SUBJECT: Civil Defence - WHA.AMCOT/1074/PIAMCOT P. 3., Sicily.7 September 1943.TO : C.A.C.

Following report by Inspecting Officers of this H.Q., the following action is recommended :-

1. The public air raid shelters should be cleaned by the Commune employees under the Engineer and Surveyor.
2. Earth closets should be installed in all the shelters if w.c's. are not possible.
3. A simple form of air raid warning such as Church Bells or whistles or organized of sirens are not available.
4. Simple emergency plans for rehousing the homeless and feeding same might be prepared.

Report of Fire and Civil Defense.

County of Henn.

The Brigade is functioning satisfactory and can continue to operate with present personnel and equipment.

Recommendations - None.

Civil Defense - the U.N.P.A. has been abolished in this city by the C.A.C. The few public shelters are in very dirty condition.

Possibility of air attack is remote however, there are important road junctions and P.R. yards three miles from the County.
