SUBJECT : Consorzio per la Tutela della Pesca nel  
Piemonte e nella Liguria.

TO : Regional Commissioner (Attn: R.L.O.),  
PIEMONTE Region.

1. The contents of your somewhat disgruntled PR/LE/213  
of 31 July 1945 are duly noted.

2. This office (like some less-well-conducted establish-  
ments) pursues a policy of decentralization.

3. The registration of incoming mail is performed by the  
clerks. An examination of the appropriate register reveals that  
your highly-prized earlier communication was received on Sunday  
July 1.

4. The necessary action to give effect to your wishes was  
taken by the appropriate officer, Capt. Bern, a copy of whose  
admirable request to the Minister dated 3 July 1945 is attached  
for your perusal, at Annexure A. — 2A

5. The further action taken to give effect to para 2 of  
your present letter should be clear to you from a close study  
of Annexure B. — 4A

6. We feel confident that, in the interests of the Italian  
Government, you will do your best to counteract the unfavourable  
impression mentioned in the last paragraph of your letter.

By command of Rear Admiral STONE :

W. E. BEHRENS,  
Colonel,  
Chief Legal Advisor.

P.S. It is understood on reliable authority that the RCO,  
having concluded his course of lectures on Decentralization,  
is now indulging in the unlucrative pastime of giving lessons

in poker in order to while away the carefree hours.

It would be appreciated if a very early reply could be given to our letter of 3 July 1945 as the matter is considered urgent and more than a month has elapsed since the date of our letter.

TO : Legal Sub-Commission H.Q., A.C.

1. On 23 June last letters and relative papers were sent for onward transmission to the Ministry of Agriculture and Forestry. No reply has been received from the Ministry.

2. Would you please inform this office whether or not the papers were forwarded and, if they were, would you please invite the Ministry to say what views are held on the three proposals then made.

3. While it is appreciated that the Ministry has many more urgent problems, its failure to reply tends to create a very unfavourable impression among the considerable number of interested parties who had anticipated that a request through A.M.G./A.C. channels would be dealt with promptly.

For the Regional Commissioner.
