SUBJECT: Courier Service
TO : Joint Assistant Chiefs of Staff, A.C.A.
FROM : Colonel Young

1. In Army or Corps H.Q. a selected Sergeant or Corporal acts as courier provided with an armband bearing the word "Courier" thereon. These couriers have an air travel priority and I recommend the immediate institution of a courier service for this Holding Centre to enable senior regional officers to obtain from H.Q. Palermo data such as pro forma copies of passes, etc, already printed, to ensure uniformity on the mainland. I suggest this be placed on the agenda of the next staff planning meeting.

Re: Lts Roberson and Marsh.

1. With reference to letter dated 18th instant respecting the above named officers I have discussed the matter with Colonel Rawlings, No. 5 Region, who has vacancies for 2 British Captains as C.A.P.Os. and he has expressed a desire for their services.
2. Both officers have previously served in large City Police forces in England, and it is considered that their previous Police experience make them very suitable for work in a district such as No. 5 Region. I, therefore, strongly recommend that these officers be re-assigned to No. 5 Region to fill Captains vacancies, and that they be promoted to Captains forthwith.
3. Lt. Marsh is at present assigned to No. 6 Region and Lt. Roberson to No. 8.

MINUTES OF MEETING HELD IN COL. RATHBONE'S OFFICE AT
1100 hrs. SATURDAY, 9 OCTOBER 1943.

PRESENT: Col. Rathbone and Heads of Sub-Commissions and Staff Branches.

1. Selection by Heads of Sub-Commissions of representatives to be sent forward as the advance detachment of A. C. and those representatives of each Sub-Commission to remain ~~in the~~ ^{AT TIZI-OUZOU} ~~at Tizi-Ouzou~~.
 Col. Rathbone stressed the need for decisions to be reached as to the selection of appropriate personnel for each of the above tasks by Heads of Sub-Commissions.

It was decided that the rear link should be a responsible executive - not necessarily a deputy - in each Sub-Commission.

In answer to queries it was explained that when Rome is occupied and the Italian Govt. can commence to function an Advance Party of A. C. would be established there, and would gradually absorb A.M.G. L of C., A.C. at Tizi-Ouzou becoming Rear A.C. Until the Italian Govt. can function Military Government must remain as a "stop-gap" organization until the time when A.C. can function as such.

2. Correspondence.

Heads of Sub-Commissions may correspond on technical matters with heads of other Sub-Commissions without referring letters to JACS before despatch and in the exceptional case of Finance may correspond with M.G.S. direct, but in all cases file copies should be shown to JACS.

4. Assignment Boards.

Chiefs of Staff assign officers of the rank of Lieut-Colonel and above, or officers reserved for higher branches such as Political, etc.

Heads of Sub-Commissions will record names of new assignees. The assignee then completes seven days indoctrination and must then report for definite instructions as to his duties. He must then be informed as to the work of the Sub-Commission and be instructed in the internal organization of A.C.

All references to A.C. Office organization which are included in Planning Directives will shortly be combined into one book of reference.

6. Staff-Duties - Military or Civil.

Staff Officers are to be encouraged to use their initiative and not to always refer all matters higher. No routine matter need be referred before action is taken, but the file may be sent to higher authority so that action taken may be noted.

TO: Joint Assistant Chiefs of Staff, Allied Commission.
FROM: P.S. Sub-Commission, Allied Commission.
SUBJECT: Application for Transfer of Personnel from Sicily.
REFERENCE: 1074/5 (P.S.).
DATE: 2 Oct. 1943.

1. In my view it is of considerable importance that Officers who have had practical experience in Sicily should be available for re-appointment to posts where the knowledge which they have obtained would be of inestimable value. I have discussed this matter with Colonel Spofford, Chief of Staff, AMGOT, and Colonel Maxwell, M.G.S., A.F.H.Q. both of whom agree. So far as the Special Division of Public Safety in the Allied Commission is concerned, I regard such a re-appointment essential to complete efficiency, since to a considerable extent the conditions under which it functions will have been influenced by the operations of AMGOT in the field.
2. I, therefore, suggest that Captain J.A. McKay, a Metropolitan Police Inspector and C.A.P.O. at present attached to the C.A.O., Palermo City, be transferred to the Public Safety Division, Allied Commission. Captain McKay has so many qualifications which fit him for an administrative post in this sphere, and in my view, and in that of Colonel L. Bolles, Commissioner, Public Safety, AMGOT, who is willing to release him, he is of outstanding ability and worthy of promotion. In particular, his special administrative qualities are not those which can usually be found in the ranks of C.A.P.Os.
3. I suggest that he be transferred to this Holding Centre for re-allocation, and that another officer from this establishment be exchanged for him.
