Ex. Comm. and Polad (B/)
Have we any record as to how
the British side got the matter
fixed up so quickly? Was it
done through the British Consul?
Polad (B/ ~~knows~~) knew
that it had been fixed
without difficulty but
he did not handle it
himself.

In principle he agreed that
if there was any further trouble
we must get Polad (B/ to do
the same as the British
side did.

SUBJECT: Discharge of military personnel of U.S. in Italy.

With reference to the above letter we wish to inform that this Ministry on 20 July last in letter 25877/7391 acquainted the Ministry of Foreign Affairs, General Secretariat, with the provisions which in accordance with the Italian law must be complied with by members of the U.S. Armed Forces who, at the moment of their demobilization, wish to set up their residence in Italy.

Notwithstanding the above, said Ministry, Direzione Generale Affari Politici, Ufficio VI, sent us a telegram No. 20129/455 dated 21 September 1945, inquiring on the matter.

In reply to this telegram we got in touch with the Ministry of Foreign Affairs pointing out that we had expressed our opinion with the aforesaid letter of 20 July, which we submitted for perusal to Console della Chiesa of the Ministry of Foreign Affairs at our office.

With subsequent telegram date 28 September No. 21/20910/471 the Ministry of Foreign Affairs communicated the rules and procedure agreed upon with the British Embassy for the discharge of members of the Armed Forces of the British Empire, and expressed the opinion that such rules and regulations should be extended also as regards members of the Armed Forces of the United States.

This Ministry, in giving its consent in principle has written under today's date to the Ministry of Foreign Affairs accordingly.

We are attaching herewith copy of the above mentioned letter of 20 July and are transcribing the rules and regulations which the British Government wish to be followed in advance by the members of their own Armed Forces.

"" The British Embassy will forward to the Ministry of Foreign Affairs all requests of the interested parties together with the following data : name, surname, date and place of birth, reason why the interested party wished to settle down in Italy.

Prior to transmitting the said request, the Embassy will ascertain whether the petitioner is in a position to support himself for a reasonable length of time, and at any rate whether the probability of having to support and repatriate him at the expense of the British Treasury appears likely within twelve months after his settling down in Italy.

The Ministry of Foreign Affairs will forward the request to the Ministry of the Interior who will consider the matter and inform the King ~~King~~ 9 of Foreign Affairs of their decision. They will at the same time, forward to the relevant prefecture those requests which have been favorably determined.

Each interested party after demobilization will have to apply to the proper Prefecture in order to obtain a permit of residence and to furnish any other data required to complete the document.

With reference to letter 25877/7391 acquainted the Ministry of Foreign Affairs, General Secretariat, with the provisions which in accordance with the Italian Law must be complied with by members of the U.S. Armed Forces who, at the moment of their demobilization, wish to set up their residence in Italy.

OGGETTO Esonero del personale militare degli S.U. in Italia.

Con riferimento alla nota sopradescritta, si comunica che questo Ministero, fin dal 20 luglio scorso, con foglio 25877/7391, portava a conoscenza del Ministero degli Affari Esteri, Segretariato Generale, le norme che, in ossequio alle leggi italiane, debbono osservare i militari statunitensi che, all'atto della smobilitazione, intendono fissare la propria residenza in Italia.

Ciò nonostante, il predetto Dicastero - Direzione Generale Affari Politici, Ufficio VI - chiedeva notizie con telespresso 20128/455 del 21 settembre u.s.

A questo telespresso si rispondeva per le vie brevi, precisando di aver già esposto il proprio punto di vista con la citata lettera del 20 luglio, ai cui Consoli della Chiesa del Ministero degli Affari Esteri prendeva anche visione presso questi uffici.

Con successivo telespresso del 26 settembre n.21/20910/471 il Ministero degli Affari Esteri comunicava le norme procedurali concordate su richiesta dell'Ambasciata di Gran Bretagna per la smobilitazione dei militari dell'Impero Britannico, ed esprimeva l'avviso che sarebbe stato opportuno estenderle anche ai militari degli Stati Uniti.

Questo Ministero, nel dare il suo assenso di massima, 3598 odierna, ha scritto in tali sensi al Ministero degli Affari Esteri.

Si allega copia della citata lettera del 20 luglio, e si trascrivono le norme che il Governo Britannico desidera siano preventivamente seguite dai propri militari.

1. Reference your G-5: 210.05-4 of 19 September 1945, it is agreed that a great deal of unnecessary correspondence and other effort have been occasioned to secure an answer to this question. This office has been constantly pressing the Italian Government for the required information and enlisted the assistance of the U. S. Embassy to that end.
2. I enclose a copy of the latest letter sent to the Ministry of the Interior, from which it will be observed that two Italian Ministries are involved and that the American Embassy was only informed on 1 October by the Italian Foreign Office that its views were communicated to the Ministry of the Interior on 21 September. Every endeavor will be made to obtain a speedy decision.

SUBJECT: Discharge of U. S. Military personnel in Italy. 5 October 1945

TO : The Minister of the Interior.

1. The matter of discharge of U. S. Military personnel in Italy was first raised with the Ministry of the Interior by Allied Commission Letter of 16 June 1945 (File AC/16/37/LG). That letter merely asked for certain information which would enable Allied Force Headquarters to instruct military personnel how to submit applications in proper form, in order that Italian law be complied with.

2. Many letters have been written to the Ministry and several telephone calls have been made, in order to secure a reply. The last word on the subject from the Ministry was that it was pressing the Ministry of Foreign Affairs, which was involved also, to give its views.

3. This HQ has been informed that the American Embassy has also been pressing the Italian Ministry of Foreign Affairs to reply to the Ministry of the Interior. We were today informed that on 1 October the Ministry of Foreign Affairs assured the representative of the American Embassy that its views were communicated to the Ministry of the Interior on 21 September 1945. Since you stated in your letter of 11 July (file 24722/7391 Gabinetto), that as soon as a reply from the Ministry of Foreign Affairs was received you would respond to our letter, you are respectfully urged to convey to this HQ the requisite information as to Italian requirements on this subject.

4. In view of the fact that this question has been outstanding for over three months and that discharges of military personnel are being delayed, I should be glad if this matter could be treated as very urgent, as it is necessary for the U.S. authorities to have an early decision in the matter.

1. The matter of overseas discharge of U.S. military personnel was first raised with the Italian Government by Allied Commission letter of 18 June 1945. That letter merely asked for certain information which would enable this Headquarters to instruct military personnel how to submit applications in the proper form. 3. It appeared from those contacts that the matter was one which would have to be settled between the Italian Ministry of Foreign Affairs and U. S. diplomatic or consular agencies. As stated in this office's letter AC/16/37/LG of 28 July, the U. S. Embassy was requested to take it up accordingly.
4. Inquiries through the U. S. Political Adviser to this Hq show that the Embassy has been pressing the Foreign Office for an answer but has not yet obtained it. The Embassy has continued to pursue the matter urgently.
5. It is understood that the Embassy has kept the Political Adviser (A) to AFHQ informed of the position, and of their views on the subject.
