G.1(B)1801/A.1.

705. Sub-Division of R.E.M.E. Trades and Standard Abbreviations

1. The variety of equipment to be dealt with has necessitated a greater degree of specialization in R.E.M.E. units, and to enable the training, experience and aptitude of individuals to be used to the best advantage certain R.E.M.E. trades have been sub-divided.

2. In putting this into effect, Commanding Officers will be guided by the standard of training and the experience and aptitude of the individual, but should use their discretion in cases of doubt. Normally tradesmen should be placed in the sub-division in which they are best qualified.

3. Formation and Unit Commanders will review and, if necessary, revise the existing sub-classifications of each individual within his particular trade. These sub-classifications so revised will be submitted on A.F. W.3011A or W.3012A by Formations and Units to G.H.Q., 2nd Echelon, as soon as possible after receipt of this order. Particular attention is directed to the new sub-divisions of Storemen which supersede those already existing, and to the re-designation of Armament Artificer (M.V.) and Armament Artificer (A.F.V.) as Armament Artificer (Vehicle), if qualified.

4. A list of trades affected showing how each trade is sub-divided and sub-classified is published as Appendix «A» to this order. Care must be taken to use the appropriate titles of Armament Artificers when making reference to these Specialists in reinforcement demands.

5. A list of standard abbreviations is published as Appendix «B» to this order.

706. Mess Bills and Other Regimental Charges of Officers Missing or Prisoners of War

1. The attention of Commanding Officers is drawn to the fact that the Standing Committee of Adjustment has no power to pay mess bills or other regimental charges due from Officers who are reported missing or prisoners of war.

G.I(B)3168/A.3

707. Relinquishment of Paid Acting Rank by N.C.Os. Admitted to Hospital

1. When a soldier holding paid acting rank is required to relinquish such rank on admission to hospital, under the terms of G.R.O. 101/43, and would normally revert to private or equivalent rank, he will, provided that he is admitted on or after the date of this G.R.O., be appointed unpaid Lance-Corporal or Lance-Bombardier, unless he has been admitted to hospital as a result of his own misconduct, or suffering from venereal disease, or its effects, due to his own fault, or from the results of alcoholism.

2. Such Lance-appointment, unless held within an authorized War Establishment, will not at any time entitle the holder to the pay of the appointment.

3. In such cases the O.C. Unit from which the soldier was admitted to hospital will report the appropriate reversion and appointment to G.H.Q., 2nd Echelon, in the normal manner. The O.C. hospital will ensure that when entering the appropriate rate of pay in A.B. 64, Part II, the entry «Admitted hospital, apptd. U/L/C» is inserted in the column headed «Reason for change.» In cases where the diagnosis is such that A.F. 01645 would be rendered in respect of hospital stoppages, the words «Apptd. U/L/C» will be omitted.

4. A Lance-appointment granted under this G.R.O. may be retained by the soldier provided he is of good behaviour until he is reposted from the «X» list to a unit. When he joins a unit for duty he may continue to retain it at the discretion of the C.O., in accordance with the normal rules, as laid down in para. 31 of the pamphlet «Promotion of Soldiers and Auxiliaries of the A.T.S. during a National Emergency, 1943.»

G.I/B/3209/A.3

708. Welfare—S.S.A.F.A. and Legal Aid (Civil Cases)

PART 1. GENERAL

1. OBJECT

It is important for the morale and efficiency of personnel serving overseas that they should be freed, as far as is possible, from worry, anxiety, and preoccupation over their domestic problems. It is the aim of the Soldiers', Sailors' & Airmen's

Families Association (S.S.A.F.A.) and the Legal Aid Welfare Section (L.A.W.), which have been set up in this theatre, to give soldiers, sailors and airmen the practical help which they need in dealing with their home and family troubles.

2. CHANNELS OF COMMUNICATION

C.Os. will communicate direct with S.S.A.F.A. and L.A.W. which have been established at A.F.H.Q. S.S.A.F.A. and L.A.W. work in the closest concert in the same office.

Addresses for correspondence:

S.S.A.F.A.—Legal Aid Welfare Section.
A.F.H.Q.—A.F.H.Q.

Although it is desirable in an applicant's own interests that he should first seek the help and advice of his C.O. he is not debarred from communicating direct by letter or personal interview with S.S.A.F.A. and L.A.W.

Whenever possible S.S.A.F.A. and L.A.W. should be advised of an enquirer's change of unit.

3. CASES BEGUN IN M.E.F.

A considerable number of cases regarding personnel previously serving in Middle East and now serving in this theatre are at present being handled by S.S.A.F.A. and L.A.W. G.H.Q., M.E.F. The S.S.A.F.A. and L.A.W. Section in this theatre operate on the same lines as the Middle East Organizations and will now take over such cases from Middle East. In order therefore that delay and difficulty may be avoided, C.Os. should, without delay, communicate to the Section concerned at A.F.H.Q. the number, rank and name of any soldier affected and, wherever possible, quote Middle East reference number.

PART II—S.S.A.F.A.

1. PURPOSES

(a) To assist soldiers, sailors and airmen serving in this theatre to make enquiries about their families at home. Such enquiries will be forwarded by S.S.A.F.A. to their Head Office in London who have means at their disposal for obtaining such information. Their reply will be communicated to the S.S.A.F.A. at A.F.H.Q. by the fastest available means.

(b) To make enquiries on behalf of families at home in respect of their relatives serving in this theatre. S.S.A.F.A. will obtain the necessary information and communicate it direct to their London H.Q. for transmission to the man's family.

(c) To act as a general enquiry bureau for men who wish to obtain advice about their individual problems, particularly those affecting their families.

Enquiries commonly dealt with are lack of mail, financial hardship of family, housing difficulties, illness of dependants, difficulties between husband and wife, neglect and guardianship of children. If such enquiries require legal advice or action they will be referred to the L.A.W. Section.

2. QUESTIONS NOT TO BE FORWARDED

The Charter of the S.S.A.F.A. is very wide, but it should not be overburdened with enquiries for the settlement of which an appropriate military authority exists. Enquiries on the following subjects should be

put through the normal military channels and NOT through S.S.A.F.A.

Pay (through C.O. to Regimental Paymaster).

Promotion (to C.O.).

Location of relatives serving in this theatre (through C.O. to O2E).

Discipline.

PART III—LEGAL AID

1. Arrangements have been made to provide British soldiers serving under command of A.F.H.Q. with legal aid in connection with divorce proceedings and other matters.

2. OBJECT OF THE SCHEME

The object of the scheme is to provide machinery whereby specified personnel serving in this theatre may obtain legal advice and, where necessary, take legal process in the United Kingdom. Where legal proceedings are necessary the intention is two-fold:—

- To initiate proceedings with the minimum of delay.
- To make legal process available at a cost which personnel concerned can afford.

3. SAFEGUARDS

The machinery provides safeguards to ensure that in matrimonial cases proceedings shall not be instituted where:—

- there is any reasonable prospect of reconciliation, or
- there is not a fair probability of success.

4. QUERIES NOT TO BE SUBMITTED

It is emphasized that the scheme does not deal with any claim by a soldier on duty against another soldier on duty, nor with any matter concerning the military status of a soldier, discipline, criminal law, courts martial, pay, promotion nor with anything which affects soldiers in their military capacity.

5. PERSONNEL QUALIFYING

The scheme applies to all soldiers and auxiliaries of the A.T.S. up to and including the rank of Sergeant, provided that they have not sufficient private resources to employ their own legal advisers.

In no circumstances will the LAW Section or Legal Advice Bureaux mentioned below handle any money in connection with cases with which they deal, nor will any person assisting or otherwise concerned in the preparation of a case remit money to a LAW Section, or Legal Advice Bureau.

6. MACHINERY

(a) Local Advice and Legal Advice Bureaux.

It is emphasized that delay can frequently be avoided, and problems sometimes settled on the spot, if C.Os. consult an officer or other rank with legal qualifications in the units or a neighbouring unit, before sending up cases to the LAW Section of A.F.H.Q.

Each static formation in North Africa District (and so far as possible all other formations) should continue the existing organization of Legal Advice Bureaux

which will sift and prepare cases arising in their areas before transmission, if that should prove necessary to the LAW Section at A.F.H.Q.

(b) *Legal Aid Welfare Sections.*

The LAW Section will be staffed by serving officers who are qualified barristers or solicitors with a staff of soldier clerks with legal experience. The officers will be termed Legal Advisers (Welfare). All correspondence will be conducted direct between C.Os. or Legal Advice Bureaux and the LAW Section.

The LAW Section will correspond direct:—

- (i) In English cases with London District Legal Aid (Civil Affairs) Section; or in English Matrimonial cases with the Services Divorce Department.
- (ii) In Scottish cases with the Scottish Command Legal Aid (Civil Affairs) Section.

7. PREPARATION OF CASES

A. *Non-Matrimonial Cases.*

In cases involving rent and dispossession problems, wills, estates, partnerships, war damage compensation, war-time liabilities, adoption etc., and legal problems of a personal, domestic, business and non-military nature in which the applicant's unit is unable to give sufficient advice, C.Os. or Legal Advice Bureaux should forward the fullest possible information together with certified true copies of any relevant documents and a completed and signed form «A» (Appendix «A» to this G.R.O.) in every case.

B. *English Matrimonial Cases.*

On request by personnel domiciled in England (i.e. whose normal permanent residence is in England or Wales) for advice concerning possible matrimonial proceedings (including proceedings relating to children, maintenance etc. in courts of summary jurisdiction, as well as for divorce or nullity) C.Os. or Legal Advice Bureaux will:—

- (a) Cause the applicant to complete in duplicate «Application Form for Members of His Majesty's Forces (I.M.F.I.)». Copies of these forms may be obtained from the LAW Section. Forward both forms to the LAW Section. If the applicant is a member of the Women's Forces full particulars of her husband's as well as her own means (capital and income) will be included in this form.
- (b) Have two certified true copies made of all relevant documents (or relevant extracts therefrom) in possession of the applicant, e.g. letters confessing adultery or bearing on such confessions or bearing on an intent to desert, or from other persons purporting to supply evidence of adultery, agreements to separate, maintenance, custody and the like. Forward original and one certified true copy to the LAW Section, retaining one certified true copy against loss in transit.
- (c) Obtain and forward to LAW any formal documents in possession of the applicant, e.g. marriage certificate, birth certificate,

court orders or decrees, photographs of both spouse(s).

- (d) Take full statement from the applicant which must, so far as possible, deal in narrative form with the following particulars:—

- (i) Exact date and place of marriage (full title and address of church or register office).
- (ii) Full names of spouse. If wife, status at the time of the marriage (e.g. spinster, widow, divorced wife of) and maiden name and name at time of marriage.
- (iii) Full addresses of any places where the spouses lived together and in particular the last place where they so lived.
- (iv) Names and dates of birth of children.
- (v) Domicile, i.e. the country which the husband regards as his permanent home.
- (vi) Important events of their married life having any bearing on their subsequent estrangement including:
 - Any separation with causes.
 - Any serious difficulties with causes and how dealt with.
 - If parties finally ceased to live together not by reason of military causes, the events leading up to such separation, and any steps taken to effect reconciliation.
 - If it was the applicant who left the other spouse, the reasons for such action must be given in the fullest detail together with the other spouse's attitude and reactions.
 - If the final break-up has occurred since the applicant joined the Army, he should describe, to the best of his ability the matters which led up to this and caused it, and he should state what steps, if any, he has taken to prevent it.
- (vii) If the applicant has himself committed adultery the circumstances (date, place and identity of the other person or persons) and whether such adultery is within the knowledge of the other spouse or if he has been guilty of cruelty or desertion.
 - The C.O. should ensure that the applicant's attention is particularly drawn to the note to para. «7» of the application form.
- (viii) The whereabouts (e.g. court, firm of solicitors, relative etc.) of any relevant documents not in the possession of the applicant.
- (ix) The person now having the custody of the children. In the event of a decree of divorce, whether the applicant wishes to be granted a formal order for the custody of the children. If «yes» to whose care and control he wishes them to be committed (e.g. to remain with the respondent, or to go to his mother, sister etc.). If he desires an order removing them from the care

of the respondent, he should state his reasons. It should be pointed out to him that because his wife has been guilty the court does not necessarily assume, for that reason alone, that she is a bad mother.

- (s) The name and address of a person (e.g. a relative or friend) who will produce a deposit of £5 when called for by the Law Society. This payment is to cover the out-of-pocket expenses of the case and is all that the applicant is required to pay. It is normally £5 but may be increased where the expenses (witnesses' travelling expenses, etc) are likely to be heavier than usual.

- (c) He should cause the applicant to complete form «A» (Appendix «A» to this G.R.O.) in duplicate. Forward to LAW Section in duplicate.

C. Scottish Matrimonial Cases.

G.Os. will take similar action to that taken in English Matrimonial cases save that form «C», the Scottish application form, will be completed in duplicate in lieu of «H.M.F.1.» (the English Form). Copies of Form «C» may be obtained from the LAW Section.

8. RECONCILIATION: S.S.A.F.A.

Cases which offer any reasonable prospect of reconciliation or settlement without litigation can be referred to S.S.A.F.A. offices which are set up alongside the LAW Section. If a settlement cannot be made S.S.A.F.A. will, if the soldier so desires, pass the case to LAW for further action.

Notification of the setting up of S.S.A.F.A. and LAW organizations will be made in the orders of every unit.

1. In order to avoid waste of manpower and unnecessary travel, escorts for deserters being returned to their units from Base Areas should, whenever possible, be found from reinforcements which are being sent forward.

2. Units under command of 15 Army Group will not be asked to send escorts to Base Areas to collect deserters save in most exceptional circumstances.

3. Whenever possible, disciplinary action against absentees should be taken at the place where they surrender or are arrested.

G.I(B)3009/A.3.

710. Cable Service Between North Africa, C.M.F. and United Kingdom.

Soldiers of His Majesty's Forces in this Command may send and receive cables to and from the United Kingdom through official channels by one of the following methods.

I. CONCESSION (C.S.N.) TELEGRAMS

1. C.S.N. Telegrams may be sent under the following conditions:—

(a) They will relate solely to urgent family or business matters.

(b) The addressee of a message will be a soldier's wife, child, parent, nearest relative, or the person responsible for his business affairs.

(c) The text of the message will not exceed twelve words, nor contain terms of endearment, congratulations, greetings, etc.

(d) The message will contain no reference to a formation or unit, or the location of the soldier. Thus it may not be used to notify the change of the soldier's address.

(e) No soldier may send more than one message in any calendar month. The message will be censored by the unit commander, who will ensure that the above conditions are fulfilled, and that the message is of real urgency and connected with family or business matters. Unit commanders will exercise strict control of the numbers of cables passing through their hands, as the facilities which exist for the transmission of C.S.N. Telegrams are limited.

The entitlement will not be regarded as one to be made use of at all costs.

(f) Considerable delay has been caused through incorrect procedure being adopted.

If the conditions as set out in paras. I and II of this G.R.O. are not fulfilled, Signal Offices and G.H.Q. 2nd Echelon will return the message to the originator. C.S.N. Telegrams will not be addressed to the police, or to addressees outside the United Kingdom. (Note: Eire is outside the United Kingdom.)

(g) The charges for this telegram service will be one franc or two lire per word for the text of the message, and one franc or two lire per word for the address with a maximum of five francs or ten lire when the address exceeds five words.

(h) Similar arrangements are being made for relatives in the United Kingdom to send such messages to this theatre.

2. Procedure and Accounting

Messages will be prepared in duplicate on ordinary service Message Forms, A.F. C2136. Both copies of the message will be inscribed with the originator's name, number, and the full title of his unit (not for transmission in the message). The Unit Censoring Officer will endorse both copies as being for repayment, boldly, on both sides of the message form, e.g. « On Repayment (15 francs or 30 lire) ».

The original message will be sent with the despatch book referred to below to the nearest Army Signal Office for despatch.

The duplicate will be retained by the unit as a voucher to support the cash collected from the soldier. The cash received will be paid into the unit Imprest Account and shown as a receipt item.

In addition a separate record will be kept by units in a despatch book, which will be prepared as follows:—

RECORD DESPATCH BOOK C.S.N. TELEGRAMS

1	2	3	4	5	6
Serial Number of Message	Date	Name of Addressee	Name of Addressor	Charge for Message	Receipt of Signal Office

Messages will only be accepted by Signals on the production of this despatch book, and a receipt for the message will be given in column 6.

At the end of each month column 5 will be totalled, checked, and agreed with the cash receipts paid into the Unit Imprest Account, and the duplicate copies of messages will be forwarded with the unit Imprest Account to No. 2 Command Pay Office.

The record despatch book will be made available for audit by the Command Paymaster, No. 2 Command Pay Office, when called for.

3. Censorship by Base Censor.

(a) The originator's name and unit (see sub-para. 2 above) will be transmitted with the message as far as the base censor.

(b) Army Signal Offices will not accept messages not inscribed with the name of the originator and his unit in whose imprest account the money collected is brought to account.

(c) When a message is not passed for onward transmission by the base censor, Signals will inform the originating unit by Signal message so that the originator can be notified.

(d) Information through Signals that a message has been refused by the base censor does NOT constitute an authority for a refund of cash to the originator.

This authority is the responsibility of the Command Paymaster, who will receive from Signals a copy of all messages not passed by the base censor and will then authorize the unit to make a refund to the originator.

4. Messages from the United Kingdom after receipt in this Command will be delivered to addressees through Signal channels.

II. COMPASSIONATE TELEGRAMS

1. These are official messages and will be forwarded FREE OF CHARGE under the following conditions:—

(a) To the United Kingdom. The message may only contain a request from the soldier concerning the

whereabouts and safety of his wife or nearest relative, from whom he has received no communication for three months.

Unit commanders will satisfy themselves that the soldier's request is genuine, and that he has not, in fact, received any communication for three months.

(b) From the United Kingdom. The message may only contain a notification of the death of a soldier's wife, child or parent, birth of child and condition of the mother after the birth, and in certain cases of serious illness of wife, child, parent or nearest relative.

2. Messages will comply with censorship regulations. They will be despatched through A.D.L.S. or D.R.L.S. to G.H.Q. 2nd Echelon, the envelope being clearly marked « Urgent—Compassionate Telegram ».

3. G.H.Q. 2nd Echelon will, so far as is possible, ensure that the conditions of sub-para. 1 (a) are fulfilled and transfer the message to Signals for onward transmission.

G.R.Os. 61, 132 and 194 are cancelled.

G1/B/2701/A3.

711. Emergency Commissions— Indian Army

The following procedure will be adopted for interviewing and disposal of Indian Army candidates (V.C.Os. and L.O.Rs.) for Emergency Commissions:—

1. 52 W.O.S.B. will forward a nominal roll of the personnel concerned to Adv. O2E (Ind.), C.M.F., who will issue instructions for such personnel to be despatched to 16 (Ind.) Reinforcement Camp, C.M.F.

2. O.C. 16 (Ind.) Reinforcement Camp will advise Adv. O2E (Ind.), C.M.F. (copy to 52 W.O.S.B.), of all arrivals of candidates called forward.

3. 52 W.O.S.B. will then call forward candidates for interview, informing this H.Q., who will select an Indian Army Officer not below the rank of Major to attend the interview in an advisory capacity.

4. Successful candidates will be sent to 16 (Ind.) Reinforcement Camp, where they will await disposal instructions which will be issued by G.H.Q., O2E (Ind.), M.E.F.

5. Unsuccessful candidates will be returned to their units.

6. I.A.F. Z-2290 of successful and unsuccessful candidates will be sent to this H.Q. for disposal.

G1(B)6006/4/A.6.

712. Typhus Fever

1. Attention of all ranks will again be drawn to the prevalence of Typhus Fever among the civilian population of this theatre, and the importance of preventing the spread of the disease to the Forces.

2. G.R.Os. 514/43 and 597/43 refer.

713. Irregular Travel by Air

1. Numerous instances have occurred of Officers and Other Ranks travelling by air without authority, both to destinations within and outside this theatre of operations.

2. It is forbidden to travel, or to attempt to travel, by air without competent travel orders issued by one of the following Headquarters:—

Allied Force Headquarters.
Allied Force Advanced Administrative Echelon.
Fifteenth Army Group.
All Armies.

3. Attention of all ranks will be drawn to this order.

To be repeated in all unit orders.

Nov.3/A/G/L.

714. Irregular Method of Postal Address of Official Correspondence for A.F.H.Q., B.N.A.F., and A.F.H.Q. Advance Admin. Echelon, C.M.F.

1. A considerable amount of Official Correspondence is being received at Army Post Offices addressed 'A.F.H.Q.' without any Force designation, thus raising doubt as to whether the items are intended for A.F.H.Q. B.N.A.F. or A.F.H.Q. Advance Admin. Echelon, C.M.F.

2. It is essential that all such correspondence be clearly and completely addressed to the Headquarters for which it is intended.

The correct postal addresses are:—

- (a) (Branch) A.F.H.Q. B.N.A.F.
- (b) (Branch) A.F.H.Q. Advance Admin. Echelon, C.M.F.

Q/20.

715. Postal Address, H.Qs. Sub-Districts and Garrisons, North Africa

1. As result of the redesignation of units set out in G.R.O. 701/43 the following addresses of Headquarters Sub-Districts and Garrisons will be taken into effect from 31 Dec 43:—

H.Q. 71 Garrison, B.N.A.F.	H.Q. SOUSSE Garrison, B.N.A.F.

2. H.Q. SFAX Garrison has been redesignated H.Q. 69 Garrison. This is the correct address for private correspondence for this unit.

SFAX Garrison has closed, the unit itself has moved, and its duties have been taken over by H.Q. SOUSSE Garrison.

Therefore any official correspondence previously addressed to H.Q. SFAX Garrison will now be addressed to:—

H.Q. SOUSSE Garrison,
B.N.A.F.

3. The postal address of H.Q. NORTH AFRICA District for both private and official correspondence will remain as:—

H.Q. NORTH AFRICA District,
B.N.A.F.

4. The geographical address will only be used for official correspondence addressed to the Sub-District or Garrison H.Q.

Units stationed in or passing through a Sub-District will NOT adopt this form of address, but will comply with instructions on this subject in para. 5 of G.R.O. 682/43.

5. G.R.O. 390/43 is hereby cancelled.

6003/Q(Maint.).

716. Instructions Regarding Employment of Skilled and Semi-Skilled Labour in TUNISIA

1. The above publication has now been approved and copies have been issued in bulk to TUNIS Sub-District for distribution to units employing such labour in TUNISIA.

2. Units requiring to employ civilian labour will adopt the following procedure:—

- (a) Obtain authority from Brigade, Sub-District or Higher Formation Commander or Head of Service.
- (b) Apply for the necessary employees to D.A.D.L. (Civil), who will advise terms on which employees should be engaged.

3. It is emphasized that the above publication relates to employment of civilians in TUNISIA only. Separate instructions have been issued for employment of civilian labour in ALGERIA.

4. Amendments to the above publication will be notified from time to time in G.R.Os.

6499/Q(Maint).

2708/3/Q(Maint).

718. Use of W.D. Transport for Recreational Purposes

1. W.D. transport may be used for recreational purposes subject to the provisions of this Order.

2. Divisional, District or Area Commanders may authorize officers commanding units to sanction the use of W.D. transport for recreational purposes subject to the following restrictions:—

- (a) W.D. vehicles will not be used where rail transport or other public service is available.
- (b) No officer or soldier will normally be allowed more than one journey per week. Where the particular circumstances or location of a unit so warrant, Divisional Commanders, or commanders of equivalent rank, may, at their discretion, authorize two journeys per week.
- (c) No vehicles will be specifically earmarked for recreational purposes.
- (d) C.Os. will be responsible that the type of vehicle employed does not exceed the capacity required, and they will not authorize the use of motor-cars by other ranks unless they are satisfied that it is uneconomical to use a larger vehicle.
- (e) Motor-cycles will not be used.
- (f) Journeys will be authorized only to the nearest town or recreational centre where reasonable amenities exist.
- (g) Journeys over 50 miles from quarters will not be permitted except on the authority of Divisional Commanders, or commanders of equivalent rank.
- (h) Recreational transport will not be authorized for journeys of less than two miles each way.
- (i) Where in the opinion of the formation commander it is desirable to exercise greater supervision, e.g. in the case of small units, formation commanders may direct that such units obtain prior sanction of formation H.Q. before using unit transport for recreational purposes.

3. W.D. transport may also be used for journeys for the conveyance of military personnel when proceeding to and from railway stations or bus halls when going to leave or returning from leave to their units providing public service transport is not available. Such journeys will be subject to the limitations

of paras. 2 and 8 and will not be additional to those permitted under para. (b). One journey to or from the railway station or bus hall will count as one recreational journey and will be deducted from the permissible number of such journeys.

4. Officers will not be permitted to drive vehicles on recreational journeys and all rules apply equally to officers when accompanying their men.

5. The charges set out in para. 8 below may be waived at the discretion of Divisional Commanders, or commanders of equivalent rank, in circumstances where they consider transport should be provided free of charge, e.g. for units in areas where local amenities and the opportunity to travel otherwise than by W.D. transport to the nearest town with reasonable amenities are practically non-existent, or for units recently arrived from a battle zone.

6. When considering applications for recreational transport, formation and unit commanders will at all times have regard to operational considerations and the need to conserve petrol and rubber.

7. Work tickets will invariably be used.

8. Charges:—

Officers	1 penny per mile
Officers accompanying other ranks on recreational journeys	1 farthing per mile
Other ranks, male and female, subject to a maximum charge for other ranks of sixpence for each return journey.	1 farthing per mile

Conversion to local currency will be made to the nearest franc, lire or other relevant unit.

9. Collection of Charges.

(a) Personnel conveyed in own Unit W.D. Transport.

O.C. will be responsible for collection of the amounts due to the public and will take on such amounts as receipts in their Imprest Account. The entry in the Imprest Account will be supported by a statement or voucher showing:—

- (i) the total number of miles travelled,
- (ii) the number of officers and/or other ranks conveyed,
- (iii) the amount due to the public.

Statements or vouchers will be serially numbered and bear a reference as follows:—
= (Unit)/WDTR/(Serial No.) :—and will be certified correct by the O.C.

(b) Personnel conveyed in W.D. transport of another Unit.

The O.C. supplying the W.D. transport will prepare a Certified Statement (or voucher) in quadruplicate as in (a) above, immediately the service has been completed. The Statement (or voucher) will also be endorsed to show the unit to which the transport was supplied. One copy of the Statement will be sent to the Command Paymaster, No. 2 Command Pay Office and two copies to the O.C. unit to which the W.D. transport was supplied. The fourth copy will be retained until notification is received from the Command Paymaster that payment has been made and brought to account.

The O.C. unit to which the W.D. transport was supplied will in the amount due to the nearest Field Cashier, supported by the two copies of the Statement, or voucher, one copy of which will be returned to him receipted by the Cashier.

10. It is emphasised that this concession does not relieve C.Os. of responsibility for the conservation of petrol whenever possible, and for economy in public funds by preventing unnecessary use of military vehicles.

11. G.R.O. 256 is hereby cancelled.

2512/17/Q(Maint).

719. Losses—Write-Off

1. Owing to alterations in Command and nomenclature it has been found necessary to revise the powers of write-off set out in G.R.O. 251 of 1943 which is hereby cancelled.

2. The powers to write-off losses will in future be as follows:—

- The Commander of a District, holding the rank of Major-General, and his Senior Administrative Staff Officer may write off losses within the limits of the powers of a Commander or Senior Admin. Staff Officer of a Corps District or District at Home, as set out in Columns 3 and 7 of Army Order 86 of 1942.
- Sub-District or Area Commanders, not below the rank of Brigadier may write off losses within the limits of the powers of Commanders of Divisions or Areas at Home as set out in Columns 4 and 8 of Army Order 86 of 1942.
- Commanders of Garrisons in North Africa District or of Sub-Areas in Italy and Sicily having rank of full Colonel or above may write off losses within the limits of the powers of Brigade or Sub-Area Commanders at Home as set out in Columns 5 and 9 of Army Order 86 of 1942.
- Commanders of Armies, Corps, Divisions or Brigades may write off losses within the limits of the powers of Commanders of Armies, Corps, Divisions or Brigades at Home as set out in Columns 2 to 9 of Army Order 86 of 1942.

3. With reference to the notes (1) and (5) on page 10 of A.O. 86/42, losses under Section II (B) heads (i), (ii) and (iii) may, in this theatre, be written off by the following.

(i) (Without prior reference to F.A.)

(a) Up to two pounds by O. i/c, Supplies, who is defined as O.C. D.I.D., O.C. Field Butchery and Cold Storage Depot (when operating as a D.I.D.) and Railhead Supply Officer, (Deficiencies under head (i) including deficiencies or breakages in transit.)

(b) Up to five pounds by C.R.E., AD.S.T. Area, C.B.A.S.C., B.P.O., O.C.B.S.D., AD.M.S. Area, AD.M.E. or D.A.D.M.E.

(c) By the C.O.O. of a B.O.D. or a B.A.D. up to five pounds.

(ii) Within the powers and conditions for Brigade Commanders, by the following Heads of Services:—D.W., D.M.E., C.S.O., D.S.T., D.M.S., D.O.S., D.Tn.

(iii) By Commanding Officers of units up to five pounds under the conditions of note (5) as promulgated by A.O. 185/42.

4. In the exercise of the above powers regard will be had to the «Notes» appearing under the various sections of the Table in Army Order 86/42.

5. The powers of write-off without prior reference to the F.A. must be personally exercised by the Commander, or other officer, to whom such power is delegated. A schedule, numbered serially, of losses written off without prior reference, will be furnished monthly not later than seven days after the end of the month to the F.A., who may at his discretion call for the papers on which any particular case was dealt with. The form of the monthly report is shown below:—

----------	--------------	--	--

6. Losses and damage to W.D. Stores and property arising from enemy action do not fall to be considered for formal write off action procedure. Where loss of, or damage to W.D. stores and property is known to have occurred in a unit which is not required to keep store and supply accounts it should be investigated (by a Court of Inquiry where necessary). Authority for the value of the whole or part of the loss to be borne by the public will be required in all cases of losses by fraud, suspected fraud or gross carelessness, and losses by theft or arson whether proved or presumptive. The powers to write off losses under the above headings are shown in Table 1 (A) and (B) of Army Order 86 of 1942. In the case of losses falling under Table II (B) of Army Order 86 of 1942, the necessity for securing authority for the value of the loss to be borne by the public will normally be confined to cases where personal responsibility is brought home on enquiry, and where it is proposed that some or all of the loss should be borne by the public. Applications for such authority will follow normal write-off channels.

7. Losses in transit by pilfering may be treated as falling under Section II B (ii) of the table (incidents of the service) provided the Commander

or other officer dealing with the case is satisfied that all practicable steps were taken to safeguard property and to identify and punish offenders.

8. All L. of C. and Area Orders on this subject will be considered cancelled by this G.R.O.

HEADQUARTERS
ALLIED MILITARY GOVERNMENT
LEGAL SUB-COMMISSION

15 JANUARY 1944

AMG/4111/L

TO: Colonel Gerald Upjohn, A.C.C. HQ, Brindisi.

Dear Gerald: (For Thackrah, in your absence.)

1. I have been asked to work with C.E.C. (Central Economic Council) in connection with legal matters in addition to other duties.
2. The C.E.C. is going to want various price orders issued. Some will be issued in Region II. Some in the four provinces through the Italian Government and some in the 15th Army Group area or in two or all three of these areas.
3. When an order is to be issued in Region II (C.E.C. is not presently interested in Region I) a letter will be directed by C.E.C. to DCCAO Amg. When an order is to be issued in the Area under 15th Army Group a letter will be directed by C.E.C. to the DCCAO 15th Army Group. When a decree or ordinance is to be issued in the four provinces a letter will be directed by C.E.C. to the Deputy President of A.C.C. When more than one area is involved joint letters will be sent. I note from some documents that prices have been fixed by ordinance (see for instance No. 17 relative to olive oil which is to be amended.) in the four provinces.
4. When we get a letter effecting Region II alone or Region II and other areas, we will proceed here to get the order issued in Region II, and I understand 15th Army Group will do likewise as to its area. As these matters are somewhat pressing, it would be advisable for you to make early arrangements at Hq A.C.C. to get early request letter of C.E.C. as quickly as possible.
5. As to olive oil, it is going to be necessary for the Italian Government to issue either a new ordinance in its entirety in substitution for No. 17 or an ordinance amending the prices only. I will have to have immediately a copy of what the Italian Government does in this instance as it becomes the basis of what is done in Region II, likewise the 15th Army Group area must be accordingly advised.

YOURS,

Wick

SUBJECT: Italian Legislation on Occupied Territory.

TO : Chief Legal Counsel, 1st Army Group, 12, 480.

Ref your 100/237/9 dated 10 Jan and to our conversation with the Minister yesterday re some fundamental agreement in principle. The Minister will let us have on many copies as are required (and edited in in this respect) and we will advise you as to what we need in our opinion. The ~~Italian~~ ^{Italian} ~~legislation~~ ^{legislation} for occupation in occupied territory. The actual method of presentation is for you to decide but we suggested printing in on to cover blank space, which we would get the Minister to have on each issue, a list of the documents to be promulgated over an appropriate signature. Other methods occurred to you. The Minister wished to accept the question of policy which you have to consider (a no doubt have) is that the Italians will have to have all decisions in each issue on binding on them but I doubt if in practice this objection to the plan is as great as it seems on paper.

With regard to the introduction, this is in some measure to the whole of occupied territory, and in view of the repeated and distinguished delays over the submission of legislation 1 & 2 this aspect of the matter must be considered.

By our view in the introduction could stand as clear in this respect as to be become applicable to Regions 1 & 2 if they have not been referred to the Italian Government by the time it has been passed. I am not looking to send the documents to the D.C.C. (D.C.C. for the administration and on this and I hope you can hold the matter up for the time being.

You will not of course overlook my point that in line 2 of the last revised "unofficial" may be an inappropriate word even after restoration. We have to deal with 3 types of territory: (1) King's Italy, (2) territory to be restored which may become unoccupied or may continue to have the status of occupied territory; whatever that means, and (3) Occupied territory under an A.G.

I suggest these words might read:-

 ister will let us have as many copies as are required (and advise us in
 this respect) and we will advise you as to what amount will in our opinion
~~be a suitable one~~ appropriate for recognition in our proposed treaty. The
 actual method of providing for you to be able to get the Minister to leave
 him on the one hand, which we would get the Minister to leave
 on each leave, a list of the names to be provided over an appropriate
 adjustment. Other methods covered to you. However nothing in adopted, the
 question of policy which you were to consider (a no doubt have) is that
 the Minister will tend to treat all demands in each letter as binding on them
 but I doubt if he practices this objection to the plan in as great as it
 counts on them.

"With regard to the Recommendation, this is in terms applicable to the whole or occasional territory, not in view of the regional and dismembering policy even the institution of Nations I & 2 this aspect of the matter must be considered.

You will not, of course, criticize my point that in lines 2 of the 2nd revised "uncompleted" may be an *unaccomplished* word even before revision, to have to deal with 3 types of *hardcopy*: (1) King's *hardcopy*, (2) *hardcopy* to be recorded, which may become unrecorded or may continue to have "the status of original *hardcopy*," whatever that means, and (3) recorded *hardcopy* unless an *etc.*

Referring to paragraph 1 of your AGC/L/305 of 5 Jan 44, there is enclosed herewith the draft of a proposed General Order for early publication in 15th Army Group Areas.

2. At the present time a complete prohibition on land transactions is in effect in these areas as a result either of the publication of Proclamation 5 or as a result of the posting of special Provincial Orders in the same terms as those of Article III of that Proclamation.

3. When the prohibition is modified it is important that it be done in terms which will be substantially similar to those used in Regions 1 and 2 and in close conformity to the policies of unoccupied Italy. Accordingly, your comments on the draft Order would be appreciated.

No. 6.

INSTRUCTIONS TO S.G.A.O.'s and C.A.O.'s
ON PROPERTY CONTROL.

1. Upon arrival in any provincial capital or any city of substantial population or importance you will direct the Prefect or Podesta to prepare and submit to you promptly, in duplicate, a list of all property owned by British or American Governments or their Nationals, or by enemy Governments or their Nationals. The list will be typewritten in duplicate on the form made available herewith. You will simultaneously instruct the Prefect or Podesta to cause a "Notice" signed by you to be posted in a conspicuous place on properties owned by the British or American Governments or their Nationals, and enemy state property. (This shall not include property of the Italian Government). A supply of such Notices is herewith made available.
2. Upon receipt of the lists you will retain one copy and forward the other through channels to the Controller of Property, AMS, 15 Army Group. It is recognised that you will not have time personally to undertake the posting or listing of properties, nor provide close supervision, and that these should be the responsibility of the Italian officials upon whom you must rely. If any property so listed appears to you to have substantial value or is culturally or otherwise of an unusual nature, you will personally inspect it as soon as opportunity permits and submit a report through channels to the Controller of Property, AMS 15 Army Group. If property consists of perishable commodities and no representative of the owner is present to protect or dispose of the same, you will direct the Prefect or Podesta to cause it to be sold for the owner's account at public sale. If such property consists of food or articles which may be required by the Army, or Civil Supply Division, opportunity should be afforded them to purchase or requisition it.
3. If any branch of the Armed Forces desires to occupy any premises which have been posted you will consent to such occupancy but will request that an officer of the occupying unit furnish you an inventory, in duplicate, of the property, a proper requisition order, and agrees to notify you when the occupancy ceases. The inventory should be checked by the Italian official as quickly as possible after occupancy ceases and discrepancies noted. The original inventory, requisition order, and list of discrepancies will be submitted to Controller of Property. If a caretaker for the property is available, arrangements should be made with the military unit desiring occupancy to permit the caretaker to remain if consistent with military security. 1. I enclose herewith the English text, and the Italian translation, of Regional Order No. 4, which is being sent to the printer today. You will notice that there are one or two minor changes from the draft of the Order as you presented it to me a few days ago. It is believed, however, that the substance is the same.

2. On going through my files after you left, in an attempt to ascertain the names of all judicial and prosecuting officials who have been appointed by ANG in Region 2 I found that a number of appointments are in the process of being completed. Accordingly, and in order that we may be able to give the Minister of Justice the most accurate and recent information possible, I have asked for full and complete lists of such appointments up to 1 December from all of the Provinces. As rapidly as they come in I shall forward them to you. I regret this delay, but I trust that I was right in believing that in this matter accuracy is more important than speed.

Dear Fred:

Never for the three documents. Spofford wants
any printing the proclamations done here. Sam Leary tomorrow
and so are forsmen and Palmieri but they are going by
road. Jay will be well enough to travel by air.

Wednesday. Dawson is staying behind to clean up.
He is to attend to printing. You will have to send
him copies of what is to be printed with all pertinent
directions. You will have to advise him as to whether
printing is to be done in English or Italian or both. If in
Italian you may prefer to have the translation made
where you are. You will have to let Dawson know
how many copies, where to send them and what
is the deadline. There will probably be other
details concerning which you will find instructions.

7. Region HQ's have all necessary staff branches to carry out their functions and have Civil Affairs Officers (CAO) in all principal towns. All AMG Officers are executive.
8. All AMG British or Dominion personnel are under command of Sub Area Commanders for disciplinary purposes. In cases of military emergency Sub Area Commanders are empowered to issue to all AMG personnel such orders as the situation demands.

Such LO's are not executive, and they cannot issue orders as can CAO's in AMG territory. British or Dominion LO's and staff are under command of Sub Area Commanders for disciplinary purposes. In cases of military emergency Sub Area Commanders are empowered to issue to all LO's such orders as the situation demands.

ALLIED FORCE HEADQUARTERS
Office of the Commander-in-Chief

1 January, 1944

Subject: Farewell Message

To: All men and women serving in or with Allied Forces in the
Mediterranean Theater

Soon I leave this theater to assume other duties assigned me by the Allied Governments.

I take my leave of you with feelings of personal regret that are equalled only by my pride in your brilliant accomplishments of the year just past. Although tempted to review again the many advantages that have accrued to the Allied cause through your bravery and fortitude, I believe all these will come home to you if you will merely compare your present position and prospects in this great conflict with your position and outlook in the late Fall of 1942. Then the Eighth Army was making its final preparations to attack the enemy, who was standing only a short distance west of Cairo. Vast Allied armadas were approaching North-west Africa in complete ignorance as to whether good fortune or complete disaster awaited them. Battered Malta was being defended only by the bravery of her almost entirely isolated garrison. No Allied ship could transit the length of the Mediterranean. Our fortunes appeared at a low ebb.

All this is changed—changed by your skill, your determination and your devotion to duty. Enemy action against our convoys in the Mediterranean is limited to harassing and submarine efforts. You have established yourselves on the mainland of Europe. You are still advancing.

You, along with the other Allied Forces fighting on many fronts, have already achieved the certainty that, provided every soldier, sailor and airman, and every citizen in our homelands continues incessantly to do his full duty, victory will be ours.

Altogether you comprise a mighty fighting machine, which, under your new Commander, will continue, as a completely unified instrument of war, to make further inroads into the enemy's defenses and assist in bringing about his final collapse.

Until we meet again in the heart of the enemy's continental stronghold, I send Godspeed and good luck to each of you, along with the assurance of my lasting gratitude and admiration.
