Chief Director

You are authorized to employ ALU ROSARIO for special duty at the Prison Gate as an ~~interpreter~~ ^{English} and help to the Guard at the Gate (because he understands English). Hours of work to be decided by you. 2583 wages to be decided as per the Guard's lower rate.

No = Fill out regular form - have interview etc. no blind authority. Let's see who and what he is first. 12

Supt.

This man (ALU ROSARIO) would be very useful at Central Prison Palermo. To be used at the Gate as assistant Gate Keeper especially during busy hours.

I have in mind he can act as a sort of Interpreter as well and no doubt much needed at the gate.

Shall I instruct C/D to take him on. wages as for a Guard less all the extras.

Hours 0800 hours to 1500 hours daily

Saturday 0800 " to 1300 "

Sunday nil.

I believe the Italy Prison Service has regular application forms. I think they should be investigated. Talk to Dr. C. =

I was talking to Major Lotten and he informs me that I should see you in reference to obtaining work.

I formally worked as a watchman in the jail, however I am willing to take any kind of work you may have to offer.

I served in the last war on the side of the Allies and I think that I should have some preference.

If it is impossible to obtain work here could you use me as an interpreter as I speak English.
