Dear Bright,

My thanks for your letter of 25 and your good wishes.

I spoke to Willie Jones and Col. Weber about your suggestions in regard to the posting of Martin and McColm.

Unfortunately it is now too late to alter the arrangement which was agreed upon before Gilshenan went on leave. McColm will be struck off the strength of this Headquarters any day now and M.S. has been so informed.

You should apply for him as soon as possible.

I am really sorry I cannot help you further in this matter.

Sincerely

Colonel HN Bright MBE

Dear Hannaford

I wonder if you can help me over a difficulty that has arisen over the posting of officers. The situation, as I understand it, is that Major McColm is filling at present a S.O.ii vacancy on your establishment, but is temporarily attached to Venezia Giulia A.M.G. A Major Martin has recently been posted to me as a C.A.O. and has been a Major for 4 years.

He is in every way an excellent chap and a very good C.A.O. He has evidently been severely wounded in the war and has lost an arm.

I had a vacancy for a S.O.ii but acting on advice from the Executive Commissioner, have filled this by the promotion of Capt. Hopkins, Public Safety Division.

What I would like is for you to attach Major McColm here on temporary duty as Legal Officer with Gilshenan, instead of posting him.

In this way I should have a vacancy as S.O.ii for Major Martin. If you agree to this suggestion, would you issue instructions for Major McColm to report here as early as possible as Major Gilshenan will presumably be required to go to Austria as soon as he returns from leave on or about the 4th.

I should be most grateful if this could be arranged, and you could inform me as early as possible.

With all good wishes for the New Year.

C.L.A.

Reference my future as affected by this correspondence herewith:

The assumption in para 3 of G-1 (B) letter of 27 Sep that the Br. Legal Officer for whom a replacement is required is a major is not justified. The two vacancies in V G for Br. fields Officers are filled by Bayliss & Reakes. The latter is very much junior in his rank to Bayliss - we but no doubt would be extremely reluctant to revert to Captain after over 2 years as major. After over 4 years in the rank I share that view.

I know from past TD in V.G. that they were extremely careful about there War Establishment and whether or not I would succeed in keeping any rank on getting out of the Army I am reluctant to be involved in a struggle about it. I certainly prefer to get out to relinquishment of rank — as my volunteering for 6 months from 24 Sep. was following a War Office suggestion that I did extend service any question of relinquishment now would attach hard. 1. Attached is a letter under reference G-5: 210.3-59 dated 25 Sept 46 (copy to AMG XIII Corps).

2. Will you please say whether Major McCOLM can be released by you for posting to Venezia Giulia on his return to this theatre, which is expected toward the end of the first week in October.

3. It is presumed that the one Sr Legal Officer, referred to in G-5 letter for whom a replacement is required, is a Major. Otherwise there will be no vacancy for Major McCOLM, and it is not anticipated that he will accept a reduction in rank.

1. This Headquarters has been advised by the Chief Legal Officer, AMG XIII Corps, that a replacement for one British Legal Officer will be required by them on 1 October 1946.

2. As it is understood that there is not likely to be any need in Allied Commission for Major D.D. McColm when he returns from leave in the near future, may action please be initiated by you to have him transferred to AMG XIII Corps as early as possible after his return.

SUBJECT : Personnel

TO : A.F.H.Q.
(Attention: G-5)

1. Reference 130/AMG/LD/16A/2790 dated 19 Sept. above subject.

2. My attention has been called to the present Table of Establishment which authorizes only 2 Br. Field Grade Officers. Both Br. Officers now assigned here and Major McColm whom I have requested have served in grade a long time and had performed in an excellent manner so I feel no action should be taken which would require the downgrading to the Capt. of any of these officers. I therefore request that Major Mc Colm be retained on the Table of Establishment of Allied Commission and ordered here on T.D. or other appropriate status.

3. Capt. Cartside, will be eligible for discharge soon in the absence of a voluntary extension on his part or action by G.H.Q. He is at present in the hospital and cannot be contacted as to the former, so as a precaution, request steps be initiated for his retention in the service.

179

4. Reference the U.S. officer replacement. One Lt. Andrew J. Palmer, 350th Inf. 88th Div. performed in a superior manner as defense counsel in the recent A.M.G. General Court and in my opinion could serve in lieu of a legal Officer as a prosecutor. I would request that arrangements be made for an Infantry line replacement for Palmer to permit his transfer to the Legal Division of A.M.G.

Just a note to let you know we are getting along O.K. here.

I hope you made the plane O.K. and had a good journey down.

Copy of the letter to Col. Parkin enclosed for your information. I hope you can help a little on this. At present Atkinson is away, Hesker went on Leave, Garteide is in the Hospital for at least another 2 weeks and Miller is hospitalized at Leghorn so Brennon and I are alone in the office.

I am working on an extensive study of jurisdiction which will be sent to A.F.H.Q. for confirmation. Had a long conference with Chapman on it yesterday at the 88th. will send you a copy.

Mrs.M. joins me in extending our sincere thanks to you for entertaining us so royally at Rome. We regret that we were not in a position to return the courtesy on your visit here.

Sincerely

Declassified E.O. 12356 Section 3.3/NND No. 785016

Copy for Col Weber.

SUBJECT: U.S Personnel Ceiling for Civil Affairs Functions.

1. In conformity with War Department instructions the personnel ceiling for US Army officers and men for civil affairs agencies has been set at 250 effective 30 June 1946. A recommendation has been made to the War Department for an increase of 30 persons; approval has not yet been received.

2. Based on the 250 ceiling allocation of US Army personnel has been made as shown.

6601 Military Govt Det — 71 Officers — 35 EM

This includes any US personnel assigned to liaison duties at Tenda or Bolzano.

2675th Regt — 43 Officers — 96 EM

This is based on a suballocation.

The three Service Sub-commissions

12 Officers — 12 EM

Residual functions of the AC

36 Officers — 32 EM

3. The allocation of 12 officers and 12 EM to the three Service sub-commissions does not permit the assignment of any US Army officers to the IPW Section. Otherwise it permits the present allocation.

Air Forces S/C — 7 Officers — 5 EM

Land Forces S/C — 5 Officers — 9 EM

4. The allocation for the residual functions of AC do not permit the allocation of US Army officers to liasion duties or to CCAC or to any advisory functions to the Italian Government. The allocations is based on what is considered will be final organization of US Army personnel on civil affairs duties in Rome. While the assignments set forth in the allocation charts are not mandatory they do indicate the basic ideas underlying the allocation.

5. If other funct ons not listed must be performed it will be necessary for personnel to take on additional duties. It appears necessary even before the formal abolishment of the Allied Commission for it in fact to withdraw from those duties which are not to be performed afterwards. It is recognized that additional U. S. personnel should be assigned to the Displaced Persons Branch. (If the 30 additional persons are authorized as the result of recommendations to the War Department, it is contemplated that 10 additional officers and 10 additional enlisted men shall be allocated for duty with the Displaced Persons Branch).

6. The Allied Finance Agency and the Allied Supply Accounting Agency are not included in these considerations.

7. In order that final organisational instructions may be issued and made effective by 30 June 46, it is requested that any comments be submitted without delay. You will forward the comments, if any, of the Chief Commissioner, Allied Commission, with such recommendations as you deem fit.

Subject is personnel for legal division of AMG. Position is now becoming critical with only 4 legal officers remaining out of 12 authorised. At end of June chief legal officer also departs. This present shortage is leading to prolonged imprisonment of possibly innocent persons awaiting trial lack of supervision of ordinary civil courts and of epuration commissions delays in preparation of essential legislation and in advising other divisions on legal questions. It is considered that legal division must have minimum strength 10 officers to avoid serious impairment of the administrative machinery of AMG in Venezia Giulia that would lead to justifiable criticism. May the provision of these officers receive your most urgent and energetic consideration.

PR/LE/107

TO : Legal Sub-Commission H.Q. A.C.

1. After some communications directly with you I offered to serve for a further year. By letter of 20 Aug. last Col. Behrens wrote to me that he was communicating that offer to the War Office on whose instructions the original letter had been circulated. I have not yet heard whether this has been accepted although of course my age/service group being 16 is long since away.

2. The recent changes in L.I.A.P. seem to affect me considerably: I refer in particular to all L.I.A.P. having to be completed by the end of this year.

3. As I have been over three years overseas I would be entitled to L.I.A.P., I believe, if I am continuing to serve.

4. Up to the present I have not concerned myself about the position as I have not wished to leave this Region and had hoped that when it closed down I could then go on leave. The new provision seems to negative that and I would therefore be glad to have definite information on my position.

D.D. Mc Colm,
Major; R.A.,
Regional Legal Officer.

HEADQUARTERS ALLIED COMMISSION
APO 394
LEGAL SUB-COMMISSION

AC/4023/2/L.

30 October 1945.

SUBJECT : Assignment of Legal Personnel.

TO : G-1 (B), HQ, AC. (2)

1. When the Northern Regions are turned back to the Italian Government a sufficient number of legal officers should then be available to fill the requirements of the proposed AMG and Liaison Teams. Until that takes place, however, there exists a serious shortage. Losses suffered through re-deployment and release have reduced the personnel of this Sub-Commission to such extent as to render it virtually impossible to continue essential functions.

2. Because the restoration was proposed for the very near future, no effort was made to have any of the officers declared operationally vital. Now, however, the date for the hand-over is most indefinite and the requirements of Legal continue as usual.

3. Venezia Giulia is understaffed, and all the other Regions are attempting to operate with far below the actually required strength.

4. It is therefore urgently requested that qualified legal officers who are presently assigned to other divisions or who have now been released from their duties be made available to this Sub-Commission. A minimum of ten officers is immediately required if this Sub-Commission is to continue its function.

JOHN K. WEBER,
Colonel, Inf.,
Chief Legal Advisor.

6. The need for at least 2 additional officers for the Headquarters Staff cannot be stressed too strongly.

a. Legal problems, unlike any in Italy proper, are constantly arising.

b. The preparation of Orders in the nature of legislation continues to be a major task. As is known the Italian decrees cannot be implemented in this Territory which makes it necessary to prepare new legislation. Although

15 OCT 1945

such legislation may be patterned upon Italian decrees, there are always important points of difference which necessitate close study of current Italian Decrees as well as the prior law.

c. This Division is also charged with the responsibility of issuing an Official Gazette twice a month in English, Italian and Slovene which contains not only all Orders, Decrees and Appointments made by the Allied Military Government in the Occupied Territory but also all Civil Notices which were formerly published in the Official Gazette of the Italian Government. This work requires the full time service of at least one officer.

7. It is anticipated that three of the present Headquarters Staff will be redeployed soon, possibly by 10 November, 1945, and it would be exceedingly helpful if replacements could be sent at least a week before they leave.

Dear

I have received your letter in which you discuss a replacement to take over as RLO in the event you leave before the hand-over takes place, and I am in perfect agreement with your views.

It would not be advisable to nominate Lt. Col. Waugh to the position since he is expecting orders to return to the United States in the very near future.

I have observed your comments with respect to Lt. Col. Purcell; in any event he may soon be leaving for an assignment in the Middle East.

The next senior officer, Major Reynolds, seems to be the logical officer to replace you especially since he is familiar with the work and all the current problems.

Although I do not like to see you leave, I cannot help but envy you going back to your home and private practice.

Yours

W/Comdr. H.M. DICKIE

SUBJECT : Assignment - Officers

TO : Director, Local Government Sub-Commission

1. Reference your AC/7/6/B/10 of 6 October 1945 and conversations Major Williams - Captain Kern.

2. This is to advise that this Sub-Commission has no legal officer personnel who will become surplus when the hand-over takes place.

3. Because of losses through release and redeployment, it is likely that this Sub-Commission will not have a sufficient number of officers remaining to fill its own requirements after the hand-over.

SUBJECT: Assignment of Officers

TO : Director, Legal Sub Commission

1. Reference this Sub Commission's letter AC/16/4/LG of 27 Sep 45. and to conversations Lt Col Hannaford - Major Williams, upon consideration it is felt that the suggested circular to Regional Commissioners asking PLOs to "volunteer" for the vacancy would hardly produce the desired results. The alternative of signaling requests for selected officers to come to Rome for interview is much preferred.

2. It is appreciated that you are short-handed. An officer need not however, be away from his post for more than 2 days. As this Sub Commission's need is great and this seems to be the only satisfactory method of finding the right officer, it is hoped you will see your way to adopt it.

Dear Colonel Weber,

It seems from the early this month and I am expecting (and hoping !) that in order to leave for England will arrive any day now. As the long-awaited hand-over is apparently postponed indefinitely, it will presumably be necessary for somebody to take over as F.L.O. and I am therefore writing to let you know how matters stand here.

The obvious person to take my place would be Lt.Col. Wenge who has been nominally D.F.L.O. since the Region opened though he has never worked in H.Q. He is however expecting orders to return to the U.S. within the next week or two and is most reluctant to leave his present assignment in Milan City Police post in Headquarters which he may be able to hold for a very short time. He has expressly authorised me to tell you that he does not want to be nominated F.L.O.

I have also discussed the matter with the Regional Commissioner, Colonel Dunscombe, and we are in agreement that, if my successor is to come from the existing Regional Staff, the best person to take over from me is Major Reynolds. He has been working with me in H.Q. since the start and is thoroughly familiar with the work and the current problems, such as they are. In addition he has offered to stay on in Milan with the Liaison Group, so that continuity would be assured and he could handle any legal problems that might crop up

Colonel John H. Weber
Chief Legal Adviser
U.S. Allied Commission.

Dear Colonel Weber.

My Release Group is due early this month and I am very busy (and hoping !) that in order to leave for England will arrive any day now. As the long-awaited send-over is apparently postponed indefinitely, it will probably be necessary for somebody to take over my D.L.O. and I am therefore writing to let you know how matters stand here.

The obvious person to take my place would be Lt.Col. Waugh who has been actually D.L.O. since the Re-Jen opened though he has never warmed in H.Q. He is however expecting orders to return to the U.S. within the next week or two and is most reluctant to leave his present assignment in Allied City for a post in Berlin H.Q. where he may not be able to hold for a very short time. He has expressly authorised me to tell you that he does not want to be nominated D.L.O.

I have also discussed the matter with the Regional Commissioner, Colonel Howard, and we are in agreement that, if my successor is to come from the existing Regional Staff, the best person to take over from me is Major Reynolds. He has been working with me in H.Q. since the start and is thoroughly familiar with the work and the current problems, such as they are. In addition he has offered to stay on in Allied with the Liaison Group, so that continuity would be ensured and he could handle any legal problems that might crop up

after A.M.G. has ceased. I can recommend him for the assignment with the utmost confidence.

The only legal officer in the Region senior to Reynolds is Lt.Col. Purcell, with whose work you are already acquainted. I need not say more than that I do not think he is suitable for the position of S.L.O.

I should be grateful if you could let me have some idea of your intentions so that if I have to leave at short notice, I can make the necessary arrangements.

May I conclude with hearty congratulations on your appointment as Chief Legal Adviser and all good wishes for a happy and successful tenure of an office which is no sinecure ?

Yours sincerely

Stan Dechie
