1 May 1945.SUBJECT : Case of PICCHILLO Domenico
(Tried with IMPARATO Luigi et al).TO : Provincial Commissioner, (Attn: Senior Legal
Officer), Naples Commune.

1. Reference your letter of 25 April 1945. The sentence of 3 years passed upon above named on the 22nd December 1944 was on review reduced to one year's imprisonment. The decision on review is dated 9 February 1945.

2. Will you ensure that this decision is notified to accused. His advocate Andrea della Pietra, 15 Piazza Calenda, Naples, has also asked to be advised of the result of his last petition dated 24 April 1945. In the special circumstances of the case perhaps you can advise him also. There is no information in this HQ as to why accused was not notified of the reduction of his sentence last February, nor whether that is the reason why he has, as alleged, been sent to Sardegna.

Colonel,
Deputy Chief Legal Advisor.

In these circumstances it is regretted that no action can be taken.

SUBJECT : Petitions.

TO : H.E., Minister of Pardon and Justice.

1. This Sub-Commission understands from Your Excellency's Ministry that persons in prison under a sentence of an Italian Court who may fall sick are dealt with in accordance with Article 107 of the Royal Decree of the 18th June 1931 No. 787 as explained by various circulars.

2. It is the policy of this Commission that persons who are still in prison in Italian Government Territory under an order of an Allied Military Court and who may fall sick should be dealt with in the same way.

3. It is therefore requested that Your Excellency will issue an instruction to all prison directors concerned and to the appropriate members of Your Excellency's Ministry informing them of that policy and instructing them to take action in such cases in all respects as if the sentence had been imposed by an Italian Court.

4. It has been the practice for persons convicted by Allied Military Courts to present petitions asking for release from prison on grounds of ill health. In the past, such petitions were presented and disposed of through Allied Commission channels, but with the withdrawal of Allied Commission personnel, it is thought that petitions will be presented either by post or through the channels of Your Excellency's Ministry.

5. With a view to establishing an orderly system of dealing with such petitions, the following suggestion is made:-

- (a) Any petition based solely on the grounds of ill health and addressed to Your Excellency's Ministry or to any other Italian authority (wherever presented) to be disposed of by Your Excellency in all respects as if the sentence had been imposed by an Italian Court.

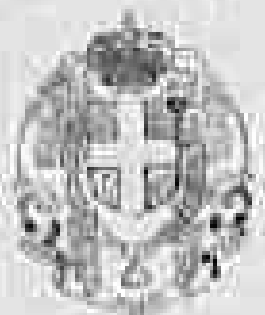

- 2 -

- (b) All such petitions addressed to this Commission or to any Allied officer or authority to be disposed of by this Commission. As it is not the practice of this Commission to reduce a sentence on the grounds of ill health, in normal cases this will involve no action provided that this Commission has Your Excellency's assurance that instructions have been issued in accordance with paras 2 and 3 above.

6. Your Excellency will appreciate that the above remarks apply only to petitions based solely on grounds of ill health. Any other petitions in regard to sentences of Allied Military Courts must be scrutinised at this HQ.

Orsione Antimo di Michele, detenuto
nelle carceri di Castanas (Cagliari),
per mezzo del sottoscritto avvocato
esponi e chiede quanto segue:

Nel gennaio dello scorso anno 1944
l'istante ~~veniva~~ condannato dal Tri-
bunale Alleato, sedente allora in S. Maria ³,
a due anni di reclusione per omessa
consegna di fucile militare, che ave-
va portato con sé allorquando per
ritorno a casa, dopo la dissoluzio-
ne del proprio reparto, a seguito del
l'armistizio dell'8 sett. 1943.

Giovane contadino, incensurato,
vissuto fin dalla nascita sempre in
un casolare lontano dai centri abitati,
lavorando con amore la terra e
vivendo la vita semplice dei campi.
Sicché, l'omissione che determinò la
predetta condanna, trova la causale

in una completa buona fede per igno-
ranza ed impossibilità di venire a con-
senza di ordini delle Autorità. Ciò ri-
sulta ancora più evidente, se si tien
conto della completa mancanza di
mezzi di comunicazioni, determinata
dalla furia bellica che traversò la con-
trada in cui dimorava l'istante.

Se queste buone ragioni non valse-
ro a mandarlo esente da pena, nel-
gano almeno ad ottenergli un provviso-
rio che abbrevi la restrizione della
sua libertà personale.

Si chiede, pertanto, che gli venga con-
cessa la grazia per il resto della
pena da scontare.

Con fiducia ed osservanza.
