To : A. G.

At my request travel orders were issued, para 1 Special Orders No. 28, directing Maj Edmund L. PALMIERI to proceed to POTENZA. I have just been advised by the Chief Legal Officer, now at BRINDISI, that it will be necessary for Maj. Palmieri to report in person to him there, the results of his meetings in POTENZA as the matter is of great urgency. For this reason I request the above mentioned order be amended to include the additional travel to and from BRINDISI. This will add one or two days to Maj. Palmieri's estimated absence from this station.

AMG/4023/L

SUBJECT: Assignment of Officers.

TO : D.C.C.A.O.

Five American legal officers are being ordered out of Region I to go to another theatre.

I am attaching temporarily, Ens. I. Parker of this Sub-Commission who is still in Sicily but require four more American legal officers there immediately.

Sometime ago, I made a list of officers assigned to regions who were lawyers but were not assigned to positions as legal officers. All legal officers of Regions V, VIII and IX with few minor exceptions unimportant in this connection have been attached, to be used or are already being used in other regions. However, as a temporary measure, with valuable training combined, I urge that four of this type of officer be attached to Region I to replace the officers being drawn out, it being understood that when they are going to be actually needed in their own regions they will have to be detached from Region I. My list also shows several officers of the same general category assigned to Region VI. I do not know how many of these officers may have gone to Sardinia nor, as to any of the officers hereinafter listed, do I know whether they have been kept in the assignments as they existed in October, 1943, or would be otherwise available for the above purpose. Furthermore, I have no knowledge where any of them actually are at the present time.

I urgently request that four of the following officers generally in the order named be attached to Region I as quickly as possible :-

| <u>Name of Officer.</u>    | <u>Region.</u> | <u>Nature of assignment.</u> |
|----------------------------|----------------|------------------------------|
| 1st.Lt. Harry A. Grant.    | Unassigned.    | Property Control.            |
| Capt. D.D. Preece.         | IX             | C.A.O.                       |
| Major. J.E. Cantor.        | VI             | C.A.O.                       |
| Capt. J.B. McNary.         | VI             | Property Control.            |
| 2nd.Lt. W. T. Mayo.        | IX             | C.A.O.                       |
| 2nd.Lt. G.E. Carlson.      | VIII           | C.A.O.                       |
| 2nd.Lt. F.J. Moran.        | VIII           | C.A.O.                       |
| 2nd.Lt. John. J. Scanlan.  | VI.            | Hq. Administration.          |
| 2nd.Lt. E.J. McMurray, Jr. | IX             | C.A.O.                       |
| 1st.Lt. Robert M. Hay.     | IX             | C.A.O.                       |

All of the above-named have had more than two years law practice and several of them despite their low rank have been practicing lawyers over a substantial number of years.

24 December 1943.

SUBJECT: Efficiency Reports.

TO : See Distribution.

Under the provisions of AR 600-185, dated 13 October 1942, as amended, the following information is published for your guidance in accomplishing semi-annual Efficiency Reports to be rendered as of 31 December 1943:

I. FIELD GRADE OFFICERS

1. An abbreviated efficiency report on WD,AGO Form Number 67 will be rendered on each officer of field grade of all components by that officer's immediate military superior, on 31 December 1943 for the preceding six (6) months.

2. This abbreviated efficiency report consists of completed paragraphs, A, B, C, E, F, H-10, L, M, N, P, Q, and S of WD,AGO Form Number 57. However, a full efficiency report with all paragraphs completed may be rendered, if the reporting officer so desires.

a. Paragraph "A" will include name, serial number, grade, arm or service, organization and official duty status of the rated officer to the officer rendering the report.

b. Paragraph "B" will show the entire six month period for which the report is rendered regardless of the length of time the officer reported upon has been under the command of the reporting officer. However, in the event that a Special Efficiency Report has been rendered on an officer for any portion of the six month period and the WD,AGO Form 66-1 so indicates, the semi-annual report will not include that period of time but a notation to that effect will be entered under Paragraph "P".

c. Paragraph "C" will include all stations at which the officer served during the period covered by the report. Such entries as "North Africa", "Italy" or "Camp Grant, Ill." are appropriate.

d. Paragraph "E" will be confined to principal duties and will include all such duties performed during the period covered by the report. Basis for opinions will be indicated by lining out inappropriate words. Duties performed at other organizations or under other commanders, the length of time of these duties, and the manner of their performance will be transcribed from entries on WD,AGO Form Number 66-1 and will be so indicated by inserting after manner of performance rating in parentheses the figures (66-1). All fractions of months will be shown in thirtieths (5/30, 15/30, etc). The total length of service shown in this paragraph will agree with length of service covered by the report. If WD,AGO Form 66-1 is not available, or principal duties for any period of time are not recorded and the officer upon whom the report is rendered cannot furnish necessary information or no duties have been assigned for any period, a remark, "Unknown", followed by the period of time will be made.

## R-E-S-T-R-I-C-T-E-D

e. Paragraph "N" will be specific and give sufficient information to permit higher authority to gain an adequate idea of the future value of the rated officer. It will also include the following statement: "In comparing this officer with all officers of his grade known to me, I would place him among the (upper) (middle) (lower) third.

f. Paragraph "P" will include the following statement: "This officer (is) (is not) performing duties commensurate with his grade."

3. In describing the manner of performance of duty or in making any ratings, the following terms will be used:

- a. Superior
- b. Excellent
- c. Very Satisfactory

- d. Satisfactory
- e. Unsatisfactory
- f. Unknown

4. Commanders of units, who have their WD, AGO Form Number 66-1 on file in their headquarters, will make them available to the officers who will render the Efficiency Reports. As prescribed in paragraph 3a, Change 3, AR 600-185, 20 April 1943, appropriate entries will be made at the same time under Section 15 of WD, AGO Form Number 66-1.

5. In case the report contains unfavorable entries, it will be referred to the officer upon whom rendered by indorsement as prescribed in Par 5, AR 600-185, 13 October 1942.

6. The immediate military superior of the reporting officer will accomplish the first indorsement. The first indorsement to a report rendered on a Colonel will be addressed to the next higher military commander who will make appropriate remarks and forward the report through military command channels. The first indorsement to a report rendered on an officer below the grade of Colonel will be addressed to The Adjutant General, War Department.

7. The component of all Reserve, National Guard, and Army of the United States, officers will be shown in large red letters on the left margin of both sides of WD AGO Form No. 67.

## II. COMPANY GRADE OFFICERS AND WARRANT OFFICERS

1. In accordance with Par 15, AR 600-185, 13 October 1942, no efficiency report will be rendered on company grade officers and warrant officers, but manner of performance ratings will be entered in Section 15 of Officers' and Warrant Officers' Qualification Cards, WD AGO Form 66-1, by such officers' immediate military superior in compliance with Par 80 (h) (d), Change 3, AR 600-90, January 28, 1943.

2. Efficiency Reports, other than those forwarded directly to The Adjutant General, will be prepared so as to reach this headquarters not later than 15 January 1944. Any anticipated delay will be promptly reported to this Headquarters.

III. MISCELLANEOUS PROCEDURE

1. Section Chiefs of this Headquarters will submit an efficiency report on all field grade officers assigned or attached to their sections on 31 December 1943, covering all service for the preceding six (6) months. Classification Cards (WD AGO 66-1) are available upon informal request from Section Chiefs, to Personnel Section (Classification) AGO, Room 13, this Headquarters. Chiefs of Sections, this Headquarters will prepare efficiency report work sheets for all field grade officers of their respective services who are commanding units assigned or attached to PBS on 31 December 1943.
2. In the case of units assigned or attached to PBS for which there is no appropriate Section Chief on the PBS Staff; i.e., Coast Artillery Corps, etc, the personnel officer of such units will prepare the necessary letters of transmittal or receipts and deliver personally or by messenger the Classification Card (WD AGO Form No 66-1) and 201 file of the Commanding Officer, if he is of field grade, to the Personnel Section, AGO, Hq PBS, not later than 30 December 1943.
3. Section Chiefs are being furnished mimeographed WORK SHEETS and a model efficiency report for their convenience in accomplishing the required reports. Work Sheets will be filled in by typewriter or block lettering. These work sheets will be completed and returned to the Adjutant General's office not later than 10 January, 1943 in order that the reports may be typed on WD AGO Form No 67 and returned to the reporting officer for signature.
4. Attention is invited to the fact that when these work sheets have been accomplished by the reporting officer the information thereon is classified and will be handled accordingly.

## REGION IV

Legal 1 Dec 116.

1644 9. I ✓

196

TO : Chief Legal Officer, Legal Sub Commission, H.Q.,  
Allied Military Government, A. P. O. 512

FROM : Chief Legal Officer, Region IV.

SUBJECT : Legal Officers, Region IV.

REF : R4/1064/2.

DATE : 1 December 1943.

4023/14 ✓

1. Attention is directed to the shortage of legal officers assigned or attached to this Region, which threatens to have serious consequences.

2. Reference is made to AG/1066/1 dated 9 October 1943, in which it was pointed out that the number of officers assigned to Region IV would be quite insufficient to administer the legal side in the Region, and it was recommended that an additional 10 legal officers be temporarily attached to Region IV. This recommendation was approved, and 10 legal officers were in fact attached to the Region.

3. Since that date the situation has altered to the extent that, according to present information, it is intended to enlarge the Region by the addition of another province of considerable area.

4. Notwithstanding the above, on 30 October 1943, an order was received detaching two officers, Major G.G.T. Ainslie and Major M.C. Holt. It was understood at the time that these two officers would be replaced by the attachment of two other officers, but up to date no officers in replacement have reported to this H.Q.

5. On 30 November 1943, a further order was received from H.Q., A.M.G., detaching Major G. W. Welsford and Captain E. C. Lukens for duty with Region I. Major Welsford is in fact already at work with A.M.G., 8th Army, from which he will presumably have to be recalled.

87

6. When this latter order has been complied with, Region IV will be four officers short of the number previously considered necessary, without taking into account the proposed enlargement of the territory of the Region.

7. Including the City of Rome, which has provincial status, there are 12 provinces in the Region. In the light of actual experience of the great difficulties of communication

- 2 -

and transportation, it is considered that the legal side can be properly administered only if a legal officer is stationed in each province. Rome City and Province, by reason of their large population, will ~~require~~ require more than one legal officer. With the present reduced numbers available, it will obviously be quite impossible to provide legal officers throughout the Region on the scale which will be required for the work.

8. It is therefore requested that you will give urgent consideration to the question of replacing the officers who have been detached, so as to bring up the number of officers available at least to the total previously authorized. The matter is one of urgency because some of the officers available have already been attached to A.M.G., 5th and 8th Armies, for work in the forward areas, and in addition it is anticipated that at an early date some parts of the territory already occupied will be transferred to Regional control. The urgent need for legal officers is therefore likely to make itself felt in the immediate future.

Memo to Lt-Col. Clough

We might institute reclassification proceedings but I doubt that they would stick. I don't believe that the evidence against him is conclusive enough.

Inasmuch as Col. Charter is leaving I'd recommend that he prepare an efficiency report on Lt-Col. Hill, and of course, all other officers of Legal Div. above grade of Capt.

Later, if Hill's work does not improve and we can get statements from superior officers, supervising his work, to that effect we might be able to make the reclassification stick. ~~and~~ If his work is unsatisfactory here I do not believe that he should be "punished" by returning him to the States.

SUBJECT: Relief from duty of Lt. Col. Richard H. Hill,  
J.A.G.D.

TO : Commanding General - Regiment 2675 - Allied Com-  
mission.

1. Lt. Col. Richard H. Hill, O-510614, after completing the course in Military Government at Charlottesville, Va., was assigned to foreign service and has been employed in AMG since the early part of May, 1943.

2. Lt. Col. Hill was assigned to the Legal Division at Chrea, Algeria in May 1943, arrived in Sicily about the first of August 1943 and was assigned as S.L.O. of Agrigento Province, which assignment still is in effect.

3. Lt. Col. Hill is temperamentally unsuited to foreign duty in any capacity. He is unable to make the personal re-adjustments necessary to duty in his field or in the work of Allied Military Government in a Province. He has repeatedly requested to be re-assigned to duty in continental U.S.

4. As a result of this temperamental unfitness and possibly because of age, he has been a cause of discontent in whatever unit he has been assigned. His work, while characterized by a fair degree of attention on his part, has been unsatisfactory.

5. No assignment in the Legal Division or in any other division of Allied Military Government is available, where this temperamental nature would not seriously interfere with the conduct of his duties.

6. It is strongly recommended that he be reassigned to duties in the United States where he might be able to render service.

TO : Commanding General - Regiment 2675 - Allied Com-  
mission.

1. Lt. Col. Richard H. Hill, O-510614, after completing the course in Military Government at Charlottesville, Va., was assigned to foreign service and has been employed in AMG since the early part of May, 1943.

2. Lt. Col. Hill was assigned to the Legal Division at Chrea, Algeria in May 1943, arrived in Sicily about the first of August 1943 and was assigned as S.D.O. of Agrigento Province, which assignment still is in effect.

3. Lt. Col. Hill is temperamentally unsuited to foreign duty in any capacity. He is unable to make the personal readjustments necessary to duty in his field or in the work of Allied Military Government in a Province. He has repeatedly requested to be re-assigned to duty in continental U.S.

4. As a result of this temperamental unfitness and possibly because of age, he has been a cause of discontent in whatever unit he has been assigned. His work, while characterized by a fair degree of attention on his part, has been unsatisfactory.

5. No assignment in the Legal Division or in any other division of Allied Military Government is available, where this temperamental nature would not seriously interfere with the conduct of his duties.

6. It is strongly recommended that he be reassigned to duties in the United States where he might be able to render service. 64

LEGAL SUB-COMMISSION

AMG/4024/2

22nd November, 1943.

SUBJECT: Personnel at AMG.

TO: Administrative Director.

Reference para. 203 of Minutes of AMG Meeting on 19th November as to splitting up AMG personnel between two Hs in the future.

1. If the two Hs are within reasonable daily motoring distances (say 30 miles) then this sub-commission could function with seven officers and four AM/OCs at the H, situate with the Italian Government.

2. If the two Hs are out of daily reach, this Hs can only function properly if all its officers and AM/OCs are at Hs situate with the Italian Government. From the nature of the work of the Legal Sub-Commission which falls into two groups (a) day to day advising of the Commission generally (b) work across the conference table with the Ministry of Grace and Justice and does not involve long term industrial or economic planning, it is apparent that the sub-commission could not function if it is split up by more than a short motoring distance.

3. If any areas are being administered under AMG by Hs AMG then it would be possible for that Department or the Legal Sub-commission which administers the Allied Military Courts to be at a separate Hs. The number of the officers in this Department varies according to circumstances and the state of business but will probably consist of from two to six officers and one clerk.

Colonel,  
Deputy Chief Legal Officer.

Act Asst Adj Gen

TO: Col. G. R. Upjohn, AC ANG CMF.

FROM: Major G. S. Parlin, AC (Rear Link).

SUBJECT: Assignment of Personnel.

DATE: 9 November 1943

1. Lt. Col. Behrens did not report at this station and hence could not be assigned by the board here. The position as C.L.O. Region V is vacant. Lt. Col. Behrens could be put in this spot if he is satisfactory to the C.R.O. Region V.
2. Lt. Col. Cousins is in the hospital with ear trouble. It is not known when he will be available for assignment. There are two vacancies for which he may be qualified: Lt. Col. on staff of chief counsel; or D.C.L.D. Region VIII.
3. Col. Willmer is no longer available for consultation but Lt. Lewis assisted me in appraising the qualifications of the British Officers. We were in accord on all of them.
4. Lt. Col. Willis is the best of the four officers interviewed. He is a barrister; had extensive experience in lower courts; has handled many criminal cases; was with the Tax and revenue division conducting litigation; has had four years of private practice; but has not gone on circuit. He was assigned to ACC and was tentatively placed on the staff of the C.J.O.
5. Major Mac Fayden is the second best. He is a solicitor with a general practice in a country district. He was the court partner for his firm and has had extensive criminal experience. He was assigned to ACC. He seems best qualified as a Major on the Staff of the C.J.O.
6. Major Barillet has been with the London County Council. He has had only 6 months of private practice and no court experience. His work has largely been concerned with preparation and interpretation of statutes and ordinances - not on the parliamentary side. If qualified at all it would be for the staff of the CC. The only British vacancy there is for a Lt. Col. I could not recommend him for that but he may be the best we can get. I waived on him and he was assigned as a <sup>temporary</sup> legal officer with a region. If you would rather have him than have a vacancy you could probably still get him.
7. Capt. Jones is a Barrister from Northern Rhodesia. He has had extensive court experience there, including a large amount of criminal work. He is an active, energetic, pleasant person. He would make a good man on the military court staff.

4. Lt. Col. Willis is the best of the four officers interviewed. He is a barrister; had extensive experience in lower courts; has handled many criminal cases; was with the Tax and revenue division conducting litigation; has had four years of private practice; but has not gone on circuit. He was assigned to ACC and was tentatively placed on the staff of the C.J.O.
5. Major Mac Fayden is the second best. He is a solicitor with a general practice in a country district. He was the court partner for his firm and has had extensive criminal experience. He was assigned to ACC. He seems best qualified as a Major on the Staff of the C.J.O.
6. Major Bantlett has been with the London County Council. He has had only 6 months of private practice and no court experience. His work has largely been concerned with preparation and interpretation of statutes and ordinances - not on the parliamentary side. If qualified at all it would be for the staff of the CC. The only British vacancy there is for a Lt. Col. I could not recommend him for that but he may be the best we can get. I waived on him and he was assigned as a Superintending legal officer with a region. If you would rather have him than have a vacancy you could probably still get him.
7. Capt. Jones is a Barrister from Northern Rhodesia. He has had extensive court experience there, including a large amount of criminal work. He is an active, energetic, pleasant person. He would make a good man on the military court side. He looks and acts like a soldier. He has had no experience with continental legal systems, and has no language qualification. In view of this I was reluctant to recommend him for assignment on the Staff of the officer in charge of Italian Courts. He was assigned to Region IX as a Captain on the Staff of the C.L.C., the position for which he seems best qualified. It may have been a mistake to let him get away from ACC.
8. I understand that no other British legal officers are to be available for assignment. The following are the British vacancies to be filled as of the time you left, the action taken and the vacancies remaining:

2. The writer has spoken to Lt. Col. McCaffrey who is in need of no further legal officers in Region II and Lieut. Christians has accordingly been instructed to proceed to your H.Q. to report to you for reposting.
3. Lieut. Christians states that he attended the Middle East School of Military Government but did not attend the School at Chrea or Tizzi Ouzou.
