1. Attached are translated copies of a clemency petition presented in their own behalf by nine Italians detained in the BRESCIA jail.

2. Please inform the appropriate Italian Authorities that this Headquarters has no objection to the release of subject petitioners.

Brescia, 4 September 1946

To: General Morgan, Allied Supreme WFOUSA Commander - Caserta.

We, the undersigned, have been detained in the Brescia judiciary jail for 16 months for having been members in the 5th Alpine Brigade, belonging to the R.J.I. Armed Forces.

Originally we had been apprehended and taken into custody as we were charged with collaborating with the Germans; now we should benefit from the recently granted amnesty but are still in jail as we are deemed to be liable to penal sanctions as we are assumed to have committed crimes against members of the Allied Forces. In fact we are charged with having stopped six persons clad in civilian clothes who developed to be former South-African POWs.

We point out to you that our proceeding Judge has acquitted us from this charge too; he is reported to have stated that we did not commit any crime inasmuch as the six South-Africans looked more like stragglers than uniformed soldiers.

In fact it is to be noted that the six already-mentioned individuals on 28 October 1944, reported to a Company of the 5th Alpine Brigade which was undergoing its training (it was not our Company) seeking for food and shelter, lest they ran into German units.

These circumstances we learned later and we also learned that the six individuals were ex POWs escaped from a Concentration-camp who, after having been assisted, had been taken, by order of our Higher Command, to the Italian Military Command at Brescia.

Such being the state of affairs, it is obvious that we cannot be charged with the capture of the ex POWs inasmuch as we did not belong to the Company to which they reported; on the other hand, having they spontaneously presented themselves they had to be taken into custody so that their status could be ascertained.

Now the Board of Enquiry, disregarding the suggestion of the Investigator, did not want to reconsider our case and we are still languishing in jail, being in the dark as to where and how our juridical status will be defined.

We are therefore applying to your Command and beg you to manage so as we may be soon returned to our destitute families who are looking on us as their rays of hope for a valiant support.

We hope that our prayer will be heeded also in consideration of the agreement entered upon by the Allied Military Command and the Italian Government whereby an amnesty is granted also for persons who committed sabotages against the Allied Forces.

As a consequence of such agreement we believe in an easy and favorable resolution of our case for the already-mentioned manifold considerations. We finally point out to you that the foregoing fact was not charged to the Commanders nor the soldiers of our own outfit who were duly released.

On the basis of the foregoing we renew our prayer for you to emanate instructions to the Brescia Court of Assizes for our release.

We rely on your sense of humane justice and thank you wholeheartedly.

Yours respectfully

Attilio Torresani, Di Sotto Rinaldo, Alfredo Menegon, Rosolino Magui, Angelo Manino.
Mario Alberici, Carlo Comincini, Paolino Brognoli, Severio Monti.

1. Reference your 142 G of 11 November 1946.
2. Your letter has been transmitted to the Chief Legal Officer, Venezia Giulia for action.
3. You will be informed of the outcome.

C.O. RANWATD,

Deputy Chief Legal Advisor.

Subject: BARTOLINI EUGENIO

The Ministry of Pardon and Justice informs this Legal Division that they received a petition from a certain Bartolmi Eugenio, son of Leopolds, who was sentenced in Trieste on the 5th April 1945 having been found guilty of a preterintentional homicide with the purpose of robbery.

It does not clearly appear, which Court has imposed said sentence, but it is presumed that it was passed by a special fascist Tribunal of Trieste.

This Legal Division is therefore being requested to ascertain which Court passed the sentence, as well as to obtain copy of the judgment imposed, in order to establish, whether the sentence was based on political reasons, as stated in the petition.

1. I enclose herewith copy of a letter from the Ministry of Justice, together with four original enclosures relating to a charge of bigamy made by the wife against her husband CURRAO Ignazio di Domenico at present residing in Rodi presso l'Azienda Agraria Famiglia Camera. The Ministry has asked for these documents to be forwarded to the Pubblico Ministero of the Tribunale in Rodi, with a view to criminal proceedings being taken against Currao. 46

2. In May last we were informed by the Civil Affairs Branch in Cairo that there were no longer any Italian Criminal Courts operating in the Dodecanese. This Sub-Commission would be grateful if you would consider whether in view of the conditions prevailing in Rodi at the moment it is possible for the charge contained in the enclosed documents to be proceeded with, and, if so, to hand over the documents to the competent authority. In view of the fact that the second marriage ceremony was performed in Rodi on 28th October last it is probable that the existing criminal courts in Rodi have jurisdiction. If, however, there is no Court competent to

hear the charge, please return the original enclosures to this Sub-Commission.

CATANZARO

La Sig.ra CULTRERA Agata ha presentato al Procuratore della Repubblica di Vibo Valentia (Calabria) l'unita documentata denuncia a carico del marito CURRAO Ignazio di Domenico, attualmente residente in Rodi (Egeo) presso l'azienda agraria Famiglia CAMERA.

Il CURRAO, secondo la denunciante, si sarebbe reso responsabile del delitto di bigamia, previsto e punito dall'Art 556 Codice Penale, perchè, pur essendo legato da matrimonio, avente effetti civili, contratto il 21 gennaio 1939 in Vibo Valentia con la predetta CULTRERA Agata, contraeva in Rodi il 28 Ottobre 1945, nella parrocchia di S. Benedetto, altro matrimonio, avente anch'esso effetti civili, con la Sig.ra Rita CAMERA, non meglio generalizzata.

Poichè il reato attribuito al CURRAO fu consumato in Rodi, competente al giudizio è l'Autorità Giudiziaria di quella città a norma dell'Art. 39 C.P.P.

Si inviano pertanto gli atti a codesta Sottocommissione Legale affinchè si compiacca trasmetterli, per l'ulteriore corso di giustizia nei confronti del CURRAO, al Pubblico Ministero presso il Tribunale di Rodi
