SUBJECT : Conditional Liberty
Di Lorenzo Umberto

TO : H. E. The Minister of Pardon and Justice.

1. In forwarding the attached petition for conditional liberty for the favour of advice thereon, we venture to draw attention to the fact that it would appear from the record that the applicant has sufficient previous convictions to class him as an habitual thief and that on these grounds the Regional Commissioner ACC recommends that the remainder of the sentence be served.

2. It is noted however, that the Procuratore del Re who s at as a member of the Council of Discipline makes a favourable recommendation.

SUBJECT: Conditional Liberty of Bardi Vito (Potenza Province).

TO : RLO (thru HC) Region 2.

1. The Minister of Justice has informed this HC that the above mentioned criminal sentenced to sixteen years imprisonment on 2 July 43 by decision of the Court of Cassation upon appeal by the "Publico Ministero" of a sentence of the Court of Assizes of Potenza, is now on conditional liberty since 25 January 44 by virtue of an order of the Allied authorities. He was arrested on 5 May 1940.

2. Though not doubting for a moment the excellent reasons which at the time determined HC to take the steps in question, the Minister states that he would be extremely grateful if some light could be thrown on the case of Bardi Vito as nothing appears in the files in his possession which would justify granting to Bardi the royal pardon he has now applied for.

3. An early answer will be appreciated.

The undersigned Porcaro Carmine di Pietro, agriculturist, married and father of two children, and supporting his old father, asks to expose to this Command the following:
He is born in 1915, and was in the Army when the Armistice was declared, in Bari, from where, together with many other soldiers, took the way back home. He came to Benevento, where obtained from the Military District a regular military leave.
But 16 days ago, namely on the 16th of March, he was arrested by CC.RR. and put in the gaol og Benevento, where he suffers from cold and hunger. He thinks to be innocent of any crime, and specially of the offence of disertion, therefore he asks this Command to order his release, or at least to grant him provisional liberty, and order his appearance before a Court on summons.
This Command, that understands people's suffering specially when unfair and unendurable as it is the imprisonment in Benevento gaol, will not refuse him the right to appear before the Magistrate , from whose judgement will come out his innocency, being free.

Porcaro Carmine

N A P O L I

Di seguito alla mia nota pari numero del 16 marzo scorso, con la quale trasmisi con parere contrario alla concessione della grazia una pratica nello interesse del ricorrente in oggetto, comunico a codesto Ufficio che con provvedimento in data odierna ho disposto la sospensione della esecuzione della pena nei confronti dello Iorio fino all'esito della pratica di grazia.

In considerazione, poi, che, ove la condanna non fosse stata pronunziata da Tribunale sito in territorio tuttora sottoposto all'Amministrazione Alleata, lo Iorio avrebbe diritto a godere del condono, di cui al recente decreto, opino che si possa concedere allo stesso la grazia condizionata, e ciò in modifica al precedente parere da me espresso con la nota del 16 marzo su menzionata.

Trasmetto alla S.V.Ill;ma l'unita istanza di grazia della detenuta in oggetto con preghiera di inoltro al Ministero degli Affari civili della Provincia di Foggia.

Con l'occasione, informo che la detenuta suddetta è stata qui trasferita dal Pretore di Ascoli Satriano per motivi di cura. Essa fu condannata da quel Pretore il 31 gennaio u.s. ad un anno di arresti per prostituzione clandestina; venne arrestato per la esecuzione di detta pena il 17 c.m. e il 19 corr. venne tradotta a questo

Carceri. Essa è affetta da sifilide in atto, è in cattive condizioni di salute ed ha con sè un bambino lattante di un anno, pure in condizioni fisiche scadentissime e forse anche affetto dello stesso male della madre.

In queste Carceri non vi è la possibilità, per intuitive ragioni, di prodigare alla suddetta donna le speciali cure di cui ha bisogno. Essa inoltre, per il male da cui è affetta, deve tenersi, e chi lo sa per quanto tempo, costantemente isolata dalle altre detenute in apposita camera, nonostante l'affollamento che da un po' da tempo sta verificandosi in questa sezione femminile.

Esprimo pertanto parere favorevole all'accoglimento della suddetta istanza, da subordinarsi ad opportune disposizioni intese a rendere possibile alla suddetta donna di curarsi in libertà o, nel caso ciò non sia possibile, occorre provvedere nel modo più opportuno, perchè la detenuta in parola possa col bambino ricevere le cure di cui ha bisogno.

Carissimo

La desiderata ed Adorata cartolina col tuo nome di ricordanza, per almeno parte del suo amore, per alcuni istanti di gioia mi ha fatto enfiare, quale grazia alla Destra Suprema, essendo effettivamente morbo di quattro figli, la più grande che quale di suo sesso maschile, e il altro di suo stesso nome, e quello che egli stesso nacque, e Fratello carissimo con la mamma.

Desidero, unicamente dopo essere stata ritenuta dal colui stesso che l'ha chiamata e che la creduta sano, Fratello ora un vuoto carissimo Fratello, 158 ere necessario allo spirito di cui Terra, lasciando affre madre creature fuori nella più squallida miseria ecco e senza nessuno che di loro possa prendersi cura.

1 Herewith are forwarded:

(a) Two petitions for pardon in Italian Court Cases, received through Procuratore del Re, Foggia.

(b) Petition for pardon in the case of D'Onofrio Antonio, convicted by Allied Summary Court, Cerignola on 17 Dec 1943 and sentenced to 6 months for possession of a firearm.

2 No further information is available in the case of D'Onofrio which is forwarded because P.C. Manfredonia wrote on 16 March 1944 "Pleads ignorance, served half-sentence, farmer, and under circumstances recommend release in one month".

3 It would appear that revision in the case of D'Onofrio is contrary to A.F.H.Q. policy.

4 Several similar petitions are now held in this H.Q. which are not forwarded as they are not recommended by P.C., but it is requested that this H.Q. be informed whether you desire these and any future similar requests to be handled in this H.Q. or to be send forward.

To : Allied Command - Salerno Province.

The writer Caggiano Pasqualina, daughter of Donato and of Cassello Carolina, born in the Commune of S. Angela Fasanella married on Jan 4, 1942, with Tortore Alfonsa, son of Salvatore, born in the Commune of Pagani (Province of Salerno) in 1921.

Having deserted during the Mussolini's period, they arrest him and convicted him in the Prison of S. Angello Fanaella. After two months imprisonment, on Sept 8, 1943, he succeded in escaping but on Dec 15 they arreated him again for the same reasons.

She asks you to give him the grace, since she wonders why they arrested him again, being all finished with fascism.

I'm writing for your benevolent answer.

Roghudi (Reggio) March 4,1944

To : Lt. Col. G.H. McCaffrey

Subject: Application by the former Postal, Cashier (Ricevitore Postale) at Roghudi, Antonio Zavattieri.

I bring your attention the following:

In 1905, I, Antonio Zavattieri, son of Francesco, was appointed cashier at the Post Office of Roghudi and had this job up to 1933. At that time, I had many public charges, among whom that of "Sindaco assessore", Commissioner of "Imposte Dirette" (Direct taxes), secretary of the Central Inquiry Office of Bologna for soldiers killed in the war against Austria, I was one of the first members of the "Omaggio dei Postelegrafonici d'ITAlia alla Croce Rossa Italiana" (Postal workers of Italy to the Italian Red Cross), and so on.

All the Authorities have always liked and admired me, on account of my honesty and I was awarded with many documents certifying my good conduct.

I first succeeded in having the Italian workers in U.S.A. deliver remarkable sums, to the Italian Red Cross, to be used for those who had been injured the war.

When fascism came everything was changed for me they tried to, have me enlisted in the Party.

I did not accept, since my ideas have always been democratic. But, Excellency, you know that an employee is very weak against a superior. Fascism and its institutions caused my ruin.

On August 22, 1933, an inspector of the Post came into my office. This inspector, without considering my 27 years of service, verifying my cash found 2004,02 lire missing, which I had in my vallet, since I was bringing the money from home to the post (being authorised) night and day. That morning, however, I had no time of putting it in the cash, and, at the inspection, through the cash was equalised, he did not count this sum, saying that the cash had been completed with my own money and not with the administration money, which he should have found in the grille.

Excellency, 2000 lire, not 200000. This inspector suspended me from my service. Then, he appoints another person in my place. This

All the [illegible] of my honesty and I was awarded with many documents [illegible] conduct.

I first succeeded in having the Italian workers in U.S.A. deliver remarkable sums, to the Italian Red Cross, to be used for those who had been injured the war.

I did not accept, since my ideas have always been democratic. But, Excellency, you know that an employee is very weak against a superior. Fascism and its institutions caused my ruin.

Excellency, 2000 lire, not 200000. This inspector suspended me from my service. Then, he appoints another person in my place. This new person was, at once, appointed political secretary, and therefore, excluded from military service: not only, but, having got the job of cashier without competition, he was also appointed "Commissario Prefettizio".

This is to show you, Excellency, the way the fascist acted, since, after 27 years of service, they ruined an employee's life. Then; I was sent to jail by the inspector. Though I was not guitly, I was condemned by the Court, and therefore, dismissed by the Postal Administration.

Excellency, from these facts you will understand that all these things were done against me because of my political sentiments, beeause I was not a fascist.

If, Excellency, you believe that, for my political and moral conduct, I deserve it, I ask you:

2. The transfer of my job to my daughter, as an heritage; she is delegated substitute at the same office of Roghudi, with 8 years of service; this transfer would be in accordance with the regulations.

3. ,At last any provisions that the A.C.C. will think wise, since I am not responsible for anything.
