Capt. Ronnie of Public Safety Sub-Comm. came and said what I had any suggestions with regard to a funeral were they were preparing to permit travel abroad of Stimson & other cabinet officers (Hull & F) forces. If brought up the question of sending flowers to Mrs Forrestal might be left off to Gloves without any knowledge on our part in case Mrs Forrestal's removal from office by the Secretary of Interior might be up for our approval. Feeling that any removal would be a great way of embarrassing Mrs Forrestal. I thought some provision ought to be made for me being notified of an application for a permit for a official to travel abroad, in order to afford us an opportunity to step in and stop it, if desirable. Capt Ronnie said my points were well taken and he would have them noted.
