT: Emergency CA Selection

TO : HQ Main Eighth Army
HQ Land Forces Greece
HQ Allied Commission, APO 394

1. Emergency measures have been authorised by War Office to provide replacements and to meet extra demands of officers required for Civil Affairs/Military Government.

2. Officers may therefore be directed temporarily to Civil Affairs by AFHQ and selection made from officers who have not volunteered under ACI 173/45. When such an officer is selected for an appointment, his posting instructions will state that he has been selected for an appointment as SO (CA) as a temporary measure.

3. Such officers are not required to be interviewed by the Civil Affairs Selection Board now interviewing in this theatre. Except in rare individual cases it will be necessary for an officer to be interviewed by an 'Allocation Board', to determine his function before he is posted.

4. (a) Allocation Boards will be established as follows:-

Location	HQ Responsible
CASERTA	G-5, A.F.H.Q.
ROME	HQ Allied Commission (ITALY)
EIGHTH ARMY	HQ EIGHTH ARMY
GREECE	HQ Land Forces Greece

(b) The Board will consist of a Civil Affairs Officer not below the rank of Lt.Col., with such co-opted specialist or technical representatives as required.

5. (a) Particulars on the proforma at Appendix 'A' will be completed in respect of each officer recommended by the Allocation Board for appointment under the terms of this letter, and will be forwarded to G-5 AFHQ. Only one copy of the proforma is required. AFHQ will be the final authority to decide whether an officer shall be appointed.

(b) Extracts from completed proformae will be forwarded by AFHQ to War Office for clearance. If as a result, there is any objection to the 'posting for temporary duty' that has already been effected, AFHQ will terminate the temporary posting.

1731

6. The procedure outlined in para 3 above will be known as Emergency CA Selection and will be carried out without prejudice to the continuance of selection under ACI 1426/44 (Far East) and ACI 173/45 (Europe and Africa). Any officer appointed under the terms of this letter may, if he wishes, apply under the above quoted ACIs in the normal way. It is not the intention at this time to amend GRO 288/45, which will however be considered as modified where it conflicts with this letter.

7. Any officer who has already volunteered under ACI 173/45, but who has not yet been interviewed by CASB may be posted immediately for 'temporary duty' until such time as the normal ACI procedure has been complied with.

It is the intention that the majority of Emergency Selected officers will be drawn from those officers who have volunteered under ACI 173/45., but who have not yet been interviewed by CASB. Such officers will be interviewed by Allocation Boards as directed by this Headquarters. There may, however, be a

few officers required as Emergency CA officers who are not volunteers under ACI 173/45. Such officers will be directed to attend Allocation Boards by AFHQ, HQ EIGHTH ARMY and HQ Land Forces Greece, as necessary.

9. Officers who are not volunteers under ACI 173/45 will not be directed to attend for interview by Allocation Boards unless they belong to an age service group that will allow a minimum of three months duty with Military Government in the field.

THE WAR OFFICE,

C.A.9/B.M.446(C.A.2)

12th April 1945.

Sir,

1. I am directed to inform you that a number of Civil Affairs Officers at present serving under your command have applied, and that others may apply under A.C.I. 1426/1944 for service in Civil Affairs, Far East.

2. Such Officers who are selected will be required to undergo Far East training in U.K. at C.A.S.C. Whilst it is realised that it may not be possible for Officers to be released for immediate training without replacements to supply which every endeavour will be made, it is hoped that as many as possible will be made available owing to the great desirability of employing Officers in the Far East who already have C.A. experience in the field, and to the fact that many of these Officers desire to make a future career in the Colonial Service.

For the period of training, approximately 4 months, Officers will be struck off strength of units vide para 5 of A.C.I. 1426 and held on the strength of No. 3 C.A. (Far East) Pool and will not return to former units on conclusion of training.

3. I am further directed to draw attention to para 10 of A.C.I. 1426 from which it will be noted that Officers who desire to be considered for future service under the Colonial Office will be interviewed by the Colonial Office whilst attending a Course at C.A.S.C. and I am to state that it will not be possible for officers to be so interviewed at any time prior to attending a course, nor is it possible to accelerate their attendance at the C.A.S.C.

4. Finally I am to request that this letter, and in particular para 3 thereof, may be brought to the notice of all C.A. Officers under your command.

I am,
Sir,
Your obedient Servant.

SUBJECT: Request for re-assignment. 29 March 1945

TO : Vice President
Civil Affairs Section (for forwarding to
Establishment Section)

1. As you know, I have for some time been desirous of spending the last lap of my Military Government career in Italy as a Provincial Commissioner with a province of my own to govern. As Deputy and Acting Director of the Local Government Sub Commission since January 1944, my work, to a large extent, has been advising Provincial Commissioners on organizing and running provincial and communal administration. My long civilian training and experience has given me the necessary background to act as a PC also.

2. I would appreciate your forwarding this note to the Establishment Section for their consideration should a vacancy for Provincial Commissioner occur.

Lt.Col. C.W.G. INCE, OBE, MC, AMS, War Office, will visit Italy early in April for a short tour.

The number of interviews will be restricted to approximately 12 per day.

It is expected that Lt.Col. INCE will interview A.C. Officers on or about 3 April 45 but the exact date will be signalled to addressees as soon as it is known.

Names of officers requesting interviews, showing briefly the points to be raised by each officer, will be forwarded to this H.Q. not later than 20 March 45. This letter concerns British Officers only.

SUBJECT : Applications for British Officers

TO : Distribution below.

23 JAN 1945

A number of applications for the assignment of British officers to A.C. have recently been submitted direct from Sub Commissions to units or formation headquarters, and in particular to A.F.H.Q. A.F.H.Q. point out that all such cases have to be referred back to H.Q. of this Commission and much unnecessary delay is thereby caused.

In future all recommendations for the appointment of British officers to the Allied Commission will be submitted through G-1(B) Branch.

STAFF MEMORANDUM)
:
NUMBER 3)

30 October 1944

Discipline, Supervision, and Control of Allied Commission Officers.

1. The Chief of Staff has ruled that the Regional Commissioner will be responsible for the discipline of all AC Officers in the Region and for the general supervision and control of their work.

2. This responsibility is delegated to Zone Commissioners in respect of all AC Officers whose activities are confined more or less to the Zone concerned. Officers with wider spheres of action will come under Region HQ.

3. The ruling does NOT apply, of course, to HQ AC Officers visiting the Region on duty.

4. Officers on duty in this Region, other than HQ AC Officers on official visits, will conform to the following rules.

a. They will report to the Regional Commissioner on their arrival in the Region. If, of necessity, they go direct to a distant Zone, they will report to the Zone Commissioner. Similarly they will report to the Regional or Zone Commissioner on their departure.

b. Changes of location of such officers will normally take place on Regional Movement Orders. If HQ AC Movement orders are received direct by the officer, he will, of course, carry out the order promptly, but before doing so, he must inform his Zone Commissioner, who will inform Regional Headquarters.

c. Presumably all communications to such officers on important policy matters will be routed through Regional HQ, but if the officer receives communication on such matters direct, he will supply a copy promptly to the Zone Commissioner for the transmission to this HQ.

d. The Officer will supply the Zone Commissioner with one copy of every message or letter on important policy which he dispatches, and will keep in general contact with the Zone Commissioner.

e. The Officer may sign his letters as a member of his Sub-Commission if this has been his practice. If he requires the wider authority conferred by signing for the Zone Commissioner or for the Regional Commissioner, he must consult the Commissioner concerned before doing so.

1683

f. Zone Commissioners will be responsible for coordinating the work of such officers with the other activities of the Zone and such officers will be careful not to take any steps, technical or otherwise, which may have effects outside the spheres of his own activities

5. It is NOT desired to interfere in any way with an AC officer in carrying out his normal duties. The job is the important thing. But an AC officer working in the Region must realize that, unless the Regional Commissioner and Zone Commissioners are kept constantly and promptly advised on all important matters, they will be unable to exercise supervision and control in accordance with the Chief of Staff's instruction or, for that matter, to help the officer in his job by use of their wider authority and more ample resources.

6. In short, all AC officers working in this Region are to be built into the Regional team, with all the responsibilities and whatever advantages that may entail.

I 16B f.d 2 October 1944 (1)

Colonel R. G. B. Spicer
Director,
Interior Sub-Commission

Dear Sir,

As I have already told you, it has been decided recently to publish a weekly newspaper of information and comments and to entrust its management to me.

The purpose of this publication is to inform the public of the latest developments in the life of the country as well as of other countries, and to maintain forever active the collaboration between Italy and the United Nations.

Even though the weekly will follow no particular party, being independent of them all, it will follow essentially a liberal policy, and one of its main objectives will be to act as a bulwark against revolutionary tandencies, while at the same time it will support a program of same social reforms in a framework of a freer local government and greater democratic collaboration.

Perhaps, as we agreed in our conversation, this new post of mine will come in conflict with my position as liaison officer between the Italian Government and the Interior Sub-Commission; nor would my new job leave me much spare time. I should be very grateful if you would be so kind as to explain this new situation to Brigadier Upjohn, thanking him for me at the same time for all the kindness extended to me by the Allied Commission from the very first day I became attached to it.

The Italian General Staff has approved the undertaking, declaring that it will examine every proposal and will give me a free hand in my new activity.

On October 5 it will be a year since I joined the Allied armies after having crossed the front-line. For me it has been an honor to have served the cause of the United Nations, which for me is the cause of Italy, first for seven months with a combatant unit, and now for the last five months, in a position of a political character.

I take this opporunity to extend my deep thanks to you and to the Officers of the Sub-Commission for the reception given to me.

Cordially yours,
2 Lieut Gerardo Zampaglione
2ndLtGerardo Zampaglione
Liaison Officer of
Interior Sub-Commission
