1. Attached copies of correspondence relating to the confiscation of 80 golden sovereigns in October 1944 are passed to you for comment.

2. In view of DJAG's ruling that the alleged offence is against Italian Law, it is considered desirable that the matter be referred to the appropriate civil authority in the event that they are interested in prosecuting the individual concerned.

3. As the military is no longer concerned in the legal aspect of the case, but is merely holding the confiscated currency on behalf of the legal owner, the decision as to final disposition of the sovereigns should be made by the Italian authority concerned.

March 24th, 1946

Allied Commission  
Legal Division,  
Rome, Italy.

Gentlemen,

Kindly advise me the status of the case of SIOTTI Amedeo where a recommendation for parole or pardon was made by A.C. Legal Officer Captain Gazioni on December 20, 1945.

Siotti Amedeo was convicted in the 7th Superior Allied Court on the 23rd of May 1944.

This case parallels the case of Marasco Nicola who was pardoned under recommendation and investigation made by me while serving with the Foreign Economic Administration in December 1945.

An investigation of Siotti Amedeo reveals 8 children under 14 years of age destitute and badly in need of their father.

Due to evidence that these convictions were partially due to testimony of an American Deserter who in connection with another escaped American Deserter were operating together we have felt two years of confinement has probably served justice.

A full report in the matter will be made if desired.

LEGAL SUB Your consideration will be greatly appreciated.

In accordance with Executive Memorandum No. 72, dated 28 July 1944, art. 2, para. c (ii), the following information has been received as a result of the effort on the part of this office to collect outstanding fines.

1. Police agents were sent for the following named persons, but their whereabouts was not determined. No trace was either found in Offices of Vital Statistics Record, so that no action could be taken in their respect:

|                    |                                       |            |

2. a) On the basis of the scarce information available in the Case Records of one TACCOLA Mario (Livorno Case 1646 - Region Case 6433), who has to pay 2.500 lire, the RR.CC. of Vicopisano were requested to locate the man. The answer was that two men with the same name had been contacted, but both denied having been tried by A.M.G. Courts. No supplementary information is available to determine which one, if any, of the two, is the man requested.

136

./.

- 2 -

(See incl. No. 4).

b) One CASINI Francesco (Livorno Case 3039 Region Case 11197), who has to pay 1.000 lire fine, was contacted by the Questura of Livorno, but there is no sufficient evidence to conclude that he is the one tried by an A.M.G. Court, since he denies that and there is a substantial discrepancy as to the addresses. (See incl. No. 1). *Arrived time*

3. The following named persons were located and stated they cannot pay fines due to bad economical conditions:

VALORI Eugenio (Livorno Case 904 Region Case 2059) £ 20.000,=

(see letter from RR.CC. Castagneto Carducci - Incl. No. 2)

FRATTI Ubaldo (Livorno Case 1553 Region Case 5836) £ 10.000,=

(see letter from RR.CC. of Pontedera - Incl. No. 3)

SPARAPANI Alfredo (Liv. Case 2384 Region Case 9142) £ 1.000,=

(see letter from RR.CC. Rosignano Solvay - Incl. No. 6)

4. a) TARANTINI Adalgisa (Livorno Case No. 744 - Region Case No. 2436) declared to have paid the fine of 6.000 lire to the Governor of Piombino (Lt. Tito) in November 1944 and that she has lost the receipt. (See Incl. No. 9).

b) CONTI Nevillio (Livorno Case No. 2182 Region Case No. 8784) sentenced to pay a fine of 30.000 lire, has actually paid only 15.000 lire. He declared that Lt. Becker, acting as Prov. Legal Officer, has remitted the remainder of the fine. (See incl. No. 9).

No documents concerning the two above mentioned statements are available in this office.

5. Pisa. The most careful checking of all Register Books did not show any outstanding fine imposed by any of the Pisa Province Courts.

6. It is to be noted that persons sentenced to both fine and imprisonment have not been included in the list, nor has any step been taken in their respect, in fact, the commitment signed by the trial judge indicates term to be served in default of payment of fine.

Jails were instructed to comply with the rule and they have been doing that ever since. It is therefore presumed that in the case when a man was sentenced to both imprisonment and fine and the fine was not paid, the accused served or will

./.

- 3 -

serve the additional term indicated in the commitment.

CONCLUSION: a) The outstanding fines, mentioned under No. 1 and 2 (a and b) of this report (total amount of 53.000 lire) cannot be collected.

b) The fines mentioned in Number 3 (total amount 31.000 lire) can and should be collected.

c) The explanation given by TARANTINI Adalgisa (Number 4 a)) should be accepted as true.

d) The remaining 15.000 lire of CONTI Nevilio (Number 4 b)) do not result as remitted by this office.

SUGGESTIONS: It is respectfully suggested:

a) To write off all the outstanding fines, mentioned under Nos. 1 and 2 (a and b) of this report.

b) To fix a new date for the payment of the fines under No. 3 of this letter, leaving unchanged the term to be served in default of payment.

c) To accept as paid the fine of 6.000 lire imposed in the case of TARANTINI Adalgisa.

d) To fix a new date for the payment of the remaining 15.000 lire in the case of CONTI Nevilio (it should be noted that the term in default of payment was fixed for the total amount of the entire fine of 30.000 lire).

SUBJECT : Outstanding fines.

TO : Executive Asst. Legal Liaison Officer Livorno.

1. See your letter of 19 February 1946, L.O. 1892,  
subject: "Report outstanding fines".

2. In the following cases, you are authorized to drop  
the fines from the records:

CARROZZI, Mario - Livorno No. 725, Region VIII  
No. 1622 = 15000 lire.

VARELLI, Vanda - Livorno No. 889, Region VIII  
No. 2072 = 10000 lire.

3. In the following cases, on reconsideration, the fines  
are remitted:

CANOVA, Dreifus - Livorno No. 1555, Region VIII  
No. 5814 = 1000 lire.

BILLASCHI, Giuseppe - Livorno No. 2098, Region VIII  
No. 8954 = 1500 lire.

4. In the case of PRIORI Primo, the accused served ten  
days in jail in lieu of paying fine, and your records should  
show the fine of 10,000 lire satisfied.

5. In the cases of DI SACCO Anita, Livorno No. 1951,  
Region VIII 8233 and MATTEONI Giuseppe, (same numbers), the  
fines of 3000 lire are remitted.

97

*Livorno No. 3111, Region VIII No 11225*

6. In the case of MARITANI, Vincenzo - Livorno No. 3050 Region VIII No. 11255, the fine of 2000 lire is remitted.

7. In the case of BERSARELLI Stefano, Livorno No. 3051, Region VIII No. 11038, the fine of 4000 lire is remitted.

8. According to our records, Livorno No. 1646, Region VIII No. 6435 is against TACCOLA Marco not Mario. He is a man aged 55, and his residence was given as Via Settembre 21, Livorno. If this person can be located, he should be placed in jail for ten days to serve out his fine. Such was the sentence in this case.

*Livorno No. 3039 RMI NO. 11197*  
9. In the case of CASINI Francesco, aged 13, living at Via della Posta 14, Livorno, our records indicate that the accused either paid his fine or served five days in jail accordingly, the fine will be dropped from your records.

10. In the case of VALERI, Eugenio Livorno No. 904, Region VIII No. 2069, it is particularly desired that every effort be made to apprehend this defendant, because of his attitude of independence shown thru out this proceeding. If this fine is unpaid, the sentence of 90 days in default is long ago operative. This defendant will be given no favor: either he pays the fine or the sentence stands. Please report back what disposition is made herein.

11. In the case of PEATI Ubaldo, Livorno No. 1553, Region VIII No. 5836, on reconsideration, the fine is reduced to 2500 lire or five days in jail, effective with this letter.

1. Following report no 3897 of the 22nd April 1944, from the Prevote Q.G. of the Commandement du Corps Expeditionnaire Francais, this Procura Militare started the necessary action against Nava Cesare fu Michele, an Italian soldier, charged with the homicide of a Moroccan soldier at Colli Volturno on the 19th March 1944.
2. In the course of the instruction of this case, however, it was learned that the a/m Italian soldier had already been tried by an Allied Military Court and acquitted of the charge. Consequently, on the 7th May 1945, this Procura Militare wrote to the Allied Military Prosecutor, Castelcarnaro, Naples, requesting that all documents pertaining to the case be forwarded in order to ascertain the position of the Italian soldier with reference to the sentence passed by the Allied Court. No answer was received.
3. The Royal Carabinieri at Villa Volturno, questioned on the matter, related that from information gathered in the town it appeared that Nava Francesco was tried and acquitted by an Allied Military Court. But they could not submit any official document on the case.
4. In order we may be able either to close this case or to continue the action it is necessary that you forward to us if you have them, all documents pertaining to the case and/or the copy of the sentence passed by the Allied Court, or a statement that you have no record on file and that no proof of the trial is available.

1. It has been established that Bonasera Giuseppe of VDA PAPIRETO 48, PALERMO, SICILY has twice paid the sum of L.5000 to AMG/AC in respect of his conviction by an AMG Court at Messina on 10 Dec. 1943. The Court fined him L.5000 in addition to a term of imprisonment, but the receipt of the L.5000 was not recorded by the trial Judge. The L.6000 was, however, received by AMG.

On completing his term of imprisonment Bonasera was again requested to pay L.5000, which, in order to be released, he did - and now claims refund. The second L.5000 was received by you on 4 Feb. 46.

2. Italian officials have no power to deal with sentences inflicted by Allied Military Government Courts. That power remains after the turn-back of Italian territory as it did before, in Allied hands. Petitions filed by persons undergoing confinement under sentences of Allied Military Government Courts should be sent to the Chief Legal Advisor, Headquarters Allied Commission, with such comment and recommendations, if any, which you care to make.

Reference your letter AO/4083/I/L dated 25 Jan 46 addressed to Finance Sub-Commission.

1. Examination of our records confirms that the sum of L. 102,050 was received for fines collected at Messina on 24 Jan 44; included in this sum, according to an attached list, is L. 5,000 from Bonasera, Giuseppe.
2. No trace can be found of the second payment of L. 5,000 by Bonasera. If the payment were made to the A.C. L.O., Sicily (Palermo), its receipt would not be apparent until the January report of the A.C. L.O. will have been received in this Office about the middle of February.
3. It is suggested that Legal Sub-Commission ask the Ministry of Grace and Justice to which representative of Finance Sub Commission the money has been paid. In the meantime this Office will ask the A.C. L.O. Sicily if the money has been received by him.

MEMO - Chief Commissioner

The cases of PINO Maria and PALME Anna were regularly considered on 23 December 1945.

The sentence of PALME Anna was reduced from four years to two years.

The sentences of PINO Maria (and 13 other accused) were affirmed.

The telegram suggests no reason why the decision should be disturbed. The offences were flagrant thefts of Allied property arranged between military guards over the property and the accused black market operators. The defendants included the guards and the black market operators.

NO/4085/1/L.

25 January 1946.

SUBJECT: BONASERA Giuseppe.

TO: Finance Sub-Commission.

1. On the 10 day of December, 1945 BONASERA Giuseppe was convicted by a Superior Military Court, sitting at BOSSINA, in case No. 286, and was sentenced to two years imprisonment and a fine of 5000 lire, in default of payment thereof he was to serve one year additional imprisonment.

2. On review, the conviction, fine and imprisonment were affirmed. It was ordered, however, that on default in payment of the fine, two months (not one year) additional imprisonment be served.

3. The accused paid the 5000 lire to Major E.A. BIR (now Colonel) who in turn paid said sum to the trial Judge, Captain W.R. MATHERS.

4. On 31 day January, 1946 Captain W.R. MATHERS paid to the Finance Sub-Commission the sum of 102000 lire for fines collected. The name of BONASERA Giuseppe was included on the list of defendants from whom this amount was collected.

5. The trial Judge did not enter on the record of trial the receipt of this fine, and from correspondence had with the prison authorities, neither the payment of the fine nor the modification made on review of the time to be served on default in payment were notified to the prison authorities.

6. On the expiration of his term, and because of the condition of the prison record, the accused was confronted with the necessity of paying the 5000 lire fine or serving an additional year of imprisonment.

7. By a letter from the Director Della Casa di Reclusioni di BOSSINA to the Minister of Grace and Justice, dated 9 December 1945 No. 6157/3/1/R, report was made that at the moment of his release,

19. 14

BORASIA Giuseppe had (again) paid the 5000 lire fine. On 31 Dec 1945 the Legal Sub-Commission advised the Minister of Grace and Justice that said 5000 lire should be paid to the Finance Sub-Commission.

8. By letter addressed to Colonel K.J. DYN, Public Safety Sub-Commission, dated 9 January 1946, the former accused BORASIA Giuseppe set out that he had twice paid the fine, and requested a refund be made of one payment. He gave as his address VIA PAPIRESO, 42, PALERMO.

9. The facts would indicate that the claim for refund is well founded and should be made forthwith. It is requested that the records of the Finance Sub-Commission be checked for confirmation, and if found as here set out, that refund be made to BORASIA Giuseppe forthwith.

TRIBUNALE MILITARE TERRITORIALE DI CLARNA  
PROCURA MILITARE DEL REGNO  
B A R I

n. 957/p di prot. P

OGGETTO : Detenuti CASTELLANO Nicola e Giuseppe.

ALL' A.C. LIAISON OFFICE  
Palazzo Prefettura

B A R I

Si trasmette per competenza l'unita copia dell'esposto dell'avv. CIANNARELLA nell'interesse dei detenuti in oggetto, nonchè copia di un telegramma del Pretore di Barletta relativo alla posizione giuridica degli stessi, con preghiera di voler accertare se risponde a verità quanto viene attestato nello esposto, ed in caso affermativo provocare gli opportuni provvedimenti per la liberazione dei detenuti.

IL PROCURATORE MILITARE DEL  
REGNO

(Col.G.M. Grovanui GRILLI)

C O P I A

A S.E. IL PROCURATORE GENERALE

B A R I

Il sottoscritto Dott. Francesco Ciannarella nell'interesse dei fratelli CASTELLANO Nicola e Giuseppe di Vito espone a S.E. quanto segue:

i nominati sono detenuti presso le carceri di Barletta in forza di mandato di cattura emesso dalla Corte Alleata di Bitonto, organo soppresso sin dall'Aprile c.a.- Nel dicembre 1944 insieme ad altri furono sottoposti a giudizio presso la predetta Corte perchè imputati di furto in danno degli Alleati. Durante lo svolgimento del processo si mantennero latitanti ma al dibattimento furono assolti per insufficienza di prove. Dopo la sentenza di assoluzione la Corte non curò il ritiro del mandato di cattura emesso prima del giudizio, per cui il giorno 16 ottobre u.s. i carabinieri della stazione di Barletta Porto procedevano all'arresto.

Il verbale di arresto con copia del mandato di cattura venne rimesso al Procuratore del Tribunale Militare di Bari che manifestò la sua incompetenza a decidere restituendo gli atti. Ignorasi dove gli alleati abbiano rimesso gli atti relativi al giudizio svoltosi presso la predetta Corte, nè esiste un organo che possa provvedere in merito. Considerando le esposte difficoltà e la gravità del caso chiede che S.E. voglia emettere gli opportuni provvedimenti, onde sia tutelata la libertà di due cittadini.

In attesa di eventuali accertamenti invoca per entrambi la libertà provvisoria, sia pure previo versamento di cauzione.

Con osservanza

f.to Dott. Francesco Ciannarella

Bari li 17/11/1945.
