- a) The theft in this case was attempted, but both defendants were ready and willing to proceed with its consummation.
- b) Both defendants attempted to commit the theft. The Allied did not lose the property.
- c) Both defendants were originally charged with stealing under the provisions of Proc.2, Art.1, Sec 11. This was the 3rd charge preferred against each of them. The language "of the lesser degree" used in the findings of the Court regarding this 3rd charge is intended to mean that though charged with the greater offense of stealing, the Court found them Guilty only of the lesser offense of attempt to steal under the provisions of Proc.2, Art.111, Sec.2, which, however, makes an attempt to commit a violation of any of the provisions of this Proclamation "punishable to the same extent as though the act had been committed".
- d) The accused were not permitted to carry out the theft for which they had made all arrangements and therefore gained no profit.

La presente nella mia qualità di difensore di Sevesi Emilio di Antonio attualmente detenuto nelle Carceri Giudiziarie di Milano.

Il Sevesi veniva condannato dalla Corte Superiore Alleata sedente in Milano in data 24 agosto 1945 ad anni 3 di reclusione per porto abusivo di arma.

Avverso tale sentenza l'imputato interpose ricorso nei termini di legge, ma, non avendo a tutt'oggi avuto comunicazioni in esito al ricorso stesso, ritiene logicamente che la sentenza dei primi giudici sia stata confermata.

Essendo stata sciolta la Corte Superiore Alleata di Milano, lo scrivente si rivolge a cotesto Comando onde sapere presso quale ufficio deve rivolgersi per presentare una domanda intesa ad ottenere nell'interesse del Sevesi stesso l'applicazione del Decreto di amnistia 22 giugno 1945 n°4 di cui il detto imputato dovrebbe beneficiare.

Con le scuse del disturbo e coi migliori ringraziamenti

Con ossequio

TESTIMONIA

Dichiarazione resa dal teste Vincenzo VIGLA - Via Zara Int. 14 -
Roma Ferrovieri - Peggiorale -

Nella notte tra il 12 ed il 13 Marzo 1944 mi trovavo a lavorare nel deposito merci alimentari allestito situato nei locali della ex Falco.

Alle 2330 il lavoro poteva dirsi terminato e tutti gli operai del mio gruppo ebbero il riposo. Alle 0030 entrò il Capo-rile inglese di servizio che mi chiese di andare a prendere delle casse che alcuni individui avevano tentato di rubare. Pertanto, insieme ad altri miei compagni andammo a prelevare dette casse che si trovavano sul binario ferroviario. Con me c'erano GASTAVALLI, GUNDARI, PIERINO il capo operaio COLLA ed un Sorante.

Trasportammo le casse all'Ufficio dove notai un certo Mario GASTAVO, da me personalmente conosciuto, insieme ad Antonio CHIARI, Vincenzo DE BELLIS ed un altro individuo che disse di abitare in via S. Giovanni a Carbonara. In quella stessa notte venni a conoscenza che il Mario GASTAVO era stato ferito. Nel pomeriggio del 13 Marzo 1944 andai a casa del Mario per fargli una visita. Egli mi disse che era stato ferito da un negro. Durante il tempo che io rimasi a casa del Mario venni a trovarlo alcuni miei amici che io sapevo d'essere del suo stesso gruppo.

Si convinse dalla loro conversazione che tutti quelli che erano presenti nella camera oltre ad altri non presenti erano entrati la mattina del 13 Marzo 1944 nel deposito Allesto allo scopo di compiere un furto.

Sopra i miei la Polizia che interrogò il Mario, il quale si mantenne sulla negativa. Appena la Polizia andò via la conversazione continuò sullo stesso argomento e tutti i presenti convennero che poiché il GASTAVO era stato preso mentre essi erano riusciti a fuggire bisognava prestargli un aiuto finanziario, sul che furono tutti d'accordo. Da questo mi convinse che tutti i presenti appartenevano alla stessa banda.

Sono stato avvertito dal Caporale DAVIES della 61ª Sezione della polizia inglese che non sono obbligato a fare alcuna dichiarazione a meno che non lo faccio di mia spontanea volontà, e che qualunque cosa dichiaro sarà messo in iscritto e prodotto come evidenza contro di me.

F.to CHIARELLO Antonio

Circa alle 0,30 di lunedì 13 Marzo 1944 in compagnia di Vincenzo DE NOVELLIS lasciamo la sua casa, Via Zara, 14 e ci recammo presso l'ex Stabilimento della Valsacca, dove trovai un deposito di merci inglesi.

Entrammo in questo deposito attraverso il cancello che era aperto con l'intenzione di prendere della roba per poi rivenderla. Noi entrammo nel Deposito quando fummo fermati da un soldato che ci aveva visti, allora scappammo per nasconderci. Il caporale ci trovò e ci arrestò portandoci nell'Ufficio.

Nell'Ufficio trovammo un altro civile che ora so di chiamarsi Giuseppe GRILLO, che io avevo visto portare una cassa sulle spalle e di averla buttata a terra quando fermato dallo stesso soldato che arrestò pure lui. Vidi anche molta gente portare via delle casse e fra queste un individuo zoppo che però non conosco il nome.

F.to CHIARELLO Antonio

12, Via Zara, Poggioreale - NAPOLI -

Sono stato avvertito dal Caporale DAVIES della 61^a Sezione di Polizia inglese che non sono obbligato a fare alcuna dichiarazione a meno che non lo faccia di mia spontanea volontà e che qualunque cosa dichiarerò sarà messa in iscritto, e prodotta come evidenza contro di me.

F.to Mario GAETANO

La notte del 13 Marzo 1944, verso le 0,30 in compagnia di Antonio CHIARIELLO e Vincenzo DE NUVELLI ci recammo al Deposito di viveri ecc. inglese situato nell'ex Stabilimento Valsacca del lato della Ferrovia Circumvesuviana dove io sapevo esservi un cancello dal quale si poteva accedere al detto Deposito.

Arrivati che fummo al Cancello ci fermammo e vedemmo uscire dalla gente che asportavano delle casse sottratte al deposito.

Incoraggiati entrammo perché il cancello era scassiato e dopo aver fatto pochi passi ci imbattemmo in diversi uomini che stavano sotto la porta del caseggiato a destra; ci fermammo di nuovo; e vedendo passare delle persone con casse addosso domandammo chi erano e qualcuno ci rispose che erano lavoratori del Deposito e di non aver paura, allora seguimmo a camminare verso dove era ammassata la roba, donde io mi appropriai di una cassa e mi avviai verso il cancello di uscita.

Intanto sopraggiunse un militare inglese, che io conosco di vista per aver lavorato al Deposito, e con il fucile in mano mi intimò di fermarmi al che io buttai la cassa al suolo. In questo vicino a me c'era pure uno sconosciuto che trasportava una grande cassa sulle spalle ed un ragazzo di 11 o 12 anni, anche lo sconosciuto che ora io comprendo di avviarci verso l'ufficio. Io mi trovavo all'indietro. Il militare si voltò verso i due alla sua destra ed io feci dei passi per nascondermi dietro ad un camion per poi avvisarmelo, ma il militare se ne accorse e mi sparò un colpo che mi colpì la gamba sinistra. Dopo di che fummo tutti e tre accompagnati nell'ufficio dove vedendo che ero ferito mi concessero di andarmene a casa e mi fecero accompagnare

del ragazzo che mi abbandonò appena fuori del deposito. Non posso riconoscere il ragazzo perché oltre ad essermi sconosciuto, era scuro.

F.to Mario GAETANO

Ho letto la presente dichiarazione ed ho dato l'autorizzazione di fare delle alterazioni e aggiunte che potessero essere necessarie; e la trovo corretta e veritiera.

No. 53. B.C.D., RASC/EFI
Poggioreale, Napoli.

Dichiarazione del

Caporale GRWIN G., matricola 147400
del 53° B.C.D. RASC/EFI.

Verso le ore 0045 di lunedì 13 marzo 1944 compivo un giro d'ispezione nei locali del deposito del 53° B.C.D. RASC/EFI e dove ero stato proposto al servizio di guardia. Nel proseguimento del mio dovere mi accorsi che il cancello superiore era aperto. Detto cancello era stato da me chiuso nella notte precedente mediante legamento con filo di ferro. Il filo era rotto ora.

Alla vista di ciò m'inaspettiti e perciò intensificai la mia sorveglianza. Infatti, uditi un rumore e subito dopo vidi quattro italiani che portavano ciascuno una cassa in ispalia. Det- te casse contenevano sigarette. I predetti camminavano l'un dietro l'altro. Intimai subito il fermo, ma colui che era in testa alla fila lasciò cadere la cassa e si mise a correre. Vedendo ciò io sparai un colpo di fucile in direzione della sua gamba e lo colpì al ginocchio.

L'individuo si fermò ed io l'arrestai. Gli altri tre inten- to si spaventarono ed anch'essi lasciarono cadere le casse. Due di questi tentarono di fuggire mentre l'altro si fermò. Inseguii i primi e li arrestai. Proseguì quindi insieme ai quattro arrestati ed alle casse al mio ufficio dove li tenni sotto stretta sorveglian- za. Poi tardi, permisi al ferito di andarsene a casa, mentre conse- gnai gli altri tre al Caporale DAVIES della 61° S.I.S. C.M. Police.

Durante l'inseguimento dei predetti notai altre persone in numero di otto circa. Ciascuno di questi portava una cassa in ispal- la. Quando mi videro, anch'essi lasciarono cadere le casse e fuggiro- no. Uno dei predetti sparò due colpi di rivoltella in mia direzione ma non riuscì a colpirmi.

Nel compiere un nuovo giro d'ispezione nei locali del depo- sito, dopo aver effettuato l'arresto dei quattro civili italiani, notai che 10 casse di sapone, 1 cassa di sigarette, una cassa di latte evaporato erano state rimosse e trasportate in direzione del

del cancello. Presi in custodia anche le predette casse e le portai nel mio ufficio.

Ho riletto le suddette dichiarazioni e confermo che la stessa e' esatta e corretta.

Lunedì 13 Marzo 1944. Mi trovavo in servizio al mio ufficio quando il Caporale CRAIN del 53 B.C.D., R.A.S.C., R.F.I., di stanza a Poggioreale, Napoli, venne per consegnarmi i tre civili italiani contrassegnati con i numeri 1, 2, 3 nell'elenco suindicato, i quali erano stati da lui sorpresi ed arrestati in un Deposito Alleato alle ore 0045 della stessa mattina.

I motivi che hanno determinato l'arresto dei predetti sono i seguenti:

Verso le ore 0045 di lunedì 13 marzo 1944, il Caporale CRAIN si trovava in servizio di guardia al Deposito No. 53 B.C.D. quando egli vide i tredici civili in oggetto segnati.

Ciascuno di essi portava in ispalla una cassa contenente merce Alleata. Egli intimò il fermo al Marco GAETANO, il quale era in testa al gruppo. Questi non obbedì. Il Caporale CRAIN quindi, nel vedere che il predetto tentava di sfuggirlo, sparò contro di lui un colpo di fucile, che ferì Marco GAETANO al ginocchio.

- 2 -

Piu' tardi il Caporale permise che il MARCO si allontanasse per medicarsi la ferita. Il Caporale arresto' insieme al predetto anche i nominati Giuseppe GRILLO, Vincenzo DE BOVELLIS ed Antonio CHIARILLO che tenne in custodia nel suo ufficio. Gli altri invece, scapparono abbandonando le casse. Il Caporale poi, riusci' a distinguere che alcuni dei predetti erano dei lavoratori addetti al deposito stesso, i quali erano stati licenziati da poco. Uno di questi sparo' due colpi di rivoltella in direzione del Caporale, ma non lo colpi'.

Non appena ebbi in possesso della predetta informazione, iniziai subito le indagini e nello stesso giorno riuscii a rintracciare nei pressi del 53mo Deposito P.C.D. il nominato MARCO Gaetano che era stato ferito. Interroga' lo stesso valendomi dell'opera del nostro interprete A. MONTI. Intorno al letto del ferito trovai altre 10 persone che nel vedermi si innervosirono. Feci presente al MARCO che io appartenevo alla Polizia e gli chiesi in qual modo si era procurato la ferita. Il MARCO rispose che un negro gli aveva sparato contro un colpo di fucile. Gli feci presente che io avevo ragioni da ritenere che a ferirlo era stato un caporale inglese addetto al vicino Deposito. Egli nego' rassicurandomi l'accusa.

Martedi', 14 marzo 1944, nel proseguimento delle indagini, certo VIOLA Vincenzo, residente in Via Zara No. 14, mi dichiaro' che nella notte in cui avvenne il tentato furto egli prestava servizio, quale operaio al Deposito in questione e vide fuggire alcune persone che egli riteneva di riconoscere. Nell'entrare in ufficio vide i quattro individui arrestati. Di questi egli ne conosceva tre, tra cui il MARCO. Per soddisfare la sua curiosita' ando' a trovare il MARCO a casa e gli chiese come aveva fatto per procurarsi la ferita. In un primo tempo il MARCO gli disse che era stato un negro. Piu' tardi arrivarono altri nove amici i quali si misero d'accordo per offrire del denaro al MARCO, dato che essi avevano sfuggito alla cattura.

Appena i predetti andarono via il MARCO confesso' tutto al VIOLA e gli indico' anche i nomi e gli indirizzi di tutte le persone che avevano partecipato all'impresa.

In seguito a cio' io arrestai le persone di cui ai numeri 4, 5, 6, 7, 8, 9, 10, 11, 12 e 13 della sopramenzionata lista i quali risiedono tutti nella stessa localita'. I predetti erano le stesse persone che io avevo incontrato in casa del MARCO nella stessa sera in cui questi fu ferito.

Dopo di che ho redatto le seguenti accuse contro tutti gli individui in oggetto segnato;

1. Violazione del Proclama No. 2, Art. 1, comma 24.

- 3 -

Per essere penetrati nell'interno in luogo dichiarato zona vietata senza la prescritta autorizzazione.

2. Violazione del Proclama No. 2, Art. I, comma 11.
Per aver rubato beni appartenenti alle Forze Alleate o a qualsiasi membro della stessa per un valore complessivo superiore alle 10.000 lire.
3. Violazione del Proclama No. 2, Art. V, comma 24.
Per essersi trovato all'aperto senza permesso nelle ore del coprifuoco.
4. Violazione del Proclama No. 2, Art. VI, comma 1.
Per aver cospirato nel compiere atto costituente reato, e per aver consigliato, assistito e provocato la consumazione di un atto costituente reato.

Ho, quindi, consegnati gli arrestati alla questura di Napoli.
Mi sono fatto rilasciare dichiarazione dei testi seguenti con pure una ricevuta della merce rubata, copie delle quali sono allegato alla presente:

OGGETTO Condannati Palombo Giuseppe e Annunziata Salvatore.

ALLA COMMISSIONE ALLEATA
Sottocommissione Legale

ROMA

Dovendo questo Ministero esaminare l'istanza di liberazione condizionale relativa ai nominati in oggetto, condannati da una Corte Militare Alleata e per i quali codesta Sottocommissione ha già inviato un estratto di notizie circa le imputazioni, si prega volere precisare quanto segue:

a) l'ingente furto delle cinquanta balle di calze fu solo tentato o, come sembra dagli atti, consumato?

In quest'ultima ipotesi chi commise il furto? Fu recuperata in tutta o in parte la refurtiva?

b) Il Palombo e l'Annunziata sono stati ritenuti colpevoli con grado minimo in ordine alla terza accusa in base alla quale il furto sembra sia stato consumato. Che cosa significa questa limitazione di responsabilità nei confronti dei due detenuti?

Vi presero o non vi presero parte e quale fu il profitto che ne ritrassero?

Si resta in attesa di un cortese riscontro.

SUBJECT : Prisoners PALOMBO Giuseppe- ANNUNZIATA Salvatore.
Conditional Liberty.

The Ministry of Pardon and Justice wishes to clear the following points in the cases of the above named persons whose petition for Conditional Liberty is now under consideration :

1. Was the large theft of 50 bales of socks only attempted or materially carried out ?
2. In this latter case who committed the theft? Was the property recovered by the Allies?
3. Both the accused were found guilty "in a lesser degree" of the third charge which leads to understand that the theft was materially carried out. Now what does the limitation "in a lesser degree" mean in this circumstance?
4. Did the accused really carry out the theft and what profit did they gain from it?

An early reply would be appreciated.

SUBJECT : Pleasantry Petition - Etore SAKMI.

TO : Assistant Chief of Staff, G-5, AFHQ.

1. Reference is made to two letters G-5 : 514.14, respectively dated 23 August and 5 September 1946, subject as above. At the time of receipt of the first of these letters the case in which subject person was concerned, originally involving some 70 defendants, was under review. Adjustment to be made in his sentence by final review action, if any, required full consideration of convictions and sentences of his co-defendants.

2. Etore SAKMI was arrested on 3 September 1945 and charged with 8 other persons, of the whole number involved in the case, with violation of Allied Military Government Proc. I, Art. VI, Sec. I for conspiracy to violate Proc I, Art. IV, Sec. II, in that "they did at Milan, from 22 to 23 August 1945, acting jointly and with a common purpose steal and carry away from U.S.A. thirty-two bales of U.S. blankets the property of the Allied Forces to an aggregate value of more than 10,000 lire". In trial of the case, on 17, 23, 24 and 27 October 1945, before Major J.S.S. Maylin, sitting as Superior Court in Milan evidence against him of three of his co-defendants was introduced by the prosecution which showed respectively that he was at the time in company of the persons actively engaged in stealing the blankets, that he was seen carrying a bale of blankets from the pile over which they were being thrown to the carts waiting to carry them away, and that he was involved in the last two thefts made of such blankets. His defence was an alibi by which he sought to prove through his own testimony and that of another witness that at the time of the offence with which he was charged he was visiting with friends at a place in Piemonte far from the scene thereof at Milan. In view of all the evidence in the case the Court on 27 October 1945

XJ

- 2 -

found the defendant Guilty and sentenced him to 5 years imprisonment. This sentence was in line with those imposed upon two other defendants in the case the evidence of whose acts was of similar character, and in proportion in comparison with sentences imposed upon all guilty defendants in the case.

3. At the time of original review of the case of Saporì on 28 December 1945 his conviction and sentence were affirmed. Upon review just completed on September 9th 1946, his conviction was affirmed, and his sentence reduced to 25 years.

4. In a petition for pardon of this man dated 21 January 1946, made in his behalf by his mother, it is stated that her son had not stolen Allied property, that she was convinced that he was not guilty, and that his sentence on the charges preferred against him was a judicial error. Her letter to Gen. Clark, copy of which was enclosed with your letter of 23 August 1946 appears to admit his transgression of the law for reasons of family hardship. The contents of this letter have received consideration in the more recent review made of the case. Based upon petitions and pleas on file alleged family hardship is made an element to be considered in connection with most cases of persons sentenced by A.M.C. Courts. It has been the practice to give it the weight to which it is believed it may be entitled, up to the point of unjust discrimination.

Petition for Pardon, date: 9. VIII. 1946.

Prisoner: PAVONE MARIO

Judicial Lunatic Asylum of S. Efraino, Naples.

Sentence: ten months imprisonment and 10.000 lire fine, Summary Military Court of Naples, 6. IX. 1945.

Charge: theft of Allied property.

Grounds: The petitioner claims that there was only a very small bag containing some Allied sugar. He has already served ten months of penal servitude.

Pavone is a poor labourer, he has two children and a wife, who is sick. He has no money to pay the fine. His family is in a very miserable economic situation.

The prisoners know the generosity of the Allied Command and asks that the fine be remitted, in order that he may return to his family, who absolutely needs to be supported by him.

TO : Dr. R.V. Restagno,

1. Receipt of your letter No.652 dated 19 August 1946, on behalf of the above named persons, is hereby acknowledged. In view of the contents thereof re-examination of the records of their cases has been made by the Board of Review and decision rendered that no just cause has been revealed for extraordinary action regarding them. These records show that the conviction and sentence of each of the persons concerned were based solely upon evidence of the substantive offences with which they were charged, and that the Courts which adjudged their cases did not include consideration of possible other offences that may have been committed by them in imposing sentences. No evidence of crimes of violence was presented or admitted against them.

2. At the time of prior review of these cases, in the regular course, the Board of Review decided upon action to reduce the sentence in each instance to three and one half years. Thus, if they may be otherwise eligible, conditional release may be invoked in favour of these men in the not distant future.

MINISTRY OF PARDON AND JUSTICE

12 August 1946.

Liaison Office with A.C.

No. UC/4741.3

SUBJECT : TRAVANI Bruno - MANIAS Leobrando.

TO : Allied Commission - Legal Sub-Commission, ROME.

The above named persons have been arrested by the Allied Police on 12 July 1945 because they were found in possession of arms. They were tried by an Allied Military Court sitting at Udine on 17 Sept 1945 and were sentenced to 5 years imprisonment, 13 months of which have been served.

The papers for the granting of "conditional liberty" with many recommendations have been received by this Ministry. But such papers cannot be taken into consideration because the above two prisoners have not yet served half of the sentence..

In view of the above, the Legal Sub-Commission is kindly requested also in the name of the Minister to review the above cases at an early date as it appears that the sentence imposed is rather severe in connection with the offence committed and particularly we should take into consideration the fact that the above two persons gave great contribution to the partisans' cause.

TRAVANI and MANIAS have been recommended for an award by the Italian Government.

An early reply will be appreciated.
