SUBJECT : Compassionate Leave to European Countries

TO : Distribution below

1. A limited leave scheme to Switzerland on compassionate grounds only has been approved by the War Office. Compassionate grounds on which leave may be authorised are similar to those which would secure reversion to UK under the terms of GRO 165/45 or the fact that the applicants family has been resident in Switzerland since June 1940 and owing to the war the applicant has been unable to see them since that date.

2. If an application is granted it will be subject to the following conditions:-

- (i) Valid British passport and Swiss visa must be in the applicants' possession.
- (ii) Plain clothes must be worn.
- (iii) Currency regulations must be obeyed.
- (iv) Travel from the Swiss border will be at private expense and the individual concerned must be maintained in Switzerland entirely at his own expense or the expense of the persons he is visiting.

3. Compliance with the above conditions will be the applicants' responsibility. A British passport can be obtained from the British Consul Naples (or Athens for personnel in Greece) and a Swiss visa from the Swiss Legation Rome.

4. Applications for leave will be submitted in accordance with GRO 165/45 to this HQ. A firm address at which the applicant will spend his leave if granted must be given. Leave will be for a period not exceeding 28 days from the date of crossing the Swiss Border.

10 August 1945.

SUBJECT : LIAP

TO : Distribution below

Reference Daily Bulletin No. 221 para 5 dated 9 Aug 45.

1. In view of the fact that personnel due for PYTHON up to and including 31 Dec 45 are likely to have left the Theatre by 31 Oct 45, it has been decided, as a temporary measure, to extend eligibility for LIAP to those personnel who are in Age/Service Groups 20 and 21. This concession will hold good only until the 15th September 45, by which time it is considered that most of the long service men in Groups 20 and 21 will have been granted leave.

2. The ruling contained in GRO 829/45 para 5 will continue to hold good in all respects, with the exception that until 15 September 45 the Age/Service Groups for men will read 1 - 19. After this date they will automatically revert to 1 - 21. Eligibility rules for women remain as at present; medical officers are ineligible if in Age/Service Groups 1 - 11, and Nursing Officers if in Groups 1 - 16.

3. It is emphasised that this relaxation of the current regulations is designed solely to even out differences of leave between the really long service personnel and those who actually qualify for PYTHON. It is NOT to be inferred that the inclusion in LIA of these two additional Age/Service Groups indicates any retardation of the release scheme. There has been no alteration in the statement made in the House of Commons that the very early twenties will be released by the end of this year.

4. No additional allotment has been made to this HQ over and above that already made for August.

G.R.O. 829/45 - leave to UK - LMAP

1. Allotment of Vacancies within Units

LMAP vacancies will in future be allotted within units according to length of continuous service overseas, subject to the exceptions in para 6 below.

2. Allotment of Vacancies within Formations.

In order to achieve uniformity within formations, so that personnel with comparatively short service are not sent on leave in one unit, while in other units personnel with longer service are kept waiting for vacancies, formations will allot vacancies in the following manner:-

- (a) Vacancies will first be allotted in proportion to numbers of men with over 5 years and less than $3\frac{1}{2}$ years service overseas plus those with over 3 $\frac{1}{2}$ years service who have relinquished Python until all such individuals have been granted vacancies. These personnel will be known as Group 1.
- (b) As soon as Group 1 have been allotted vacancies, the proportional allotment will be made in accordance with numbers of personnel with over 2 $\frac{1}{2}$ years service and under 3 years, and thereafter in succession to those with over 2 and under 2 $\frac{1}{2}$ and those with over 1 $\frac{1}{2}$ and under 2 years continuous overseas service. These groups of personnel will be known as Groups 2, 3 and 4 respectively.

3. Allotment of Vacancies by AMHQ

- (a) A similar system will be followed by this HQ in allotting vacancies to Armies and Districts. To enable this to be done, each Army and District and other formation receiving a direct allotment from this HQ will forward a monthly return to reach this HQ by the seventh day of each month showing numbers of eligible men under command on the first day of the month in each of the four groups specified in para 2 above. Monthly allotments will be made by this HQ on the basis of these returns about the tenth of the month.

- (b) As trains will be arranged on the basis of the monthly allotments made three weeks in advance it will not be possible for vacancies to be carried from one Army or District to another by units moving from one to another; except where large numbers are involved and special arrangements can be made. Normally a unit so moving will surrender its vacancies and obtain a new allotment when reaching its destination. Owing to the number of vacancies available, this should not cause hardship. When large movements occur, the Army or District from whose command the movement takes place will send details as soon as possible to G1(Dr)24 in order that allotments can be adjusted.

4. Eligibility

All officers and other ranks of the following categories are eligible for LMAP except those made ineligible by para 5 below:-

- (a) British personnel of the British service.
- (b) British personnel of Colonial Forces administered by the War Office
- (c) British personnel attached to the War Office

Monthly allotments will be made by this HQ on the basis of these returns about the tenth of the month.

- (b) As trains will be arranged on the basis of the monthly allotments made three weeks in advance it will not be possible for vacancies to be carried from one Army or District to another by units moving from one to another; except where large numbers are involved and special arrangements can be made. TO : Distribution below.

1. Compassionate leave on a limited scale is now open to JERSEY and GUERNSEY but not yet to AIDERNEY; leave can only be granted ex UK and this means that personnel in this theatre must first be reverted to Home Establishment except as provided below.

2. Compassionate posting to UK, where the object is to obtain a period of compassionate leave in JERSEY or GUERNSEY, will be authorised by AMHQ in cases where the grounds are such as would obtain a compassionate posting to UK under the terms of GRO 165 of 1945 had the application been one for compassionate posting to UK. Long absence from the CHANNEL ISLANDS by itself is not considered to be sufficient hardship.

3. Personnel returning to UK on LILOP or normal leave and who have grounds for a grant of compassionate leave in the CHANNEL ISLANDS may make application to the War Office for such leave but, to avoid accumulation of individuals awaiting passages, should not be despatched to UK on normal leave out of turn solely for the purpose of visiting the CHANNEL ISLANDS.

4. LILOP, normal leave and compassionate reversion cases should on arrival in UK make detailed application to the War Office, Whitehall, London S.W.1 submitting full particulars and an address in the Islands where enquiries can be made.

5. Application for compassionate reversion to UK in cases of this nature will be submitted in the form prescribed by GRO 165 of 1945 and should be accompanied by supporting evidence and in this connection attention is invited to GRO 707 of 1944.

8 JUL 1945

7 JULY 1945.

1. The following information regarding the grant of LIAP to British Personnel in AMG/AC of Italy is notified in amplification of this office letter of even number dated 3 May 45 (Not to all addressees).
2. This Headquarters now receives a LIAP allotment to cover all personnel in the formation, the number of vacancies varying periodically. For information it is notified that vacancies allotted for the current draft, LIAP 14, are 7 officers and 16 O.Rs.

3. The present policy is to concentrate all personnel at this HQ, where the necessary documentation is performed and arrangements made for personnel to move as one party to the Reception Camp. With the introduction of ROAD LIAP however, a certain amount of confusion has arisen and clarification has been requested from A.F.H.Q. It is not yet known how ROAD LIAP will be applied for AMG/AC personnel in the Northern Regions and therefore the information contained in this letter is subject to alteration. Until further instructions are issued on this point, Regions in Nos. 1 and 2 District and Eighth Army Areas will on no account accept vacancies from those Headquarters, as this HQ will continue to nominate eligible personnel.

4. Nominees are selected primarily by length of service, a nominal roll of both officers and O.Rs being maintained for this purpose. Due to the increased number of new personnel joining the Commission, these rolls are becoming increasingly difficult to maintain with complete accuracy, and to ensure an absolutely fair allocation of LIAP vacancies it will be necessary to request periodical nominal rolls of officers and O.Rs with dates of embarkation for different periods. This will be done by medium of the Daily Bulletin. The nominal rolls should only include eligible personnel who are available and desire LIAP. This method will obviate the necessity of this HQ having to confirm these two points, prevent the consequent loss of time and the necessity of having to reallocate the vacancy.

5. In every case, nominees reporting to this HQ for a LIAP draft will be equipped to scale in accordance with LIAP Admin Instructions issued with GPO 509/45. Variations to these Instructions are issued periodically and will be notified as they occur. The relevant amendments in force at present are:-

- (a) All ranks will travel in KD and will carry MD.
- (b) All ranks will carry mosquito nets which will be handed in at the Reception Camp and re-issued on return.

6. All personnel who will eventually qualify for return to the UK under PYTHON are eligible for LIAP. Such personnel are defined as follows:-

- (a) British personnel of the British Service
- (b) British Personnel of the Colonial Forces administered by War Office.

 - (c) British Personnel attached or permanently attached (i.e. those on British rates of pay) to the Indian Army.
7. Personnel who come within the following categories, however, disqualify for consideration when allotments are made:-
 - (a) Personnel within 6 months of PYTHON, i.e. personnel with 3½ years or more overseas service.

3165

(b) Personnel within 6 months of Release. It is ruled at present that this will apply to those in Age/Service Groups 1 - 21 inclusive. Individuals within Groups 1 - 21 who have volunteered to serve on for a period of less than 12 months or who for any other reason will not be released with their Groups are however eligible.

(c) Soldiers under suspended sentence unless special authority has been obtained.

(d) Personnel who have less than 18 months continuous service overseas and those who have already had leave to U.K. In the case of Womens' Services, the minimum is 12 months.

8. It is now possible to consider compassionate cases for LIAP, but applicants must have either been refused or are not desirous of a compassionate posting. It must be borne in mind that LIAP is primarily a reward for good service and careful consideration should be given to all applications for compassionate leave before submission to this HQ.

9. Conditions enumerated in paras 6, 7 and 8 above are also applicable to AIR LIAP and should be read in conjunction with this HQ letter of oven number dated 2 July 1945.

10. It is again pointed out that the above is subject to alteration, particularly in relation to the introduction of ROAD LIAP for personnel of this formation, and advice will be given as soon as AFHQ policy is known.

SUBJECT : AIR LIAP - British Officers

TO : Distribution Below

1. One Air LIAP vacancy is now allotted to this formation each month. Officers not below the rank of Lt. Colonel are eligible providing they qualify for LIAP.

2. Special attention is drawn to the fact that officers within 6 months of PYTHON are not eligible. To ensure uniformity it will (for LIAP purposes alone) be taken that only groups 1-17 will be released within six months, and therefore officers in those Age and Service Groups are not eligible unless they have volunteered for service for a minimum period of 12 months after the release of their Age and Service Group.

3. Nominees are selected primarily by length of service overseas and a complete nominal roll is maintained for this purpose. Instructions will be issued for the selected officer to report to this H.Q. to collect relevant documents before onward transmission to the assembly point.

4. Attached are consolidated Admin Instructions for Air LIAP which are forwarded for the information of all concerned.
