TO : H. E. The Minister of Pardon and Justice.

1. Confirming today's conversation with Your Excellency this Sub-Commission wishes to express the opinion that the selection of H.E. IMPONE for the above important post is not considered altogether suitable.

2. As Your Excellency is well aware the office of a prosecutor before the Special Section needs a magistrate of great energy and zeal. Furthermore the food and lodging situation in Milan requires from all concerned devotion to duty and a spirit of self sacrifice which, it is regretted to say, does not appear to be one of H. E. IMPONE's chief virtues.

3. In these circumstances it is felt that it would be unwise to maintain in his present post an official who is not prepared to devote all his time and thoughts to his arduous duties.

As Your Excellency will no doubt agree, H.E. IMPONE should be replaced as soon as possible.

PROCURA GENERALE DEL REGNO - BOLOGNA

No. 614

30 Maggio 1945

✓
OGGETTO : CURCURIUTO Giuseppe segretario alla Procura di Bolzano.Al Signor Colonnello WILLIAM H. LEVIT. Capo Ufficio Legale
Regionale - BOLOGNA-

Segnalo alla S.V. la posizione del subindicato funzionario per una eventuale sua sistemazione provvisoria in un ufficio giudiziario di Bologna.

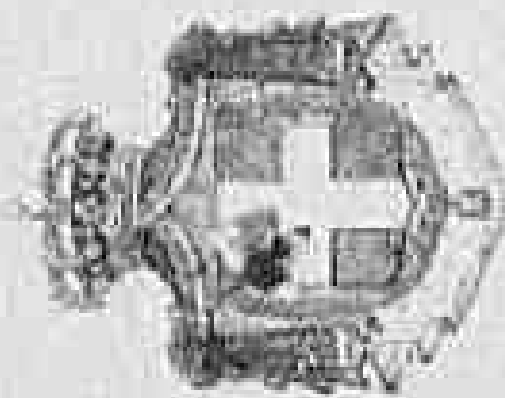

L'8 Agosto 1943 il Curcuruto veniva richiamato alle armi e assegnato al 272° fanteria a Bolzano. L'8 Settembre 1943 veniva catturato dai tedeschi e internato in Germania. Nel Novembre successivo poté rientrare in Italia e fu tenuto a disposizione del Comando Germanico di Bologna senza alcun compito. Nel Marzo 1944, dopo aver fatto trasferire la moglie e i figli da Bolzano per sottrarli a rappresaglie, si rese disertore e fino ad ora rimase nascosto nell'ospedale di Bagnarola (Budrio).

Avvenuta la liberazione della regione, il Curcuruto si è presentato alla Procura del Regno di Bologna per essere sistemato, avvertendo che non avendo né casa a Bolzano, né mezzi, (essendo rimasto fino ad oggi senza stipendio), non era in grado di ritornare alla sua sede di origine. Faceva pertanto istanza per essere trasferito in questa città.

In attesa delle eventuali disposizioni che a suo tempo potrà prendere il Ministero della Giustizia, mi permetto di pregare la S.V. di esaminare se non sia il caso di assegnare, con provvedimento temporaneo, il Curcuruto alla cancelleria della Pretura di Bologna, nella quale attualmente mancano undici funzionari, come segnalai nell'elenco recentemente trasmesso.

12 June 1945.

SUBJECT : Italian political courts - Personnel - Court of Cassation, etc.
TO : Regional Commissioner (Attn: Regional Legal Officer),
LOMBARDIA Region.

A conference with the Minister of Justice took place this morning. A number of points were discussed and the following decisions reached in common agreement,

1. Will you please issue an administrative order appointing Consiglieri Umberto Guidi and Bruno Medici to the Cassation Section. They are being duly promoted by the Ministry.
2. Lepore will not, repeat not, return to Milan. Perardi will also remain in Rome. It is hoped to appoint in the near future other Consiglieri to the Milan Section in order to constitute a second section if and when this becomes necessary.
3. The Minister is writing an official letter to the P.O. (copy to you) forbidding him to accept any document or letter signed by or on behalf of the "Commissario per la Giustizia", whom he considers, rightly I think, as juridically and otherwise non-existent.
4. A number of grade V will be promoted or transferred to the Court of Appeal of Milan before the end of the month.
5. It is C.I.'s opinion and the Minister's that ~~the~~ members of the Republican Army nor P.O.s should not be tried by the Court of Assize or the Tribunale Militare for the sole reason that they have been wearing a fascist uniform. Definite charges must be preferred against them and specific facts stated.
6. Personnel available from the south will proceed to Lombardy as soon as your "nulla osta" is received.
7. Lingale has left today for Milan and will report to you on his latest activities in Cremona.

6. Sansoni must go. This is definite and unavoidable. He has been found guilty by the Central Purification Commission and suspended. His activities after he left his post in Rome, went to Ancona, and then proceeded North are questionable. Kindly inform Molt. Sansoni should be replaced by the next senior councillor on the rolls.
9. The Minister is of opinion that the Court of Appeal of Brescia will not be very active for some time to come and can manage very well with fewer councillors.
10. The Minister approves the formation of the Purification Commission for the Magistracy under D.O. 35. Brichetti should sit as President until replacement is provided. The cases of PP Pignatti and P.O. Laviani should not repeat not be investigated by the present Commission. They are in "congedo" and should remain in that happy state until further instructions from the Minister. Please inform Cortesegna accordingly.
11. Minutes of the meeting which took place on Monday between PPA and IG of Milan and Torino will be welcomed.
12. The Minister is writing to Cortesegna confirming the latter's decision to suppress all holidays for judicial officials during the present emergency.
13. The appointment of a Commission to operate "Arrosti and Grotti" is approved. It should be done by Provincial Order. A new D.O. (35 B) covering similar bodies is in preparation.
14. Until further notice the Section of Cassation should remain in Milan.
15. Finance Sub-Commission expects to be able to authorize shortly the implementation of legislation increasing the salaries of State officials in the North.
16. Decisions of the Section of Cassation in Milan should be notified to you and forwarded to this Sub-Commission as soon as possible.

SUBJECT : Judicial Officials, VENETIE Region.
TO : H. E. The Minister of Pardon and Justice.

1. Pending the compilation of complete details of the personnel situation by Prime Presidente and the Procuratore Generale the Regional Legal Officer VENETIE forwarded to this Sub-Commission the following list of vacancies which are required to be filled as a matter of urgency:

PROVINCE	OFFICIAL REQUIRED	SUGGESTED GRADE
BELLUNO	Pretore for Belluno City	9
"	Pretore for Agordo	9
"	Pretore for Cortina d'Ampezzo	9
	2 Secretaries for the Proc. Regio	8 and 11
BOLZANO	Sostituto Procuratore del Regio	6 to 9.
"	Pretore for Chiusa	9
"	2 Cancellieri	8 to 10
PADOVA	Procuratore del Regio	5
ROVIGO	1 Cancelliere	8 to 10
TRENTO	Sostituto Procuratore Generale	5
123	Capo Segretario	8 to 11
"	Procuratore del Regio (Trento)	5
"	Presidente of Trib. (Rovereto)	5
"	2 Pretori for Trento City	6 to 9
TREVISO	1 Cancelliere	8 to 10
UDINE	Pretore for Tarcento	8 to 9
VENEZIA	2 Judges for Tribunale	6 to 8

//.

VENEZIA	Sostituto Proc. del R. o	: 6 to 8
"	2 Pretori for Venice City	: 8 to 9
VERONA	Sostituto Proc. del Regno	: 6 to 9
"	Pretore for Verona City	: 6 to 9
"	Pretore for Soave	: 6 to 9
VICENZA	Sost. Procuratore del Regno	: 6 to 8
"	1 Giudice aggiunto for Tribunale	: 8 to 9
"	1 Pretore for Vicenza City	: 6 to 9

2. In addition to the foregoing it is desired that 5 more Consiglieri di Appello be made available to the Venice Court of Appeal. These are not required for actual Court of Appeal work, as contrary to ~~my~~ expectations the Primo Presidente is quite content for the moment to carry on with only 2 Sections, since the present state of the work does not warrant any more. The additional Consiglieri are required for service on the Extraordinary Courts of Assize. There appear to be so many cases for trial in most provinces that it is clearly going to be necessary in most cases to set up separate Sections. At the moment there is a dearth of magistrates of the necessary grade, and if there is to be any hope of trying all the cases within the time limit imposed further judges of the necessary grade will be required.

3. The Regional Legal Officer wishes to draw Ministry's attention to the reluctance which is noticeable in VENEZIA to look to Rome for additional personnel. For this reason he recommends most strongly that, where possible, vacancies be filled by magistrates of Northern extraction.

4. In addition to the foregoing it is desired that 5 more Consiglieri di Appello be made available to the Venice Court of Appeal. These are not required for actual Court of Appeal work, as contrary to my expectation the Primo Presidente is quite content for the moment to carry on with only 2 Sections, since the present state of the work does not warrant any move. The additional Consiglieri are required for service on the Extraordinary Courts of Assize. There appear to be so many cases for trial in most provinces that it is clearly going to be necessary in most cases to set up separate Sections. At the moment there is a dearth of magistrates of the necessary grade, and if there is to be any hope of trying all the cases within the time limit imposed further judges of the necessary grade will be required.

5. Please submit the above requirements to the Minister of Grace and Justice, and invite him to do what he can to fill these urgent vacancies with the available magistrates at his disposal.

6. I refer once more to my RXII/LE/Reg/G/03 of 10 May 1945, particularly paragraph 7 thereof, in which I mentioned the reluctance which is noticeable in this Region to look to Rome for additional personnel. This reluctance persists to a certain extent but it is recognized that it will be impossible to carry on indefinitely without filling the vacancies listed above. I do, however, recommend most strongly that, where possible, vacancies in this Region be filled by magistrates of Northern Extraction.

7. I will press the Primo Presidente and the Procuratore Generale to forward the complete returns required by the Minister of Grace and Justice as soon as possible.

OGGETTO : Marco Aurelio SANSONI, Primo Presidente Court of Appeals Brescia; DE MAIO Giuseppe, Proc. Generale.

TO : H. E. The Minister of Pardon and Justice.

1. Reference Prot. N. 1995g/0549 of 14 May 1945.

2. Below for Your Excellency's consideration is an extract from a report submitted by RLO LOMBARDIA Region.

- "1. P.L.O. Brescia is adverse to replacing President Sansoni at the present juncture.
2. The reasons which have prompted his decision are set out hereunder:-

- (i) The Marc'Aurelio SANSONI formerly Primo Presidente of Ancona, is the same man who now occupies the post of Primo Presidente of the Court of Appeal of Brescia. In July 1943 SANSONI was transferred from Ancona to Rome to the Tribunale Superiore delle Acque Pubbliche. This latter post he occupied with grade III, on 8th Sept 43. In March 1944 he was transferred with the same grade to the Court of Appeal, Brescia as Primo Presidente. He maintains that his transfer to Brescia was effected against his will and under the threat of putting him in retirement and with grave damage to himself and his family. He refused to take the oath of allegiance to the Fascist Republican Government.
- (ii) From the personal observation and contacts with SANSONI I am convinced that he is an exceptionally capable magistrate who can be trusted to fulfill his functions with loyalty. If his replacement can be avoided I believe it would be to our advantage.
- (iii) The appointment of DE MAIO Giuseppe, as Procuratore Generale would be welcomed, although to the best of my knowledge he is unknown here.

3. This Division concurs with PLO's views as the statements made by President SANSONI appear to be confirmed

.//.

- 2 -

by the fact that he is persona grata with the local C.L.N.

4. Kindly advise the Minister accordingly.

5. The Procuratore Generale elect should take up his office as soon as possible".

3. Your Excellency's comments on the above information are invited.

4. It is understood that the decree appointing Sig. DE MAIO to Proc. Generale of Brescia has already been signed. Could this Sub-Commission please be informed at an early date whether and when Sig. DE MAIO will be ready to travel to Brescia so that the necessary arrangements can be made.

REF.: LEG/5045

5 June 1945

SUBJECT : First President of Court of Appeal, Brescia.

TO : H.Q. Allied Commission - Legal Sub-Commission.

1. P.L.O. Brescia is adverse to replacing President Sansoni at the present juncture.

2. The reasons which have prompted his decision are set out hereunder :-

(1) The Marc Aurelio Sansoni formerly Primo Presidente of Ancona, is the same man who now occupies the post of Primo Presidente of the Court of Appeal of Brescia. In July 1943 Sansoni was transferred from Ancona to Rome to the Tribunale Superiore delle Acque Pubbliche. This latter post he occupied with grade III, on 8th Sept. '43.

In March 1944 he was transferred with the same grade to the Court of Appeal, Brescia as Primo Presidente. He maintains that his transfer to Brescia was effected against his will and under the threat of putting him in retirement and with grave damage to himself and his family. He refused to take the oath of allegiance to the Fascist Republican Government.

(ii) From the personal observation and contacts with Sansoni I am convinced that he is an exceptionally capable Magistrate who can be trusted to fulfill his functions with loyalty.

If his replacement can be avoided I believe it would be to our advantage.

(iii) The appointment of De Maio Giuseppe, as Procuratore Generale would be welcomed, although to the best of my knowledge he is unknown here.

3. This Division concurs with PLO's views as the statements made by/

by President Sansoni appear to be confirmed by the fact that he is persona grata with the local C.L.N.

4. Kindly advise the Minister accordingly.
5. The Procuratore Generale elect should take up his office as soon as possible.

2. Non risultano magistrati di grado 5° di Genova bloccati fuori sede.

3. Si attende l'elenco dei magistrati in servizio attualmente a Genova e nelle altre sedi del Nord per provvedere alle eventuali sostituzioni degli assenti.

4. Si destina, in promozione, il giudice IANNARONE Nicola del tribunale di Milano alla Corte d'Appello di Bologna
5. Si destinano, in promozione, alla Corte di Appello di Milano, quali consiglieri i dottori LANNI Antonio, CALABRIA Pier Luigi, ACERRA Ettore, giudici nel tribunale di Milano.

6. Si destina a Milano temporaneamente il consigliere TRAMONTANA Nicolò della Corte d'Appello di Trieste.

7. Per quanto riguarda la proposta destinazione alla Corte d'Appello di Milano del dottor DE CAROLIS Roberto, presidente del tribunale di Rovereto, si ritiene opportuno far presente che detto magistrato è fratello di un ufficiale fucilato alle fosse Ardeatine ed è ormai l'unico sostegno della madre, con lui convivente a Roma, dove attualmente presta servizio presso la Corte d'Appello. Sia per tali motivi che per le sue condizioni di salute non sembrerebbe, quindi, il caso di imporre al DE CAROLIS il tramutamento a Milano.

F. Si rimane, comunque, in attesa di riscontro, particolarmente per quanto riguarda le nuove destinazioni di magistrati alla Sezione speciale della Corte di Cassazione di Milano.

SUBJECT : Presidents of Extraordinary Courts of Assize (DIL 142).

TO : E.E. The Minister of Pardon and Justice.

1. Your Excellency's attention is invited to the enclosed communication directed by the Prime Presidents of the Court of Appeal, Turin, to the Regional Legal Officer, PIRCHER. The problem set out therein is not limited to PIRCHER and identical suggestions have been received from all Northern Regions.

2. This Sub-Commission fully appreciates that owing to the serious character of offences dealt with by the Extraordinary Courts the office of the President should be held by a capable magistrate of sufficient experience. On the other hand Your Excellency will agree that the proper and rapid functioning of the Extraordinary Courts is a fundamental postulate paramount to any other consideration.

3. This Sub-Commission does not wish to put forward any formal proposal for the solution of this question nor will it take any action which would exceed the scope of Art. 6 of DIL 142 unless the Italian Government enacts the appropriate amendment authorizing the Presidents of Courts of Appeal to appoint grade 6 magistrates as Presidents of the Extraordinary Courts of Assize unless Your Excellency gives your assurance that it would be proper for the AMG to temporarily promote local judges holding grade 6 and have them assigned in grade 5 to the Assizes. Your Excellency might also wish to consider the possibility of transferring temporarily a certain number of Consigliere d'Appello from the South to the North and of delegating some other functions at present performed by grade 5 magistrates to officials holding grade 6 thus relieving the former for the work in the North.

4. Your Excellency will agree that in the light of the growing number of Extraordinary Courts and their Sections and owing to the increasing general scarcity of grade 5 magistrates this problem deserves a serious and urgent consideration.

72 5. Would Your Excellency please advise this Sub-Commission of the steps you propose to take *and of the total number of grade 5 magistrates whom you will have available for the North.*

OGGETTO : Corti d'Assise straordinarie.

Prot. 401.
Allegati: /On.le GOVERNO MILITARE ALLEATO
Regione del Piemonte
Divisione Legale APO 394T O R I N O

Giusta l'art. 6 del Decreto legge 22.4.1945, n. 142, il Presidente delle Corti straordinarie d'assise deve essere nominato dal Primo Presidente fra i magistrati di grado non inferiore a quello di Consigliere di Corte d'Appello.

Tale esigenza si ha posta e si pone in condizioni gravi, di fronte alle esigenze di servizio, data la scarsa disponibilità di magistrati, e data la necessità di destinare alle funzioni di Presidente della Corte d'Assise magistrati particolarmente idonei alla bisogna.

Se codeste Comando ritenesse che la lettera della norma potesse essere superata con il rilievo che l'applicazione di un magistrato di grado 6 a funzioni di grado 5 si intendesse legittimare la mia destinazione di dette magistrato anche alla Presidenza della Corte d'Assise, la questione resterebbe risolta. Se invece fosse diversa l'avviso di codeste Comando, mi permetterei prospettare al Comando stesso l'opportunità di un provvedimento di carattere legislativo che mi autorizzasse alla nomina di Presidenti delle Corti d'Assise straordinarie anche fra i magistrati di grado 6.

SUBJECT : Special Section of Court of Cassation.

TO : Regional Commissioner (Regional Legal Officer),
LOMBARDIA Region.

1. Reference your LMB/5038 of 31 May 45 re Extraordinary Courts of Assize and Section of Court of Cassation and your L/5067 of 1 June 1945 re judicial personnel, Milan.

2. I have discussed the personnel question of the Special Section with Banca with the following result:

a) It is agreed that Presidente Gialiano and Consigliere Tosca will remain at Milan.

b) according to Ministry's records the following Presidenti di Sezione should be in service with the Court of Appeal at Milan: ~~VILIPOLINI~~ Giovanni, ~~SORBINI~~ Aroldo, ~~GALLUCCI~~ Giovanni, ~~DE RUBIS~~ Gaetano. Please confirm that these gentlemen are in fact in Milan and indicate three of them whom you wish to be appointed as Consiglieri to the Court of Cassation Section. The Ministry will issue the appropriate decrees at once. When this is done the present members of the Cassation Section may return from Milan to Rome as per para 3 of your letter LMB/5038 of 31 May 45.

69 c) Contrary to your advice re Consigliere Berardi the Ministry now reports that R. S. Lepore, the P.G. of the Special Cassation Section is of the opinion that Berardi's appointment at Milan would cause a scandal. It appears that Berardi was sottosegretario tecnico per Giustizia (in fact vice-Minister of Justice) in Albania. However, if you are still satisfied that the appointment would not cause any difficulty the Ministry is willing to effect the transfer.

d) The Ministry is preparing a decree transferring Nicola IANNARONE to Bologna as proposed by you and Cartasegna.

e) ~~V. LAMBI~~, ~~FRAMONTANO~~ and ~~CALABRIA~~ have already been promoted to grade 5. Official communication to this effect will be transmitted to you to-morrow so that

Lanni and Galabrin who are already at Milan may assume their new duties without delay. DS CAROLIS Giulio is reported sick and his departure to Milan might be delayed.

f) The Ministry has decided to promote "per scrutinio" the following 3 magistrates to grade 4 :

- (i) GUIDI Umberto, Consigliere, Court of Appeal Milan.
- (ii) MANDICI Bruno, Pres. Sec. Tribunale Milan.
- (iii) PALADINI Ludovico, Consigliere Court of Appeal Milan.

The promotions will be effected this week and you will be able to employ the three magistrates either as Section Presidents of the Court of Appeal (to take place of three Section presidents referred above under (b)) or they might be assigned to the Special Cassation Section if additional Consiglieri are needed.

3. Please forward a copy of the AMI order appointing Cons. LEVI to Consigliere of the Special Section. Contrary to your LHM/5038 of 25 May 46 you now seem to propose to appoint GRAY to the bench rather than to P.M. of the Special Section. (Your 5007 of 1 June, para 3 refers). Please clarify this and transmit a copy of relative appointing order for the Ministry.

4. Kindly advise whether in your opinion it will be necessary to set up a second section of the Special Cassation Section at Milan.

SUBJECT : Extraordinary Court of Assize, LIGURIA Region, Personnel.
TO : Regional Commissioner (attn: Regional Legal Officer),
LIGURIA Region.

1. Lt Col HANFORD has advised this sub-Commission of the request submitted by CII to the effect that:

- (a) the following officials be removed because of their collaboration with Germans:
First President of Ct. of Appeals; Procuratore Generale of Ct. of Appeals; First President of Genova Tribunale; Procuratore del Regno of Genova Tribunale; First Pretore City of Genova; Cancelliere Capo of Genova Tribunale.
- (b) the following officials be appointed to the offices which will thus become vacant:
 - Dott. ARBUSTI, now President of Section of Ct. of Appeal to be First President Ct. of Appeals;
 - Dott. ARBUSTI, now Avvocato Generale to be Procuratore Generale Ct. of Appeals;
 - Dott. GATTI, now Consigliere of Ct. of Appeals, to be First President Genova Tribunale;
 - Dott. CHESILLANI, now substitute Procuratore Generale of Cassazione, to be Procuratore del Regno of Genova Tribunale;
 - Dott. Riccardo GAZZALI, now Pretore ausiliario della Pretura, to be First Pretore of Genova;
 - Sig. FOSCHI to Cancelliere Capo del Tribunale of Genova.

2. If you agree with the proposal of CII please have the necessary suspensions and appointments effected by an AEC order making it of course quite clear that these measures are of a temporary and provisional nature only. The Minister has been advised and agrees with this procedure.

Obviously in the absence of detailed information as to the behaviour of the individual officials during the German occupation and as to the actual personnel situation the Minister is unable to pass upon the request of the CII and consequently suggested that the admittedly urgent provisional appointments be made by the AEC. Kindly forward two copies of the relative order to this Sub-Commission.

3. It appears from Col. HANFORD's report that several additional magistrates of grade 5 will be needed to preside over the Extraordinary Courts of Assize in your Region. The Ministry is now examining the

//.

= 2 =

possibility of promoting qualified magistrates in service at Genova to grade 5. Simultaneously the Minister is casting his limited reserves of magistrates for suitable personnel to be sent to Genova. In this connection please be advised that Sig. MAFUEO Giuseppe, justice at Genova, (our AG/4039/L of 29 May 1945 refers), has already been promoted to grade 5. It is hoped that an official communication to this effect will be received here tomorrow for onward transmittal to you. You will then be able to use him at the Extraordinary Court of Assise.

4. It is proposed to return Dott. PAGLIAZZI Domenico, Sostituto Procuratore Generale Appello, from L'Aquila where he was temporarily attached, to Genova, his original official seat. You might wish to use his services as Pubblico Ministero at the Extraordinary Court of Assise. Kindly advise whether you agree to his return.

5. It would be of considerable assistance if you could expedite the compilation by the First President and Procuratore Generale of the information requested by the Minister in his circular forwarded to you with our AG/4017/2/L of 28 May concerning the personnel situation.

4 June 1945.

SUBJECT: Pres. of. Cas. Giuseppe Vogliotti. (actual)

TO: R.G. Piedmonte Region (for R.L.G.)

1. At the meeting which took place at the Palace of Justice when C.B.A. attended, the First President suggested that President of Cassation (retired) Vogliotti be requested to serve on the Section of Court of Cassation of Milan.
2. The Minister of Justice does not concur with this view as he considers that Vogliotti being grade II holds too exalted a grade to be a mere President of Section.
3. C.B.A. has suggested appointing Vogliotti, President of the Commission of Operation for the Magistracy in Milan.
4. Would you please approach H.E. Peretti Griva and find out whether he considers Vogliotti suitable and willing to accept such an appointment.

trasmetto l'unita domanda del magistrato segnato in oggetto, diretta al presidente del locale tribunale, con la quale chiede di essere riassunto in servizio.

Ho voluto assumere informazioni presso il Delegato provinciale dell'Alto Commissario per l'epurazione, il quale mi ha dato comunicazione di due denunce a carico del Dr. V. GEM, l'una del presidente del tribunale, del seguente tenore: " Ritengo doveroso segnalare che, a quanto sembra, il Dr. GEM avrebbe sollecitato, nel marzo 1944, il suo richiamo alle armi e la sua destinazione al tribunale di guerra di Firenze. Sembra altresì che egli abbia volontariamente seguito il detto tribunale allorché, per l'avvicinarsi delle armate alleate, si è trasferito nell'Italia del nord." L'altra del Comitato Toscano di Liberazione Nazionale così concepita:

" GEM Vinicio - giudice fascista repubblicano. Si è fatto richiamare nella giustizia militare per trasferirsi in alta Italia (Torino) Ad Arezzo, insieme con la moglie si sarebbe distinto nel fare la spia ai tedeschi in danno degli anti-fascisti".

Di fronte ad accuse così gravi e dato anche la lunga interruzione del servizio, non ho creduto di disporre la sua ammissione in possesso senza una particolare autorizzazione del Ministero, il quale vorrà valutare in ogni caso l'opportunità di destinare il GEM ad un tribunale diverso da quello di Firenze, nel quale egli non potrebbe assolvere le sue funzioni nelle condizioni necessarie al prestigio dell'ordine.

The Presidency of the Council has signalled to this office Signor L. Candelà, Vice Attorney of State, who under request of the Italian Government was reinstated from exile, in order to resume his service for the district of Milan, where he performed his duty in January 1940.

43

The Presidency of the Council has given communication of the arrival of Signor Candelà to the Italian Authorities in Milan but would be very grateful if a similar notification could be given to the Allied Military Authorities there in order to facilitate the reinstatement of Signor Candelà.

SUBJECT : Dott. Angelo Maria Gasbarro, Procuratore del Regno
Ravenna.

TO : H.B. The Minister of Pardon and Justice.

1. The AMG authorities strongly request the transfer and replacement of the above official. According to a report of the Provincial Commissioner this magistrate has been consistently disrespectful and obstructive and his presence in office at Ravenna is detrimental to the Administration of Justice.

2. The Procuratore Generale of Bologna recently visited Ravenna for the purpose of selecting the Pubblico Ministero for the Extraordinary Court of Assize. Upon his return he reported as follows:

"The Procuratore del Regno, Dott. Angelo Maria Gasbarro had to be turned down because he is unpopular; not for political reasons or because he is not capable, but because of his difficult character which alienates people, his absence of all tact and his reduced activity on account of his poor health. Though he looks well enough, his nervous system is somewhat shaken, especially since he lost all his belongings on account of the war."

3. The Prefect of Ravenna would appear to be extremely disturbed by the behaviour of the above magistrate and has written to that effect to the Ministry of Interior.

4. Could this matter be given an immediate consideration please.

2. I have also received an adverse report on this official from the Procuratore Generale of Bologna. He recently visited Ravenna on an inspection trip, and for the purpose of selecting the Pubblico Ministero's office for the Special Court of Assize. Upon his return he reported to me as follows:

"The Procuratore del Regno, Dott. 1. Two or three days after my entry into Ravenna the above came to the office and bitterly complained of the treatment by us because our EM'S:OR'S had his billet. He even intimated that he did not like gangsters like that who enter his house. He has been consistently disrespectful and is an obstructionist of the first class. When asked to come the conference about the appointment and setting up the Peoples court recently, he sent the assistant and then later at a second conference said he knew nothing about what happened in the first. When asked about helping getting this court started he said that he has no function to perform and that he is not the public minister. He told the rest assembled that the decree does not cover any one in Ravenna. He was asked to investigate with the questore these cases and he said it was the questores job and not his. He was asked to point the way and help and his reply was that he is not required by law to do so and that he would not do anything. He said if we allies have no respect for the Italian authorities to go ahead and do the job ourselves to which I replied that I have plenty respect for the Italian Penal code but that I had no faith in his desire to be useful. He is most argumentative and the prefect feels that the man should be sent away for the good of the people in general. In my judgment the man is wholly unfit for public service. The Clk. seem to intimate that the reason he hesitates to be useful in this work is that he had been friendly with the old fascist guard and also with the Germans.

I recommended that he be removed from this area for the good of the service.

1. Further to AC/4039/L of 1 June 1945 and with reference to yesterday's discussion with Your Excellency concerning the proposed appointment of Dott. ~~ROLLA~~ and ~~DE VILLA~~ to office of Primo Presidente and Procuratore Generale of Venice respectively.

2. The Regional Legal Officer of VENETIE Region is of the opinion that the importation from the South at the present juncture of new appointees to such important positions as Primo Presidente and Procuratore Generale would be most bitterly resented locally, and would be far from assisting the smooth administration of Justice.

3. Furthermore, the new Primo Presidente TRIGGIANI Gilberto, and the new Procuratore Generale, GERATTI Pietro, who, as Your Excellency is aware, have been temporarily appointed by the Regional Commissioner, are at present doing a magnificent job and it would be most inopportune to oust them at the present time. These appointments are of course of a provisional nature and do not prejudice Your Excellency's choice at a later date.

4. This Sub-Commission has repeatedly drawn Your Excellency's attention to the need for magistrates of higher career grade in other areas of Northern Italy to fill both judicial positions and functions in the various operation commissions. No doubt temporary arrangements could be made for Dott. ROLLA and DE VILLA taking into account these urgent requirements.

3. I take the strongest possible exception to the proposed appointments at the present juncture - for several reasons.

4. In the first place I consider that the importation from elsewhere at the present juncture of new appointees for such important positions as Primo Presidente and Procuratore Generale of the Court of Appeal would be most bitterly resented locally, and would be far from assisting the smooth administration of justice in this Region. I refer you to paragraph 7 of my interim Report of 10 May 1945, Reference RXII/LE/Reg/C/O3, to which your attention is closely invited.

5. Secondly, the new Primo Presidente, Pellegrini Gilberto, and the new Procuratore Generale, Segati Pietro, who have been temporarily appointed by the Regional Commissioner, are at present doing a magnificent job, and are working with a degree of enthusiasm and efficiency which I have never seen bettered or even equalled by any Italian officials whom I have met before. It would in my view be most unjust to oust them just now, and would, I feel sure, cause justifiable resentment.

2. I confirm by signal or to day 8 case, reading as follows:-

RXII/LE/Reg/C/O3 RESTRICTED (.) REFERENCE YOUR AC/4039/L OF 26 MAY 1945 (.) YOUR PROPOSALS ARE MOST STRONGLY OBJECTED TO (.) PLEASE TAKE NO ACTION AT PRESENT (.) LETTER FOLLOWS.

In the first place I consider that the importation from elsewhere at the present juncture of new appointees for such important positions as Primo Presidente and Procuratore Generale of the Court of Appeal would be most bitterly resented locally, and would be far from assisting the smooth administration of justice in this Region. I refer you to paragraph 7 of my interim Report of 10 May 1945, Reference RXII/LE/Reg/G/O3, to which your attention is closely invited. *attached*

5. Secondly, the new Primo Presidente, Pellegrini Gilberto, and the new Procuratore Generale, Segati Pietro, who have been temporarily appointed by the Regional Commissioner, are at present doing a magnificent job, and are working with a degree of enthusiasm and efficiency which I have never seen bettered or even equalled by any Italian officials whom I have met before. It would in my view be most unjust to oust them just now, and would, I feel sure, cause justifiable resentment.

6. Lastly, the present moment is in my view just about the most inopportune one for making a change. The acting Primo Presidente and Procuratore Generale have the affairs of the Region at their finger tips, and are at this moment working hard to get the Extraordinary Courts of Assize set up and working promptly, as well as sorting out the available judicial personnel for the maintenance of ordinary routine work. To replace them now, by strangers from elsewhere, would merely retard the progress of the urgent work now in hand. I could not conceive of a worse instance of "changing horses while crossing a stream".

7. In my view the present temporary appointments which the Regional Commissioner has made should stand for so long as the period of Military Government continues. When in due course the territory of this Region is restored to the Italian Government, it will then be for the Italian Government to decide what they wish to do, and to make new appointments if they so desire. Till then I recommend that nothing should be done, and I strongly urge that these two Key positions be left in the hands of the men of my own choice.

7. Outlook of Judicial Personnel

I find evidence, more particularly in Venezia, of a general reluctance to accept orders from Rome or to receive additional magistrates from the South. It is obvious that Italian Courts will be short-handed for the time being, both because of the "Epurazione" of certain of them, and also because of the additional calls on the time of judicial personnel resulting from the establishment of the Special Court of Assize. For the time being, however, I think it is better to accept this position, rather than seek to import additional personnel from the South.

SUBJECT: Tribunal of Verona.

File No: REL/LS/Ver/5/05.

1. I am informed that one of the judges of the Tribunale at Verona, Francesco Auguste, is at present residing in the Province of Mantova, where he went as a refugee during the German occupation.

2. I am further informed that advantage has been taken of his presence in Mantova to appoint him President of the Courassione Commission for the Province of Mantova. I think you will agree that an official from another Region, dependent on a different Court of Appeal, should not be appointed to this office, at any rate without consulting the Regional Commissioner and the President of the Court of Appeal concerned.

3. The return of this official to his proper station in Verona is now urgently required, in order to restore the strength of the Tribunale of Verona to the number required for carrying on the judicial business. I have to request, therefore, that this official be relieved forthwith of his present appointment in Mantova Province, and returned to his proper station at Verona.

4. In order to save delay I authorized you to correspond direct with Provincial Legal Officer, Verona, who can then make the necessary arrangements for transport, etc., direct with Provincial Legal Officer, Mantova.
