GUARNIERI Sebastiano.

AM302/1178/PS

Major Searle.

29 September, 3

It has been reported to us that a man by the name of GUARNIERI Sebastiano, has been arrested today by an Officer, in front of 14-16 Via Napoli, for reasons unknown to us. The party interested in this case is Colonel Michol of I.B.S. who says that he knows this man. We know nothing of this affair and would appreciate very much if you could throw some light on it. According to the story told us by a friend of the arrested individual, it was a case of misunderstanding on both the part of the arresting officer and the arrested man.

Will you please check up on this matter and let me know the circumstances.
