SUBJECT : Promotion of Lt. Col. Hannaford.

TO : Executive Commissioner.

1. Lt. Col. G.G. Hannaford it is understood, was recommended for promotion to the rank of Colonel by the former Chief Legal Advisor Col. W.E. Behrens.

2. Lt. Col. Hannaford is now Deputy Chief Legal Advisor, a post which to date has always been filled by a Colonel.

3. Considering that the Legal Sub-Commission is fulfilling one of the most important functions of the Allied Commission and that Lt. Col. Hannaford has assumed, with all the required knowledge and efficiency, very considerable and new responsibilities, I should be grateful if urgent consideration could be given to his promotion to the rank of Colonel.

SUBJECT : Promotion, Major Anthony P. Nugent
TO : Commanding Officer, 2675 Regiment, A.C.

1. Transmitted herewith is the recommendation for the promotion of Major Anthony P. Nugent to the next higher grade.

2. Major Nugent came into Allied Commission from 2678 Regiment 1 Sept 1944 and on 7 Sept 1944 when I was Regional Legal Officer of Toscana Region he became my assistant. He served under me as such until 5 April 1945 when he was called to HQ Allied Commission to fill the post of Chief Counsel left vacant by the departure of Lt. Col. Grossman. Since that date he has been carrying on the work of Chief Counsel.

3. In February 1945 Major Nugent was recommended for promotion which was sent through regular channels from Toscana Region, but I felt the recommendation should be renewed since the Region has closed and I am now with Allied Commission as Chief Judicial Officer.

4. Since this officer's ratings have all been "Superior" and he has expressed to me his willingness to remain in the Army for the "Duration plus, six months" it is my wish that he be promoted to Lt. Colonel equalling the rank of the former Chief Counsel whose post he has filled for over five months.

SUBJECT : Recommendation for promotion.

TO : G-4 (A), HQ, ACC.

1. Major E. L. Palmieri, O-532562, is strongly recommended for promotion to the grade of Lieutenant-Colonel.

2. This officer while a member of this Sub-Commission has made many important contributions to its operation. In January and February of this year he made a survey of the Allied Military Government as well as Italian Civil Courts in the city of Naples which survey was used to effect vital changes in the functioning of these courts. In March and April last, this officer made a study of the Italian court system of Sardinia and succeeded in doing a most excellent job of reorganization there. In Sardinia he located members of the Courts who had fled from the bombed city of Cagliari, brought them back to the city, had the court buildings repaired, located living quarters for the judges, established a mess for them and re-established a functioning court system. For this work he received mention in letters of Lt. Gen. MacFarlane, former Chief Commissioner of ACC and the Regional Commissioner. These achievements including other work done at Potenza Bari and Rome merit the highest praise.

3. More recently this officer has rendered distinguished service in his handling of defascistization matters and has acted as Liaison Officer with various Italian Ministries and other Italian Governmental agencies.

4. Major Palmieri has always performed his duties in a superior manner and has exhibited outstanding qualities of leadership. He is eminently qualified to assume the duties of a Lieutenant Colonel.

1. G-1 E/51/A of 12 Sept 44 alters the procedure for the recommendation of British officers for promotion.

2. Under the new procedure, the quarterly return does not itself constitute a recommendation for promotion; it is merely a record of those officers in respect of whom a recommendation on AFB 194 D has already been submitted, but who have not been promoted since that submission.

3. Will RLOs make sure that in respect of all British legal officers whom they consider to be fit for promotion on AFB 194 D has been submitted. If not, will they arrange for one to be submitted as soon as possible.

4. It is pointed out that all previous recommendations for promotions which have been made on the quarterly return and have not been supported by AFB 194 D are regarded as cancelled.

SUBJECT: Promotion of Lt. Col. Theodorah, H.A.R.O.

TO : AGO & AF Section - Establishments.

1. Further to my letter of 13 June 44 ref. AGO/1066/1 and to previous correspondence on this subject addressed to the Establishments Officer, I am particularly anxious that the necessary steps to adjust the above-named officer's seniority should be taken without undue delay.

2. Col. Parson in conversation mentioned to the writer when officers were selected for promotion that promotions to acting rank were fixed in accordance with their seniority inter se as majors. That this was not, in fact, so is shown by the attached extract from Army List.

3. Furthermore I have already set out in my letter of 7 June 1944, ref. AGO/1066/1, certain cogent reasons why such an adjustment is called for, and there are others given hereunder, but in reply to para 4 of the Executive Officer's letter of 11 June 1944 - ref 16612/C-1, it should be stressed that in the quarterly return rendered on 25 Feb. 1944 it is specifically stated that my recommendations for promotions would have been submitted earlier had it not been for instructions received to hold them. Moreover, the record should show that when Lt. Col. Theodorah was posted originally to Region IV under Brigadier Gurn on or about 4 Sept. 1943 he was then recommended for promotion to the rank of Lt. Col. corresponding to his appointment as Chief Counsel in that set-up, but that on my application for his transfer to HQ AD Legal Sub-commission, this promotion did not take effect in his case although similar recommendations in respect of certain of his former colleagues in Region IV were rendered effective.

4. Furthermore from a professional as well as a purely military standpoint, Lt. Col. Theodorah, who is an English barrister of 23 years standing, now finds himself subordinated in the new Subcommission to a colleague much junior to him in both these respects, who has lately joined my staff. A matter which occasions me considerable concern. Incidentally Lt. Col. Theodorah, also now finds himself junior to other officers of the AGO who are his juniors in the Pioneer Corps. (Vide attached extract).

5. Finally, if the determining factor is one of active military service in the present war, then reference to Lt. Col. Theodorah's record will show that the claim that he should be treated on at least an equal footing with those of his colleagues lately commissioned from civil life is undeniable, and it is submitted that this factor alone should suffice to ensure his case receiving favourable consideration, so that his promotion may be antedated as early as possible - in any case not later than 6 January (Ref. AGO 1066 of 29 May 1944).

1 Enclosure.

Acting Head, Admin. Section.

1. Returned herewith efficiency report of Major Henry L. Glenn completed in duplicate.

2. I cannot complete the report of Major Stump. I have only seen him a few times and have had no occasion to observe any of his work. Others with whom he has served have given no favorable reports. I believe that he worked in the Naples AMJ Courts under Col. Weber now R.L.C. Region 3. Possibly Col. Chapman formerly ILO Region 3 could help out. Major Stump was originally I believe assigned to Region 4.

SUBJECT: Efficiency Reports.

TO : All Concerned.

1. Under the provisions of AR 600-185, dated 13 October 1942, as amended, the following information is published for your guidance in accomplishing semi-annual Efficiency Reports to be rendered as of 30 June 1944.

I - FIELD GRADE OFFICERS

1. An Efficiency Report on WD AGO Form Number 67 will be rendered on each officer of field grade of all components by the Senior (American) officer within each Company or Sub-Commission of Allied Control Commission on 30 June 1944 for the preceding six (6) months, (1 January 1944 to 30 June 1944 inclusive). Efficiency Reports will be rendered in duplicate on officers of field grade and on officers specifically subject to provisions of paragraphs 3b and c, AR 600-185. Original and duplicate copy will be signed by the reporting officer and forwarded to higher authority, as stated in paragraph 6, AR 600-185. All reports will be forwarded by the reporting officer within 10 days after close of the period covered by the report, - Change #5, AR 600-185, dtd 14 Apr 44.

2. This Efficiency Report consists of completed paragraphs, A, B, C, E, F, H-10, L, M, N, P, Q, and S of WD AGO Form Number 67. No others will be filled in. Paragraph 3c, AR 600-185, states that a full report may be submitted if the reporting officer so desires. However, in view of the number of field grade officers in this organization, and in order to provide a system of uniformity, it is requested that no full reports be rendered.

a. Paragraph "A" will include name, serial number, grade, arm or service, organization and official duty status of the rated officer to the officer rendering the report.

b. Paragraph "B" will show the entire six month period for which the report is rendered regardless of the length of time the officer reported upon has been under the command of the reporting officer. However, in the event that a SPECIAL Efficiency Report has been rendered on an officer for any portion of the six month period and the WD AGO Form 67-1 so indicated, the semi-annual report will not include that period of time, but a notation to that effect will be entered under Paragraph "P".

c. Paragraph "C" will include all stations at which the officer served during the period covered by the report. Such entries as "North Africa", "Sicily", "Italy", "Camp Grant, Ill", etc., are appropriate.

Ltr, Efficiency Reports, dtd 2 June 44.

d. Paragraph "E" will be confined to principal duties and will include all such duties performed during the period covered by the report.

- (1) Basis for opinions will be indicated by lining out inappropriate words. Example: "Frequent observation of the results of his work". All others lined out.
- (2) Duties performed at other organizations or under other commanders, the length of time of these duties, and the manner of their performance have been transcribed from entries on WD AGO Form Number 66-1, on file at this headquarters. In the event that there are no entries on the enclosed Efficiency reports, it is to be understood that there are no entries on WD AGO Form 66-1 (or that WD AGO Form 66-1 is not on file at this headquarters).
- (3) If principal duties for any period of time are not recorded and the officer upon whom the report is rendered cannot furnish necessary information or no duties have been assigned for any period, a remark, "Unknown" followed by the period of time will be made.
- (4) All fractions of months will be shown in thirtieths, (5/30, 14/30, etc). The total length of service shown in this paragraph will agree with length of service covered by the report.
- (5) In describing the manner of performance of duty or in making any ratings, the following terms will be used:
 - (a) Superior: Outstanding and exceptional performance of the particular duty reported upon. Personal characteristics, professional qualifications, or efficiency above that considered EXCELLENT. (SUP).
 - (b) Excellent: Performance of the particular duty reported upon in a very efficient manner. Personal characteristics, professional qualifications, or efficiency above VERY SATISFACTORY but below SUPERIOR. (E).
 - (c) Very Satisfactory: Performance of a particular duty reported upon in an efficient manner, or efficiency above that acceptable as SATISFACTORY. (VS).
 - (d) Satisfactory: Performance of the particular duty reported upon or personal characteristics or professional qualifications up to a minimum standard - passably efficient. (S).
 - (e) Unsatisfactory: Performance of the particular duty reported upon or personal characteristics or professional qualifications below minimum standard - inefficient. (U).

Ltr, Efficiency Reports, dtd 2 June 44.

- (f) Unknown: To be used in all cases in which the reporting officer has had insufficient opportunity during the period covered by this report to observe the officer report upon to permit a rating as to the performance of the particular duty, his personal characteristics or professional qualifications. (Unkn).
- (6) Whenever an efficiency report contains entries which may be considered in any sense unfavorable, the reason for the entry will be clearly stated, and the reporting officer will refer the entire report by indorsement to the officer reported upon for remark. (Par 5, AR 600-135).
- (7) In all cases the rating of "Unsatisfactory" will be considered as unfavorable except when based on physical condition of person reported upon. Any comments which detract from the reputation or the lack of good qualities of the officer will also be considered as unfavorable. For the purpose of determining when a report is to be referred to the officer reported upon, no distinction will be made between unfavorable entries of fact and opinion. (Par 5, AR 600-135).
- e. Paragraph "F" will be filled out completely by indicating an "X" in the appropriate square. If any of the six items are unknown it will be indicated by placing an "X" under the Unknown column.
- f. Paragraph "H-10" only will be completed. Paragraph "H-1-9" inclusive will be left blank.
- g. Paragraphs "I", "J", "K", "O", and "R" will not be filled out.
- h. Paragraphs "L" and "M". If the answer to these are "No", then fill out accordingly.
- i. Paragraph "N" will be specific and give sufficient information to permit higher authority to gain an adequate idea of the future value of the rated officer. It will also include the following statement: "In comparing this officer with all officers of his grade known to me, I would place him among the (Upper) (Middle) (Lower) third".
- j. Paragraph "P" will include the following statement: "This officer (is) or (is not) performing duties commensurate with his grade."
- k. Paragraph "Q". If the answer is "NO", then state No unfavorable entries.
- l. Paragraph "S" will be filled out completely and if no inclosures, so state.

Ltr. Efficiency Reports, dtd 2 June 44.

Dear General:

I understand that Col Upjohn has spoken to Col Barron with regard to the seniority of Lt Col Thackrah in the recent promotion list, and pointed out that the date of his promotion has made him junior not only to officers of his own corps to whom he was previously senior, but even to an officer in his own office namely Lt Col Campbell. Col Upjohn wishes this rectified and the correct order of seniority in his own office restored. Col Barron was understood to say that the list was arranged so as to maintain the previous order of seniority.

Col Upjohn has had the seniority as majors of the officers concerned looked up in the Army list (copy enclosed) from which it appears that Lt Col Thackrah is seventh senior of the officers concerned and as such would appear to be entitled to one of the vacancies for Lt Col dated 6 Jan or earlier, which appear in the list; if, as is understood, the promotions are in order of seniority.

Col Upjohn does not wish to take this matter up officially if this information is sufficient to enable the matter to be adjusted, will you please let me know whether this will be done.

While on this matter I note that my own seniority would put me fourth in the list, can something be done about that, especially as there is a letter 48/Gen/7333 MB 1 of 23 Jul 40 according priority to re-promotion of officers re-employed in appointments of lower grade than those appropriate to their substantive ranks. As you know I was Lt Col on the TAR (date 1 Jan 1933)

Copy to Legal.

2. I have to point out that Lt. Col. Thackrah was promoted to the rank of Major as long ago as 6 April 1942. As Col. Farren informed me that the promotions recently announced were dated according to seniority it seems that some mistake must have been made in the case of Lt. Col. Thackrah for he must have been one of the most Senior Majors to be promoted.

3. May the matter be further investigated please.

2. I am afraid we can not alter the date of Lt.Col.Thackrah's promotion.
3. The promotion lists were very carefully made up.
4. Your letter No.ACC/4066/L dated 5 Feb was the first recommendation we received on this Officer.
5. I would also point out that it has frequently been stressed that promotion in A.C.C cannot be made to fill certain vacancies or in view of the appointment which a particular officer is filling.
6. We have attempted to get these dates as fair as possible. The final list was approved by H.Q. A.A.I and I cannot agree that injustice has been done.

ACC/4066/L.

SUBJECT : Promotions (Lt.Col. Thackrah).

TO : Establishments Office (Attn. Col. Farren.)

1. Referring to conversation Col. Farren - Col. Upjohn last week I have to point out that considerable injustice has been done to Lt. Col. Thackrah in that his promotion is dated to take effect only from 13 March 1944.
2. This officer has been carrying out very responsible work since he went to AOC then at Bristol in the early part of 1943 November and he was in fact the only legal officer permanently attached to A.C.C. until it merged with A.M.C. at the end of January, (see my letter ACC/4066/L to GI British dated 5 Feb. and quarterly return of officers recommended for advancement dated 23 February). Lt. Col. Thackrah (who is an exceptionally able officer) is therefore particularly deserving of promotion from the earliest possible date which I understand is 6 January and in view of his financial circumstances into which I have inquired it is particularly important to him that his promotion should be antedated as far as possible.
3. Any steps be taken to remedy this injustice please.

SUBJECT : Promotions.

TO : G - 1, (American), Hq, ACC.

When Col. Spofford went to AFCS over the matter of promotions for U.S. officers I spoke to him about promoting Lt. Col. R. H. Wilmer, O117543, CAC, to Colonel and he promised to see what could be done about it.

This letter is to confirm in writing the application I then made verbally to Col. Spofford.

Lt. Col. Wilmer's record is as follows:

was Battery Officer, Battery Commander and Coast Defence Adjutant in CAC in World War I, and was active in Reserve Corps 1919-30 with successive grades of Captain, Major and Lt. Col.

was recommissioned Lt. Col. CAC, 17 Dec. 1942 and entered active service 29 Dec 1942. Before going into Military Government on 17 May 1943 he was Battalion Commander of an anti-aircraft battalion, following graduation at Command and Staff Course (Advanced) at Camp Davis, N.C. and having served on the Staff of the 12th CA Group (AA).

He arrived in North Africa after graduating from the School of Military Government, Charlottesville, Va.

Shortly after arrival he was appointed Deputy Chief Legal Officer, 9 which appointment he now holds.

As is well known to you, he is and has been exceptionally brilliant as DCLO and I respectfully submit that his record, abilities and hard work entitle him to be placed very high on any list of persons to be promoted to Colonel.

Officer i/c Italian Section	Rank of Lt. Col. same office.	no return made	Brig.Gen. McShane made a recommendation on 1943 just before he left in Nov. No doubt AG files will show this. He was also recommended for promotion by then C.I.O. by letter dated 22 Oct. 43 (ACC/4066/L) and by me on 5 Feb. 44. - ACC/4066/L.	This officer has discharged his appointment, which on the original war establishment carried the rank of full colonel (A), since the invasion of Sicily, and has proved himself exceptionally able and hardworking. His promotion is long overdue and it is requested that it be granted as soon as possible. The D.C.L.O. (A) entirely agrees with the above.

This officer has discharged his appointment, which on the original war establishment carried the rank of Lt. Col., with outstanding ability since he arrived in Brindisi in Oct. 43. He was largely responsible for the initiation of a happy relationship with the Ministry of Justice and over a period of three months carried out the difficult and delicate task of controlling the Ministry with the utmost distinction. It is requested that the promotion of this officer also be expedited. The DCLO (A) entirely agrees with the above.

AGO 354/1066/7

SUBJECT: Promotion of Major Marc J. Grossman, Special Reserve (651559).

TO: AGO 354 (10.1.1).

1. As Deputy Chief Legal Officer, AGO, I strongly recommend Major Grossman for promotion to the rank of Lieutenant Colonel, Spec. Res.
2. Major Grossman was in the Section I had charge of at the School of Military Government, Charlottesville, Va., attending the class beginning 15 May 1943. His work there was of the highest order and I placed reliance on him more than any other one officer in this section.
3. For several months he has been Chief Counsel of the Legal Subcommittee. He has discharged his duties as Chief Counsel in a highly satisfactory way, intelligently, loyally and conscientiously.
4. He entered the Military Service as Major, Spec. Res. on 10 May 1943, and since 15 May 1943 has been engaged entirely in matters of Military Government and latter Allied Control Commission.
5. Before entering the Military Service, Major Grossman was an outstanding lawyer and civic leader of Cleveland, Ohio, in addition to giving much of his time to aiding various U.S. Government departments in various matters.
6. Major Grossman has earned the full respect of British and American military personnel alike.
7. Col. Upjohn (B), Chief Legal Officer joins me in making this recommendation.

Brigadier-General P.J. Ashbury,
D.C.S.O.

22nd October, 1943.

I am very anxious to appoint Major Burnford with the rank of Lieut. Colonel to the position of officer in charge of civil courts which is as yet unfilled.

Major Burnford has been in charge of Italian Courts since the planning days at Giza. He has had a lifetime experience with French and Italian Courts, having practised at Nice most of his life, and has a vast and comprehensive knowledge not only of Italian law and the Italian Judicial system but also of Italian affairs in general. Since our arrival in Sicily he has shown marked initiative and ability in going about the business of reorganising and reopening the Italian Courts and re-establishing the local judicial system on a sound basis. Quite apart from the fact that his record of successful achievement obviously entitles him to this promotion, I am confident that no officer available could be as qualified as Major Burnford for this very important post.
