Subject: Case of NARDI Francesco

To : Regional Legal Officer, Region 2.

1. The enclosed papers, relating to possible proceedings against NARDI Francesco were sent direct to this H.Q.
2. The papers were considered and an opinion formed that it is clearly not a case for action by an Allied Military Court.
3. The papers were sent to Region 3 who have returned them saying:-
"I am informed that the place in which the crime is alleged to have been committed, to wit AULETTA, is not within the jurisdiction of SALERNO Province. Although AULETTA comes under SALERNO Province for administrative matters, judicially it depends upon the LAGRO NEGRO Tribunale of POTENZA Province. In these circumstances the case of NARDI would appear to be a matter for Region 2."
4. Will you please submit the case to appropriate authority for consideration and appropriate proceedings.
