Subject: Petition for giving religious service in prison.

The undersigned Sac. Can. MARTORANA Clemente di Giovanni 38 years old born at CATTOLICA ERACLEA, parson for 10 years, knowing that prisoners need religious comfort, reeducation and teachings, he offers himself to give religious service in the prison of Cattolica Eraclea.

Only religion and school can educate and redeem prisoners, as education is the refinement of the mind, of the heart, of the conscience, and of the temperament. But education is insufficient for forming a good citizen; Religion is necessary, as it is the only basis for ~~energy~~ energy and goodness of heart.

Your faithfully
Sac. MARTORANA Clemente
