SUBJECT: Lieut R.J. Franklin . A.V.S.

TO : C.L.O. Legal Subcommittee Salerno.

1. The above officer has hitherto been employed as C.A.P.O. Catanzaro, and has requested to be transferred to the Legal Division

2. His qualifications are that he was a graduate of the John Marshall Law School, Degree of L.L.B., and served as legal clerk with a criminal lawyer. During the war he has been Assistant Trials Judge Advocate for three months.

3. Beyond his interview with me, I have no personal knowledge of this officer, and must frankly state that the R.C. is not at the moment prepared to recommend him for transfer to any Division. Normally I should not submit his name, but in view of the urgent need for legal officers at Naples, it is conceivable that you may wish to have him on probation under supervision.

1. The present situation with regard to Legal Officers assigned or attached to Region 4 is as follows :-

<u>Name</u>	<u>Designation</u>	<u>Present Employment</u>
Col. Willmer ✓	R.L.O.	H.Q., Region 4.
Capt. Oates ✓	Ch. Counsel	H.Q., Region 4.
Major Elder ✓	Superior Ct.	A.M.G., 5th Army.
Capt. Howell Jones ✓	Prosecutor	A.M.G., 5th Army.
Lt. Gaziano ✓	Summary Ct. Rome	A.M.G., 5th Army.
Major Waugh ✓	Prosinone	A.M.G., 5th Army.
Major Woodward ✓	Litteris	A.M.G., 5th Army.
Major McFadyean ✓	Rome Province	Region 3.
Major Stump ✓	Viterbo	Unemployed (convalescent)
Capt. Falk ✓	Terni	Region 3 162
Major Hendrickson ✓	Rieti	H.Q., Region 4.
Major Stebbins ✓	Perugia	H.Q., Region 4.

2. Lt. Comdr. Musmanno and 2/Lieut. Bosard have recently been posted away, I do not know why or on whose orders. All I know is that they are no longer available for this Region.

3. As mentioned at recent conference with you, I am doubtful whether Major Stebbins will be suitable to act as provincial Legal Officer. He has recently been working for Region 3, but the work was apparently not satisfactory, and he is no longer employed by them.

4. It will be observed that the officers listed above will be quite inadequate for administration of the legal work of Region 4 when this is fully occupied. I consider that the minimum requirement for Region 4 is 18, made up as follows: -

R.L.O.  
 D.R.L.O. and Ch. Jud. off. (to be responsible for administration  
 of Rome City )  
 Ch. Counsel (to be responsible for H.Q. office management)  
 Officer i/c Italian Courts  
 Permanent Superior Court Judge for Rome  
 Prosecuting Officer  
 3 Summary Court Judges for Rome  
 Provincial Legal Officers :-

Frosinone	1
Littoria	1
Rome Province	2
Viterbo	1
Rieti	1
Terni	1
Perugia	2

5. The <sup>sum</sup> members at present available are 6 below the minimum requirement set out above, and will be 7 below if Major Stebbins is removed.

6. I attach, for your information, confidential letter re Major Stebbins, handed to me by R.L.O., Region 3. 161

TO : Colonel R. H. Wilmer, Legal Sub-Commission

1. Inclosed are two additional copies of Special Order No. 36, Rear Hq ACC, furnished for your convenience.

2. In connection with the delivery of copies of this Special Order to Naples, I understood you to say a few minutes ago that the Naples Hq Transportation Office had said no copies of this order had arrived at their Hq. Eight copies of this order did arrive at the Naples Hq and the facts are as follows:

Our Out Log 'Red No. 3053' on the evening of March 19 showed that 8 copies of our Special Order No. 36 cleared our distribution desk and were marked as follows:

2 copies - CO, 2675th Regt  
2 copies - G-4 Main Hq ACC  
1 Copy - S-1, 2675th Regt  
1 Copy - Hq Comdt, Main Hq ACC  
2 Copies - Adjutant, Main Hq ACC

159

Our dispatcher's Red Out Log No. 978 shows that these documents left this Hq on the Naples courier at 1000 hours on March 20th. Receipt No. 212 of ours shows that Warrant Officer A. R. Picken received all 8 copies at the Naples Hq at 1400 hours on the 20th of March, yesterday.

SUBJECT: Personnel.

TO : RLO Region 1, 2, 3, 4, 5, 6, 8, 9.  
SIO 5th & 8th Army.

1. This Subcommittee has found the greatest difficulty in keeping track of legal officers assigned or attached as such to Regions, especially in the last 2 or 3 months when there have been many changes of legal personnel.

2. Without complete, accurate and up to date knowledge of the personnel position it is impossible for this Subcommittee to plan for the future or to make the best use of its personnel and I ask all Regional Legal Officers and SIOs, Army, to make it their personal responsibility to keep me informed of their personnel position. In particular I desire to be informed:

(a) Whenever any legal officer leaves a Region; this applies even to a temporary loan of a legal officer from one Region to another.

(b) Whenever any legal officer reports for duty to a Region; this also applies even to a temporary loan from one Region to another.

(c) Whenever any officer not previously a legal officer in a Region is taken on the strength of the legal staff. In this case I should be supplied with particulars of his legal qualifications.

(d) The above information should be addressed to CLO HQ ACC (Rear).

3. The above does not of course supersede in anyway the usual procedure for assigning or attaching personnel through G-1 channels, but is intended solely to keep my information on personnel absolutely up to date.

1. Ref RS/501/3 of 4-3-44, there has been a drastic reduction of Legal Officers of Region 2 by withdrawal for RVO.

2. On the other hand, the addition of Apulia to this Region has entailed the urgent need of LO's to cope with long arrears of serious offences against Allied interest.

3. It had therefore been agreed with the CIO, previous to your above quoted letter, that Major Hoopp and Lieut Boone might temporarily assist in Apulia.

It is understood that he is to be assigned away from this Region, although no official order has been received.

2. It is understood that Major Boyd Carpenter is fulfilling the duties of PLO Campobasso Province. Major Boyd Carpenter is a practising London barister, but as Campobasso Province is not under control of this Region it is not possible to give further details. He has not been officially assigned to the legal division (or, so far as is known, to Region V) but was intended for employment as Provincial Officer.

SUBJECT Report on Major Homer A. Stebbins, O-189416  
TO : Region Legal Commissioner.

On or about 26 February 1944 Major Homer A. Stebbins, O-189416 was interviewed by me for duty with this office. I indicated that I wanted him to act as a supervisor of a non-legal officer whom I was training to act as a prosecutor. Major Stebbins said he was, not a prosecutor, but was a defendant's man and that he wanted to act as judge; that he was sick and could not say when he would be available. In as much as my need was urgent, I told him I must know with certainty when he could act. He promised to inform me the following morning, which he did. Being ill, I did not see him again until Sunday 6 Feb. 44 when he reported again for assignment.

On Sunday, 6 Feb. 44, I informed him I was contemplating the use of his services as a judge, but was disturbed over his statement that he was a 'defendant's man'; that a 'defendant's man' was as obnoxious to me as a 'plaintiff's man'. That I wanted judges who were prepared to administer the International Laws of war *of* occupation; that such law was neither common law, Roman civil law, ~~or~~ courts martial law, but was a body of law built on Military necessity, with yardsticks for its measurement peculiar unto that law. That so far as I knew, no one ever sought to justify such law, being content to recognize it as a necessary evil, and letting it go at that. By reason of these premises, it was essential of a judge that he administer that law according to its yardsticks, and,

without regard to being a 'prosecutor's man' or a 'defendant's man.'

Major Stebbins stated that he had not made himself clear; that he understood the law of war to be a separate body of jurisprudence with its own peculiar yardsticks and was prepared to administer that law, but indicated vaguely that his sympathies were still with the defendant. I decided to resolve all doubts in his favor and use him as a judge. On the second day, I received reports that his judgement, ~~was~~ <sup>was</sup> such as to prove that he had departed not at all from his conviction that he was a 'defendant's man' and I replaced him with another officer. At the time I made the replacement, Major Stebbins had departed from the Tribunale. I instructed an officer to take ~~the court over~~ <sup>the court over</sup> which Major Stebbins was presiding, and left instruction for Major Stebbins to report to me the following morning. On the following morning I went to the Tribunale to relieve Major Stebbins but he had already departed before my arrival. He did not report to me. ~~That~~ <sup>that</sup> ~~was~~ <sup>was</sup> I encountered Major Stebbins in the American Red Cross Officers Club, and informed him of my decision and the reasons therefor. During the day I had informed Lt. Colonel Chapman that in deference to Major Stebbins, conviction that he was a 'defendant's man' it would not be proper to use him as a judge, as

that would occasion a conclusion on his part that I was seeking to conform his conduct to a standard which he was unwilling to accept; that unless Colonel Chapman could use him in his organization, Major Stebbins should be returned to his region. Colonel Chapman informed me that he could not use Major Stebbins, and accordingly, on the meeting with Major Stebbins in the Red Cross, I informed him that he should report to his senior officer, which he informed me he already had done on his own accord during the day.

ESTABLISHMENT MEMORANDUM

NUMBER 7)

1. In the past, the assignment (Posting) of officers and EM/ORs have become complicated by the fact that subordinate headquarters have issued orders on officers or EM/ORs who were attached (on temporary duty) from another organization. These orders placed them on duty either by assignment or by attachment to a third unit or headquarters, in many cases without notifying the organization to which the officer or EM/OR was assigned (Posted). The result has been that Regional Headquarters and ACC Headquarters have been unable to keep an accurate record of the actual location of personnel. In order to clarify this situation and make possible the keeping of accurate records on personnel, the following procedure will be followed in making changes of assignment (Postings) and attachments (temporary duty) when officers are placed on some special duty.

2. a. Original and changes of assignments (Postings) will be made only on orders of Headquarters ACC. When a Regional Commissioner or, an SCAO of an army AMG desires a transfer of an officer or EM/ORs to or from the Region, or AMG of an army, they will make request to Headquarters ACC. The actual transfer will not be made until Headquarters ACC has cleared the transfer with subordinate headquarters involved. If both headquarters are in agreement and the change of assignment is urgent, the headquarters to which the officer or EM/OR is assigned, may upon request place the officer or EM/OR on temporary duty with the headquarters to which they are to be transferred pending receipt of the ACC order.

b. When the SCAO of either the 5th or 8th Army desires ~~by~~ attachment of personnel of a region operating closely with AMG of that ~~Army~~ they may make request to the Regional Commissioner direct and have the attachment made by regional order (3 copies of which will be furnished to Headquarters ACC); or they may make request direct to Headquarters ACC for the attachment by ACC order after the attachment has been cleared with the region concerned. Relief from attachment may be made by the regional HQ only with the concurrence of Army AMG.

2. a. Original and changes of assignments (Postings) will be made only on orders of Headquarters ACC. Relief from attachment may be made by the regional HQ only with the concurrence of Army AMG.

3. a. Sub-commissions operating in the Region may issue no orders changing the assignment or attachment of personnel to their operating forces or from the operating forces to another unit. The head of the section or sub-commission involved will make request for such transfer or attachment to Headquarters ACC.

b. Sub-commissions operating a distance from headquarters may and should issue travel orders when journeys required are of considerable length.

4. Emergency transfers of officers or EM/ORs from the forward areas may be made by verbal order, but must be accompanied by a request to Headquarters ACC to confirm the transfer by a written order.

Headquarters,

C.M.F.

3rd March 1944

Dear Brigadier,

May I write to you unofficially about Lt-Col SHIELDS, the Senior Legal Officer, FIFTH ARMY.

I am informed that Brig-Gen. HUME was unwilling to put Col SHIELDS down on the list of officers recommended for return to U.K.

I do not wish to interfere, but think I may properly point out :

(a) Col SHIELDS has been away from ENGLAND for 3½ years with the exception of 2 months spent in ENGLAND some time ago and, not unnaturally, is anxious to return. He has, of course, been away from ENGLAND for far longer than the average AOC/AMG officer and, other considerations being equal, he would presumably be high up on any list to go home.

for Rome

(b) So far as the question of filling his place is concerned, I do not think there should be any difficulty; Col WILLMOER (B), R.L.O., REGION IV, could properly and conveniently take over, as his region will ultimately be responsible and REGION IV has at the moment no territory under their administration; or Sen Ldr DICKIE, a very able officer, at present R.L.O., REGION I, should shortly be available to succeed Col SHIELDS.

May I suggest, therefore, that Col SHIELDS' name merits your consideration for inclusion in any list of officers to return to the U.K.

Yours sincerely,

*GRM*

SUBJECT : Property Control Officer.  
TO : R.L.O., Region V.

1. The Director of Property Control A.C.C. has asked that Lt. Manck (A) who I am advised is now a legal officer in Region V be transferred to the office of Property Control A.C.C. The Director states that Lt. Manck's experience would make him valuable to his office.
2. On the other hand the Director offers Capt. Lee (A) an experienced lawyer now in his office who has had no previous experience in matters handled by Property Control who would be available in place of Lieut. Manck.
3. I would appreciate it if you would consult the Regional Commissioner and advise me of the result, so that I can advise the Director of Property Control.
4. I am making no recommendation one way or the other.

1. Reference 16002/G.1 dated 22 Feb 44.

2. This Sub-Commission had in its original W.S. at Headquarters 25 persons but in accordance with a broad policy of assisting to the utmost regions who were understaffed has over a long period either assigned or attached those not actually required at Headquarters to regions. This policy has proved most successful and with the recent reorganisation of this Sub-Commission put the matter on a sound basis by assigning away all personnel previously attached to regions. Consequently this Sub-Commission who now only have 10 (5 British) instead of the original 25 at Headquarters cannot without seriously affecting the speed and quality of the work done, which has recently been very heavy, spare any of these 10 now employed at Headquarters. If anyone is removed this Sub-Commission will have no alternative but to insist most strongly that another legal officer be brought in from a Region, and this policy would it is suggested be extremely unsatisfactory.

SUBJECT: Major Palmieri.

TO : RLO (thru RC) Region 3.

Major Palmieri's attachment to Region 3 will be terminated on Friday 10 March 44 owing to the increased pressure of work due to the restoration of occupied territories to the Italian Government.

It is expected that by that date Major Palmieri will have been able to instruct his successor so as to enable him to carry on with his work.

It must be realized that no officer from this HQ can be released for attachment purposes for any length of time in view of the shortage of personnel. However, should Major Holt be temporarily transferred to Rome at some later date, an experienced officer from Region 1 will be attached to you during his absence.

SUBJECT : Officers for U. K.

TO : Distribution as below.

1. A further number of British officers is required for return to U.K. and service in another theatre. 20 have already been nominated and are leaving at the end of February, and a further 22 nominated by A.F.H.Q. will leave in mid-March.

2. The balance of 48 will be nominated by this H.Q. and will leave during the latter part of March.

3. In order to cause the least interference in the work of Regions and Sub-Commissions, Regional Commissioners will forward to this H.Q. before 28th February a nominal roll of those officers they consider suitable for return to the U.K. Specialist officers should be included in Regional Commissioners' lists and recommendations should be made without regard to rank.

4. I should be grateful if Vice-Presidents of Economic and Administrative Sections would instruct the Heads of their Sub-Commissions to submit lists. Vice-Presidents will be consulted regarding any specialist officers whose names have been recommended by Regional Commissioners.

5. Qualifications for service in ETO are:-

- (a) Linguistic ability in French, German, Belgian or Dutch languages.
- (b) Knowledge of, or business interests in the above countries.
- (c) Actual field experience in A.C.C.

6. Officers recommended need not necessarily possess these qualifications, and although I do not wish Regional Commissioners to submit names of officers whose work has been unsatisfactory, there is no objection to them recommending officers who are obviously not fitted for this theatre and might be suitable for some other. Moreover, opportunity may be taken of recommending officers who, for private reasons, wish to serve in another theatre.

7. Final selection will be made by this H.Q. Regional Commissioners should, if possible, submit the names of at least six officers and Sub-Commissions

EXECUTIVE MEMORANDUM C. 23 (cont.)

5. Form of Authorization & Provision of Transport.

a. Officers empowered to authorize journeys under para. 4 above will do so in writing in the form given in Appendix "A" attached. They will classify journeys under para. 5 of the appendix as follows:

- (1) A Travel of the first importance having an operational aspect and when time is of the essence of the journey.
- (2) B Important visits or tours which it is considered essential should be made as soon as possible.
- (3) C Journeys which are desirable but not particularly urgent.

b. Authorizing Officers will consider carefully the urgency of the trip so that real emergencies receive priority over trips of less urgency. They will also determine the relative priority of applications they receive for travel.

c. On receipt of the form of authorization, G-1 (or at Rear Hq., the Deputy Adj't.) will arrange for the necessary orders to be issued, a copy being sent to G-4 (at Rear Hq., the Hq. Comd't.) (See Para. 6 below).

d. On publication of the orders, G-4 will arrange the necessary transportation and notify details as to the type of transportation provided, date and time of departure, etc. to the officer or officers concerned. If any question of priority of travel arises or if he considers that the allotment of Motor Transport would bring the reserve for emergencies dangerously low, he will refer to the Executive Officers. At Rear Hq. the Hq. Comd't. will arrange transportation provided only motor transport is involved.

e. Should circumstances prevent an officer from proceeding on a journey duly applied for and authorized, the sanctioning authority will immediately inform the officers to whom the form of authorization has been sent (i.e. G-1, G-4, Hq. Comd't.).

6. Orders for Travel not Involving Change of Assignment.

Orders are required and will be issued as follows: -

- a. For American Personnel: - A Regimental Order, or, for personnel at Rear Hq. when only motor transport is involved, an order by the Deputy

3. On receipt of the form of authorization, G-1 (or at Rear Hq., the Deputy Adj't.) will arrange for the necessary orders to be issued, a copy being sent to G-4 (at Rear Hq., the Hq. Comd't.) (See Form. 5 below).

4. On publication of the orders, G-4 will arrange the necessary transportation and notify details as to the type of transportation provided, date and time of departure, etc. to the officer or officers concerned. If any question of priority of moves arises or if he considers that the allotment of Motor Transport would bring the Reserve for emergencies dangerously low, he will refer to the Executive Officers. At Rear Hq. the Hq. Comd't. will arrange transportation provided only motor transport is involved.

5. Should circumstances prevent an officer from proceeding on a journey duly applied for and authorized, the sanctioning authority will immediately inform the officers to whom the form of authorization has been sent (i.e. G-1, G-4, Hq. Comd't.).

6. Orders for Travel not Involving Change of Assignment.

Orders are required and will be issued as follows:--

- a. For American Personnel: - A Regimental Order, or, if personnel at Rear Hq. when only motor transport is involved, an order by the Deputy Adjutant.
- b. For British Personnel: - The authorization for travel under Form. 4 above will suffice.
- c. For personnel of both nationalities in the event of G-1. travel is by air

7. Orders for Travel Involving Change of Assignment.

Orders directing the travel will be issued by the Hq. Adjutant ACC on the direction of G-1. These orders must be presented to G-4 to obtain the transportation

8. Economy.

Conservation of transportation is necessary at all times in order that transport may be available for the required business of the Commission.

SUBJECT: Regional Legal Officer, Region III.

TO : G-1, HQ ACC.

Ref your 16004/3/G-1 dated 17 Feb. 44 the position was that for sometime this Subcommittee, prior to the end of January, was not satisfied with the state of affairs in Region III so far as the legal side was concerned and its unofficial suggestions made both to the R.L.O. Region III and to C.L.O. 15th Army Group did not seem to have any effect.

Accordingly when Region III came under command HQ ACC, the Legal Subcommittee decided that energetic action was required to reorganize the legal division in Region III and therefore recommended to the Executive Commissioner that Lt. Col. Chapman, one of the ablest and most energetic officers on the legal staff, should be transferred from his then post of Deputy R.L.O. Region IV to R.L.O. Region III.

10 February 1944.

ACC/A023/L

SUBJECT: Officers.

TO : G-1, ACC.

1. Pursuant to para 6 of Bulletin No. 14, 9 Feb. 1944, I strongly recommend that Capt. Lockwood Thompson (A) be removed from list of officers to go to another theater. Capt. Thompson's services are essential to the Legal Subcommittee, which for one operation or another has been already stripped of personnel to the limit.

2. From actual experience Capt. Thompson has knowledge of the functioning of Allied Military Courts and of other matters in the field, making him extremely valuable for that reason, particularly as ACC now has control over territory that will remain occupied. Also his services in drafting orders etc. and looking after many office details make his services indispensable. He is now the only junior officer assigned to this subcommittee for headquarters work.

3. The above mentioned bulletin required this return to be made & submitted by 1200 hours this date, which was physically impossible as a copy was not received by this subcommittee until 1500 hours today.

GERALD DEJONN  
Colonel  
Chief Legal Officer.

ACC/4023/A

SUBJECT: Specialists.

TO : Executive Commissioner, A.C.C.

1. Lt. Col. W.E. Behrens (B) was recently assigned to Region V to be Chief Legal Officer of that Region on my recommendation. I now understand that the R.C. of Region V is merely carrying him attached as a surplus officer and has sent him to a province to do certain legal work, without accepting him at least for the time being as Chief Legal Officer.
2. Col. Behrens is an outstanding barrister and he has had a great deal of experience in Allied Military Courts. He also did a great deal of the review work while with the Legal Subcommission. He was selected for his new assignment because of the fact that he was the best legal officer available as a R.C.L.O.
3. This raises the direct question whether the P.C. is to select his R.C.L.O. or the C.L.O. is to do so. If I am not to appoint and remove R.C.L.O.s it is impossible for me to have any real responsibility for the legal activities in Regions. This same question naturally will arise as to other specialists appointed by other Subcommissions.
4. In the event that Col. Behrens is not to be employed as R.C.L.O., Region V, I request that he be returned to this Subcommission where his services can be most usefully employed.

SUBJECT : Assignment of Personnel, Legal and Property Control Sub-commissions.  
TO : Executive Commissioner, HQ, ACC, APO 394.

1. It is understood that the R.C.A.C. Region V wishes to appoint the same personnel to function as both Legal and Property Control officers. It is the opinion of the SAC and of the Director of Property Control in which I concur, that the combination of these two functions in one officer besides being contrary to the organization laid down, is likely to lead to confusion and inefficiency.

2. In the event of such a proposal being put forward, will you please arrange that no appointments combining these two functions shall be made.

Subject: Assignment of Personnel, Region V.

To : Vice-President, Administrative Section.

1. We understand that the NCAO Region V wishes to combine Legal and Property Control in his region by using the same personnel for both duties. Chief Legal Officer and Director of Property Control are both strongly opposed to this arrangement which is in our opinion likely to lead to administrative confusion and therefore inefficiency, besides being contrary to the fundamental organization of ACC.

2. We therefore recommend that no variation be made in Region V from the system in force in other regions under which personnel are definitely allotted to one or the other of our Sub-Commissions.
