VP / Refer para 3 of 23. All cases have been taken up and the men got away. This all a part of the Transport Scandal There are in fact ample cars at HQ to allow of the having a car allotted. It is the misuse and misallotment of cars which is causing the shortage. It is of the most desirable practice on that St. Gen. should provide their own transport but until they have time to organise it. should take care of it.

Addendum.

I consider movements of St. Gen. Officers in St. Gen. Territory is their responsibility, and I agree with G.R. Spiers letter of 7th inst.

In A.H.Q territory we do see to their own Movements & Pilgrims especially when supplying "pool" Officers. We should therefore not Gest. the purpose, and in emergency civilians must be allowed to travel a "admin" vehs. in St. Gen. territory.

SUBJECT: Transportation of Italian Service Personnel

TO : All Concerned

1. Owing to shortage of transport the greatest difficulty is being found in moving Italian Army personnel when proceeding on leave, duty or demobilization. Moreover British and American drivers are often unwilling to give lifts to Italian Army personnel, so that the difficulty of their reaching their homes and returning on time to their units is considerable. Lack of leave is the main cause of absence in the Italian Army.

2. In view of the fact that a considerable amount of Allied transport is constantly moving empty, it is considered that Italian personnel could be moved by local arrangements with Allied commanding officers.

3. It is requested, therefore, that you instruct unit commanders that they should, if approached by Italian commanding officers, give every assistance to facilitating the movement of properly authorized Italian Army personnel, when such assistance will not interfere with the mission of the transportation concerned.

As a general rule no orders will be issued to Allied civilian personnel not having assimilated commissioned ranks indicated on their ID, AGO Forms 65-8/Identity Cards. SUBJECT: Visits to North by Italian Government Officials

TO : The Presidency of the Council of Ministers.
Italian Government

1. With a view to securing the greatest freedom of movement between North and South, restrictions on travel, as you know, were recently removed (except in respect of the areas set out in my letter 6/43/CA dated 27 May 1945).

2. You will, of course, appreciate that during the existence of Military Government in LIGURIA, PIEMONTE, LOMBARDIA and VENEZIE the Regional Commissioners have the duty of coordinating activity in these areas. This task is rendered more difficult unless the Regional Commissioners can be made aware of the visits of Italian Government officials and the purpose of their mission.

3. I should be glad therefore if you would inform all concerned that it would be considered a courtesy, if not a duty, that officials intending to visit the North should give due warning to the appropriate Sub-Commission of this Headquarters and pay a call on the Regional Commissioner concerned on arrival.

SUBJECT: Italian and Other Civilians Going North.

TO: See Distribution below:

1 Some misunderstanding seems to have arisen with regard to Italian and other civilians obtaining movement orders to travel by courier or other military transport.

2 It is pointed out that only civilians working for or attached to Sub-Commissions may take advantage of military transport and then only if they are going ~~to the North~~ for work in connection with the activities of the Sub-Commission or AMG.

3 In future, no orders will be signed for civilians unless at the bottom of the request for travel orders there is a statement signed by an officer to the effect that the civilian is employed or attached to Allied Commission and is going North on work in connection with AC or AMG.

SUBJECT: Note of Interview - Ministry of the Interior

DATE : 15 May 1945 - 1100 hours

PRESENT: H. E. Adalberto BERRUTI, Chief of Cabinet
Cav. Andrea CAMERA, Vice Chief of Cabinet
Col. R. R. Cripps, Director; Major Ralph R. Temple, Deputy Director.
Lt. D. MORIANO, interpreting

1. NOMINATION FOR VICE PREFECT VICARIO FOR FERRARA

BERRUTI said that the name of the nominee would be furnished today.

2. CLN NOMINEES FOR PREFECTS IN THE NORTH

BERRUTI was given the list of nominations to date and informed that the appointment of BORGHESE for Prefect Regent of Bologna has actually been made. He said that he was personally acquainted with the CLN nominee for Mantova--AVANZINI. Col. Cripps mentioned that we had been informed that MICHELI, the Government's nominee for Prefect of Parma, had refused to take the post. BERRUTI exhibited much surprise and said he would try to find out what the story was on this matter. Col. Cripps informed him that we had received no written confirmation of this fact as yet.

3. PUBLICATION OF DECREE FOR COMPILATION OF ELECTORAL LISTS IN ALG TERRITORY

BERRUTI said that he expected the Decree to be published in a week.

4. DELIVERY OF ELECTORAL MATERIAL

BERRUTI stated that he would communicate with the Prefects of Pesaro, Ancona and Terni to ascertain whether the delivery of electoral forms had been made to those provinces.

5. ADMIRAL STONE'S LETTER OF 19 APRIL CRITICIZING ELECTION METHODS

BERRUTI stated that DONOMI's letter of April 23 was in fact a reply to the letter of April 19, although he had informed Major Temple last week that it was not. He had checked on the situation. However, he agreed that the response was very general because the Government was not in a position to take up the details mentioned in the Chief Commissioner's letter. He realized that these details went to the heart of the problem and stated that a more detailed letter would be sent very shortly taking up directly the points mentioned.

6. MOVEMENT ORDERS FROM ITALIAN GOVERNMENT TO PERSONNEL TO TRAVEL TO FOREIGN PROVINCES

BERRUTI said he knew nothing about the movement order being issued by the Ministry to MILLO Domenico, Capo di Gabinetto of Ancona, to proceed to Udine to take up his former duties there. He said he was fully aware of the fact that no such order was proper. However, at our request he would check with the Personnel Division to ascertain whether any functionary in the department issued such instructions.

1262

Declassified E.O. 12356 Section 3.3/NND No. 785021

7. REQUEST FROM MINISTRY TO AUTHORIZE LIVOI TO PROCEED NORTH FOR PERSONAL REASONS

The request of an official named LIVOI to proceed to Como for personal reasons was mentioned. BERRUTI said that hundreds of such requests are coming in. Col. Cripps mentioned that permits would shortly be issued by the Italian Government itself and that they would have to dispose of the matter without any assistance on our part. BERRUTI took back the letter concerning LIVOI and said they would dispose of it themselves.

8. ARCHIVES

In response to the question as to what was being done in connection with the Government's archives in Verona, BERRUTI mentioned that the Government's archives were partly distributed in other provinces, too. Furthermore, he stated that the Chief Commissioner had agreed with the Prime Minister to permit a party representing several Ministries on May 17 to proceed North in order to locate and protect the Government's archives.

TO : Director, Local Governance Sub Commission.

Matters to be taken up with H. E. BERTI, Chief of Cabinet, Ministry of the Interior, at conference on 15 May - 1100 hours.

6. MOVEMENT ORDERS FROM ITALIAN GOVERNMENT TO PERSONNEL TO TRAVEL TO NORTHERN PROVINCES

Tell BERUTI that we should like to know who issued an order to Consigliere MOLLO Domenico, Capo di Gabinetto of Ancona province, to take up his old duties at Udine as soon as that province was liberated--"appena che fu liberata". MOLLO showed this order to the Prefect and the Provincial Commissioner and proceeded as far as Cesena, where an Allied officer told him he knew nothing about any request for his services and thereupon sent him back to Ancona. MOLLO has since been pressing the PC for a permit and transportation. Remind BERUTI that this action on the part of the Italian Government is entirely out of order; that the Allied Commission will issue movement orders only when a request for personnel has been received from Regional Commissioners in the North. The Italian Government must not give any instructions to personnel to move unless the Allied Commission has agreed thereto.

One other official, namely GIORGETTI, an education specialist, received a similar order. Both these orders were issued about a week or so ago. It is quite possible that other officials in other Prefectures have received similar orders.

2. PREFECTS AND OFFICIALS (a) - Following his visit to Sardinia some time ago, the Director conveyed to the Ministry the unsatisfactory reports which had been received regarding the Prefect of Sassari and drew attention to his Fascist associations and record. The Minister subsequently removed him from office and the position has been filled under the arrangements contained in 1(a) above.

(b) As mentioned in previous reports, experience has shown that AMG with 5th and 8th Armies have found no administrative officials in newly liberated provinces. To cater for these circumstances, arrangements were made in collaboration with the Italian Government for the provision of a small team containing the minimum number of officials (including a Prefect) which would be necessary to restart the administration. Such teams had been prepared and were ready to proceed to Perugia, Siena, Arezzo, Pescara, Teramo, and Ascoli.

In the provinces mentioned, however, it was discovered that sufficient satisfactory officials had remained at their posts and the personnel who were ready to go at short notice were not called forward.

A Prefect, however, was provided and sent to Macerata.

Director

1. Please see letter from RC I at #3.
2. RC presents 2 alternative views, according to whether it is or is not the accepted policy that all Sicily prefects should be career officials.
3. It is not the policy of this H/Q that non-career prefects should be replaced as a matter of general principle. It may be the Ital. Govts. policy to which ACC has deferred in individual cases: it has never been adopted as a rule of ACC policy
4. Therefore the RCs observations on the merits are all that need be considered.
5. On the merits of each individual case, RC advises:-
   (a) to let FAZIO of CATANIA go;
   (b) to keep BRUNO of ENNA;
   (c) to keep STANCANELLI of MESSINA.
6. Considerations of the general ACC policy as to Sicily arise, because
   (a) Sicily has been troublesome over politics + grain-collection:
   (b) a new High Commissioner + a new RC have been appointed, with the object, ~~it may be~~ presumably, of settling these troubles: and therefore
   (c) the ACC - Italian admin. in Sicily should present a united + firm front.
7. On the whole however, I suggest we should not be justified in giving way on BRUNO + STANCANELLI, against the RC's advice + merely in order to support the new High Commissioner.

Viaggi delle famiglie dei
prefetti trasferiti.

Data la deficienza dei mezzi di trasporto ordinari e la scarsa disponibilità di automezzi e di carburante, questo Ministero incontra gravi difficoltà nel trasferimento dei prefetti e delle loro famiglie.

La Sottocommissione Interni di codesta Commissione ha finora prestato validissimo aiuto per quanto riguarda i viaggi dei prefetti, ma non ha potuto trovare soluzione agevole per i viaggi delle famiglie dato che, com'è noto, i regolamenti militari vietano il viaggio di civili su automezzi militari.

D'altra parte i prefetti, per comprensibili ragioni sia economiche che morali, sono alieni dal trasferirsi senza le famiglie.

Per quanto sopra prego vivamente la S.V. di voler esaminare con la massima benevolenza la possibilità di assegnare al Ministero dell'Interno un idoneo automezzo, con il necessario carburante, da adibire al predetto servizio con le modalità che potranno essere concor-

ROME, 16 August 1944

SUBJECT: Travel of Families of transferred Prefects.

TO : CHIEF COMMISSIONER OF THE A.C.C.

Due to the shortage of ordinary transport facilities and the scarsity of vehicles and fuel, this Ministry encounters grave difficulties in transferring prefects and their families.

The Interior Sub-Commission of the A.C.C. has up to now given very valuable help, as far as prefects' trips are concerned, but has not been able to find a solution of the problem presented by their families, since, as it is well known, military regulations forbid civilians to travel in military vehicles.

On the other hand, the prefects, for obvious economic and psychological reasons, are against leaving without their families.

Hence I beg your Excellency to examine with the utmost generosity the possibility of assigning to the Ministry of the Interior a suitable vehicle and the necessary fuel to be used for the above-mentioned service, according to a procedure which can later be agreed upon.

I thank you in advance for whatever attention you may give to this request, which is meant to ensure the regular operation of the services outside the capital.

SUBJECT: Transportation of Italian Officials

TO : Vice President, Administrative Section

1. Please see letter, of which I attach a copy, ACC/29/3/Int of 18th August.

2. I consider that this question is a serious one and is having a tendency to create a lack of harmony between the working of this Sub-Commission and that of the Minister of Interior. As you will see, I have made the suggestion that the Italian Government should provide their own transport, but until this is so, I would ask you to take the matter up very strongly with the Executive in order to ensure the transport of these high ranking Italian officials who are being transported via Rome. They refer principally to Secretary-Generals, Prefects, Vice-Prefects, and members of the Giunte Consultivi.

3. Today, as a concrete example, I would give you three cases:

(1) Prefect MIRAGLIA who is desigrated for Coserza, is held up at Naples to which he was sent by courier and cannot proceed.

(2) Prefect CAVALIERI, who came here by courier and is held up in Rome after his interview with the Prime Minister and myself.

(3) Prefect GULOTTA has been held up for several days in Rome because it has not been possible to obtain transport for himself and his family to proceed to Trapani, his new station.

4. I would point out that most of these transfers have been carried out at our request and they would be, and are, in the best interest of local government administration.

5. I still propose to hold myself directly responsibile for the transport of Prefects and Vice-Prefects to newly liberated forward areas, but I feel strongly that we should do more to help the Italian Government in doing everything possible in regard to the transfer of Prefects (or Vice-Prefects) and their families when they are in Rome.

6. In Salerno, by personal assistance of Col Robinson, HQ Commandant, I was supplied with a Command Car with trailer for luggage, which was entirely set aside for the transfer of Prefects or Vice-Prefects and their families, and I feel strongly that since this is a part (and in my opinion an important part) of furthering the war effort through efficient administration, that the same

1805

1487

Declassified E.O. 12356 Section 3.3/NND No. 785021

principle should apply here.

7. If indeed the Italian Government are able to make arrangements in accordance with the letter I attach copy herewith, then except for the forward areas I should be only too happy to hand the whole of the matter of their transport and their family's over to them.

8. The position is embarrassing to me and I feel bound to report that I am confident in my judgment that the Prefects themselves and the Minister of Interior are reasonably disappointed and upset at the way in which these high ranking officials and their families are being treated. Whatever may be our opinion of the individuals, I contend that it is our direct responsibility at present to help them in an efficient and courteous manner - which we are certainly not doing at the moment.

3. We have neither the petrol nor the transportation, nor the drivers available, and furthermore, complications frequently arise in regard to Military Orders which, as you will know have happened to-day in the case of Mireglia, the Prefect designate for Cosenza, who is held up at Naples, whereas in a civilian car of the Italian Government, there could be no possible hindrance to his journey.

4. I ask you , therefore, to take this up in both our interests as soon as possible as I feel certain it is the only effective answer to this pressing problems at the moment. We, on the other hand shall continue to make arrangements for all Prefects and Officials that we ask you to supply for the Army Areas.

With reference to our previous communications we wish to inform you that the following prefects have to go to cities where they have been assigned and, due to a lack of ordinary transport, we should like to ask the Commission to kindly facilitate their trip:

1) Prefect SACCHETTI must go to Cagliari with four members of his family.

2) Prefect DE SANCTIS must go to Sassari with a Public Safety agent.

3) Prefect MIRAGLIA C. must go to Cosenza with three members of his family.

The first two have light luggage (a few suitcases) and could travel by air to Sardinia or, if this should not be possible, to Naples where they could sail for Sardinia.

On the other hand, prefect Miraglia has about six heavy cases which would have to be transported by truck.

Kindly let us know as soon as possible what facilities the Commission could provide.

Your Excellency:

1. I have received your letter no. 2105 of 29th July.

2. I fully appreciate the particular difficulties which confront newly appointed Prefects in travelling to their seats. Please be assured that I am very willing to do all in my power to assist in this respect.

3. At the same time, the Allied Control Commission itself is by no means too well supplied with means of transport. In fact, it is often no easy matter to obtain the transport required for important journeys which officers of the Commission have to undertake.

4. I think therefore we must deal with each case on its merits. If in any particular case it is absolutely impossible for the Italian Government to arrange, through the means of transportation at their disposal, for a Prefect to move to his seat, then the facts of this particular case may be brought to my notice with a full statement of the reasons why the Italian Government's means of transport cannot be used. I will then see what assistance can be rendered by the Commission.

5. Circumstances are such that I can give no general promise of assistance, neither can I guarantee that in any specific case the Commission can always provide means of transport. You may rely on me, however, to do my best wherever justifiable occasion arises.

6. As to the inspection service, I am in entire agreement with Your Excellency in regarding this as of the first importance. For the reasons given above, however, it is necessary for this to be treated in the same way as the journeys of newly appointed Prefects to their seats.

Subject: Trips of Prefects on official business.

As a result of the limited communications between Rome and the Provinces of Southern Italy, the Prefects included in the movements which are being effected, meet many difficulties to reach the office to which they are assigned, especially those of Calabria and the Islands.

Analogous difficulties are encountered in carrying out the inspective service, which this Ministry considers of great importance, and which, as it is well known, is predominatly executed by prefect-inspectors.

We trust the Commission will examine the matter with the usual favorable disposition, and obtain for the afore-mentioned officials the authorizations to travel on proper aerial or land military transport directed to the localities they have to reach.

Prefects who have to reach their office must take their family with them.

It is understood that this problem is a very difficult one, but this Ministry would appreciate if any comcession could be granted in connection with this matter.
