SUBJECT: Legal Staff.MGF/1096/L.Brigadier-General F.J. McIlhenny,
P.O.C.A.C.

22nd October, 1943.

I am very anxious to appoint Major Burnford with the rank of Lieut. Colonel to the position of officer in charge of civil courts which is as yet unfilled.

Major Burnford has been in charge of Italian Courts since the planning days at Giza. He has had a lifetime experience with French and Italian Courts, having practised at like post of his life, and has a vast and comprehensive knowledge not only of Italian law and the Italian judicial system but also of Italian affairs in general. Since our arrival in Sicily he has shown marked initiative and ability in going about the business of reorganising and reopening the Italian Courts and re-establishing the local judicial system on a sound basis. Quite apart from the fact that his record of successful achievement obviously entitles him to this promotion, I am confident that no officer available could be as qualified as Major Burnford for this very important post.

W. C. MARTIN,
M. Colonel, A.M.,
Chief Legal Officer.

1. Legal staff for Region 1, etc.

2. Legal staff for Region 2, etc.

3. For Region 1, a selection may be made from the legal staff.

4. For Region 2, a selection may be made from the following legal officers, all of whom are now in the Region:

CH-40,	Major Stone
Lt. Col.	Major Smith
"	Capt. King
"	Capt. Wright
"	Capt. Green
"	Capt. Guthrie
"	Capt. Little

I think there should be at least 9 legal officers for this region, but understand Col. Hart has only requested 7. More are available now in Italy if needed.

5. For Salerno area, I do not know what officers are now there nor how many, and so am not in a position to make recommendations.

6. For 5th Army, Lt. Col. Nichols, now there.

7. For 8th Army, Major Mercer. There is a Major Christians there at the moment, but he has no knowledge of the legal portion of A.G.F., nor has he had any training or experience, so far as I know, in setting up courts or in AGF procedure. Major Mercer on the other hand has wide experience as C.L., of Rome and Milanese, and is now in Catania Province. In such he has done quite a good job, and I believe it is of the utmost importance to have an experienced officer to supervise the setting up of courts in the early phase. The entire subsequent administration depends upon a sound beginning. Major Mercer has also won both the respect and friendship of all officers both of the Italian forces and of A.G.F., but he has come in contact with, and I consider him one of the best legal officers in A.G.F.

8. For 10th Army Group HQ, Lt. Col. Ross and Capt. Barton.

9. If any question comes up as to the position of officer in charge of Civil Courts in A.G.F. Headquarters, this post should be given to Major Humphreys, with the rank of Lt. Col.

W. C. CHAMBERLAIN,
Lt. Col., AGF,

(If Capt. Glenn is to be relieved, the importance of S.L.O. assignment here would warrant the presence of an officer who has some desire to do the job.)

8. Replacement of this officer is desired.

9. This officer, after service in 1918, was commissioned 1st Lieut., JAGD on 3 May 1919. He completed all the correspondence courses offered by his department and was ordered to twelve tours of 15-day active duty from 1919 to 1940. 10. It is believed that this officer can contribute to the greater efficiency of the service by his return to the United States, where his training and experience can be utilized to advantage in the training of younger officers for overseas duty. His presence there will, in some measure, contribute to the health and welfare of his family, his wife being now in ill health.

1. Captain Paty reported for duty on September 8th. and, for the moment at least, is assigned to work with Major Howe and Captain Van Dusen in the Province of Catania. Although the organisation of legal affairs in the Province of Catania for two weeks after the arrival of the Senior Legal Officer presented a number of rather considerable difficulties things are now proceeding in an orderly manner and it is doubtful if the services of Captain Paty are really needed.

2. In Syracuse, which the Senior Legal Officer visited on Wednesday, everything is proceeding smoothly. Lt; Hemmen-dinger will remain stationed there and it is believed that, with more or less frequent conferences between him and the Senior Legal Officer there will be no need for either Captain Paty or Captain Van Dusen to be concerned with legal questions in that Province.

TO: Major Mark de Wolfe Howe,
S.D.O. Catania.
(Through S.C.A.O. Catania)

1. Captain Pety has been relieved from duty at H.Q. and assigned to Catania under orders to report to the Senior Legal Officer for duty.
2. Syracuse province has been formally placed under the jurisdiction of Major Howe together with Catania Province by order issued this date. Major Howe is to determine the proper distribution of the four officers now assigned to Catania and Syracuse Provinces. It will be his first duty to get the legal situation at Catania Province organised at the earliest opportunity as it may be necessary to reduce the legal staff of these two provinces to two officers in the next two or three weeks.

MEMORANDUM TO: Chief Staff Officer re Proposed TO/WE for Regions 1 and 2

1. The TO/WE for Region 1 was prepared after careful consideration and study. Under it, the Legal Division was allowed originally 32 officers which was later cut to 30. Actually the Legal Division has never had more than 24 officers at its disposal.

2. Experience in Sicily has shown that this number has been insufficient to properly fulfill the functions of the Legal Division to date. There are continual requests from various provinces asking for help and a number of matters are piling up because of inability to dispose of them with the personnel at hand.

3. On the other hand it is probable that in another two or three weeks the present staff could be reduced materially. But it does not seem possible that it could be reduced to the total number of eight as now proposed. In three provinces alone, Palermo, Agrigento, and Siracuse, 640 cases, tried by Allied Military Courts to date. Reports from other provinces are still incomplete. It would seem that there should be at least one Legal Officer per province and three officers in Regional Headquarters to supervise the work in the provinces, review cases, give legal advice and guidance on policy. The volume of legal work in Palermo, Catania, and Messina alone is sufficient to take the full time of two legal officers if they are to do their own work and maintain any supervision at all over the Italian Courts. *By limiting assigning two regional provinces to a single officer this could be worked out.*

4. This would mean a total of 12 officers for Region 1. Assuming the same number could handle Region 2, and that the Headquarters staff were confined to six as proposed, this would make a total of 30 officers for Regions 1 and 2 plus AMCOT Headquarters - or exactly the same number as were allocated to Region 1 alone under the original plan. It seems to me both unreasonable and unnecessary to cut the staff below this minimum. Presumably an additional 12 legal officers should be added for Region 3.

5. I most strongly urge, therefore, that the original TO/WE be kept in tact in numbers, and made applicable to Regions 1 and 2 and AMCOT Headquarters, instead of only to Region 1. I believe there are sufficient officers with legal training now in AMCOT or in North Africa, exclusive of those now being prepared by Region 3, to make this possible provided some

weeks the present staff could be reduced materially. But it does not seem possible that it could be reduced to the total number of eight as now proposed. In three provinces alone, Palermo, Agrigento, and Siracusa, 640 cases, tried by Allied Military Courts to date. Reports from other provinces are still incomplete. It would seem that there should be at least one Legal Officer per province and three officers in Regional Headquarters to supervise the work in the provinces, review cases, give legal advice and guidance on policy. The volume of legal work in Palermo, Catania, and Messina alone is sufficient to take the full time of two legal officers if they are to do their own work and maintain any supervision at all over the Italian Courts. *By limiting assigning two rural provinces to a single officer, this could be worked out.*

4. This would mean a total of 12 officers for Region 1. Assuming the same number could handle Region 2, and that the Headquarters staff were confined to six as proposed, this would make a total of 30 officers for Regions 1 and 2 plus AMGOT Headquarters - or exactly the same number as were allocated to Region 1 alone under the original plan. It seems to me both unreasonable and unnecessary to cut the staff below this minimum. Presumably an additional 12 legal officers should be added for Region 3.

5. I most strongly urge, therefore, that the original TO/WE be kept in tact in numbers, and made applicable to Regions 1 and 2 and AMGOT Headquarters, instead of only to Region 1. I believe there are sufficient officers with legal training now in AMGOT or in North Africa, exclusive of those now being prepared by Region 3, to make this possible provided some officers in AMGOT now used as C.A.O.s were restored to the Legal Division or replaced by new officers from elsewhere.

6. In this connection, I refer to Lt. Colonel Ogelthorpe, Major Michie. I understand Capt. Little is anxious to be assigned to the Legal Division, and would make a competent legal officer for Region 2, where I understand he is at present assigned. Lt. Colonel Smith and Lt. Colonel Langfitt should also be available.

7. I cannot be responsible for carrying out the duties of the Legal Division as proposed in the AMGOT Plan if the staff were cut below this minimum.

WILLIAM C. CHAMBER,
Lt. Colonel, F.A.,
Chief Legal Officer.

Memorandum for D.C.C.O.O.

Subject: T.O. and T.E.A. for Legal Division

The Legal Division at present consists of 10 Judicial Officers, 10 Prosecutors, and 7 Counsel, in addition to the C.L.O. and the Chief Judicial Officer.

It is proposed that there will be considerable number of other officers serving as Judges of Superior and Inferior Military Courts, under the supervision of the Legal staff, and that the Judicial Officers ride circuit so as to hold General Military Courts, and supervise the work of other courts, both military and civil, throughout the occupied territory, probably taking a Prosecutor with them. However an important case is tried by a General Military Court, there should be a stenographer present.

Records must be kept, forwarded to the Chief Legal Officer for review, and reviewed, affirmed, reversed, or modified.

In addition, it will be necessary for the C.L.O. and the Chief Judicial Officer to make frequent inspection trips throughout the area, to keep track of the work of the Division.

For these purposes, it is estimated that the following staff would be necessary:

10 Stenographers
20 clerks, or a total of
30 enlisted men.

In addition, there should be:

3 Jeeps for Headquarters, which will consist of the
C.L.O., Chief Judicial Officer, Chief Counsel and
6 Counsel.

7 Jeeps for the 10 Judicial Officers and 10 Prosecutors,
or a total of

10 Jeeps.
