SUBJ CT: Return for the month of June 1944.

TO: Executive Officer, Rom Region, Allied Military Government

1. Owing to the tremendous increase of offences against our proclamations, all Officers assigned to this Division are now being taxed to the limit of their capacities). In fact I am being compelled to borrow officers from other Divisions in order to constitute the General Courts, which we are now being called upon to furnish.

2. The present strength of the Division is as follows:

Regional Legal Officer - Major Robert C. Hendrickson	O-523.804 (Amer.)
Legal Officer - Lt. Col. John L. Willis	32.704 (British)
" " - Major W.G. Elder (Canadian) M.Y.A.	
" " - Capt. Howell Jones	116.336 (British)
" " - Capt. Rosario A. Gaziano	O-343.094 (Amer.)
" " - Lt. Thomas L. Morris	O-1.797.333 (American)

IM and OR - none.

3. As I have repeatedly indicated there is an ever growing need in this Division for additional personnel.

Since the assignment of additional Officers seems out of the question may I suggest that it should be most helpful if we could obtain one or two intelligent enlisted men.

For your information, you may care to see this.
Acquittals are $\frac{1}{2}$ in ratio of 1 : 10 convictions, which
in my experience of AM Ct is about normal.
