WAR DEPARTMENT CIRCULAR NO. 341

19 August 1944.

RELIEF FROM ACTIVE DUTY OF OFFICERS FOR WHOM NO SUITABLE ASSIGNMENTS EXIST

GENERAL.....I
PROCEDURE.....II
SPECIAL PROVISIONS FOR OFFICERS OVERSEAS.....III
MISCELLANEOUS PROVISIONS.....IV

I - GENERAL. - 1. There is currently within the Army a number of officers over 38 years of age who have rendered valuable service to the Nation, but who are currently unassigned or assigned to positions established for lower grade and for whom no suitable assignments are available or in prospect. Retention of such officers on active duty is not necessary or desirable in the public interest. However, it is imperative that the value of their contribution be recognized, and that their relief from active duty be accomplished entirely without prejudice. It is also imperative that this procedure be used for the relief from active duty of bona fide surplus officers only. Positions covered by bulk allotments will not be down-graded to render particular officers surplus.

2. The provisions of this circular are not applicable to officers of the Regular Army, or to officers who have not attained the 38th anniversary of the day of their birth.

3. Recommendations for relief of an officer will be submitted within 10 days after the date on which he becomes surplus, unless it appears that retaining for a different category of assignment is reasonably practicable or that a suitable position will become vacant at an early date. In the event that retraining does not prove successful or the position does not materialize, the recommendation for relief from active duty will be submitted without further delay and will indicate the original date the officer became surplus.

4. It is the general policy of the War Department that no officer who has recently returned from overseas assignment will be relieved from active duty because no assignment is immediately available in the United States. Recommendation for relief of such an officer will be submitted over his objection only in exceptional cases, and in any case will include the specific circumstances justifying exception to the established policy. The provisions of this paragraph do not apply to officers who have been designated as surplus by an oversea theater and returned to the United States for relief from active duty.

II - PROCEDURE. - 5. a. Each officer selected for recommendation for relief from active duty will be given notice of such selection by his immediate or higher commander, and will be given an opportunity to reply thereto. Notification will be in substantially the following form:

(1) Inclosed is a copy of (or reference is made to) Circular No. 341, War Department, 1944, subject: Relief from Active Duty of Officers for whom No Suitable Assignment Exists."

(2) It has been decided to recommend to the War Department that you be placed on inactive status under the provisions of the above circular. You are advised that this action is not final and you are subject to reassignment; therefore, it is suggested

0963

Declassified E.O. 12356 Section 3.3/NND No. 785021

that any arrangements made by you for return to civil life be on a tentative basis only.

(3) It is desired that receipt of this letter be acknowledged within ---------- days after its receipt, together with any remarks you may wish to make.

(NOTE: - Additions or changes to the above letter may be made as desired, except that the reasons for recommendation for relief from active duty will not be amplified beyond that indicated in subparagraph (2) of the above letter.)

b. Recommendation for relief from active duty of an officer for whom no suitable assignment exists will be returned by the officer concerned by indorsement to the initiating officer, with such remarks as he may desire to make. These remarks will include one of the following statements:

(1) I have no objection to relief from active duty.
(2) I desire to continue on active duty for the following reasons:

(NOTE: - A brief statement should also be included of civilian and military experience, supplementing information recorded on the officer's qualification card.)

c. The notification or a copy thereof, together with reply thereto, will be included with the recommendation for relief from active duty.

6. The recommendation for relief from active duty will be made by the officer's immediate commander and forwarded through command channels to The Adjutant General, Attention: Classification and Replacement Branch, The Pentagon, Washington 25, D. C. The recommendation will include the following:

a. Statement that the officer is currently not assigned to an established position, or is assigned to a position established for a lower grade, whichever is appropriate.

b. Statement that there exists no position, and there is no position in prospect commensurate with the officer's grade and qualifications to which he might be assigned.

c. Statement that the officer is entitled to separation under honorable conditions.

d. Statement that no disciplinary action or reclassification proceedings under AR 605-230 are pending or appropriate to the case.

e. The date and a statement in detail of the reason the officer became surplus.

f. A complete and up-to-date copy of officer's qualification card (not original).

7. Each commander taking action on a recommendation for relief from active duty will be required either to reassign the officer within his jurisdiction or to forward the recommendation with a statement that no suitable assignment is available or in prospect within the command.

III - SPECIAL PROVISIONS FOR OFFICERS OVERSEAS. - 8. a. Commanders of oversea theaters and departments are authorized to return to the continental United

States offices whom they recommend to be relieved from active duty. Radio Report of such cases will be made to The Adjutant General.

b. Prior to making the above report, oversea commanders will carefully review current requisitions and will not return to the United States, as surplus, officers with military occupational specialties which the theater is currently requisitioning.

9. All officers for whom no suitable assignment exists within an oversea command and who otherwise qualify under the provisions of this circular should be recommended for relief from active duty and returned to the United States under the provisions of this circular. Rotation quotas will not be utilized for the return of such personnel to the United States.

IV - MISCELLANEOUS PROVISIONS. - 10. The complete file on each officer recommended for relief from active duty will be reviewed, prior to final action, by representatives of Army Ground Forces, Army Air Forces, Army Service Forces, and the technical services to ascertain whether the officer's services are needed in their respective commands or services. Any officers selected by one of these representatives will not be relieved from active duty but will be reassigned by The Adjutant General to the command or service concerned.

11. After an officer has been recommended to The Adjutant General for relief from active duty under the provisions of this circular, any permanent reassignment of the officer will be reported to The Adjutant General by the most expeditious means available.

12. a. Officers who have been recommended for relief from active duty may, with their consent, be granted accrued leave pending final action by the War Department.

b. Officers granted leave under this provision will be specifically notified that they are subject to reassignment.

c. Upon final approval by the War Department, relief from active duty will be effective upon completion of any leave granted under the provisions of AR 605-115.

13. The following procedure will govern relative to retention of commissions by officers relieved from active duty under the provisions of this circular.

a. Officers holding commissions in the National Guard or the Officers' Reserve Corps will return to inactive status in the grade held upon relief from active duty. All such officers holding temporary grade in the Army of the United States will retain this grade for the period of the emergency and for 6 months thereafter when they will revert to their permanent grade.

b. Officers holding commissions in the Army of the United States only will retain their appointments on inactive status during the period of the emergency and for 6 months thereafter.

c. All appointments to temporary grade in the Army of the United States (Air Corps) made under the provisions of Public Law 455 - 77th Congress, will be terminated.

d. Any officer relieved from active duty under the provisions of this circular may submit his resignation, if he so desires, at the time of relief or at any time while on inactive status.

14. Officers relieved from active duty under the provisions of this circular, if otherwise eligible, are entitled to mustering-out pay.

15. Cases submitted prior to the receipt of this circular need not be returned for correction.

16. This circular supersedes Memorandum No. W605-44, 29 February 1944, subject, Relief from Active Duty of Officers for Whom No Suitable Assignment Exists; Memorandum No. W605-44, 23 March 1944, same subject; and War Department letter (A. My present impression is that he could be used in the office but it would be undesirable to employ him for surveys out in the field owing to his political background

SUBJECT: Interior Sub-Commission

TO : Vice President, Administrative Section

1. In correction with the suggestions for the reduction of manpower since I am confident that the ceiling of 7 officers for this Sub-Commission will not be filled, I ask that I should be allowed to take on in this office a Direttore Generale with that rank of the Italian Government.

2. Such an official would be able to travel on my behalf, inspect and keep up a continuous survey, reporting to me directly, of the local government conditions in the sourthern areas.

3. Under the present circumstances, I am anxious not to have to look over my shoulder and yet I feel that unless there is persistence, drive, coaxing, and even threatening, that certain of the local government organizations will not operate as efficiently or as energetically as I would wish.

4. I have discussed this matter unofficially with the Ministry of the Interior and I understand that they are prepared to second such an officer to be attached to this Sub-Commission. The official that they have in mind is Dott. Silvio INNOCENTI. He was Chief of Staff to Badoglio in the Badoglio Government. I know him; he speaks English fluertly; he has a very thorough knowledge of workings of local government reorganization under the present conditions and particularly with regard to Royal Decree no. 111. His intimate knowledge of English will facilitate the workings as well as his interviews with provincial and regional commissioners when and if necessary.

5. I propose to use him entirely for surveys in King's Italy, but he can also advise me in many other ways.

6. I can only say that I should be very glad to have him in this Sub-Commission, but certainly not to the exclusion of any Allied officer.

7. Do you agree that I should be pleased to have his services placed at my disposal on temporary secondment?

Cases are occurring, with increasing frequency, of Officers who are not content with their present assignments, making application, generally unofficially, to Heads of other Sections or Sub-Commissions to give them a job.

Unfortunately in many cases these applications have been favourably received and eventually a request has been made for the officer in question to be assigned.

You will realise, upon consideration, that this is not the correct procedure, and in fact that any Head of a Section or Sub-Commission is in listening to such an application, being disloyal to his fellow Head.

If an officer is not satisfied with his present assignment he has the right of making application to the Head of his Section through his immediate Superior, for a change of assignment - he can also state any preference that he may have.

I therefore request that all Heads of Sections or Sub Commissions will discourage these private assignments and insist that officers who desire a change of employment submit their request for thisthrough the proper channels.

It is regretted that your request to retain Lieut. Hammond cannot be acceded to. A cable instructing you to despatch him to this HQ has been sent to you to-day.

I would draw your attention to the fact that the order assigning Lieut. Hammond to HQ Allied Control Commission was sent out from this Office on 30 June 44. A cable was also sent on 11 July 44. No action appears to have been taken until 15 July 44.

I must ask that orders regarding the assignment of officers are complied with quickly. Great inconvenience is caused by delays such as has occurred in this case.

SUBJECT : Establishment - Interior Sub-Commission.

TO : Executive Commissioner, HQ ACC.

1 The Interior Sub-Commission has been short of it's establishment for some time past by two officers. I now feel that the time has arrived when it is absolutely essential that staff be found to fill it.

2 The work of this Sub-Commission is increasing daily and with the acquisition of new territory, the setting up of the new government I know that even more will be demanded of it. Furthermore, Colonel Spicer has no officers in the field and much time has to be spent on tours by the few officers of HQ.

3 Therefore, can you please allot two suitable officers, Lieuenant or Captains with some knowledge of Local Government and/or Church Affairs to the Interior Sub-Commission. Colonel Spicer would like to have Lieutenant G. HAMMOND (B) with whom he has served in the past as one of the officers posted.

TO : Executive Commissioner, HQ ACC.

1 The Interior Sub-Commission has been short of it's establishment for some time past by two officers. I now feel that the time has arrived when it is absolutely essential that staff be found to fill it.

2 The work of this Sub-Commission is increasing daily and with the acquisition of new territory and the setting up of the new government I know that even more will be demanded of it. Furthermore, Colonel Spicer has no officers in the field and much time has to be spent on tours by the few officers of HQ.

3 Therefore, can you please allot two suitable officers, Lieutenant or Captains with some knowledge of Local Government and/or Church Affairs to the Interior Sub-Commission. Colonel Spicer would like to have Lieutenant C. HARROLD (A) with whom he has served in the past as one of the officers posted.

STANDGATE,
VI Adm Sec.

1. Reference your 4/1A/AS of 26 June 1944:

2. As you are aware, I have no officers in the field. I would, however, point out that my authorized ceiling of 7 has never yet been filled and I find it very difficult to carry out the work which I wish to unless this ceiling is filled.

3. I have exploited every source I know and every channel from Brigadier Lush through Colonel Albright and Colonel Warren, but the Interior Sub-Commission, in spite of what I consider to be its very high level work, is persistently, it would seem, denied their admitted ceiling level.

4. Major Dollard, American, who was applied for, has now been denied to me. Under the circumstances, I do not wish to press this application at present.

5. I applied for a specific officer, Lt. G. Hammond, British, who I know would fit into this Sub-Commission, and who I could most usefully use to the benefit of other trained and more experienced officers, and I request my application for this specific officer be pressed with all the force possible by your section.

10 June 1944

(Establ. Officer.)

Dear

As you are aware, the Interior Sub-Commission ceiling has been authorised at sever minimum.

I am still two below that number. Turner has done his best but has not had the material to give me, but the officers offered to me were certainly not suitable to this Sub-Commission.

I know of a junior officer who would suit me. His name is Lieutenant G. Hammond, whom I believe is now a supply officer at Taranto. Turner, I realise is terribly busy organising Region V, and my fear is that this suitable officer will get swept up in the maelstrum and will be pushed through to Region V and I shall lose him.

The whole of the repercussions of the forward move will fall heavily upon this Sub-Commission in regard to reorganisation of administrative officials in those areas.

If you can arrange for me to let me have him I shall be most grateful.

I feel the loss of Shaldon Elliott enormously, and that brilliant young man should have been my deputy director, but I was told by Spofford when he was over the other day that he was going to take him personally and therefore I can see little chance of ever getting him back.

Please help me over Hammond.

2005

Yours sincerely,

SUBJECT: Work of Interior Sub-Commission in Regions.

TO : 1 R.Cs. Regions I, II, III, IV, V, VI, VII, VIII, & IX.

1. Reference my 160/15/Cr. of 8 March 1944. Three courses on Interior Administration (Italian Government) have been held by Interior Sub-Commission at which several of your officers have attended.

2. The Interior Sub-Commission is anxious that full use be made of these officers in ensuring that local government is carried out by the Local Italian officials in all its aspects with the requisite supervision from your HQ, and in advising you, where necessary, on the policies to be adopted in the light of the special knowledge these officers have acquired.

3. Presumably you will normally have available the officer of your Regional Headquarters Staff who has been so trained; but where no Regional Headquarters officer has so far attended you should arrange for such attendance at the earliest course possible, so that you will be in a position at all levels to make use of an officer specially acquainted with the type of problems confronting us in connection with the proper functioning of Italian Local Government.

SUBJECT: Special Orders - Assignment of Capt C. G. R. Williams

TO : HQ & MG Section(for Establishment Branch)

1. Reference is made to the issue on 14 April 1944 of amendments to Appendices A to L attached to para 9 of Special Order #59 dated 1 April 1944.

2. These amendments are stated to include assignments, etc., up to and including 31 March 1944. No mention is made however, of the undermentioned officer who has been permanently assigned to this Sub-Commission from and including 30 March 1944: -

Captain WILLIAMS, C. G. R. 294932 B

3. This officer was originally assigned to Region II - see Main HQ Special Order #35 dated 8 March 1944. On the verbal orders of the Executive Commissioner, however, he was temporarily attached this sub-Commission 8 - 29 March 1944. At the end of this period, likewise on the Executive Commissioner's verbal orders, Capt Williams was permanently assigned this sub-Commission. This verbal order cancelled this HQ's Special Order #43 dated 28 March which directed return of this officer to Region II.

4. No written order as to this officer's permanent assignment to this sub-Commission can be traced at this HQ.

5. Will you kindly look into the matter and cause the necessary written order to be issued?

RECORD

Commander, 5th Army.

1. General Hume, AMG, telephoned me this morning, and informed me that he had arranged for Captain W. Dollard (A) to be attached to this Sub-Commission.

2. With the following provisos:
   a. That he should be released at 12 hours notice.
   b. That he should attend the weekly meetings of the Rome planning on Wednesdays, at 0930.

This I immediately assented to, and expressed my gratitude to General Hume for helping me in the matter.

3. Captain Dollard will report to this office on Thursday, next.

4. I wish Captain Dollard to act as ACC Interior Sub-Commission advisor to the Minister of the Interior. Although the present Minister cannot give him accommodation in the Ministry of Interior, this is where I should prefer him to be, when possible in the future. But in the meantime, I wish Captain Dollard to present himself daily at the Minister of Interior's office, and also to keep in closest contact with It. Grotenelli.

5. I should also wish Captain Dollard to make a complete survey of Region III, Naples City and Naples Province on the lines of the Salerno Report prepared by Captain Temple, and obtain all confidential reports that he can for both these reports, and the card indices.

6. Captain Dollard will work in the closest possible association with Captain Temple.

MEMORANDUM TO : Vice President, Administrative Section.
Vice President, Economic Section

1. Request that you instruct Directors of Sub-Commissions to refrain from informing Regions that transfers of their specialist personnel "have been arranged." Several recent incidents have occurred in which the Directors of Sub-Commissions have so informed Regions and the transfers were impossible for reasons unknown to the Sub-Commission. Since demands for personnel are received from many sources both from inside and outside ACC, it is impossible to keep Directors informed of all contemplated plans for the use of all personnel. In many cases, these plans are changed for good reason within the day or hour. Further, the internal organization of forward Regions, such as IV and V are many times unknown to Directors and disruption of Provincial teams is quite likely to be caused without intending it. To give notice of changes which later can not be made or without consultation with any Bn which may be involved, gives rise to confusion and irritation.

2. Consultation with KOs and Bdes reference their personnel problems is within the province of Directors and is to be encouraged. Possible transfers may be discussed but no promises should be made in reference thereto.

3. All requests for transfers, attachments or temporary duty of specialist officers should be processed through the Establishment Officer, or the Executive Officer (B) who is responsible for all personnel placements (not directly to G-1). In all cases of disagreement between KOs and Directors of Sub-Commissions as to the assignment or relief of a specialist officer, the situation will be presented to the Establishment Officer for decision. Co-operation of Directors will be very much appreciated.

SUBJECT: Fitness Report for U. S. Navy

TO : Assistant Adjutant, 2675th Regiment, ACC, APO 394, U. S. Army

1. With reference to 201.61 of 21 February, 1944, calling upon me to report on the fitness of Lt. Paul L. Harvey of the United States Navy, I should be very pleased to do anything I can in the matter.

2. I should point out, however, that Lt. Harvey was assigned to this Sub-Commission at Tizi-Ouzou on 9 October 1943. I, as Acting Director, together with senior officers of this Sub-Commission left Tizi-Ouzou on 14 October. I had 5 days' contact with this officer. I formed, during this time, a high opinion of his personality, but in my view, it would be totally wrong for me to fill in this document on the experience of 5 days. I submit that such a report would neither be fair to me, nor, indeed, to Lt. Harvey.

3. I, therefore, return the papers with the request that I may be instructed further on the matter, if necessary. 1969

1. A further number of British officers is required for return to U.K. and service in another theatre. 20 have already been nominated and are leaving at the end of February, and a further 22 nominated by A.F.H.Q. will leave in mid-March.

2. The balance of 48 will be nominated by this H.Q. and will leave during the latter part of March.

3. In order to cause the least interference in the work of Regions and Sub-Commissions, Regional Commissioners will forward to this H.Q. before 28th February a nominal roll of those officers they consider suitable for return to the U.K. Specialist officers should be included in Regional Commissioners' lists and recommendations should be made without regard to rank.

4. I should be grateful if Vice-Presidents of Economic and Administrative Sections would instruct the Heads of their Sub-Commissions to submit lists. Vice-Presidents will be consulted regarding any specialist officers whose names have been recommended by Regional Commissioners.

5. Qualifications for service in ETO are:-

(a) Linguistic ability in French, German, Belgian or Dutch languages.

1958

(b) Knowledge of, or business interests in the above countries.

(c) Actual field experience in A.C.C.

6. Officers recommended need not necessarily possess these qualifications, and although I do not wish Regional Commissioners to submit names of officers whose work has been unsatisfactory, there is no objection to them recommending officers who are obviously not fitted for this theatre and might be suitable for some other. Moreover, opportunity may be taken of recommending officers who, for private reasons, wish to serve in another theatre.

7. Final selection will be made by this H.Q. Regional Commissioners should, if possible, submit the names of at least six officers and Sub-Commissions at least one each.

SUBJECT : Personnel, Interior Subcommission.

TO : Executive Commissioner, RCMG Sec., HQ. ACC. APO 394.

1. The Interior Subcommission urgently requires an officer on its staff with a knowledge of Church Affairs in this country and who speaks the language. He should in addition, have a knowledge of local government or have been actively employed in a Region where he has gained such knowledge.

2. While it is appreciated that it is undesirable to ask for officers by name, it is a fact that officers with the experience and knowledge required are not easily found. I therefore, request that, failing any other officer with the necessary qualifications being available, Captain W. POLLARD (A) at present in Region III be posted to the Interior Subcommission

3. It is known that he possesses exactly the knowledge and background required, and I consider that it will be in the interests of the service if he is posted to the Interior Subcommission.

19 February 1944

SUBJECT: Additional Officer for Interior Sub-Commission

TO : Vice President, Administrative Section

1. The Interior Sub-Commission is now working under a considerable handicap owing to manifest inadequate officer personnel.

2. I have every hope that on Captain S. D. Elliott's return from his temporary assignment at AFHQ, the position will be better, but I wish to state emphatically that his return will not lessen the firmness of this, my present application.

3. For some reason best known to the then ruling authorities and to G-1, this Sub-Commission has been persistently starved of personnel and of competent personnel who have the knowledge and the ability to deal with the intricacies of local government which require considerable study, research, and detailed application.

3. I have previously applied for Captain Dollard (A), now assigned to Region 3. I have met him personally, and was impressed by, (a) his personality, (b) his knowledge of Church affairs, and Italian language, and (c) his grasp of the problems of local government administration.

4. My application in his personal respect was, however, blocked for some reasons which were never conveyed to me, and which were entirely confused with the departure of Captain S. D. Elliott, which has, in effect, no bearing on this application.

5. The work of this Sub-Commission is growing in volume and importance daily, particularly since the restoration of Royal Italy, frequent contacts with the Ministry of Interior, and the question of appointments or removals of local government officials. The question of release of prisoners of war required for local government by the Royal Italian Government, is another problem which requires, and will require increasingly, the services of a competent, intelligent and reliable officer, which I believe Captain Dollard to be.

1955

6. This Sub-Commission is working under a serious handicap and I cannot conceive that Captain Dollard could be better fitted into any position than in the position which I should assign him to in this Sub-Commission.

7. I make this specific application, therefore, in the hope that it will be given full support.

SUBJECT: 2nd Lt Ziegler (A) (Late Interior)

TO : Executive Officer (A), HQ ACC (Col. ~~A. N. Knight~~ Ambrosio)

1. This officer was assigned as Liaison Officer, Region II, by this Sub-Commission.

2. I had been informed by G-1 verbally that his transfer to another assignment was imminent.

3. This transfer, insofar as orders have been received in writing, has never been confirmed, and yet, I have a report from Major McSweeney (A), that 2nd Lt Ziegler is, in fact, at Taranto.

4. 2nd Lt Ziegler has not reported his departure to me, nor have I had 1943 any intimation from the RCAO in this respect.

5. I have no knowledge of where the papers affecting Interior Sub-Commission to 2nd Lt Ziegler are, where his records are, what date he left, and what reports in regard to the Provinces he had completed. The only reports I had received from him were in regard to Matera Province (a very comprehensive and good report) out of a total number of 6 provinces in Region II.

6. 2nd Lt Ziegler was attached to Region II from 12 December, 1943, to approximately 23 January 1944, as far as is known.

7. The last weekly record report I received from him was for the week ending 23 January 1944.

8. I am not aware as to what unit or under what commanding officer 2nd Lt Ziegler is now serving. If I did, I would write him direct asking him to call upon 2nd Lt Ziegler to answer para 5 of this letter.

At the very least the latter require time to make alternative arrangements; they may also have strong reasons for submitting objections to proposed changes. As serious difficulties may arise if such reference is not made, it is hoped that steps may be taken to ensure that Directors will be informed beforehand of proposed postings which may affect their responsibilities.

Reference P.D. No. 2, para 6.

1. As soon as any Region or A.C.A. is activated, a list will have to be submitted to the authorities concerned recommending Officers for appointment/assignment to specific posts.

2(a). It will be realized that in many cases the military rank held by Officers bears little relation to either the length or quality of their experience in their civil careers and employment.

2(b) On the other hand, the importance and degree of responsibility of assignments as detailed in Papers Nos. 5 & 7 is regulated entirely by the military rank authorised. It is therefore of the greatest importance, both from the point of view of efficiency and in the interests of individual Officers themselves, that the final posting of Officers should be in accordance with their experience and abilities and not with their present rank. It may well be, for example, that a Captain is fully capable of filling an appointment for which the authorized rank is Lt. Colonel or even Colonel.

There is also the possibility that Officers have not in all cases been assigned to suitable appointments - e.g. an officer assigned as C.A.O. in a Region might be more suitably placed in a post at H.Q., A.C.A. or an officer assigned to the Staff of a Region may prove to be more suitable as a C.A.O.

3. Once a Region or A.C.A. is activated and assignments made, the normal system of Confidential reports (A.F. B194B, E, F in the case of British, confidential letters in the case of American Officers) will [illegible] it will then be much more difficult to make adjustments,

4. Will you therefore please consider carefully the questions raised in paras 2 & 3 above, both now, and as and when Officers are posted to you, and be prepared to submit recommendations for promotions, transfers, or transfers with promotion, at short notice. SUBJECT: Major Kayser (B), Assignment of, to Interior.

TO : Vice President, Administrative Section

1. This officer is a lawyer with Colonial Administrative experience in North West Africa and Nyasaland.

2. He is assigned to Legal. I do not for one moment wish to endeavour to crimp this officer from Legal unless it is with their willing approval. He is at present employed in special duty in connection with refugees at Brindisi.

3. When and if, however, his temporary duty there is completed, I should be grateful if his transfer to this Sub-Commission could receive favorable consideration.

TO : Vice President, Administrative Section.

1. To replace Captain S. D. Elliott, transferred toMGS, AF HQ, I wish to apply for the assignment of Captain W. Dollard (A).

2. Captain Dollard is at present serving with Region III. I understand Regional staffs are being reduced.

3. This officer speaks Italian well, and has had experience with the Administrative section of Region III dealing with local Government.

4. He seems to me, after personal contact, to be eminently suitable for employment in this Sub-Commission.

SUBJECT: 2nd Lt. R. Wadleigh, Transfer of

TO : Vice President, Administration Section

1. I understand verbally that Col. Fitch has applied for the services of the above mentioned officer for service within the Transport Sub-Commission, and that tentatively, during my absence on tour, this transfer has been approved.

2. 2nd Lt. Wadleigh was assigned to the Interior Sub-Commission in the early days of its formation at the MGS and HQ.

3. He has been assigned these special functions in the Sub-Commission:

(a) Ecclesiastical Matters
(b) Prisoners of War inquiries
(c) Interpreter

He is an expert in all these; (a) by virtue of his church associations in his youth, (b) his army training, (c) by virtue of his life in Italy.

4. It is true that I forwarded an application of his for transfer to Etousa. I did not recommend it, but forwarded it since it was not within my conscience to stop or report protestingly in regard to such an application. I enclose a copy.

1927

5. I feel it my duty to protest against the transfer. It has taken considerable time and labour to train these officers in the intricacies of the working of this Sub-Commission.

6. Unfortunately, I am unable to nominate an alternative, but I must point out that such transfers of trained and efficient personnel are not conducive to efficiency.

7. In my dealings with Local Government officials, with dignitaries of the Church, and with Ministers of the Italian Government, the services of a highly educated and fluent Italian interpreter are essential, and this transfer will be a great loss to this Sub-Commission whose work may not be spectacular, but which, I feel, is playing a part of out-standing importance in the future of Italy.

SUBJECT: Captain Hartmann (B), assignment of, to Interior.

TO : Vice President, Administrative Section.

1. I understand, although I cannot find any authority, that the above mentioned officer has been assigned to this Sub-Commission.

2. He, however, assures me personally, that this is so, and further, Captain R. Temple (A), of this Sub-Commission, assures me he himself saw the orders so posted at Tizi-Ouzou.

3. I have consulted G-1's office, who knows nothing of such assignment, which can only have been made without any grasp of our work.

4. I have personally interviewed this officer at Santa Cesarea where he is now employed on special duty with Jugo-Slav refugees.

5. He informs me that he speaks Russian, English, and Amharic fluently. He also speaks Italian.

6. He has no political administrative or legal background at all, and has no desire to be employed within this Sub-Commission. I certainly concur with this view, since his complete ignorance of our activities would only mean that this Sub-Commission carried dead wood.

7. I request that he be assigned to another sphere.

TO : Administrative Director

1. Special Order No. 16 of 21 January 1944 has been brought to my notice on my return from tour.

2. Captain Elliott, in accordance with the Order, leaves for MCS, AFHq tomorrow.

3. Captain Elliott was originally assigned to the Interior Sub-Commission at its inauguration. He has devoted now some 5 months to the special study of the workings of Italian Local Government. He has done brilliant work, and I place such a high value in his services that I have made him my staff officer, and would unhesitatingly recommend him for promotion if and when it were feasible to take such steps.

4. I shall feel his loss as a grievous blow to the Sub-Commission. His entire life background has been that of Governmental Administration and I am forced to say that if he is to be employed in any other capacity, his services cannot be as adequately employed as they are in his present sphere and post.

5. He authorizes me to say that he has no desire whatever to leave this Sub-Commission, and is anxious to return to it and to resume his work within it if such steps can be arranged.

6. I request, accordingly, that my feelings and his desire be placed before responsible authority, with an urgent request that having completed his special duty, he may be returned to this Sub-Commission, in which his services are invaluable.

Subj. Purpose of Liaison Officer.

To: Lt. Col. R.G.B.Spicer, Interior Sub-Commission, AMG HQ, Naples.

1. Information is respectfully requested as to the need for, and duties of a Liaison Officer for the Interior Sub-Commission for this Region.

2. Second Lieutenant B.M.Ziegler arrived at this Headquarters on December 17th with orders stating that he was to be the Liaison Officer of the Interior Sub-Commission. No further information has been received by him, and none whatever received by me as to why this office was established or as to what it was supposed to do.

3. In the absence of a definite plan of work which cannot otherwise be accomplished, to continue this assignment means to waste the services of an able, competent, hard working, intelligent officer, whose services could very well be used otherwise in this Region or elsewhere.

4. In case this assignment is ended, I should be very glad to have the services of Lt. Ziegler in this Region.

REPORT OF CONFERENCE

REGION III

16A

January 3, 1944

1. I interviewed Lt. Col. The Lord Forrester Region III this morning for the purposes of liaison.

2. He informs me that Major Knight is primarily responsible in Region III for all matters of Local Government.

3. I made the suggestion of the posting of an Interior Commission officer with Region III. This will be considered by Major Knight, and put up to Lt. Col. Kreuger, R.C.A.S.C. Region III.

4. I have envisaged Lieut. P. Harvey USNR for the assignment if approved.

Sir,

I hope you will excuse my writing to you at a time when you are busy enough already, and that you will accept as gratification the importance of the matter here.

Recently I became aware of the existence of an Educational Section of the Sub Commission, and in the course of an informal conversation with Lt Col Gayre A.E.C., learnt that it is very short of officers.

In view of my professional qualifications, of which you are aware, and of educational experience of 8-9 years, I should very much like to be transfer to that Section. Lt Col Gayre has said he is prepared to take 1807 me if you are agreeable. I feel sure you will appreciate that naturally my interests lie in education.

I enclose herewith an official application for transfer, which I trust you will approve and forward to the appropriate authority.

Thanking you in anticipation,

I am, Sir,

Your obedient servant

James J. Gregory. Capt.

SUBJECT: Interior Sub-Commission

TO : Admin. Director

I. 1. I think you should be aware of the position of this Sub-commission as on Nov. 30, 1943.

2. I show it by an attached list, by which you will see that the only available officer is myself, in addition to two F.B.N. officers who are specialists in food.

3. There is no clerk. I have an interpreter.

II. I submit that efficient work in such circumstances is hardly feasible, and I would add there is much work to be done, particularly in regard to the detailed and continuous study of local and future central government.

III. My recommendations to remedy the present unsatisfactory position are

(a) To expedite the return of Major McSweeney (A) from the Lipari Islands.

(b) The elimination of Capt. de Mori (A) from the allocation, and his replacement by a qualified officer suitable to the work of this sub-commission.

(c) The early transportation of the four officers M.G.B. rear link to this H.Q. I am unable to comprehend what useful work these officers are performing at that H.Q.

(d) The early relief of Lieut. Ziegler from his special duty at Brindisi, where he should be replaced by Lieut. O'Leary (F.B.N.), in order that Lieut. Ziegler may return to his proper sphere of work either at Brindisi or at this H.Q. whether at Palermo or Naples area.

1883

Unarranged.

(e) The posting of Lieut. V. Lewis for actual duty to this Sub-commission if Col. Hathhorne can now spare him. I am most anxious to have the benefit in this Sub-Commission of Lieut V. Lewis' exceptional knowledge of local Government in Great Britain.

IV. My main purport in addressing this letter to the Admin. Director is to bring the present position to his notice, which I feel sure he is not aware of, but in conclusion, I would add that the need of fluent Italian speaking junior officers for this Sub-Commission, should be borne constantly in mind.

SUBJECT: Assignment of Personnel.

TO : G-1, AMG.

FROM : Deputy Chief, Interior Sub-Commission

30 November 1943

1. 2nd. Lt. Richard A. Wadleigh (A), by virtue of his qualifications, ability and trilingualism, was especially assigned to this Sub-Commission.

2. His allocation within this Sub-Commission is essential to the efficiency of this Sub-Commission, in which he has already proved himself to be invaluable.

3. His familiarity with National Government Institutions is the very core of this Sub-Commissions functions, in which also his special knowledge of ecclesiastical affairs play a vital role.

4. I must resist any attempt to re-assign Lt. Wadleigh.

TO : Administrative Director.

FROM : Deputy Chief, Interior Sub-Commission.

30 November 1943

1. Request that the following officer of this Sub-Commission be authorized to proceed to Brindisi for special duty. This will relieve Lt. Benjamin Ziegler (A), Interior, and make him available to return to his proper sphere of duties within the Interior Sub-Commission when they are established within the Naples area.

2nd. Lt. Patrick M. O'Leary (A) 01797342
F.D.R. Section, Interior Sub-Commission.

2. I understand that the special duty at Brindisi is one dealing with food, and therefore one to which Lt. O'Leary would be more fitted than Lt. Ziegler.
Lt. Ziegler was only nominated because no F.D.R. officer was at the time available.

3. Lt. Ziegler will be instructed by me, should you approve of the above, when he has completed handing over to Lt. O'Leary, and pending his departure to join the main party in the Naples area, to make contact with, and be prepared to make a report on the position of the Ministry of Interior as at the seat of the Italian Central Government.

3. I have dispatched two officers specifically to ascertain the position and having completed their survey to return to this Headquarters with their report.

Subject: Report of activities of Sub-Comm. Int. Rear ac.

Dated 4 November 1943

1. Since departure of Major McSweeney a considerable amount of time has been devoted to the attendance at Selection Board as representative of this Sub-Commission. Several officers were interviewed who had experience which seemed to be of the type valuable to Interior. Of these officers Captain R. R. Temple was verbally assigned to this Sub-Commission. He was found to have had considerable experience in governmental organization and planning, budgeting and experience as a professor of political science and I feel should be a valuable addition to the staff. Other officers will be interviewed from time to time during the week.

1226

Declassified E.O. 12356 Section 3.3/NND No. 785021

2. Meetings are being held weekly, on Friday mornings, of Rear Link representatives of the various Sub-Commissions. These meetings have been of value in coordinating our respective activities and in providing an opportunity to work out mutual problems. Colonel Dunlop attended the meeting of October 30th and agreed to appoint a representative to attend subsequent meetings. Major R.W. Reeve (B) was appointed as permanent chairman of the committee and Major G.S. Parlin (A) deputy chairman. 169/20 1868

3. A considerable amount of time is being devoted to the study of available material directly or indirectly related to the functions

SUBJECT: Interior Sub Commission Personnel.

TO : General Commanding H.Q. Allied Commission.

1. I request that the personnel of Interior be brought as soon as possible to establishment or as near as possible.

2. The present assignments total seven out of a total of 14, although I have received information that the total has recently been increased to 13.

3. I have already reported that I consider Captain A. T. Parker (B) unsuitable for this Sub-Commission's high level functions.

I am also most anxious that my application to have Lt. Vernon Lewis (B) assigned to this Sub-Commission receive further consideration. His long experience in local government will be of inestimable value and there can be no other appointment in which this experience could be so suitably employed.

4. It must be emphasized that officers with a background and first hand experience of local government are essential in this Sub-Commission.

5. No allocation of transport or NM/ORs as drivers, clerical staff has as yet been made, and I ask that this matter receive your early consideration. 1861

6. I do not wish to appear importunate but my need is pressing.

1. This officer has the background of a good executive and practical officer in food distribution. His conduct and application have been with this sub-commission all that can be desired.

2. He has not, however, the education or the type of mind which can apply itself to the high level of F.D.R. in INT.

3. Lt. Col. Legg agrees with para 2 - and I feel that Capt. Parker would be more usefully employed regionally.

4. I should be grateful therefore, if coincidentally with the arrival and assignment of Major McCreedy (B), which I hope will be to the Sub-Commission, the transfer of Capt. Parker to a Region can be effected.
