2. Owing to the changes in personnel there are now available only the following

Group A	-	2
Group B	-	2
Group C	-	4
3. If the case is a security one, it will be necessary to call on both the members of Group B as Prosecutor and Defender.
4. It is recommended that a fresh panel be appointed with the u/m as members of Group A : -

Lt.Col.	J.L. Willis
Lt.Col.	I.G.H. Campbell
Major	W.R. Cohen
Capt.	W.T. Boone
5. With constant changes of officers, it is very difficult to say who will be available. It is recommended that the remainder of the panel be composed of such officers as the Regional Commissioner may direct. It is very possible that the Court may thus be composed of a President and two Laymen.
6. The survivors of the former Group B, I have suggested should be merged into Group A now. You might consider it possible to add to Group A, a number of officers from HQ ^{ACC} one of whom might be available to be a member of the Court, thus regaining the former ratio of 2 legal and 1 lay members.
7. It is requested that a fresh panel be nominated.

ACC/4002/11/L.

20 September 1944.

SUBJECT : General Court Panel for Southern Region.

TO : V. P. Adm. Sec.

1. Major LITTLE will be transferred from Southern Region in ten days time and thereafter there will only be 8 legal officers in the entire region.

2. It is not considered practicable for military courts in this region to contain 2 legal officers and it is pointed out that under the Proclamations only one legal officer is required on the Court.

3. The existing panel of non-legal officers is completely out-of-date and, owing to the rate of change of officer personnel, both ACC and operational, in the region it is feared that any new panel will be out-of-date almost as soon as it is appointed.

4. It is therefore requested that approval be given for the appointment of a new panel under which the court may consist of one of the legal officers available and two non-legal officers to be selected by the Regional Commissioner.

... 5. If you agree, a draft order is attached for your signature.

1. Ref this HQ letter of even number of 22.6.44, it is feared that departure of American officers rendered out of date almost ab initio, the panel approved by the Executive Commissioner on 28.6.44.

2. Attached please is a new panel for approval. It has been explained that WOs in the American Army, ranking as officers can sit on Courts, and in view of the extreme difficulty in obtaining American Officers, it is hoped that WO Wollberg will be included in the approved panel.

1. Reference is to your ACC/4002/11/L of 20 July 44.
2. It is thoroughly understood why the words "in addition to such other available officers as may be selected by the Regional Commissioner" have been omitted from Group A. It is much appreciated that these words have been allowed to remain in Groups B & C.
3. It is assumed that notwithstanding the wording of paragraph 3 of the Order of 20 July 44 the consent of ACC is now necessary to the appointment of a General Military Court both in the Commune of NAPLES and elsewhere in Region 3. Is this so please?

SUBJECT: General Court Panel.

TO : HQ Region 3.

1. Herewith New General Court Panel signed by the Executive Commissioner.

2. You will notice that the words "in addition to such other available officers as may be selected by the Regional Commissioner", have been omitted in regard to Group A.

3. It is regretted that this should have to be so. The reason is this. The policy is that the selection of Presidents and members of General Courts is the responsibility of this HQ. The inclusion of those words would be a substantial change of this policy; it would amount to a transfer of this responsibility to Regional HQ. A situation might even arise when a General Court would be composed of 3 officers all unknown to this HQ.

4. The words have been left in with regard to Group B & C.

note on paper
- 1 To see attached letter from Reg III
 - 2 In spite of the agreement (Bng LUSH - Col CHAPMAN) I disapprove strongly of ~~your~~ having a panel with the suggested words "In addition to such other Officers as may be selected by R.C." of course, I am not for one moment suggesting
 - 3 that a R.C. is not capable of selecting suitable Officers: that applies particularly to Chapman, who is really R.C. But the points are these:-
 - a) The General Courts are supposed to be convened ^{ad hoc} by this HQ
 - b) We have stretched that by the panel system
 - c) If the suggested words are added we may find a General Court being ~~best~~ composed of 3 Officers none of whom appear on the list!! Therefore ~~therefore~~ to have any panel is a ~~face~~ This reduces the ~~panel~~ to a farce.

IV. I urge that at least Group A must be named by the HQ & preferably ^{also} Group B: I have no objection to the suggested words in relation to Group C

v. If this is not so, we lose all control of constitution of General Courts & cannot be expected to assume any responsibility.

1. Further to the correspondence concerning the appointment of officers nominated for the General Court panel of this Region, it is pointed out that there are only 10 legal officers in this entire Region and a very limited number of other officers, all of whom are thinly spread.

2. It is therefore requested that the following additions be made to the panel for this Region, nominated in the appointment of 8 April 1944:-

Group A	Major G.M. WELSFORD
Group B	Major W.R. COHEN
	Major P. BACKHOUSE
	Lieut H.A. GRANT
Group C	Major T.R. FISHER
	Major J.E. FODEN
	Major G.W. CULMING
	Major M. HARRIS

3. It is further requested that authority to sit alone as a Superior Court judge be granted to all legal officers of the Region not hitherto authorised:-

Capt W.T. BOONE
 Capt F.C. BADER
 Major P. BACKHOUSE
 Lieut H.A. GRANT

Capt BOONE and BADER are strongly recommended. I have no personal knowledge of the work of Major BACKHOUSE or Lieut GRANT (who may in fact have been duly authorised while in another Region) but at least provisional authority is requested for them in view of the shortage of officers.

4. If desired the records of all the above officers can be forwarded.

5. A similar authority is requested on behalf of Major E.H. NICHOLS, the PC of Ancona Province. This officer was a practising barrister at law, having been called to the Bar, Grays Inn, in Jan. 1931. At the present moment it has not been possible to allot any legal officer to ANCONA Province, although it is intended to appoint Major COHEN as soon as Major WELSFORD can take over PESCARA Province in addition to CHIETI.

For the Regional Commissioner.

In answer to your letter RWIII/19/3007 of 20 Aug. 44

1. This H. Q. cannot make available any personnel for the composition of the Court: officers to compose the Court and to act as prosecuting and defending officers must be found from your Regional resources, which have recently been increased.

2. Arrangements for the availability of the accused and the prosecution witnesses should be made direct by you with the A. C. of S. referred to in para 2 of your letter.
