TO : Regional Legal Officers (thru HQs) Regions 4, 5, 8, 9, 10 (Piemonte and Liguria), 11, 12.

1. The provisional list of legal officers for Regions 9, 10, 11 and 12 are as shown on the list attached.

2. It will be observed that most of these officers are already at work in the older Regions. They are in fact fully occupied.

3. It is essential that within a few hours of the army's entry into a province, a legal officer should be available to assist the provincial team, but it is almost equally important that officers should not be taken too early from their existing assignments and remain inactive pending the future advance.

4. HQs of Regions 4, 5, 8 and 9 will therefore detail the officers concerned to be at instant readiness to leave for their new assignments. These officers must leave their present appointments immediately they receive orders calling them forward.

5. HQs of Regions 10, 11 and 12 will notify this Sub-Commission of the names of the officers required by them and the dates when they are needed.

SUBJECT: Legal Personnel.

TO : Administrative Section (Attn. Legal S/C).

In reply to your memo ACC/4023/2/L of August 26th, I am writing to say that there appears to have been some confusion over the selection of Captain W.J. FIELDING as Legal Officer for Region VIII.

2. Captain FIELDING is not one of the officers sent from MIDEAST to ACC. He is actually on the staff of PWB in NAPLES and cannot be attached to ACC as he is already holding an appointment.

3. It is suggested, therefore, that another selection should be made.

(c) Major. C. Carter - An answer has not yet been received as regards this Officer.

2. As we expect to have at least 7 Legal Officers from the Middle East shortly I suggest that we refrain from transferring any more Officers to Legal for the present. It does not seem to be the best policy to transfer to Legal, Officers who already know their work as Provincial Officers etc., and put in their places other officers who are new to the work and who would equally well be employed in Legal work.

AGO/1523/2/L. 223/pc.
30 Aug 44.

SUBJECT : Appointments - Officers.

TO : Executive Officer (thro' ?? Adm. Sec.).

1. Reference your 1613/502/3-41 of 27 Aug 44, this Sub-Commission has the strongest objection to the proposed transfer of Lieut. [illegible].

2. Capt. [illegible] is noted and in doing useful work as a legal officer; there is already an acute shortage of legal officers and if staffs are to be provided for the Northern regions it is essential to add to and not subtract from the existing numbers.

3. It is only fair to this Sub-Commission to say that Brig. [illegible] does not agree with the last sentence of para 4 of Capt. [illegible] letter. It is considered that without any doubt Capt. [illegible] will be of more value as an officer in the Legal Division than as a Provincial officer.

RICHARD H. WILDER,
Colonel, GSC,
Chief Legal Officer.

ACC/4023/2/1. 26 August 1944.

SUBJECT : Legal Personnel.

TO : Executive Commissioner (THRU: Acting Head, Admin Sec).

1. Some British officers from the Middle East have already arrived and the Legal Sub-Commission selected Captain W. T. FIELDING about 12 August and requested that he be immediately ordered to report to the RLO, Region VIII where because of his particular knowledge of the Region VIII area and of Italian courts, he was to be used as a legal officer in connection with Italian courts. So far, Captain Fielding has not been assigned.

2. I am advised that the Executive Officer wrote to AFHQ, G-5 requesting that the officerbe posted to ACC, but am now advised by the Executive Officer that nothing can be done with regard to Captain Fielding because as he is already holding an appointment he cannot be posted to ACC until an increase in war establishment has been authorized.

3. The Legal Sub-Commission is in dire need of legal officers but if the ability to use them is going to depend upon some future increase in the war establishment, littlewould seem to have been gained to have 250 come to this theater and have to wait until there is some increase in the war establishment.

84

4. This situation is naturally holding up the planning that the sub-commission may do about this officer and any other that may be similarly situated. May I request that some action be taken to relieve this situation.

Colonel, CAC,
Acting Chief Legal Officer.

25 August 1944

TO : Chief Legal Officer,
Legal Sub-Commission, A.C.C.
FROM : Regional Legal Officer, Region 12.

SUBJECT: Legal Officers.

File No: [illegible]

1. The Regional Commissioner has given instructions that 8 provincial teams are to be organized and ready to move forward by 4 September 1944. These are for the following provinces:- Rovigo, Venezia, Padova, Verona, Vicenza, Trieste, Pola, and Fiume.

2. It is essential that 8 sufficient Provincial Legal Officers be assigned and ordered to report here to join these teams not later than the above-mentioned date. If it is delayed until the provincial teams have moved forward, it will be extremely difficult to catch up with them, having regard to the distances involved, the difficulties of communication and the almost inevitable shortage of transport. It is therefore most desirable that the Legal Officers who are to form part of these provincial teams be ordered to report here before their respective teams move forward, so that they can move with their teams.

3. I propose that Major [illegible], who has already joined here, be designated Provincial Legal Officer of Venezia Province. This means that a minimum of seven other Legal Officers are required to join by 4 September.

4. It is understood that Lt. Col. [illegible] and Capt. [illegible] have already been assigned to Region 5 (now 12), and I should be glad if these two officers could be ordered to report at once. This will leave 5 others to find for the teams. Is it possible to inform me at least of their names and qualifications in advance, so that I can make my plan for allocating them to the respective provinces?

LEGAL SUB-COMMISSION,

ACC/4023/2/L.

14th August, 1944.

Dear Don,

When you were last here I told you I hoped that I would be able to move you to a northern region immediately you could leave Region 7 following the proposed amalgamation of southern regions.

The unsatisfactory situation at Bari which has been going on for some considerable time has now reached a point where drastic steps have to be taken. I am going to Bari tomorrow to deal with it but I am convinced that the only way it can be righted is by making some changes there.

My present intention is to ask you to go there and help me out for a limited period. There has been a series of so-called "sabotage" cases which are vitally affecting the military units there. This situation has not been handled as well as it should have been from our standpoint.

I am proposing to put you in charge of the ACC Legal work covering TARANTO, BRINDISI, FOGGIA and BARI and to assign to help you Major Boyd-Carpenter, PLO of Foggia Province. Capt. German will also remain there. After this situation has been sorted out I do not think it will be necessary for you to stay very long.

While it would be considerably out of your way to come here, it might be well for you to give me a day/to go over these matters personally.

My present determination in this regard might, of course, be changed as a result of my conferences in BARI on Wednesday and Thursday. However, I think they will only confirm what I have stated above.

Please take this merely as a warning order and also that I will do my best to move you out of BARI asquickly as the situation warrants. I have sent you a signal today asking you when you will be able to finish your work with Region 7 so that you can be assigned elsewhere.

Faithfully yours,

Major Donald C. Little, /
Regional Legal Officer,
REGION 7.

2. Promptly on receipt of your telegram I dispatched an Answer thereto ; it should be in your possession at this time.

3. The Regional Commissioner has undertaken the assignment of all Officers within the Region . Upon activation of the Region he made the following assignment of Legal Officers.

Colonel BEERER LT. CHRISTIANS	)	Regional Legal Office
Lt. Col. PURCELL Major GLENN	)	Florence Province
Major STUMP	)	Arezzo Province
Lt. NEVENS	)	PISA PROVINCE
Major WOODWARD	)	Livorno Province
Captain DREYFUS	)	Siena Province

Captain Robert M. Hill was assigned to the Region as a Civil Affairs Officer. The Regional Commissioner has assigned Captain Hill as Legal Officer, Grosseto Province.

4. Since activation, the following changes have been made ; Lt. Col. Purcell has been relieved from Florence Province, and has been assigned as Provincial Legal Officer for Pistoia Province. Major Glenn has been made Provincial Legal Officer for Florence Province. In a conference between Wing Commander Beer, 8th Army, [illegible] the writer, it was agreed that Major Holt (who has reported to Region VIII) should go forward with Major Glenn but charged with the administration of the Italian Courts for all of Region VIII. In the initial developments, Captain Dreyfus would also go forward with Major Glenn, being substituted in Siena Province by a Legal Officer loaned from Region Zed. This arrangement has been disclosed to the Regional Commissioner. The Regional Commissioner has ordered Lt. Nevens to take over the Province of Lucca in addition to the Provinces of Pisa.

5. I agree that in the initial stages, it is highly essential that one Legal Officer be available for each Province. The assignment of Lt. Nevens to two provinces should be avoided . Region VIII has nine provinces . Eight Legal Officers were assigned on activation. The Services of Major Holt Have since been obtained . In addition, the Regional Legal Officer has now become the Legal Officer for 5th and 8th Armies.

6. How to meet all the demands of personnel now being made is a disturbing problem. As suggested in our recent conversation a minimum of twelve Officers is required, and this without regard to Major Holt who is being used in connection with the problem of Italian Courts thru out the Region. If the additionally needed Officers cannot be obtained otherwise, is it impossible for a loan to be made from Region IX or Z until such time as they will be required in their Regions? This " Naples " method is not satisfactory

but it does stop-gap an unhappy situation.

7. It is hoped to have telephone communication shortly. In the meantime resort must be had to letters.

SUBJECT: Assignments - Officers.

TO : CLO, Legal Sub-Commission, ACC.

1. Reference is to your ACC/4023/2/L of 6 August 44.

2. Of the seven legal officers assigned to this Region three, the Acting RLO, the Regional Judicial Officer, and the Regional Liaison Officer to the Italian Courts, have specific jobs allotted to them. The remaining four will form a pool for use as required.

3. It is estimated that the AM Courts in NAPLES Commune will take the whole time of one officer and part of another. General Courts will require, for the present at any rate, a substantial amount of the time of two more - a president and a prosecutor, while various work arising in headquarters itself will absorb what balance there is of the time of these three officers.

4. However it is considered that one officer can be 33
spared. The name of Major GILSHENNAN is suggested. He will be available for re-assignment on and after Sunday next, 13 August 44.

SUBJECT : Assignments - Officers.

TO : Regional Legal Officer (THRU: Regional Commissioner), Region III.

1. Now that you have turned over practically all court work to the Italian Courts, it would seem to me that you could release more of your legal officers who are badly needed to go forward and to aid Region IV here in important trials.

2. It is obvious that with the present limited personnel, each region has to be cut to the limits of ability to perform.

3. I will appreciate an early reply advising me as to what additional officers you can spare and when.

SUBJECT: Interior Sub-Commission.

TO : HQ Region 4.

1. Reference your 70/210.3 (3) dated 29th July. I entirely agree with your request for an "Interior Division" (even if only a division of one!) at Regional H.Q. The Int rior Sub-Commission have consistently advocated this course for months.

2. I am unhappy about your proposed selection of Capt. Aulisi for this position, for two reasons.

(a) Colonel Spicer feels very strongly that however brilliant Capt. Aulisi may be, he cannot absorb sufficient knowledge to be of real assistance to him by sitting for a few days in Colonel Spicer's office. Owing to great pressure of business and shortage of staff, the time of Colonel Spicer's officers cannot be taken up in lecturing to Capt. Aulisi and all the latter could do would be to read the files in Colonel Spicer's office. I am afraid he would gain no real insight into the somewhat complex character of Italian internal administration in this way.

(b) Capt. Aulisi has done much valuable work in the Legal Division of Region 4 though not assigned thereto. I am very anxious that he should be assigned to the Legal Division (ultimately if you like of Region 4) where his qualities can, I am sure, be used to best advantage.

3. If you agree with the above I will endeavour to arrange that an officer who has been on one of Colonel Spicer's courses be assigned to you ultimately for this work. So far as planning is concerned or the giving of lectures at your proposed new Tipi Camp is concerned, Colonel Spicer and one or more of his officers will be happy to give all the assistance in their power.
