SUBJECT: Searching of Minister of Justice by Military Police

TO : H C & M G Sec

1. Reference your 388/B/CA of 5 Jul 44.

2. While the account given by the Minister differs from that of the Military Police as to the number of cigarettes involved in this particular incident, it looks as if circumstances will render any further difficulties improbable after the next few days. Despite the possibility that a few cigarettes, etc., may be carried along in official cars it would seem better that searches of passenger cars of ministers should not be made. Nothing such is gained from a law enforcement standpoint. On the other hand undesirable friction does result.

Officer i/e

Sir,

I have to report that at about 0900 hrs. 22 June 44. I was on duty in company with Cpl. Nott. E. R.A.F. Police on the Scafati - Salerno Road, when in the course of our duty we had occasion to stop a civilian car containing three men and a lady.

Inside the car were several suitcases, and the driver seemed very reluctant over allowing them to be examined, stating that one of the passengers was a Minister of the Italian Government and that neither he nor any of his passengers were in possession of contraband or any Allied property. However on examination of the cases by Cpl Nott and myself we found that one of them contained about 800 American and British cigarettes, concealed underneath garments of clothing.

Each passenger was questioned in turn but none would accept ownership, they were accordingly confiscated.

During the examination of the vehicle the utmost respect and consideration was shown by Cpl Nott and myself towards the persons concerned. The attitude towards us however was not becoming, and they doubted our authority although we were correctly dressed in duty order and wearing arm-bands.

1. Attached for your information is a report from the Minister of Justice, His Excellency Tuppins, concerning the searching of his own and his secretary's person as well as his car and official documents and private papers by members of the Allied Military Police on 22 June.
2. On learning of this incident on the afternoon of the same day, I telephoned to the R.C. & M.G. Section at ACC HQ., asking them to take the matter up immediately with No. 3 District. The result of the enquiry is awaited.
3. I understand that the Minister's car bore the official markings and that both he and his Secretary were in possession of regular passes and identification papers.
4. It is suggested that as any repetition of such incidents would be likely to have most unfortunate repercussions at a high level, instructions be given with all due speed to the Military Police to use particular care when dealing with high Italian officials, and that furthermore some form of special pass be established for such persons which will entitle them to free passage and exemption from such formalities.

Rome 22.6.44

Ministry of Pardon and Justice.

To the Allied Control Subcommission.

SUBJECT: Report on incident involving His Excellency the Minister.

On 22 June 44 at about 8 or 8.15 A.M. the car of His Excellency Tupini, Minister of Justice, was stopped at the police block in the outskirts of Pompei on the Naples autostrada. His Excellency was travelling from Salerno to Naples on official business for the purpose of attending a meeting with the other Ministers of the Cabinet of S.A.R. il Luogotenente del Rege.

In spite of the fact that the status of His Excellency appeared on the paper fixed to the wind-screen of the car and in spite of the fact that this status was declared orally and set out in his personal papers, the soldiers of the Allied Military Police having stopped the car proceeded to search everything in it, and even searched the person of H.E. Tupini, of his private Secretary Dr. Rondom and the driver. In the process of this search about a dozen "Old Gold" cigarettes were confiscated from Dr. Rondom, which he had in his pocket and also an empty petrol tin kept in the luggage "boot". The official papers and the private correspondence of the Minister and of those who were with him were examined.

Only after strong remonstrance and having stopped the car for about a quarter of an hour did the soldiers of the Allied Police allow His Excellency the Minister to proceed to Naples.

For your information and such action as may be fit.

Obediently

Dr. Rondom

Private Secretary to H.E. the Minister  
for Pardon and Justice.
