SUBJECT : Personnel - Legal Sub-Commission

TO : G - 1 (American)

1. This sub-commission is faced with the immediate loss of three EM as follows :-

S/Sgt Latella (69 points)
S/Sgt Principiano (75 points)
Pfc Plaut (70 points)

2. It was expected that after the restoration of territory to the Italian Government two of the above mentioned EM would have become surplus but this sub-commission is presently handling as much work as it has at any time and the question of replacements for the above personnel becomes one of urgent necessity.

3. Appreciating the shortage of EM available efforts have been made to redistribute the existing work and to assist in all possible ways to keep the number of replacements requested to a minimum.

4. It is requested therefore that this sub-commission be granted an immediate replacement of 1 (one) EM. The work to be performed by this EM is of an important nature involving the handling, correlation and preparation of Allied Military Court case records and petitions and it would be of great help if the EM had a knowledge of Italian. This work, much of which consists of secret and confidential material, is presently being handled by S/Sgt Latella and Pfc Plaut. An Italian civilian is available to assist with the non-secret side.

5. It is strongly urged that this request be approved and that an efficient replacement be sent immediately so that he can, for a short time, work with S/Sgt Latella before taking over. 161

6. It is pointed out that the request for only one EM is made with sympathetic consideration for the acute EM shortage, but if more EM become available further replacements are requested.

SUBJECT : Assignment - EM.

TO : Executive Commissioner.

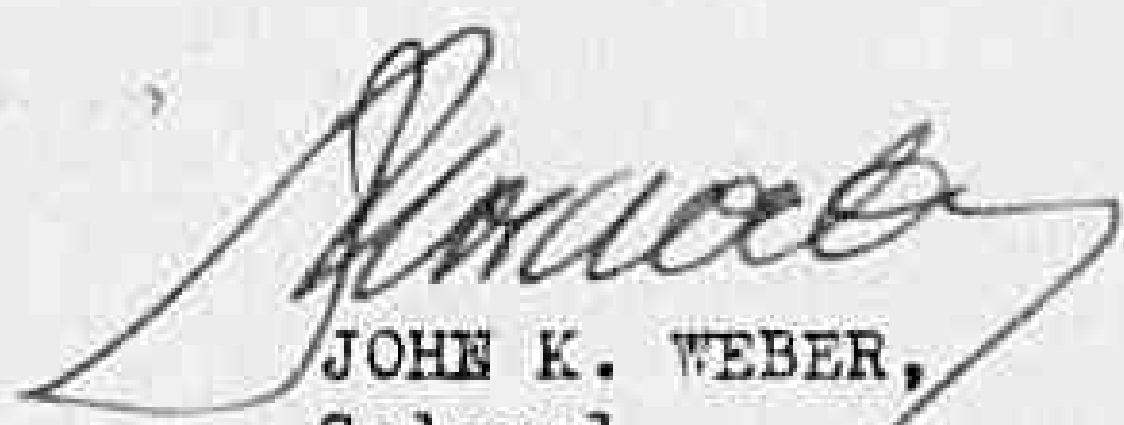

I learned yesterday that S/Sgt Eric STEIN, ASN 36717093 is to be returned for service to this Theatre.

S/Sgt. STEIN left here on 23rd August and is at present in Versailles. He has served with this Sub-Commission since the Commission began and all the time he has worked in the Italian Section for which his qualifications are particularly well suited. He is a man of wide education holding the degree of Doctor of Law and a member of the Illinois State Bar. He is a first-class linguist and writes and speaks Italian perfectly. He also has a thorough knowledge of Italian law. Because of these altogether exceptional qualifications he has been employed on important duties, one of these has been to deal with the appointments and transfers of judges and magistrates, which required an almost daily contact with the Ministry of Justice. He has on many occasions taken part in the conferences the Chief Legal Advisor, has frequently with the heads of departments, as the Minister of Justice, and the Minister of War. My predecessor Col. W. E. Behrens had the highest possible opinion of S/Sgt. STEIN's qualifications, and the exceptional value of his services to this office.

It will therefore be appreciated that his removal was a serious blow to the Legal Sub-Commission.

His loss has been all the more acutely felt in view of the reduction in the staff of this office, and the absence for several weeks of Lt. Col. Hannaford. The only other member of the office familiar with the variety of matters within the province of the Italian Section is Mr. Pisapia who is shortly going on leave to be married.

In these circumstances I would ask that the most urgent representations to be made by signal to G-1, MTOUSA at the earliest possible moment asking that S/Sgt be re-posted to this Sub-Commission, and, as it is especially necessary that he should arrive before Mr. Pisapia goes on leave, I suggest that Versailles be requested to return S/Sgt STEIN to this Theatre by air.

SUBJECT : Assignment of Enlisted Man.

TO : Commanding Officer, 2675th Regiment.

S/SGT ERIC (HMI) STEIN 36717093

1. The a/n enlisted man was assigned to this organization from its very inception. Although an enlisted man, actually he has performed in the capacity of a high ranking specialist officer because of his peculiar civilian qualifications as an expert in International Law.

2. On 23 August 1945 Sgt. Stein was transferred to USFET in response to a request for his services from that Theater. Since his departure I have been unable to replace him with a person possessing his qualifications, although the need for his services still continues.

3. It has been learned that Sgt. Stein is being sent back to this Theater, as G-1 USFET was unable to trace any request for him and knew of no reason for the transfer. The purpose of this letter is to urge that the Service obtain the maximum benefits of his talents by returning him to this office where he is urgently needed, especially at this time when the turn-back of Italy is in the process of consummation.

4. It is urged that these facts be communicated to G-1, MTOUSA to the extent that this man be transferred here forthwith.

Reference Interpreters Pool (Austria) Letter M.6742 A dated 4 Aug 45, copy to you, authorizing the posting of the above named HQ to this Formation.

Will you please arrange to despatch him to HQ AMG Venetia Region, Padova for duty with Legal Sub-Commission.

It is believed that Sgt. Scordino may now be in receipt of Interpreters pay, and it should be noted that as there is no establishment for Interpreters in this Formation, he will have to be held against a Sgt. General Duty vacancy, and accordingly will not be entitled to Interpreters pay.

It is thought that this point may not previously have been made clear, and if Sgt. Scordino has any objection to a posting which will mean a reduction of pay, will you please inform this HQ accordingly.

7 July 1945.

SUBJECT : Sgt. Decardino, A. J.

TO : Regional Commissioner (Attn: Regional Legal Officer),
VENEZUELA Region.

1. I have now been told by G-1 (B) that the extremely unsatisfactory position concerning the s/m NCO is as follows: -

- a. This NCO is now drawing interpreter's pay.
- b. There is no establishment for interpreters in AC.
- c. If therefore he transfers to AC he can only be posted as a general duty sergeant, surplus to establishment. He will inevitably lose his interpreter's pay.

2. I myself see no legal way out of this difficulty and am referring it to you in case you can offer a solution.

3. In the meanwhile application has been made by G-5, AFHQ to O2E for him to be posted to us as interpreter. It is probable that O2E will realize that he cannot be so posted, and it is possible that correspondence may develop which can be protracted over a few weeks. This of course cannot be guaranteed.

4. If there is any other action you would like us to take ^{advised} you will let us know.

By command of Rear Admiral MCKEL:

W. E. BEHRENS,
Colonel,
Chief Legal Advisor.

1. Legal Sub Commission has asked for the transfer to this Commission of Sgt. SCORDINO who is a qualified interpreter and has experience of Legal work. He has, in fact, served in A.M.G. Courts.

2. This transfer was strongly recommended by G-2 (Org) Br. A.F.H.Q. in their letter G-1/XXXX/ORG/4202 dated 26 May 45, as then Sgt. SCORDINO, who was held on strength of the Interpreters' Pool (Austria), was about to be replaced by a German Speaker.

Dear Behan,

I am sorry to have to worry you again about office staff, but this time rather than ask you to produce actual bodies for me I am producing the body and asking you to get a good title for me.

There is here in PADOVA a most desirable British recruit for my staff, who wants to join me, and who, in response to an 8th Army directive, has volunteered for AC/AMG. He is:

Sgt. A.J. Scordino 13094324 at present with 311 F.S. Section, Padova.

He has had considerable A.M.G. experience, having been loaned for considerable periods to 8th Army A.M.G., all the way up Italy.

His designated work - the 8th Army pool of Italian Interpreters - is finishing, and, having been given a choice of units to volunteer for, he sent in, on 8th May, '45, an application to transfer to AC/AMG but has heard nothing since.

He is now at a loose end and in fact is acting as Interpreter for me in two General Court cases next week.

He has had considerable A.M.C. experience, having been loaned for considerable periods to 8th Army A.M.C., all the way up Italy.

His designated work - the 8th Army pool of Italian Interpreters - is finishing, and, having been given a choice of units to volunteer for, he sent in, on 8th May, '45, an application to transfer to AC/AMG but has heard nothing since.

He is now at a loose end and in fact is acting as Interpreter for me in two General Court cases next week.

Being an educated man - an insurance broker in Civil life - and quite experienced in Italian affairs he would be invaluable to me; the more especially as (which you will remember I have complained of before) I have only two American Enlisted men who, whilst of suitable dispositions have neither the background nor the force needed for either office management or high-grade interpreting.

Knowing that you have recently helped Dickie to reinforce a staff which I envied in its original personnel I trust that you will be able to help secure this Sergeant for me. Most urgent is the right to use him whole time pending any delays there may be in effecting his actual paper transfer.

The Administrative Officer here has already written to A.C. regarding this case but it needs a firm and continued pressure to get anything done quickly. Will you apply this?

Yours ever,

Richard Wilmer

1. I should like to raise once more with you the question of a clerk to the Legal Officer of Venezia Giulia.

2. It appears obvious that the Legal Officer at Headquarters, Venezia Giulia, is likely to be nearly overwhelmed with office work, since in addition to his other duties he will, having regard to the probability that Italian legislation will not be implemented, have an immense amount of work to do in connection with the drafting of Orders, etc. A good clerk, particularly one who could take shorthand, would make a great deal of difference.

3. I know that the EM/OR personnel allotted from this Headquarters to Venezia Giulia are not numerous, and they do not include a clerk of legal experience, nor (so far as I know) one who can take shorthand. I would therefore ask you whether you can do something to assist. I appreciate that the assignment of personnel is not your responsibility, but it is thought that a word from you to the Establishment Branch might have a great deal of weight.

4. I am informed by Lt. Col. DAWSON that when he was in Naples he had the assistance of an excellent clerk, Pfc. JACOB COHEN. Is there any possibility of having this man assigned to Venezia Giulia, so that he can work once

26 April 1945

1. It has again been brought to the notice of this Branch that the instructions laid down in this Office letter G-1B/432/OR dated 10 September 1944 (Copy attached) are not being complied with. ORs are being despatched to this H.Q. from Regions for onward routing to training depots without being in possession of Sick Reports (AF.B.256), Clothing & Equipment Record (AF.B.1157) and Field Conduct Sheets (AF.B.122), and in many cases without a copy of the posting order or movement order. This practice will be discontinued and in future all documentation will be completed before O.R.s are despatched to this H.Q.

2. In order to obtain uniformity of posting O.R.s a proforma similar to the one attached hereto will be used by Os.C. Brit. Pts. of all Sub-Units of this Commission w.e.f. date of this instruction. O.C. Br. Det. at this H.Q. will continue to use the proforma as heretofore.

3. It will be realised that much confusion and delay are caused by not conforming with the correct procedure. The instructions laid down in this letter will be strictly adhered to in all future cases.

All British Other Ranks will be medically examined before leaving their permanent station or being posted or attached elsewhere. The result of the medical examination will be recorded on the Sick Report (A.F. 5256), a copy of which will be forwarded to the new Region or Formation to which the O.R. is ordered to report.

In connection with the above, the attention of all concerned is directed to "Regulation for the Medical Services for the Army" Para 180 Sub-Para (a).

2. PAY O.Rs.

Sufficient attention is not being paid to the State of British O.Rs' accounts with the Paymaster by the responsible officers in Army A.M.Cs. Regions.

The attention of all British Officers is directed to their personal responsibility in this matter. In the absence of official knowledge of the State of a soldier's account, an officer has no authority to make a payment in excess of the net rate of pay shown in AB 64, Part II. If he does so, he may be called upon to make good from his own pay, any resulting loss to the public. The write-off of a debt on a soldier's account does NOT preclude subsequent consideration of whether the officer or officers responsible for the over-payment should make good the loss of public funds.

SUBJECT : EM/GRs Ceiling - Legal S/C.

TO : Colonel J. L. Jones, Exec O (B).

1. Reference conversation Col Jones - Col Behrens, the Chief Commissioner personally ordered on or about the 24th January that one additional EM typist should be assigned to Legal Sub-Commission. No written order was issued confirming this.

2. The typist is required for typing records of AMO Court cases which have to be reviewed by the CC, i.e., death sentences. This work cannot be undertaken by a civilian typist because the matter contained in the record is secret. The cases are held in camera and all civilians are excluded.

3. Up to date this clerk has been employed full time on this work. In addition to the cases which he is now engaged in typing, there are the following cases awaiting trial in Allied Military Courts, in which it is reasonable to assume that a large number of death sentences will be awarded:-

AMO, 8th Army - - 18 spy cases;

AMO, 5th Army - - 3 spy cases;

AMHQ, - - - - - 11 spy cases.

There are believed to be over a hundred agents who have been captured but whose cases are not yet ready for trial.

4. It will be seen therefore that the services of this clerk are to be required for an indefinite period as there is no reason to suppose even when this formidable line of cases has to be closed, other enemy may not become enmeshed in the toils of the Allied security web.

5. It is therefore requested that you take the necessary action the official ceiling of the sub-commission raised by an additional typist either through the medium of the Chief Commissioner or the Committee.

1. Reference your 4/3.2/CA dated 4 Mar 45 this sub-commission has no EME available for transfer to Austria or the Northern Regions.

- a. S/Sgt STEIN, Eric
- b. Sgt PRINCIPIANO, Robert L.
- c. Sgt LATELLA, Joseph P.
- d. Pvt BROWN Leonard R.

3. As the Vice President is aware, S/Sgt Stein performs work comparable with that of a junior officer and application has already been made for him to take a commission. The position he occupies calls for a highly specialized knowledge of the relation between the Ministry of Justice and Legal Sub-Commission and of the machinery of implementation of Italian legislation in AMG Territory together with a sound knowledge of Italian Law and, of course, the language.

Sgt Principiano is a shorthand/typist and translator and the only efficient Court Reporter and Court Interpreter available to this sub-commission.

Sgt Latella handles the records and clerical work of AMG Court cases, the highly confidential nature of which prohibits the employment of a civilian for this work.

Pvt Brown was assigned to this sub-commission by the Chief Commissioner to enable additional confidential typing to be performed for the Chief Commissioner personally.

SUBJECT : Pvt. Joseph P. De Lu (39116418).

FILE No : XXII/18/Reg/1/03.

1. I am informed by Commander, Company "M", 2679 Regt., that the above-named soldier has been assigned for one month's temporary duty in the United States, on compassionate grounds, and is due to leave here almost at once.

2. I am further informed that during the period of his absence he will not be struck off the strength of the Company, so that no vacancy will be created for which a replacement can be demanded.

3. The total period of his absence, assuming that he does ultimately return, is likely to be about 4 months - 1126 he cannot be expected back before about early June.

4. I think it can reasonably be expected that before the return of the above-named soldier, the Legal Division of this Region is likely to be very fully engaged in the administration of newly occupied territory. In order to enable me to cope with the volume of work that is to be expected it is absolutely essential that I have the assistance of somebody in place of Pvt. De Lu, for the clerical and office work that will have to be done. Apart from him I have only Pfc. Pechenino, and it will simply not be possible to get through the work that will have to be done with the assistance of only one clerk.

5. In these circumstances I must ask that you do what you can to provide me with a temporary replacement for Pvt. De Lu out of the available EW/ORS at present assigned for duty with this Region.

6. It is not necessary that such replacement be a man with legal qualifications. All I ask is that he should be a man with some office experience and ability to ^{essentially} to speak Italian would be an advantage, but not an

as Pfc. Pechenino is able to speak the language.

7. If you find that it is quite impossible to provide me with a suitable replacement out of the personnel at present available in the Region, I request that you take the matter up with H.Q., A.C., with a view to obtaining the temporary loan of a man from some other Region. For this purpose I am sending a copy of this letter to the Chief Legal Adviser, Legal Sub-Commission, H.Q., A.C., so that he may be informed of the situation, and may perhaps be able to help resources of this Region do not enable a suitable replacement to be found.

8. Although I do not pretend that I have work now which would occupy a second clerk in this Division, I do say that it would be most desirable that any replacement available should be sent to me at once, so that he may learn the routine of this office, the filing system, etc., before we enter into occupation of the Region. It will be much too late to start teaching him when we are already operating in our own territory. In these circumstances I ask you to give this matter your most urgent attention.

2. Of these it is understood that the following are not likely to go into the Region upon occupation:

Lt Col	Alexander W. Troxell	A LO
Major	P. Backhouse	B LO
Major	C.A. Banlet	B LO

3. This leaves 8 O available for Deputy R.L.O., L.O. and prosecutors.

4. It is estimated that for proper functioning of the Legal Division of this Region the following personnel will be required:

- a. 8 P.L.O. (one of these for Torino City)
- b. 2 Prosecutors.
- c. 1 Deputy R.L.O.

5. This HQ wishes to use Lt Sabatino as Prosecutor in charge generally of preparation of cases and for prosecuting some cases. Competent E.M. or O.R. would be suitable for routine presentation. Either or both of the E.M. mentioned below would be preferred to an officer for the last named position.

6. It is requested therefore:

- a. That 2 additional O be assigned to this Region, one of whom should be B and qualified to act as Deputy R.L.O., the other, of either nationality, qualified to act as P.L.O.

b. That if possible 2 and at least 1 E.M. or O.R. be assigned to act as prosecutors. The following are known by undersigned to be qualified and are especially desired:

1. S/Sgt Tony Livoti, Co "D", 2675 Regt., A.C.
2. Pvt Joseph P. De Lu, 39116438, Co "M", 2675 Regt., A.C.

7. With reference to the E.M. named above this office is informed that Sgt Livoti is not now performing duties commensurate with his exceptional abilities. Pvt De Lu has been asked for by this HQ by letter dated 9 Dec 1944, to which reply was received from Legal Sub-Commission, dated 16 Dec 1944, ref. AC/4024/L 3 attaching copy of letter from Col Willmer, R.L.O. Venezia Region, in which he agreed to the transfer of De Lu if suitable replacement were made. No suitable replacement is available at this HQ and it is suggested that a replacement might be found through Establishment Section.

8. In addition to the above the following office personnel for Regional HQ, Legal Division, is needed:

- a. One interpreter and translator.
- b. One shorthand stenographer.

Dear Behrens,

Thank you for your letter of 5 December. I was very sorry to miss the conference, but I saw Welsford on his return to Florence and went through his notes with him. So I know something of what you talked about. I hope to receive a copy of the minutes in due course.

As to Pvt. De Lu, I have not of course had a chance of really seeing him at work since he came to this Region, but from what I have seen of him so far I should be very sorry indeed to lose him. On the other hand, I have no desire to be obstructive or to interfere with Mercer's legitimate aspirations, especially as the latter has always "played ball" with me in the past. De Lu himself would, I know, like to go to Piemonte Region (although he is polite enough to say that he is quite happy working for Venezia), as he has relations and family friends in Piemonte with whom he would like to make contact.

In these circumstances, if you are disposed to order De Lu's transfer from Venezia to Piemonte, I will put up with it - especially if this gives De Lu a chance of re-instatement to his previous rank. But I do think I am entitled to stipulate that I get a replacement - by which I mean not just a body, but someone of equivalent caliber and experience. Venezia Region, when it is ultimately occupied, is going to give us a lot of work, and I am going to need a first-class staff. So will you bear this in mind if you do decide to take De Lu away from me?

Yours *ew,*

Dear

I was sorry not to see you at the conference though I doubt whether much of value transpired.

Mercer wanted to discuss with you his desire to take Pvt De Lu with him from Venezia Region to Piemonte. He says that De Lu was trained by him in Sicily and knows his ways and further that De Lu speaks the local dialect. He would like to know if you have any objection. Perhaps you would write to me in due course.

SUBJECT : Employment of PW and M.C.
Personnel.

TO : Distribution below.

1. The present difficulties that are being experienced owing to the extreme seriousness of the existing manpower situation are quite apparent.

2. In order to ensure the best use of all available personnel, it is essential that every man, whether he be of low medical category for reasons of sickness or wounds sustained in action or psychoneurosis as a result of his former service, be employed in the type of employment to which he is best suited.

3. This letter is being given a full distribution in order to ensure that the M.C. and PW personnel, who are now being posted to this location in replacement of high medical category personnel, receive sympathetic consideration and are not treated as unwanted personnel thrust upon us.

4. All PWs have undergone a month's training with a view to adjusting their mental outlook. They have been encouraged to feel that they are still useful members of His Majesty's Army and that their services are valuable. They have not been allowed to feel, or given the impression, that they are failures.

5. In many cases their mental condition has been created because of family troubles. These have been investigated, and in many cases alleviated, with the result that the men's efficiency has greatly increased. It has been proved that if such personnel feel that an interest is being taken in them as individuals, they become enthusiastic soldiers, with a greater determination to prove to the Officer or M.C.O., who has given them a helping hand, that they are efficient members of that unit.

102

It has also been proved that where PWs have been made

employed in the type of employment to which he is best suited.

3. This letter is being given in full satisfaction in order to ensure that the LEO and personnel, who are now being posted to this formation in replacement of high medical category personnel, receive appropriate consideration and are not treated as unwanted personnel thrust upon us.

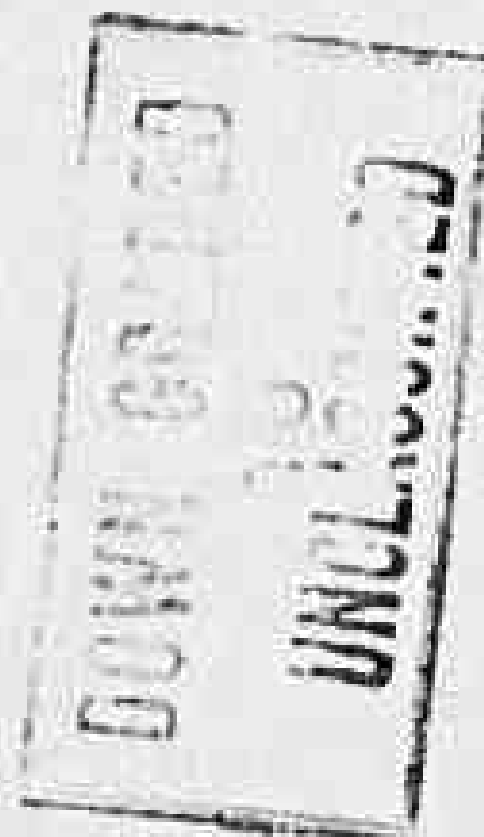

4. All this have undergone a month's training with a view to adjusting their mental outlook. They have been encouraged to feel that they are still useful members of His Majesty's Army and that their services are valuable. They have not been allowed to feel, or given the impression, that they are failures.

5. In any case their mental condition has been created because of family troubles. These have been investigated, and in many cases eradicated, with the result that the men's efficiency has greatly improved. It has been proved that if such personnel feel that an interest is being taken in them as individuals, they become enthusiastic soldiers, with a greater determination to prove to the officer or N.C.O., who has given them a helping hand, that they are efficient members of that unit.

6. It has also been proved that where men have been made to feel that they are welcome members of their new unit and that their part is essential and valuable, they have proved to be reliable and efficient soldiers. All these factors will for the mental assistance of both officers and senior N.C.O.s in connection with their mental problems.

7. Regarding IIC personnel. These soldiers have also to adjust themselves to their new circumstances. In many cases they have been fighting soldiers, a fact of which they are very rightly proud. They do not always take the trouble to adjust for themselves the importance of their new employment, and are not initially to feel some quite unjustifiable sense of inferiority vis-a-vis their late front-line comrades.

8. Have again they should be made to feel that they are welcome members of their new unit, and that here also there exists that

comradeship and esprit de corps which they had formerly known. They must also be made to realize the value which their own employment contributes to the war effort and to the well-being of their former comrades, all of whom are dependent on U. S. C. units.

9. Before posting, both PNC and LNOs are interviewed by Personnel Selection Staff who assess their qualifications and recommend them for various types of employment. With the exception of S.D. men, those men are being assigned in the trades or tasks as recommended by the P.S.S. On no account will such personnel be otherwise employed without their reference to this Headquarters.

10. All PNC and LNO personnel who are now being posted will be given every opportunity to settle down in their new surroundings as efficient soldiers. No efforts should be spared by Officers and NCOs to ensure that these men are afforded the encouragement and the personal interest which is so necessary to enable them to prove themselves to be efficient members of the Formation.

SUBJECT : Assignment of Personnel.

TO : Acting Head, Administrative Section.

1. Because of the fact that a large part of the work that this Sub-Commission does is of a classified nature, varying from Top Secret downwards, I am writing you concerning the personnel situation.

2. Recently Pfc Fried, because of long service overseas, has left this Sub-Commission. As you know he was an expert typist. I have tried in vain to secure as replacement a typist from both British and American sources but have been turned down on all such requests. One Corporal in the British Army, who was in fact French, was sent to this Sub-Commission without my request. He was neither a stenographer nor typist. I returned him immediately as being absolutely useless for the purposes of this Sub-Commission.

3. This Sub-Commission is in need of two ordinary typists or at least one who is an expert. I am told that only civilians will be available. If it is necessary I will have to resort to their employment but in that event I wish to disclaim any further responsibility as to security matters. Naturally if civilians have to be taken on every effort will be made as far as security is concerned but certainly success cannot be guaranteed. I think you will agree that this Sub-Commission is unique insofar as security matters are concerned.

4. In any event if the determination is that I have to secure the services of civilians please advise me and I will put in an application immediately as the work of this Sub-Commission cannot be promptly and efficiently discharged with the existing staff.

27 Jun 44.

1. Joseph P. DELO T/5 many months ago was removed from ACC and put in a replacement center. About two weeks ago it was learned that he was still in such a center. His address then was 2nd Replacement Center Caserta. His APO is 744.

2. Sgt. DE LU is a trained and an able lawyer of considerable legal practice in San Francisco before joining the Army.

3. When in Sicily he performed valuable legal services including those of a prosecutor before Summary ACC Courts. He then served under Lt. Col. Campbell now Chief Judicial Officer ACC.

4. With the dearth of legal officers for the Forward Regions and in view of the fact that this valuable and able enlisted man has apparently been doing virtually nothing in a replacement center for months, I urge that efforts be made to get him back and assign him to some newly activated Region, as for instance Region VIII which will have to struggle with a minimum of trained legal personnel.

Legal Division

208/CA/27
11 March 1944 .

SUBJECT : Personnel .

TO : S.C.A.O. AMG. 5th Army .

1. In Allied Military Government General Court trials which have been held in 5th Army Area within the last two or three months it has been necessary, due to the lack of a qualified Court interpreter amongst the personnel of AMG 5th Army to make an ad hoc arrangement for each trial. In the first few trials it was possible to borrow from Region 3 an exceedingly good Sergeant named Brine but this N.C.O. was sent recently to a replacement centre. In subsequent trials by arrangement with the Chief Legal Officer ACC and the Executive Officer ACC (Col. Allbright) it was agreed that on application to ACC an interpreter could be provided.

2. Three cases of espionage were listed for trial this current week. It was arranged that ACC would supply an interpreter. It was expected he would be required for about three or four days. As it turns out the cases will last six days and another case is to be tried next week. A.C.C. provided an interpreter but on Thursday he was ordered to return to his normal duty. This left the Court without an interpreter. However by scraping around one was obtained.

3. It is most unsatisfactory in serious cases to have this difficulty in obtaining an interpreter who is the alpha and omega in any trial. I am fully conscious of the shortage of manpower which exists over all in ACC/AMG but the Commander in Chief is specially interested in the spy trials which have to be conducted by AMG 5th Army. He views the activities of these agents of the enemy as a serious threat to the security of the armies and the successful completion of operations in this theatre. Instructions have been given to me several times to expedite trials and it is unnecessary to stress the essential role which an interpreter plays in these trials.

4. It is possible properly to carry out such trials unless the interpreter is first class and when it is necessary to beg borrow and steal interpreters they are rarely first class, and despite that when the continued attendance of such conduct of such trials impossible.

5. In spite of shortage of EM/OR's can arrangements please be made to post a Court interpreter to AMG 5th Army. If it is at all possible to obtain the return of A.S.N. 92712338 Sgt. P.T. Brine from the 429 Replacement Centre this would solve the whole difficulty...

ALLIED CONTROL COMMISSION
APO 394

1 March 1944

SUBJECT: Establishment

TO : All Regions, AMI Armies, and Sections, Sub-Commissions and branches of HQ.

1. Present Position

a. The authorized strength of the 2675 (American) Regt., ASC is 829 Officers, 15 Warrant Officers and 1045 M. Of these, 74 E. are detached on special duty, but still carried on the strength of the Regiment.

b. The authorized strength of AMSC, the British Unit created by War Establishment No. Hq/255/1 dated 6 January 1944 is 663 Officers and 1347 M.

c. On the strength of the above two units is borne the whole of the personnel allotted to ASC-AMSC in Italy.

d. The number of Officers scheduled to proceed to U.S. is:

American 200
British 70

The British Officers are being replaced from U.S.; similar replacements will probably not be forthcoming for the American Officers. There will be no further bulk demands for personnel of ASC for other theaters.

2. Sub-Establishment for Regions, etc.

a. The question of Sub-establishments /IOs for Regions, AMI Armies, and Sub-Commissions and Branches of Headquarters has been under consideration, and it has been decided that no attempt will be made to issue them. It is realized that this decision will cause some difficulty and uncertainty in Regions and Sub-Commissions, but the question is fraught with so many complications that it has been found impossible to arrive at any other satisfactory solution.

b. The chief reason for the decision is that conditions, and with them the weight and direction of effort are and will be constantly changing. It is therefore impossible to allot personnel on any permanent basis, and it would be useless — in fact positively harmful to issue Sub-establishments /IOs which would be subject to constant amendment. Personnel will therefore be allotted by this Hq as and when required in accordance with the volume of work to the extent permitted by available numbers. All that can be said is that for the present Region I will operate with about 110 Officers, Region II with 117, and Region III will be gradually reduced to about 40 after its territory is handed over to the Italian Government.

Letter, dated 1 March 1944, Subject: Establishment (Cont'd)

3. Ranks and Promotion

a. The question of ranks and promotion will similarly be dealt with centrally by this HQ because it is not possible to lay down any fixed ranks for Officers or AM/On in Regions since the total personnel will vary as territory is handed over and duties become supervisory on the one hand or operational duties increase under AM/On the other. Similarly, the volume of work in Sub-Commissions is not constant.

b. Recommendations for promotion of Officers (as to which separate instructions on the British side have been issued in Exec Memo No. 14) will therefore be submitted without regard to whether there is or is not a suitable assignment in a higher rank in the particular Region, Sub-Commission, etc., in which the Officer being recommended happens to be serving at the time.

c. Instructions regarding the promotion of both AMs and OMs are being issued shortly.

ALLIED CONTROL COMMISSION
SICILY REGION HQ.
APO 394

File: RLE 013.202/HD

18 February 1944

SUBJECT: Legal Clerks.

TO : C.L.C., A.C.C. HQ., APO 394 (Salerno Detachment). 52

1. In reply to your letter ACC/4024/L dated 12 February 1944, a list of clerks engaged in work for legal officers is enclosed as requested.

2. In accordance with instructions received from HQ. 2675 Regiment, the officer Commanding "A" Company in this Region has today forwarded to Naples a list of excess personnel for transfer to replacement depot. This list includes the names of the following clerks:

T/5 De Lu Joseph P.
T/5 De Nardo Morris J.
Pvt D'Arcangelo John J.

3. As it is understood that prompt action is likely to be taken on receipt of this list, it is recommended that the department concerned be advised immediately that these clerks are required for special duties in other Regions as their assignment away from A.C.C., particularly in the case of De Lu, would be a serious loss to the Legal Sub-Commission. A note has been forwarded with the list requesting that contact be made with you before further action is taken.

4. With regard to the date at which these clerks will be available for re-assignment, all are now busy with the work of completing records and closing provincial legal offices in accordance with instructions. Those named in para. 2 above together with T/5 Arrigo Victor and Pfc. Scorpiniti Charles C. who are limited service men and cannot be included in the list for transfer to replacement depot, should be available by the end of next week to move to fresh assignments, if required. 52

5. T/5 D'Alessandro and T/5 Priscia are included in the list of clerks selected to remain in this Region and should not therefore be assigned elsewhere. Their services will be required with this Division for some time to come, as they deal with all the typing and keeping of records, appeals etc. and it is contemplated that when this work falls off, their assistance will be needed in other departments of this HQ.

(62)

6. Cpl. Sugg J. is chief clerk in the legal division of Palermo province, where he has been since that office opened. It is most important that he should be left there for the present, as there is a considerable volume of work to be done in completing records and disposing of various arrears which have accumulated owing to the recent assignments elsewhere of two successive legal officers from Palermo province.

7. The position of Pte. Bratesani R. is not clear as it is believed that he is loaned for temporary duty only and has not been officially posted to A.C.C. strength.

2. In the Provinces the SO's have been able to hire locally one interpreter who also acts as clerk. Such persons are invariably Italians, but it is highly improbable that they would agree to move from their homes, and of course they cannot be compelled to do so. However, inquiry is being made from the Provinces as to any such who would.

2. A Regional Order was recently issued without the knowledge of this Division assigning this man to Regional HQ. Copy of a letter from SCAO Catania written on receipt of the order is attached, and the order has since been revoked.

3. De Lu who is a qualified lawyer is doing invaluable work in the preparation and prosecution of cases at Catania and could not possibly be replaced. In view of the SCAG's remarks and the urgent necessity for disposing of the outstanding cases, which have accumulated during the period when there was only one legal officer in the Province, his continuance in his present assignment is regarded as essential.

27 November 1943

SUBJECT: Special Order No. 18 of 20 Nov.

TO : Sicily Region Headquarters, AMG.

1. Under the above order T/5 J. P. De Lu is assigned from this HQ to HQ Region I.

2. As already reported to your HQ by my SIO this man is doing invaluable work here as prosecutor and general assistant to the Legal Officers. In the circumstances I request most strongly that he may remain assigned to this HQ.

3. I have recently ordered a special drive throughout the province against "black market", illegal dealing in grain, and unlawful possession of Allied Military Property. This has resulted in a large increase of court work for the legal staff. Not only the number, but also the gravity of the cases, has increased. It is obvious that cases of wrongful possession of large quantities of Allied petrol or possession of firearms will last a long time - some times several hours. As a result, it is a full time job for one Judicial Officer to preside over the Superior and Summary Courts.

4. If one of the two legal officers now at this HQ is occupied all day in court (frequently the court sits till 1900 hours and sometimes until after 2000 hours), the other officer has not the time (1) to assist the other branches with legal advice (2) to hold Superior Courts throughout the province, and (3) devote adequate time to the Italian Courts and personnel - a task which requires considerable time in this city where there is the Court of Appeal controlling this and several other provinces.

5. In view of the above, I request:

- (a) That De Lu may remain at this HQ
- (b) That a Legal Officer may be attached to this HQ for the coming weeks to sit as "Magistrate", so releasing the present Legal Officers to attend to their other duties. It will be appreciated that both in legal advice to myself and my staff and in the question of Italian Courts and personnel, continuity is essential, and I consider that my SIO should be free to devote considerable time to this side of his work.

SUBJECT: Personnel at AGO.

TO : Administrative Director.

Reference para. 203 of Minutes of XXXX Meeting on 19th November as to splitting up AGO personnel between two HQ in the future.

1. If the two HQ are within reasonable daily motorway distances (say 30 miles) then this sub-commission could function with seven officers and four EE/ORs at the HQ situate with the Italian Government.
2. If the two HQ are out of daily reach, this HQ can only function properly if all its officers and EE/ORs are at HQ situate with the Italian Government. From the nature of the work of the Legal Sub-Commission which falls into two groups (a) day to day advising of the Commission generally (b) work across the conference table with the Ministry of Grace and Justice and does not involve long term industrial or economic planning, it is apparent that the sub-commission could not function if it is split up by more than a short motorway distance.
3. If any areas are being administered under AMG by HQ AGO then it would be possible for that department of the Legal Sub-commission which administers the Allied Military Courts to be at a separate HQ. The number of the officers in this department varies according to circumstances and the state of business but will probably consist of from two to six officers and one clerk.

Dear Colonel Chandler.

About 2 weeks ago you very kindly assigned an enlisted man, Tap Ciavine, to this office.

Both Major Howe & I believed that he was totally unqualified to fill any of our needs for the by experience and temperamentally. Now, we believe, just a big baby who is constantly whining and laying down on the job. He could perhaps be more useful if attached to some unit where he could be given some work, if he willfully failed to carry out his duties to the best of his ability. Capt. Paty also concurred in this opinion before he left.

Of course, we would keep the man until we need him for other duties, but I think it my duty to report the situation to you.

We are getting a long. Sincerely,
Providence in Providence, I hope.

21

Very sincerely yours,
L. H. Hammond, Capt.

Comox and pay in money. I be more useful & attached
 job. He could perhaps be more useful & attached
 to some unit where he could be given some work,
 if he willfully failed to carry out his duties to
 the best of his ability. Capt. Patsy also
 concerned in this opinion before he left.
 Of course, we will keep the man in but we
 need more further directions, but I think
 it my duty to report the situation to you.

We are getting along satisfactorily in the
 Provinces in general, I hope.

21

Very sincerely yours,
 L. H. van Dusen, Capt.

D.C.50/ This confirms previous reports as to Tagliarino. He appears
 quite useless in the legal division. Do you wish to take
 any action?

SUBJECT: Clerical Assistance.
 TO: Chief Legal Officer, ANGOT, Palermo.

I much appreciated your having sent Pvt. Taglionari to help the legal section in Catania and Syracuse. It turns out, however, that the man in question is of virtually no real use to us; he knows hardly any Italian, and has no familiarity with the law. Our crying need is for someone who can really be trusted to make accurate translations of orders and communications to Italian officials, to serve as court interpreter, and to carry a degree of real responsibility. I don't want to snatch at personnel who are indispensable at H.Q., but a man with the qualifications and ability of Pvt. Principiano who accompanied Capt. Paty to Syracuse would prove really invaluable to us. If there is anything you could do to help us in this regard I think we shall have little difficulty in getting things running smoothly both in Catania and Syracuse.
