1. Further to this Subcommittee's letter No. ACC/4010/4/L of 23 June 44 it now appears that issue no.26 and 29 were packed in a most unusual way i.e. each copy of no.29 was put inside of a copy no.26. All other Provinces have received both issues packed in the above way and the official in charge of packing is quite sure that the same procedure was followed in preparing the package for Campobasso Province. Please check this matter with the Prefect's office and advise this Subcommittee by return.

SUBJECT: Distribution of Gazzetta Ufficiale in AEC territory.

TO: H.E. the Minister of Pardon and Justice.

1. This Subcommittee regrets that it has to call Your Excellency's attention to some irregularities in connection with the above matter and originating in the Intendenza di Pinerolo.

2. It is reported that a package marked as containing issues No. 26 and 27 of G.U. and addressed to Cuneo Province in fact contained issue No. 27 only. The packing of the G.U. in general is unsystematic. While no copies are addressed to certain Courts and do names in the Province of Cuneo, copies addressed to, inter alia, VERCELLI and ALESSANDRIA, were included in one of the last consignment.

3. This Subcommittee devotes a great deal of time and effort to ensure proper coordinating of the Italian and AEC law taking activities and it is in the interest of the Italian legal system that equal care be exercised on the part of the Italian authorities. May Your Excellency please use your influence towards impressing upon the responsible official of the Intendenza di Pinerolo the importance of close supervision of the addressing, packing and forwarding the G.U. for distribution in AEC territory.

4. This Subcommittee would appreciate it if arrangements could be made for immediate dispatch of the usual number of copies of issue No. 29 to Cuneo Province.

SUBJECT: Distribution of and receipts for Cassotta Ufficio.

TO : SAC (then PO) Regions 5 for the Provincial Commissioner, Naples Province.

1. Reference is made to this Subcommittee's letters AOC/ASOC/2 of 12 April 1944, AOC/ASOC/1 of 6 May 1944, 31 May 1944 and 3 June 1944. The above correspondence in addition to innumerable telephone conversations with SAC and others evidences a patient effort on part of this Subcommittee to enlist your cooperation in this important phase of coordinating the law making activities of the Allied and Italian authorities. However, it is regretted that so far Naples Province alone of all provinces has failed to carry out the terms of the original directive of 12 April.

2. In this Subcommittee's letter of 31 May 44 you were asked to see that in accordance with the directive of 12 April the Prefect signed personally the receipts for C.U. Nevertheless you forwarded receipts for C.U. No. 24, 25, 26, 29 signed by a person other than Prefect. These incorrectly executed receipts were returned to you for correction on June 5. No reply has been received here. The receipts for the following issues have still not been received from Naples Province although receipts have been received from all other prefects:- No. 24, 25, 26, 29, 30, 32.

3. This letter is a last attempt to ask you to cooperate in this important scheme (especially important in the Province of Naples), failing which I shall refer the matter to higher authority.
