AC 4030

MONACO EGIDIO and GRECO SALVATORE, both residing in Suburra 1285 (Abruzzi), inform as follows, appealing to the Allied Authorities to obtain justice:

During the German invasion, they have been condemned by the Italian Court of Law in Suburra, the first to a year and three months' imprisonment and a fine of 300 L. 20 lire on charges of slaughtering clandestinely a cow, and the latter was fined too as he was caught in possession of Kg 8. of meat.

According to the allied radio's warnings, the population of occupied Italy was instigated

to hide and slaughter their cattle instead of delivering it to the Nas-fascists.

Now, the country being liberated, it is obviously absurd that they must pay the penalty.

Besides the confiscated merchandise served also to feed allied prisoners of war escaped from German concentration camps and sheltered by themselves.

Therefore they apply for cancellation of the sentences by the Italian competent authorities.

SUBJECT : BUONPENSIERO Vincenzo - Severity of
Italian Courts.

TO : H. E. The Minister of Pardon and Justice.

Reference to your 25509/43 of 14 Feb 45 (Uff.1v°
Grazie).

1. BUONPENSIERO was sentenced on 17 May 44 to three years and six months imprisonment and 4000 lire fine by the Tribunale di Bari for theft of British Army shoes.

2. Your Excellency will no doubt remember that at the last meeting you drew the attention of this Sub-Commission to a number of letters you had received complaining of the severity of sentences imposed by Allied Courts.

3. BUONPENSIERO sentenced by an Italian Court applied for pardon or reduction of sentence. His application as you will see was turned down by the "ufficio grazie" of the Ministry of Justice. On the other hand the Regional Legal Officer, Southern Region is of opinion that had BUONPENSIERO been tried by an Allied Court the sentence given would not have exceeded one year and therefore recommends that pardon be granted after the accused has served one year in prison.

4. This Sub-Commission endorses the Regional Legal Officer's recommendation and is glad that such an opportunity has presented itself and hopes that it may convince Your Excellency that if "errare humanum est", the errors of judgment often complained of are not so one sided as many people may have been led to believe.

TO : H. E. The Minister of Pardon and Justice.

1. Reference Prot. No. 21684/43 of 9 Feb 1945 (Uff. IV Grazie).
2. Your Excellency's recommendations that the above petitioner be granted "conditional" pardon of the offence of having listened to Radio London in August 1943 are acknowledged. However, it is pointed out that although the necessity of applying a standard formula in granting conditional or absolute pardons is fully appreciated and the desirability of maintaining established Italian practice fully realised, Your Excellency's attention is drawn to the fact that for obvious reasons it would be undesirable to attach the word conditional to a pardon granted for the offence in point, especially in territory under AMG control.
3. There is little doubt that the offender was not satisfied with the type of news broadcasted by fascist radio and tuned in to an Allied Station in order to obtain the truth. At no time in Allied countries was it forbidden to listen to enemy broadcasts and Your Excellency may rest assured that Lord Haw-Haw, Appellus and "tutti quanti" had very faithful listeners. It would therefore be repugnant to the Allied conception of justice for a person to remain during a number of years under a sword of Damocles for having shown independence of mind when defying at some personal risk a piece of totalitarian legislation which Your Excellency has been one of the first to condemn.
4. It is therefore hoped that Your Excellency will find a way to reconsider your previous decision in this matter.

Si trasmette la istruttoria di grazia a favore di Facchielli Gisleno, condannato dal Tribunale di Siena, il 27/8/1943, alla pena di mesi 6 di reclusione e di L. 4000 di multa, per ascoltazione di radio nemica (Radio Londra)

Il Facchielli ha scontato la pena detentiva e chiede il condono della multa di lire 4000. Egli ha due precedenti condanne che però non escluderebbero l'applicazione dell'amnistia se il reato fosse stato commesso in territorio restituito al Governo italiano. Dato ciò si propone il condono condizionale della multa di L. 4000 inflitta al ricorrente.

1. Reference your letter AC/4030/L of 2.2.45 enclosing above petitions I comment as follows:-

LISIPANO Carmelo and MARTURANA Carmelo.

I have no objection to granting of conditional Liberty. This case involved illicit traffic in Allied cigarettes which are often sold or given away by Allied Personnel. Such cases are often excusable and the whole position with regard to this class of case is unsatisfactory.

GULINO Giovanni & NOBILE Raffaele.

This case involved wrongful possession of gasoline, which is well known to be illegal and there is still extensive pilfering of Allied POL in this Region. The sentence has already been reduced to 1 year in each case, which appears reasonable and I therefore do not approve of the granting of Conditional Liberty in these cases.

2. The four applications are returned herewith.

TO : LEGAL SUB-COMMISSION, Headquarters, AC.

1. See your letter, above topic, dated 2 February 1945, AC/4030/L.

2. At a conference held at Livorno on yesterday, the above matter was discussed at length by the Regional Legal Officer with MAJOR ROBERT L. HILL, Provincial Legal Officer, Grosseto. The pardons were effected on the original letter of the Chief Legal Advisor, and the Provincial Order was in addition thereto. As the latter is extra-legal, and the release was actually made on the original letter, it is not thought that a technical difficulty will result. In that connection, the Provincial Legal Officer has been instructed to discontinue the practice of issuing a Provincial order.

3. To the end that a kindred error may not be made in other Provinces, copies of the directive ACC/4030/L/L of 28 April 1944, and copies of your letter of 2 February 1945, AC/4030/L have been sent to all Provincial Legal Officers for their information and guidance.

65 4. On one occasion, your office transmitted a letter of pardon on several persons. Some ^{two} three of these persons were in one Province; one was in another. It was necessary for this office to make a "true copy" of the letter of Pardon for the second Province. It is submitted that it is better for the letters of Pardon to contain only the names of persons within such province, or, to state it accurately, separate letters for each Province should be written. Do you agree?

1. Reference is made to Prot. No. 860/43
(Dir. Gen. Aff. Penali Uff. IV) dated 31 Jan 1945.

2. It appears from the files of this Sub-Commission that the above petition has been denied on Dec. 29, 1944. The Ministry has been advised accordingly in a communication of even date file No. AC/4030/L.

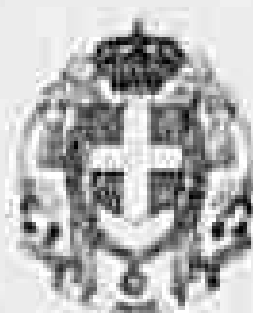

3. Through an oversight, however, the denial was effected by an order of this sub-commission directed to the Regional Commissioner of the Southern Region rather than in the usual form of a recommendation addressed to Your Excellency. Your Excellency might wish to implement the order of denial by a formal act of the Ministry directed to the competent Procuratore Generale.

(Attn: Regional Legal Officer).

1. Reference is made to your RVIII/19/8000 dated 30 Jan 45 transmitting basic letter from P.L.O. Grosseto Province dated 27 Jan 45.

2. Attention is drawn to para 5 (c) of this Sub-Commission's directive ACC/4030/1/L of 28 Apr 44 which clearly lays down the procedure to be followed in agreement with the Italian Government.

3. In such cases no order of a P.C. is required to render executory a pardon granted by order of the Chief Commissioner AC; indeed the substitution of a P.C.'s order for the original signed by the CLA might create a technical difficulty as the result of the effect of Art. 1 of R.D.L. No. 31 of 11 Feb 44 providing for the lapse of AMG orders on the restoration of territory.

4. Moreover, for the same reason it is essential that the original order be placed in the hands of the Procuratore del Regno so that the record may be properly substantiated.

5. Please have a care, therefore, to observe the correct procedure in future and take necessary steps to make good the record in the above cases.

OGGETTO: Istanza per grazia di  
BUBACHEN Aissa

L'8.11.1943 la Procura Generale del Regno di Tripoli emetteva ordine di scarcerazione del Bubachen Ben Aissa, detenuto nella Casa Penale di Turi (Bari) e condannato dalla Corte d'Assise di Tripoli alla pena di anni 17 di reclusione per omicidio; lo stesso, con declaratoria dell'11.11.1942 in applicazione del R.D. di amnistia e indulto del 17.10.1942, aveva avuto condonati anni tre della pena residua.

La liberazione avrebbe dovuto avere luogo il 10.2.1943.

In seguito a ciò l'Amministrazione Militare Britannica della Tripolitania, tramite cotesta Sottocommissione Legale, con nota del 21.10.1944 -Legale/I. scarcerato il Bubachen in data 5.12.1944 .
