2. The Ministry has suggested that the approval of this HQ be obtained to the despatch of Guadagno. In the circumstances it may be impossible for us to withhold this but at any rate it is obviously necessary that the Ministry's attention should be drawn to the effect of his withdrawal. May this be done, please, and the desirability of sending a replacement for Guadagno before his withdrawal emphasised?

- 1) ☒ BALUGANI Giuseppe, giudice of the Urbino Tribunale - This man became for a short time mentally unbalanced. He was sent away for a holiday, and has now apparently completely recovered. Owing however to the fact that many of the people of Urbino knew of his condition, it would be wise if he could change places with some judge from one of the other Provinces in MARCHE. It is suggested that the exchange be made with the judge FELICI of Macerata who was a few weeks ago available for posting, and was actually offered to this Tribunale.
- 2) ☒ PITARI Ignazio, Primo Pretore of Urbino. This man suffers from diabetes, and cannot obtain in Urbino the treatment or food which he needs. The climate is also most unfavourable for a man in his state of health. It is strongly recommended that he be transferred to some Pretura in Sicily, and that the inevitable expenses which the move will cost him and his family be met by the Italian Government.
- 99 3) ☒ PAPARELLA Alfredo, Pretore of Novafeltria. This man is most unsatisfactory. His conduct is the subject of an enquiry which is being made now by the Procuratore del Regno of Pesaro. It is strongly recommended that this man be suspended at once. Even if it is found that his conduct has not given grounds for disciplinary action, he should be at any rate be removed from Novafeltria. He has not the respect of the people. An energetic replacement is necessary as this Pretore has the biggest arrears of cases in the Province. It also has two sedes districte which are by no means easy to get at. Suggestion as to replacement is made in sub-clause (5).
- 4) ☒ CONTI Primo, giudice of the Pesaro Tribunale. This man's qualification is that of Pretore, and he did an excellent job of work at Macerata Feltria, where, despite the destruction of the Records, the Pretura is now in perfect order. It is desired to appoint him Pretore of Urbino.
- 5) ☒ GRISAFI Armando, giudice of the Urbino Tribunale. This man would make an admirable Pretore for Novafeltria.
- 6) ☒ NARBESCHI Tomaso, retired capo segretario of the Pesaro Procura, wishes to be re-taken into service. It is recommended that he be appointed segretario of the Procura, as one of the former segretari. CAMILE Felice, has been appointed capo cancelliere of the Pesaro Pretura.
- 7) ☒ CATALDO Eugenio, editore of the Pesaro Tribunale. This man has already the qualification of a judge. He did not apply for appointment as such because his family lives in Pesaro, and he was afraid he might be transferred. It is desired to appoint him giudice of the Pesaro Tribunale in the place of CONTI Primo.

2. If all these appointments are carried through it will be seen that

no additional personnel is asked for. The only thing is that the Urbino Tribunale will only have a President and two judges. The work of this Tribunale can however be done perfectly well by these three, as there is little to do. In normal times this Tribunale was worked by a President and two judges.

3. The changes asked for in this letter are slightly different from those the subject of our conversation. They are however simpler, as they involve no additional personnel, and can be made rapidly.

4. On instructions from this HQ. L.O. Marche then discussed the matter with the Procuratore Generale, who recommended that, as Moroni was appointed as Volontario di Cancelleria and Segretario of the Urbino Procura on 16 Oct. Domanda di trasloco a Lastra di Siena (Firenze)

74

Codesta On. Commissione Alleata con foglio 31 agosto 1944
A.C.C. 4039/L corrispondendo a richiesta di questo Ministero
ha fatto conoscere fra l'altro: "che nessun trasferimento di
"notaio da un posto all'altro nel territorio del Governo milita-
"re può essere effettuato senza il consenso delle competenti au-
"torità locali del Governo militare". Ha proposto inoltre di cor-
rispondere all'uopo con gli ufficiali legali regionali competen-
ti per il tramite delle nostre autorità locali.

Successivamente è stato pubblicato nella Gazzetta Ufficiale
del Regno n°60 del 26 settembre u.s. il decreto legislativo luog-
gotenenziale 20 luglio 1944 n°209, il quale all'art.2 determina:
" Per la durata della presente guerra e sino a sei mesi dalla
" sua cessazione, il Ministro per la grazia e giustizia ha facol-
" tà, in casi di stretta e comprovata necessità di coprire, con
" proprio decreto, anche senza concorso, i posti notarili vacan-
" ti, trasferendovi notai in esercizio, che ne facciano domanda."

Infine con la ordinanza del Commissario esecutivo del Governo
Militare Alleato 30 settembre 1944, pubblicata nella menzionata
Gazzetta n°64 del 5 ottobre successivo, è stato disposto che il

./.

citato decreto entrerà in vigore ed avrà piena forza ed effetto di legge in ogni Provincia del territorio soggetto al Governo Militare Alleato a partire dalla data in cui il Prefetto di tale Provincia riceverà da codesta On. Commissione Alleata una copia del numero predetto della Gazzetta Ufficiale stessa.

In base alle menzionate disposizioni il notaio GARGANI Orazio, esercente in San Gimignano del distretto notarile di Siena, ha chiesto a questo Ministero il trasferimento senza concorso nella sede di Lastra e Signa del distretto notarile di Firenze, che risulta vacante, per gravi ragioni professionali e di famiglia essendo oriundo del distretto medesimo ed avendo il ^{di} cui padre per molti anni esercitato il notariato in Firenze.

Ciò premesso si prega di far conoscere se e quando il Prefetto di Firenze abbia ricevuto da codesta On. Commissione Alleata copia della predetta Gazzetta Ufficiale n°64 del 5 ottobre u.s. allo scopo di poter, nell'affermativa, chiedere al competente Ufficiale Legale Regionale, giusta le interese intervenute, il nulla osta al trasferimento senza concorso di cui trattasi, ove beninteso risultassero favorevoli al GARGANI le informazioni che questo Ministero chiederà sulla condotta in genere dello stesso interessato ed in particolare su quella politica precedente in relazione ad eventuale attività da lui svolta ai sensi del decreto leg. luog. 27 luglio 1944 n°159 contenente sanzioni contro il fascismo.

Ove invece il citato decreto n°209 del 1944 non avesse ancora forza ed effetto di legge nei territori suindicati

3)

questo Ministero dovrebbe indire, giusta le vigenti disposizioni, regolare concorso per trasferimento fra notai in esercizio per la copertura del posto di Lastra e Signa e provvedervi poi, previo nulla osta del competente Ufficiale Legale Regionale, giusta le intese suddette.

Tale provvedimento determinerebbe peraltro notevole perdita di tempo dovendosi, giusta le stesse disposizioni vigenti concedere il termine di mesi tre per la presentazione delle domande di concorso, che decorre dalla data della pubblicazione del relativo bando nel Bollettino Ufficiale di questo Ministero, laddove esiste la stretta e comprovata necessità di assicurare il servizio notarile nella sede di Lastra e Signa essendo alla stessa assegnato un sol posto di notaio. ^{peraltro} Si prega di compiacersi esaminare se convenga dare quanto prima al citato decreto forza ed effetto di legge nei ~~territori~~ suindicati.

Nella negativa, sarebbe opportuno che codesta On.le Commissione Alleata interessasse il competente Ufficiale Legale Regionale a provvedere direttamente in ordine alla copertura del posto suddetto. Per tale ipotesi, e qualora si ritenesse di conferirlo al detto GARGANI, questo Ministero non avrebbe nulla in contrario purchè le informazioni suindicate, che potranno essere chieste al Procuratore del Regno presso il Tribunale di Siena, risultino favorevoli allo stesso GARGANI.

Ad ogni buon fine si allega copia della istanza da lui prodotta.

Si sta in attesa di cortese sollecito riscontro.

SUBJECT : Judicial personnel of Forlì - Dott. VINCENZO Salvatore,
Dott. MICHAEL Leonardo.

To : H. A. the Minister of Justice and Justice.

1. In confirmation of today's telephone conversation with Gen. Bonelli and with reference to letter AC/4039/L of Jan 19, 1945, re court personnel Forlì the following suggestions of the Regional Legal Officer MICHAEL are passed to the Ministry for consideration.

Dott. VINCENZO Salvatore, a judge of the Tribunale of Bologna, who is at present residing at Salento, as a refugee has requested that he be appointed temporarily to the R. Pretura of Salento and Borgo di Romagna until such time as he is able to return to his regular duties at the Bologna Tribunale.

Both of the above requests have been without success for some time and it is considered desirable that the vacancies be filled.

Any authority be granted for the temporary appointment of Dott. Salvatore as Pretore of both Salento and Borgo di Romagna. When greater justice is made available he can then be appointed to be one of Romagna and Dott. VINCENZO will continue to reside only at Salento.

Dott. VINCENZO further states that he has not drawn his salary since September 1944, when he left Bologna. Any advice he obtained from the Ministry of Justice with regard to payment of his back salary.

Dott. MICHAEL Leonardo is a judge of the Bologna Court of Appeal and since last autumn has been residing as a refugee at Salento, Province of Forlì.

There is a vacancy for a judge in the Tribunale of Forlì created by Dr. Alberto LANCERI, who is believed to be in German occupied territory.

Any authority be granted for the temporary appointment of Dott. MICHAEL to fill this vacancy in the Tribunale until such time as he is able to return to his duties at the Court of Appeal, Bologna.

Dott. MICHAEL states that he has not drawn his salary for some time. Any advice be obtained from the Ministry of Justice with regard to the payment of his salary from 1 Jan 1945.

2. Early action on the above proposals would be appreciated.

Roma, 29 gennaio 1945 A

Protocollo N. 8105 200 34-

OGGETTO Missione dell'Avv. Giovanni BRASCHI.-

ALLA COMMISSIONE ALLEATA
Sottocommissione Legale

R C M A

372 A

Con riferimento al foglio AC/4039/L del 24 corrente si comunica che S.E. il Ministro ha fatto presente in proposito che l'incarico di fiducia dato all'On. Giovanni Braschi di visitare gli uffici giudiziari delle Romagne non doveva costituire il titolo per attraversare la linea di demarcazione militare, ma soltanto la base giustificativa per ottenere dal competente Ufficio Alleato, il permesso necessario.

Pertanto la precauzione dell'On. Braschi di presentarsi prima dell'inizio della missione ai funzionari dell'AMG. è stato in realtà un suo preciso dovere, venendo meno al quale si sarebbe esposto a comprensibili difficoltà.

S.E. il Ministro sottolinea inoltre che l'incarico si riferiva anche a sedi non ancora liberate: quanto sopra per chiarire che trattavasi in parole di un incarico che per essere adempiuto avrebbe dovuto essere integrato dalle necessarie autorizzazioni e dalle possibilità di fatto.
