21 February 1946.

SUBJECT: Loan of German publications.

TO: G-2, AFHQ.

1. G-2 Adv. Document Section of S.A.C. asked, on 24th July 1945, the Italian Ministry of Foreign and Justice for certain German law publications to be used by the Supreme Headquarters, Allied Expeditionary Force. List of said publications is enclosed.

2. The Director of the Library of the Ministry by letter of the 5th January 1946 requested that said publications be returned as they were urgently needed for consultation by civilian scholars. He pointed out, at the same time, that the books in question were part of a collection of great value, the loss of which, would have considerably diminished the scientific importance of the library.

3. This Sub-Commission promptly approached G-2 Adv. Doc. Section and has been advised by letter of 22 January 1946, copy of which is enclosed for information, that the books could be traced through your office.

4. It would be very much appreciated if enquires could be made to trace such books as they seem to be no longer available with the dealers.

For the Chief Commissioner.

Lt. Col.,
Deputy Chief Legal Advisor.

Ref your AC/4088/L of 11 Jan 46.

1. The following information concerning the documents listed is given from memory as the records of the former Adv. Documents Section of G-2, AFHQ are not held by this Section.
2. The books were borrowed, as stated in Lt. Gilbert's letter of 24 Jul 44 to the Ministero di Grazia e Giustizia, in order to satisfy a list of requests for German Law publications drawn up by the G-2 Docs Sec. AFHQ. The majority of these requests originated in the Legal Division of SHAEF.
3. Within a day or two of the date of borrowing these volumes (26 Jul 44), they were despatched to the G-2 Docs Sec. at AFHQ, with a request that, as they had been borrowed from a civilian source care be taken to ensure their return.
4. It is presumed that the volumes were then despatched to SHAEF or whatever agency initiated the individual requests. The G-2 Docs Sec. at AFHQ was to the best of our knowledge dissolved in July of this year. Their records will however, it is thought, be held by some other Section of G-2 AFHQ and it is suggested that any further enquiries be addressed to them.

TO : SCAG (Attn: Chief Legal Officer)
VENEZIA GIULIA.1. References your letter 130/AMG/LX/252/100 of
26 January 1946.

2. The necessity for authorities on international law is fully realized by this Sub-Commission, particularly at the present time when opinions are being constantly sought on this subject. Unfortunately the Legal Sub-Commission is itself under the disadvantage of not possessing any authorities other than Oppenheim and Hall, the latter being of scarcely any use, as it is entirely out of date, the last Edition being published in 1924. In these circumstances this Sub-Commission regrets that it is unable to be of any assistance in the way of supplying authorities. If, however, you will mention some specific authorities of which you are particularly in need, an effort will be made to obtain them.
