h. Persons in possession of Joint Chiefs of Staff Permits or Allied Force Permits valid for Italy, provided that these documents are not indorsed "for single journey only", or of Allied Expeditionary Force permits valid for entry into territory controlled by SHAEF.

5. A person not included in paragraph 4 (of whatever nationality) wishing to leave Italian territory (including Sicily and Sardinia) should obtain application forms for Military Travel Authorization from the nearest Allied Commission Officer or from the Questura at the Capital of the Province in which he finds himself, or such other officer or agency as may be deputed. Two copies of the application form will be completed. They will be typewritten, or written in block capitals where no typewriter is available. The applicant must furnish, where photographic facilities exist, two full face and two profile photographs of passport size, which will be affixed to the two copies of the application form as indicated in the spaces provided. Where the applicants cannot provide photographs, right thumb prints will be made on the application form, in the presence of the agency accepting the application.

6. In the case of applications for diplomatic and consular officers and members of special economic or political missions, however, applications will be handled by Headquarters, Allied Commission. Photographs will not be required.

7. The agency receiving an application will satisfy itself as to the identity of the applicant and as to the reasons for his proposed journey, and will note in the first few lines of the "Remarks" section of the application form any information available locally concerning the applicant, and any comments. Otherwise, the receiving agency will indorse the Military Travel Authorization application forms "Nothing known against" ("Nulla Osta"). The agency will then fill in the items "Counter signature of Civil Affairs Officer and Office Stamp" and "Region and Province", but will leave the remaining spaces blank. The terms of this paragraph will not apply to applications under paragraph 6 above.

8. Both copies of the application form will then be forwarded by the receiving agency through Headquarters Allied Commission to G-2 (CI) AFHQ.

9. G-2 (CI) AFHQ after consideration of the applications, will return one copy of the application form to the appropriate section of ALCCOM with the decision as to grant or refusal, and where the application is granted will forward together with the form the appropriate Military Travel Authorization for transmission to the applicant.

10. Agencies handling applications will on no account communicate to persons whose applications have been refused the grounds for such refusal; nor will they attempt to indicate, in view of the detailed research which will be necessary in many cases, the time which may elapse before applications are decided.

11. It should be made known to intending travellers that the Military Travel Authorization is merely an authorization to leave Italian territory and it does not authorize their entry to the country of destination, whose entry requirements must be complied with.

12. This instruction does not apply to Allied-organized parties of refugees, or repatriates, leaving Italy, Sicily and Sardinia. In the case of such refugees and repatriates a nominal roll with appropriate biographical data will be submitted by the Displaced Persons Sub-Commission ALCOM to G-2 (CI) AFHQ who will issue a block Military Travel Authorization if approved.

13. Military Travel Authorizations will be issued only to approved individuals proposing to travel for purposes which benefit the Allied War effort, and to:

a. Scholars, artists and members of the learned professions who are nationals of Italy or of one of the United Nations, if journey is approved for the purpose of free trade in knowledge and learning between the peoples of Italy and the United Nations. Ecclesiastics and journalists will not be considered in this category.

b. Officials serving at posts in the Vatican who are appointed to posts outside Italy involving permanent change of station.

c. Approved refugees and repatriates.

14. In cases where the appropriate Section of Allied Commission considers that the travel of an applicant is urgent, application may be made to G-2 (CI) AFHQ by telegram or telephone; and in the event of a favorable reply, the applicant may be authorized to proceed without being in possession of a Military Travel Authorization. G-2 (CI) AFHQ will in such cases warn the Security Control at the Italian port of exit. In such cases the application form will none-the-less be forwarded to G-2 (CI) AFHQ to complete their records.

15. The Security Controls at Italian sea and airports are instructed to forbid the exit from Italy of any traveller, to a destination other than those specified in paragraph 2 above, who may present himself without a Military Travel Authorization, unless he produces documentary evidence that he falls within one of the excepted categories detailed in paragraph 4 above. The application forms for Military Travel Authorizations, and the Military Travel Authorizations in current use will continue to be used.
