LIST OF WANTED WAR CRIMINALS
JUN. 1945

FILE CLOSED 24 June 1945

Ref: AG/14754/8/PS.

24. June 1945.

SECRET

My dear Mr. Prime Minister:

On the enclosed lists are the names of persons who are required by the Allied authorities. I would be glad if you will give orders for them to be traced and inform me when this has been done.

Should any of these persons be held in custody I would be glad if I may be so informed, together with details as to the place and reason for detention. If there is any intention of bringing any one of them to trial before an Italian court, it is not desired that this should be delayed, neither is there any immediate intention of removing them from the custody of your authorities.

In addressing this request to you personally, my dear Mr. Prime Minister, I must ask that the distribution of the enclosed lists is confined to the smallest number of people required to carry out the work efficiently.

Yours very truly,

ELLERY W. STONE
