SUBJECT: Request for Authorization to form a Union of  
Magistrates.

TO : Legal Sub-Commission

1. Reference is made to the request from the First  
Presidency of Court of Appeal of Naples, dated 26 October,  
for authorization to form a union of magistrates.

2. There are no restrictions set up which would pre-  
vent any group from forming a union for moral and economic  
welfare. Objection is raised, however, to the intention of  
this group to join the Confederazione Gen. del Lavoro, the  
request stating that the latter organization has no "political  
scope". This is only a pious hope as, unfortunately, the  
CGIL is definitely in the field of politics and it is our  
view that a group such as magistrates, who are presumed to  
maintain at all times a completely disinterested and non-  
political attitude, should avoid such an alliance at any cost.  
Certain it is that such a movement might ultimately lead to  
an unhealthy lack of confidence in this group of public  
employees.
