Office Instruction No. 1FILED.

Once during the past week files have been taken outside this H.Q. without the Registry being informed. Apart from wasting the time of the clerical personnel in fruitless search it leads to confusion, inefficiency and is contrary to security regulations.

No 15 Army Group file will be taken outside this H.Q., unless special permission is obtained from the S.S.O. In the event of permission being granted to take a file, details will be given to the Chief Clerk.
