Consequent upon the restoration of the Compartimento of

TO : C.L.A. Legal Sub-Commission
Regional Commissioner Abruzzi-Marche Region.

FROM : HQ ANG/AC, Abruzzi-Marche Region

SUBJECT : Special Report on Restoration of Territory to
Italian Government.

REF. : AMR/511/10

DATE : 1 Nov. '44

Compartimento of Abruzzi

1. As from 0001 hrs on 15 Oct. '44 the Provinces of Aquila, Chieti, Pescara and Teramo were restored to the Italian Government, and the two proclamations relating to the transfer were posted during that day throughout the Provinces. The population exhibited little interest.

2. Major W.R. Cohen (A) is acting Legal Liaison Officer to the Aquila Court of Appeal, and he is temporarily assisted by Major L.D. Clerum (A).

3. The position with regard to ANG Courts held in this Compartimento during the month to 15 Oct. is given in the Regional Monthly Report. A few persons are in Gaol awaiting trial for proclamation offences. The cases are still under investigation. It is expected that most, if not all, of the cases will be handed over to the Italian Courts.

4. No special recommendations for the reduction of severe sentences arise at the moment, but should any appeal disclosing some merit be received in connection with any sentence it will be forwarded to you for consideration. 67

5. L.O. Abruzzi reports that he knows of no unpaid fines other than those set out in Appendix 'A' hereto, save in cases where prisoners are serving terms in default.

during that day throughout the provinces. The population exhibited little interest.

2. Major E.R. Conen (A) is acting Legal Liaison Officer to the Aquila Court of Appeal, and he is temporarily assisted by Major L.D. Clerum (A).
3. The position with regard to AMG Courts held in this Compartmento during the month to 16 Oct. is given in the Regional Monthly Report. A few persons are in Gucci awaiting trial for proclamation offenses. The cases are still under investigation. It is expected that most, if not all, of the cases will be handed over to the Italian Courts.
4. No special recommendations for the reduction of severe sentences arise at the moment, but should any appeal disallowing some merit be received in connection with any sentence it will be forwarded to you for consideration.
5. L.O. Abruzzi reports that he knows of no unpaid fines other than those set out in Appendix 'A' hereto, save in cases where prisoners are serving terms in default.
6. Appendix 'B' annexed contains a list of all persons serving sentences of over one year. In addition De Berlandis Riccardo is at present under sentence of death.
7. All Courts in Abruzzi are now functioning, except the Preture of Capestrano and Castel di Sangro, which are closed owing to shortage of personnel.
8. Lists of judicial officials depending on the Corte d'Appello and the Procura Generale are respectively comprised in Appendices 'C' and 'D' annexed.
9. Appendix 'E' contains particulars, so far as it has been possible to obtain them, of the position in the Tribunale and Preture. The state of the Tribunale seems far from satisfactory, but shortage of personnel prevents them from proceeding with

full calendars. The attention of the Ministry of Justice was called to these shortages by joint action of the Primo Presidente and the Procuratore Generale some time ago.

10. The books of the tribunali will be closely examined. It is the gist that the figures are probably inflated by the inclusion:-

- (a) of cases against unknown persons and
- (b) of cases suspended under Royal Decree No. 924 of 9 July 1940.

11. No cases have been heard by the Court of Assize of Aquila because the Vice Minister of Justice in a visit to Aquila on 5 Oct. stated that the law regarding Popular Judges was being amended. He promised information within 8 days. None was forthcoming from him, but particulars were given on 22 Oct. by the legal Sub-Commission. It is understood that the procedure must be implemented by a Decree the publication of which is expected at any moment.

12. The Sostituto Procuratore del Regno at Aquila, Dott. Graffardi Rubio, left his post on 29 Sept. without permission, and was accordingly suspended by AMG on 14 Oct., and two temporary assistenti recommended by the Procuratore Generale and the Procuratore del Regno were appointed in his place.

13. There are no security detainees in the Province of Aquila. The position in the other three Provinces is being ascertained by the Public Safety Officer at Chieti, and will be reported to you as soon as the information is received.

R. G. S. ALEXANDER, Major
Regional Legal Officer.
