Dear Colonel *W. J. Jones*,

1. I attach copies of

(i) a letter from ACC HQ to the D.C.C.A.O. AFI, LA.R4/1066 dated 18th January 1944.

(ii) a letter from the Director of the Labour Sub-Commission to R.C.A.O. Region IV, 091,447 dated 7th February 1944.

(iii) a letter from R.C.A.O. Region IV to S.C.A.O. AMG 5th Army, 350.6 dated 14th February 1944

regarding the dissolution of national Fascist organisations.

2. I have discussed the proposed order which it is suggested the S.C.A.O. AMG 5th Army should make when he gets to Rome with General Hume and I have advised him apart from the value of such an order that it would be properly made on the level of the CCAO as although it abolishes Fascist organisations which have their head offices in Rome it is of national effect.

3. If such an order is to be made may I suggest that it would be tidiest and better drafting to do so by amending Article I, Title Two of General Order No. 5 and to effect this I attach a proposed amended Article.

4. I would add that the references to the Fascist organisations in the letter under reference in paragraph one (ii) above are inaccurate but have been corrected in my proposed draft.

5. A copy of General Order No. 5 is attached for ease of reference.

1. Herewith copy of a letter (Ref. LA/R4/1066), dated 18 January 1944, from Brigadier M. S. LUSH, DCCAO, HQ Allied Forces in Italy, AMG, to the Allied Control Commission, setting forth in paragraphs (2) and (3) thereof, proposals to dissolve certain Fascist Confederations and National Fascist Labor Associations.

2. Also herewith copy of a reply signed by Col. BAIN, Director of the Labor Sub-Commission, Allied Control Commission, by Command of Lieutenant General MACFARLANE, (Ref. 091.447), dated 7 February 1944, stating that no objection exists to the dissolution of the organizations listed, and that three additional organizations should be included among those to be dissolved.

3. I am informed by Major TANNER, Director of Labor, this Region, that in a conference with Col. BAIN this morning, the latter expressed the opinion that the reply noted above was sufficient authority for the preparation and execution of such an order by the SCAO, AMG 5th Army, in order that it might be posted concurrently with General Order No. 5, contingent upon the occupation of Rome.

4. It is therefore suggested that an order of dissolution be prepared and executed by the SCAO, AMG 5th Army, consistent with the documents set forth in paragraphs (1) and (2) above.

Referring to paragraph 1 of your ACC/L/303 of 5 Jan 44, there is enclosed herewith the draft of a proposed General Order for early publication in 15th Army Group Areas.

2. At the present time a complete prohibition on land transactions is in effect in these areas as a result either of the publication of Proclamation 5 or as a result of the posting of special Provincial Orders in the same terms as those of Article III of that Proclamation.

3. When the prohibition is modified it is important that it be done in terms which will be substantially similar to those used in Regions 1 and 2 and in close conformity to the policies of unoccupied Italy. Accordingly, your comments on the draft Order would be appreciated.

TO : Deputy Vice President, Economic and Administrative Section

1. Attached is final draft of proposed General Order concerning the right of employees to organize for the purpose of collective bargaining. The Order is prepared for Regions I and II, but if approved should issue simultaneously in similar form and substance in Regions III and IV and such other areas where General Order No. 8 (Sicily) has been extended to the Mainland. This draft has been cleared with the Legal Sub-Commission.

2. The Order is essential in the labor program which has been inaugurated in Sicily and the Mainland, and should issue without delay. Efforts to procure approval of the principle established in the Order go back to October, 1943, when a request for advice and instructions were submitted to Combined Chiefs of Staff. Approval was finally received on 27 December, 1943, by letter from A.F.M.G. copy of which is attached. The balance of the items referred to in said letter will be covered by instructions to be distributed in the field.

SUBJECT: Organization of Italian Labor.

TO : HQ, Allied Control Commission
HQ, Allied Military Government, GMP

1. Reference is made to a message originated by HQ, AMG, Sicily, number A-543 of 16 October, in which instructions were requested as to whether or not employees in Sicily should be granted the right to organize and select representatives for the purpose of collective bargaining.

2. It was considered that the matter was one which should be decided not as affecting Sicily alone, but as one requiring the definition of a policy which would extend throughout the Kingdom of Italy. This was felt to be desirable, particularly in view of the procedure approved by the Badoglio Government on 2 September.

3. Approval has now been given by the Combined Chiefs of Staff to permit, on a strictly voluntary and democratic basis,

- a. The election of shop stewards, who are to be unpaid workshop representatives of non-Fascist Labor Unions, and
- b. Employees to organize and to select representatives for the purpose of collective bargaining.

The foregoing will be subject at all times to the authority of the Deputy President, Allied Control Commission, to approve or disapprove any agreements which may be entered into.

4. Only in case of doubt need reference be made to this Headquarters, but it is desired to stress the importance of maintaining trade union responsibility in carrying out the above policy.

LEGAL SUB-COMMISSION

AMG/4074/L

8th December, 1943.

SUBJECT: General Orders.

TO : Colonel G. G. John,
A.C.C. Brindisi.

Dear General,

1. I am sending this letter in answer to yours of 3rd December received yesterday by quickest route whatever that may prove to be.
2. Guy Haruuford's letter of 7th December enclosed herewith answers your questions in paragraph 3 of your letter.
3. Guy's letter also answers para. 4 of your letter.

4. Salerno and Sorrento both were definitely off yesterday. A somewhat reduced party was then made up to go to Naples on Thursday but transportation difficulties developed. I still have listed, and have approval for, the following officers and other ranks: Marc; Guy; Ed. Palmieri and my self; S/Sgt. Wright. I/Opl. Pappas and Opl. Latella. This, aside from the Chief Judicial Officer Group and Mat. Correas' Group which now includes Lt. Col. Willis and Major McAdyeen who have arrived, leaves Dawson and Opl. Principiano here to be sent for when I can. I wanted Dawson to be here for a while to see that things coming in late are routed to us. Opl. Principiano has not finished with the Ustion Hearings. This morning Guy was taken ill and is in the hospital. He may have to be operated upon. I think it most unlikely he will come with us. The latest is we all travel by convoy leaving Saturday morning, also that we go to Sorrento after all. Rely on none of this, however, as it all may be changed. George Farlin has not arrived and I have sent for him again. The story is that the last of A.C.C. party was one day and night on a boat at Algiers and was taken off and sent back to Tizi Ouzou.

5. The papers referred to in paragraphs 7 and 8 of your letter were started on their way last night by Guy.

6. Guy's letter of 7th December with enclosures covers the matters referred to in paragraph 10 of your letter. He told me that with these papers in hand there can be no misunderstanding. By way of further explanation, the heading "Posti Vacanti" in the typewritten list means posts that were vacant when the Allies came in or posts from which judges subsequently were removed.

approval for, the following officers and men: L/Cpl. Pappas and Cpl. Latella. This, Palmieri and my self; S/Sgt. Wright. Officer Group and Mat. Correia's Group which aside from the Chief Judicial Officer Group and Major McRadyean who have arrived, leaves now includes Lt. Col. Willis and Major McRadyean who have arrived, leaves Dawson and Cpl. Principiano here to be sent for when I can. I wanted Dawson to be here for a while to see that things coming in late are routed to us. Cpl. Principiano has not finished with the Ustica Hearings. This morning Gay was taken ill and is in the hospital. He may have to be operated upon. I think it most unlikely he will come with us. The latest is we all travel by convey leaving Saturday morning, also that we go to Sorrento after all. Rely on none of this, however, as it all may be changed. George Parlin has not arrived and I have sent for him again. The story is that the last of A.C.C. party was one day and night on a boat at Algiers and was taken off and sent back to Tizi Ouzou.

5. The papers referred to in paragraphs 7 and 8 of your letter were started on their way last night by Guy.

6. Gay's letter of 7th December with enclosures covers the matters referred to in paragraph 10 of your letter. He told me that with these papers in hand there can be no misunderstanding. By way of further explanation, the heading "Posti Vacanti" in the typewritten list means posts that were vacant when the Allies came in or posts from which judges subsequently were removed by us, by resignation, by being pensioned, or by death. The heading "Titoli della Destinazione" signifies the method of filling vacancies i.e. by promotion, transfer etc. This typewritten list shows appointments approved by General McSherry, as they stand today. All others are in the printed booklet enclosed. The only vacancies not filled in 1943 are those marked "N.M." in the printed booklet. That is before we came in the Italian Government itself had not filled them. All this I understand to be correct as the result of much cross examination last night. I enclose a copy of a letter Gay wrote last night to Major Howe about the Reggio di Calabria Court.

7. The directive to legal officers concerning promotions etc. in Italian Courts will be prepared in accordance with what you say in paragraph 10 of your letter. However, you will recall that we touched on this to some extent in paragraph 8 of our Iony directive (copy as approved is enclosed) on change from A.M.G. to A.C.C. that has not been released yet and will not be until restoration is imminent. Therefore our directive dealing more specifically with the contents of your paragraph 10 can not go out. In a conference with Moide, I had him select the three legal officers he wants to be attached to the three First Presidents in Region I. I have not written to Major Howe on this and prefer not to do so until we are closer to the dead line.

8. Documents A, B and C have never been received here.

Dear *Shields*, 3000, copy of

calling on sending you Proclamation No. 6 with the additions which after weeks of ~~calling~~ back and forth have been accepted. The mountain clearly produced a mouse, but I think it will be helpful. FLAGS AND NATIONAL ANTHEMS.

In view of the status of obelligerency which has been granted to Italy, Article VI of Proclamation 11 shall be amended to read as follows :-

Section 1.

DISPLAY OF FLAGS AND SINGING OF NATIONAL ANTHEMS.

The public display of any flag or colours of any nation which is at present actively prosecuting war against Great Britain or the United States and the public singing and playing of the national anthem and any other patriotic or political song or music of any such country are prohibited.

Section 2.

FLAGS ON PUBLIC BUILDINGS.

The Italian flag or colours will not be displayed from any public building in any area under the jurisdiction of the Allied Military Government.

We do not believe other charges are necessary.

I enclose a copy of Proclamation No. 11, which I hope will have been approved by the time you receive this.

I am sending you also five copies of Sicily Cassette No. 3 which contains the General Orders you have been asking for. I have not sent you final printed copies because it seems to be generally agreed by those people who had to do with drafting these orders who are still available, that most of the orders should be re-drawn in each Region. The question of who shall have authority to draw and issue Regional orders is being discussed but in Region 3 which is ^{under} my Army Group, I assume that is

a matter

a matter to be determined by them. The orders are therefore sent to you primarily for information and guidance.

Colonel Harris is preparing a directive on Property Control which you should receive at about the time you receive a copy of Proclamation No. 6. While not applicable to 15 Army Group Territory, I assume you would like to see it for guidance and show it to the Property Controller in your area. I am sending a copy of this to Colonel Rowe, 15 Army Group, for his information.

Needless to say legislation for occupied territory of a "Cobelligerent" presents both novel and complicated features. No doubt we have been very slow in answering your requests but I have felt it better to say nothing than to have to contradict myself the next day. Nearly everything has to be approved in at least three different places now. I am sending a copy of this letter to Col. Rowe for his information.

Kindest regards.

Very sincerely yours,

Copies to: Lt. Col. H. M. Rowe, 15 Army Group.
