SUBJECT : Strength of Public Safety Sub-Commission.

TO : Vice President, Civil Affairs Section.

1. Request is submitted for increase of ceiling on Public Safety Officers. At present the ceiling is 135 not including Security Officers. On the basis of reasonable requirements for Public Safety the ceiling should be increased to not less than 160.

2. The basic unit for assignment to regions should consist of:

1 R.P.S.O.
1 A/R.P.S.O.
1 Fire and C.D. Officer
1 Prisons Officer
1 P.P.S.O. for each province.

3. In almost every region there is at least one city which, by reason of size or importance, requires the assignment of an additional Public Safety Officer.

4. Based on the foregoing, the minimum requirements of the four northern regions will be 56 officers. The minimum for other regions is as follows:

Toscana	15
Emilia	13
Abruzzi-Marche	13
Lazio-Umbria	13

These four regions are either army area or AMG wholly or partially. Most of Emilia is not yet occupied.

5. Southern Region has 10 officers, Sicily 2 and Sardegna 1. 1618 increase is contemplated for these regions.

6. Fifth and Eighth Army AMG each have 5 officers assigned. This is considered to be a minimum requirement.

7. Headquarters of the Sub-Commission has 8 officers assigned which is a minimum.

8. Fire and Civil Defense Officers and Prison Officers are particularly needed. There are at present only 5 Prisons Officers and 6 Fire and C.D. officers under this Sub-Commission to operate in nine regions (Sicily and Sardegna not included). It is desirable that there be made available 5 additional Prisons Officers and 6 additional Fire and C.D. Officers. SUBJECT : Release of Civil Affairs Officers

TO : Distribution below.

1. Due to the fact that a large percentage of Civil Affairs Officers in this and other theatres will come within the groups liable to be affected by the recently published release scheme, it is essential that War Office know at an early date what the commitment for replacements of Civil Affairs Officers is likely to be.

2. Owing to the shortage of manpower it is of the utmost importance that as accurate a forecast as possible is made.

3. It is believed that a large number of Civil Affairs Officers will wish to continue serving after the release scheme as published has been set in motion.

4. It is therefore requested that you ascertain from all Officers at present employed in Civil Affairs whether they are prepared to stay on after they are eligible for release, should they be requested to do so.

5. To enable the War Office to compile statistics it is requested that the following particulars are forwarded, stated as briefly as possible:-

1. Due to the fact that a large percentage of the groups liable to be affected by the Assembly and other theatres will come within the groups liable to be affected by the published release scheme, it is essential that War Office know at an early date what the commitment for replacements of Civil Affairs Officers is likely to be.

2. Owing to the shortage of manpower it is of the utmost importance that as accurate a forecast as possible is made.

3. It is believed that a large number of Civil Affairs Officers will wish to continue serving after the release scheme as published has been set in motion.

4. It is therefore requested that you ascertain from all Officers at present employed in Civil Affairs whether they are prepared to stay on after they are eligible for release, should they be requested to do so.

TO: Brigadier Gerrald R. Upjohn.

I have your note of 19th January concerning the transfer of Col. Bye to 5th Army AMG. Since the matter seems to be a fait accompli, I can only express my deep regret that you have found it necessary to take this step.

One bright spot is that Public Safety Officers of five of our provinces now under 5th Army will continue to have the active support and guidance of Col. Bye.

I do not entirely concur in paragraph four of your letter. Immediate appointment of Major Collins would be premature, as would any appointment not based on consultation with, and advice from, Col. Bye himself.

I request that, for the present, Major Collins be designated as, at most, Acting Regional Public Safety Officer. If possible, I would prefer that no appointment at all, acting or otherwise, be made during the next week, until I have had a chance to consult Col. Bye.

I am sorry that the transfer of Major Gould has taken so long, but I learn upon investigation that they have been awaiting his relief, Major Stevens, who was coming up from Catanzaro. Unfortunately Major Stevens seems to have been contaminated with small-pox and an observation period was necessary before he was able to leave the district in which he had been working. He will, however, be arriving in Florence within the next few days and accordingly Gould will be released to come to you.

I have recently been considering the circumstances of Major Manuel, who you will perhaps remember in Sicily. He was there with the original party and is the only one that has not been moved since. He has just been promoted and is, I can assure you, a first class fellow. I feel that the time has come when he ought to be transferred to some other Region and with this Brigadier Carr agrees. I would like to suggest that he comes to you and that you replace him in Sicily with Major Mighall, who I think himself would desire such a change. I think with the advent of Gould to your Headquarters it might be a good thing to bring in Manuel as well. If you agree I would be very glad if you would release Mighall so that he can proceed to Sicily for Manuel to hand over to him before Manuel himself comes up to you. The reason being, of course, that there is nominally only one Public Safety Officer now in Sicily. No doubt you will let me know in due course what you think.

1604

So far as I can see I shall be spending a night in Aquila in about three weeks' time when we can see how the new arrangement is working. I will, of course, let you know beforehand when I expect to arrive.

My dear Young,

With reference to your D.O. letter of 6 JAN on the subject of the re-assignment of Major Manuel, I shall be very sorry to lose Major Manuel. Now that Lt Col Snook is carrying out the dual role of Regional Executive Officer and Regional Public Safety Officer, Major Manuel is in virtual charge of my Public Safety Division. This is a rear region and I do not want to exaggerate the importance of the Public Safety Division here but it still handles important and tricky problems especially in view of the present unrest and of the infinite variety of rackets in this Island.

In view, however, of the time Major Manuel has been in Sicily I do not feel that I can oppose his transfer to another region. I trust that his successor is a good man.

I should like Maj. Manuel to have a better hand-over.

Yours sincerely M Carr

ALLIED COMMISSION
SARDEGNA REGION

15th January 1945

Subject : Re-Assignment of Officer - Capt. J.C. DAVENPORT.

To : Headquarters, Allied Commission.

1. With reference to AC/14004/1/PS of 9th January 1945, there are at present three Public Safety Officers in this Region namely :-

Major K. W. FISCHER (A)

Capt. J. C. DAVENPORT (A)

Lieut. P. A. WOOD (A)

2. The Region is very active. I have had occasion to draw attention to the increase in crime - Public Safety Officers have also to spend a great deal of time on Provost work dealing with frequent cases of trouble between Sailors in the Port, as there are no Allied Military Police.

I feel it is a very unfortunate time to choose to reduce the Public Safety Officers, particularly as both Captain HUGHES (A) and Captain HAYES (B) have been moved recently, but if it is essential to take one away I do ask that the Regional Commissioner should be consulted and Officers should not be selected by name when there is a choice of more than one Officer with similar qualifications.

3. In this particular case Captain DAVENPORT has only recently been sent to relieve Lieut. WOOD on a particular and important detached duty, very considerable embarrassment would result if he is again moved and suddenly ordered away - quite definitely he cannot be spared.

4. Lieut. WOOD has been over on duty for a long time in SARDINIA without a break and should, therefore, be the most suitable officer to be moved.

He is at present in ROME on a special mission but should be back very shortly unless delayed by weather. Headquarters letter unnumbered dated 10th January 1945 also refers to this Officer.

HEADQUARTERS 17 JAN 1945 1599

5. Captain DAVENPORT is being retained in the meantime.

Lt. Wood is not a P.S. Offr
Capt Davenport's and has local knowledge of Rome where
Capt Davenport is at present employed as a P.O.

1. Confirming conversation (Brig. Upjohn, Lt. Col. Bowman) yesterday, Colonel Young, Deputy Director, Public Safety Sub-Commission, will shortly be leaving this theatre and the Chief Commissioner has decided to appoint Lt. Col. Doherty as his successor.

2. This will, of course, leave the position of Senior Public Safety Officer, Fifth Army, vacant, and having considered the matter I am of opinion that the most suitable officer for this post is Lt. Col. Bye.

3. Owing to the urgency of this matter orders are being issued for Lt. Col. Bye to be transferred to Fifth Army, and I should be very much obliged if you will arrange for him to proceed as speedily as possible so that Lt. Col. Doherty can be relieved to report to this Headquarters.

4. I am of opinion, and understand you agree, that Lt. Col. Bye should be succeeded by Major Collins, who is already serving in your Region. I shall therefore ask my Public Safety Sub-Commission to send you an additional Major to fill the vacancy which this appointment will create.

The Chief Commissioner has approved that Lt. Col. 2. So far as Lt. Col. Doherty's successor is concerned, I am of opinion that Lt. Col. Bye, now with Emilia Region and temporarily attached to 8th Army, has the best qualifications to become your Senior Public Safety Officer and I feel confident that he will be able to give you every satisfaction.

3. Orders are being issued for Lt. Col. Bye to be transferred to you and I shall be extremely obliged if you will allow Lt. Col. Doherty to proceed to this Headquarters as soon as he has been so relieved and has had an opportunity to hand over.

1. Reference conversation Colonel Young - Lt.Col.Francis this morning.

2. Serious difficulties have arisen regarding the general administration of Perugia Province and, with a view to improving the position in this important A.M.G. province, certain changes of staff have been made.

3. It is considered desirable that 279320 Major W.A. Battersbey (B) Provincial Public Safety Officer, Perugia, and Lieut. H. Landesman (A),(attached from Venezia Region), Provincial Police Officer, Perugia, should be relieved of their respective positions.

4. Complaints regarding the conduct of both officers have been received and are the subject of investigation. It is not possible to say, at the moment, whether sufficient evidence will be forthcoming to substantiate these complaints or what action is likely to be taken after enquiries have been completed. The officers are aware of the nature of the allegations made and that their conduct has been called into question.

5. Pending investigation and completion of enquiries, and irrespective of the result and subsequent action (if any), it is considered that their presence would be an embarrassment to the new Provincial Commissioner and that it would be in the interests of efficiency to appoint other officers in their stead. It is, therefore suggested that :-

(a) Major Battersbey and Lieut. Landesman be relieved of their present assignment and attachment.

1. At the present time I am still working as the DAPO under Lt. Colonel F. Wray, SCAO 2 Corps, and needless to say there is a great deal or work to do. Because the front is so static our work is now that of a provincial team, the only difference being that we are still living under canvas on one of the highest mountains south of Bologna, buffeted by icy winds and surrounded by snow.

2. I am the only public safety officer with Corps and am responsible for the whole of the Corps area which includes four Divisional fronts. As you will know by the news there has been a great deal of troop movement during the last week and I have had quite a hectic time keeping a check on the mobile CC RA and ensuring that they are not taken by units into other Corps areas.

3. I am prosecuting in courts three times a week, the offences being of a minor category, e.g.,larceny, unlawful possession of military clothing and foodstuffs, being more than 10 kilometres from home without permit, etc. The remainder of my time is taken in trying to obtain additional warm clothing and footwear for the CC RA performing duty at the road blocks, securing billets and rations. It is a slow process drawing rations in bulk, breaking them down and delivering them to the respective detachments.

4. The whole of this district has been destroyed in the heavy fighting and there are no prisons, fire stations or civil defence organisations in the Corps area. Prisoners have to be taken to the jail at Florence.

4. It looks to me as if the Eighth Army will liberate Bologna and at the moment there is very little activity on this front apart from patrol clashes. I am rather isolated here and have little news to convey. Colonel Mayne, Chief of Staff, is still on leave and as you will know Brigadier General Hume is now G-5 of 15th Army Group.

Best wishes for the New Year.

SUBJECT: Status of Lt P.A. Wood.

TO : Director, Public Safety Sub-Commission.

1. Request status with your Sub-Commission of 1st Lt Pruet A. Wood.

2. Our card-index indicates that Lt Wood is a Civil Affairs Police Officer in Sardinia Region. His qualification card WD AGO Form 66/1 indicates a superior rating as a CAPO in Region VI from 24 September 1943 to 31 December 1943. It also shows an excellent rating as a CAPO in the same region for the first six months of this year. For the three years prior to entrance into active duty he served as a Police Officer for the city of San Francisco.

3. On a recent tour of inspection in Region VI, an officer assigned to this Headquarters states that Lt Wood was in doubt as to his official status with the Allied Commission. In view of the small number of American Police Officers serving as such in the ALlied Commission, an officer of this Lieutenant's background and manner of performance ratings seems well qualified for more extensive duties as a CAPO.

4. Your comment and decision would be of assistance in determining a satisfactory assignment for Lt Wood.

AC/14004/1/PS. 4th December, 1944.

SUBJECT : Assignment of Lt. Col. Pollock.

TO : G-1, for transmission to Chief of Staff.

1. Lt. Col. Pollock has been assigned for transfer from the Lazio-Umbria Region to 5th Army, in accordance with the general transfer of personnel which is taking place. I have been informed to-day that this transfer is not acceptable to Brig. Gen. Hume, 5th Army, and accordingly in the meantime instructions have been given for Pollock not to proceed to this posting.

2. I have interviewed Pollock to-day and he has requested that in view of this situation he be transferred to the U.K. for reassignment in the European theatre. This request has subsequently been submitted in writing and is one to which I have given consideration.

3. I recommend that this request be granted and that Pollock be transferred to the U.K., where there is every reason to believe he will be offered a Public Safety appointment either with A.F.H.Q. or with the Control Commissions in the course of preparation for Germany.

5. Should this transfer be effected no replacement would be required in this theatre.

3. Prior to joining H.M. Forces, I served in London Police in various parts of West End and at Scotland Yard during the War and owing to bombing conditions, my wife and family have been away from my home in London for over FIVE years, August 1939, to present date.
My wife, who is older than I am, has not been in too good health for some time and my house in London has been damaged by enemy action fo second time (1st At Vine Street and 2nd time at No. 37 St. Andrews Avenue, Sudbury). I was seriously wounded by enemy action on duty in London in September, 1940.

REFERENCE : G-1E/371/0

SUBJECT : Officers - Assignment.

TO : Director, Public Safety, Sub-Commission.

1st Lt. George M. MARINKOV (A)

1. On the bi-monthly return dated 31 Oct 1944 from Abruzzi-Marche Region the above named officer, assigned as a Public Safety Officer, was shown as an Administrative Officer.

2. The observations of Abruzzi-Marche as to the change in function are as follow:-

1st Lt. George M. Marinkov. Due to the shortage of officers at the time of the activation of Ancona and Pesaro Provinces, Lt. Marinkov was assigned as administrative officer, in addition to his other duties as assistant PO, Ancona. Upon the liberation of both provinces, he was retained as administrative officer because it was a full-time position and he was thoroughly familiar with the work involved.

3. Will you please state whether you are prepared to agree to the change in function of this officer.

1st November 1944

SUBJECT : CRIME - ROME CITY.

TO : Regional Commissioner

1. In my Police planning scheme for Rome I reported the necessity of having a good, experienced Officer for criminal investigation work. This was approved and I had Capt. T.W.M. Greenhill, (B), No.291709, who came into the city on 5th June 1944.

2. On the very first day of our arrival a Police Finance Guard Lieutenant was shot dead and I put Capt.Greenhill on the job immediately. Within 10 days the murder was arrested and later convicted, due entirely to the efforts of Capt. Greenhill. He carried out numerous other crime enquiries with energy and efficiency.

3. Without consultation and regardless of our crime situation, Capt. Greenhill was ordered forward at short notice and left me on 16th August 1944. Many other Officers were also transfered without consultation.
The need in the forward areas and the shortage of Officers were fully recognised and until this moment I have never made any protest.

4. Now I believe A.C. HQ are concerned about the crime situation. I have been concerned about this since the night of 4th June 1944 and have been doing everything in my power to hold the situation under difficulties.

5. The situation to-day demands more then ever full-time service of an experienced C.I.D. Officer in Rome, and Capt. Greenhill, I think, is the best man for the job. 1105

6. Major Coxhead is so over-burdend with other administrative work in the city, that he can not give the time to this crime liaison-work between Military Police and the Civil Police and the constant guidance of the latter, particularly where Allied Personnel are concerned.

7. I have to ask therefore that Capt. Greenhill be returned to Region IV for duty in Rome City on crime work.

With reference to the Public Safety Officers who have already been assigned and reported to your H.Q's., it is very important that these officers should be employed on Public Safety duties until such time as your Region is activated.

It is realised that a limited number are required for "planning" and administrative duties in connection with your H.Q's, but it is also felt that there are other officers whose duties are such, that they could be spared for temporary attachment to other Regions (such as Toscana and Emilia) until such time as they are actually activated with the Regions to which they are assigned. I am anxious that each Region as it becomes activated should have all the assistance possible, even though only temporary, as the establishments are necessarily low.

With this end in view, will you please make a careful survey of your available officers, reduce "planning" staff to a minimum, and inform this office.

(a) How your officers are at present employed.

(b) Names of officers you can spare for temporary attachment to other Regions.

(c) Names of officers already attached and performing active full-time Public Safety duties with Armies or other Regions.

No.287727, Capt. L.C. WHYMAN (B) at present assigned as C.A.P.O. 5 Army, has recently resumed duty after a long period in hospital.

It is represented that continued duty under conditions such as exist with Army A.M.G., may have an injurious effect on his health, in view of his recent illness, and it is recommended that, subject to agreement with C.P.S., 5 Army, he be re-assigned to Region XI.

It is suggested that Capt. L.A.E. EDDINGS (B) an experienced British Police Officer, at present in Region IX, should replace Capt. WHYMAN.

(attention Col. Farren).

With reference to your 16004/15/G-1 dated 24 August, 1944, it is recommended that Major Hefford be assigned to Region IX, and that the resulting vacancy with Polish Corps, 8th Army, be filled by assignment of Capt. B.R. Johnson (A) from Region V.

Please see Folio 17A of the attached File.

I suggest that it is a pity to move Major. HEFFORD.

If you do decide that your decision shall stand, please inform me at once of the name of the Officer selected to replace him in his present appointment. I thoroughly agree with S.C.A.O. AMG Eighth Army that if Major HEFFORD is to be moved on elsewhere, the move should take place at once.

ACC/14001/1/PS

SUBJECT : Postings & Appointments - Officers.

TO : Establishment Branch.

Representation has been made by Regional Commissioner Region IX that an officer having specialist experience be assigned to that Region as Prisons Officer.

This Sub-Commission agrees that a Prisons Officer should be so assigned, but at present no officer with the necessary experience is available for transfer.

However, the Regional Public Safety Officer, Region IX, is prepared to appoint one of his officers as Prisons Officer providing he can have the assistance of T/4 Armando Di Vincenzo AGO-31119003, at present serving in Region IX HQ. 1434

This EM has had considerable experience of prisons work in Region IX, and has proved highly efficient. He fully understands Prison procedure and compilation of records, speaks Italian and is of good presence.

It is felt that this transfer would result in increased efficiency in the supervision of Prisons in Region IX when activated. At the same time an EM would be employed on duties for which he is particularly suited and has the necessary qualifications.

This Sub-Commission strongly recommends the above arrangement.

Cases are occurring, with increasing frequency, of Officers who are not content with their present assignments, making application, generally unofficially, to Heads of other Sections or Sub-Commissions to give them a job.

1431

Unfortunately in many cases these applications have been favourably received and eventually a request has been made for the officer in question to be assigned.

You will realise, upon consideration, that this is not the correct procedure, and in fact that any Head of a Section or Sub-Commission is in listening to such an application, being disloyal to his fellow Head.

If an officer is not satisfied with his present assignment he has the right of making application to the Head of his Section through his immediate Superior, for a change of assignment - he can also state any preference that he may have.

I therefore request that all Heads of Sections or Sub Commissions will discourage these private assignments and insist that officers who desire a change of employment submit their request for thisthrough the proper channels.

1. If the proposed Southern Region is formed, Capt. Daley will be needed to supervise the Prisons.

2. At the present time, much of the Prison work of Region 2 is dealt with by T/4 Armando Di Vincenzo ASN - 31119083.

3. This Sergeant worked with Capt. Alden when he was Prisons officer, and proved to be highly efficient. He speaks Italian, is tall with a good presence, and fully understands Prison work and the compilation of returns. As a result he is well able to deal with Italian officials.

4. It is suggested that Sgt. Vincenzo be transferred to Region IX to assist P.P.O's with Prison work.

1. So far, an officer for prisons has not been assigned to this Region.

2. It is most probable that prisons will be in a chaotic state when we first occupy the Region and an officer with previous experience would be invaluable, especially during the early stages to advise and assist Provincial Police Officers in this part of their work.

3. I understand that Capt. George Daley, at present assigned to Region III is available. He has had considerable experience in prison work both before and during the war. I therefore suggest Public Safety Sub-Commission, AGC Hq, be asked to assign Capt. Daley to Region IX as Prison Officer.
