(a) I do not consider that this is a Provincial matter, and I think it would be a mistake to deal with it by Provincial Order. The same problems arise, although to a lesser extent, in Trento, Belluno and Udine Provinces. I consider that the matter should at least be dealt with by Regional Order, or (if it is desired to apply the same rules in Lombardia) by a new General Order.

(b) I query the necessity now of including Finland, Bulgaria and Roumania as enemy alien States.
